75 SECTION 2. Section 23-15-165, Mississippi Code of 1972, is 76 amended as follows:

77 23 - 15 - 165. (1) The Office of the Secretary of State, in 78 cooperation with the county registrars and election commissioners, 79 shall procure, implement and maintain an electronic information 80 processing system and programs capable of maintaining a 81 centralized database of all registered voters in the state. The 82 system shall encompass software and hardware, at both the state 83 and county level, software development training, conversion and 84 support and maintenance for the system. This system shall be 85 known as the "Statewide Elections Management System" and shall 86 constitute the official record of registered voters in every 87 county of the state.

88 (2) The Office of the Secretary of State shall develop and
89 implement the Statewide Elections Management System so that the
90 registrar and election commissioners of each county shall:

91 (a) Verify that an applicant that is registering to
92 vote in that county is not registered to vote in another county;
93 (b) Be notified automatically that a registered voter
94 in its county has registered to vote in another county;
95 (c) Receive regular reports of death, changes of

96 address and convictions for disenfranchising crimes that apply to 97 voters registered in the county; * * *
