HOUSE BILL NO. 1263
(As Sent to Governor)

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The following shall be codified as Section 73-50-2, Mississippi Code of 1972:

73-50-2. (1) This section shall be known as the "Universal Recognition of Occupational Licenses Act."

(2) As used in this section, the term:

(a) "License" means any license (other than a privilege license), certificate, registration, permit or other evidence of
qualification that an individual is required by the state to obtain before he or she may engage in or represent himself or herself to be a member of a particular profession or occupation.

(b) "Occupational licensing board" means any state board, commission, department or other agency in Mississippi that is established for the primary purpose of regulating the entry of persons into, and/or the conduct of persons within, a particular profession or occupation, and which is authorized to issue licenses. For the purposes of this section, the State Department of Education shall be considered an occupational licensing board when issuing teacher licenses under Section 37-3-2.

(3) Notwithstanding any other provision of law, an occupational licensing board shall issue a license or government certification in the discipline applied for and at the same practice level to a person who establishes residence in this state if, upon application to an occupational licensing board, the applicant satisfies the following conditions:

(a) The applicant holds a current and valid license in good standing in another state in an occupation with a similar scope of practice, as determined by the occupational licensing board in Mississippi, and has held this license from the occupational licensing board in the other state for at least one (1) year; and

(b) There were minimum education requirements and, if applicable, work experience, examination and clinical supervision
requirements in effect, and the other state verifies that the applicant met those requirements in order to be licensed in that state; and

(c) The applicant has not committed any act in the other state that would have constituted grounds for refusal, suspension or revocation of a license to practice that occupation in Mississippi at the time the act was committed, and the applicant does not have a disqualifying criminal record as determined by the occupational licensing board in Mississippi under Mississippi law; and

(d) The applicant did not surrender a license because of negligence or intentional misconduct related to the applicant's work in the occupation in another state; and

(e) The applicant does not have a complaint, allegation or investigation pending before an occupational licensing board or other board in another state that relates to unprofessional conduct or an alleged crime. If the applicant has a complaint, allegation or investigation pending, the occupational licensing board in Mississippi shall not issue or deny a license to the applicant until the complaint, allegation or investigation is resolved, or the applicant otherwise satisfies the criteria for licensure in Mississippi to the satisfaction of the occupational licensing board in Mississippi; and

(f) The applicant pays all applicable fees in Mississippi.
(4) Notwithstanding any other law, the occupational licensing board shall issue a license to an applicant in the discipline applied for and at the same practice level, as determined by the occupational licensing board, to a person who establishes residence in this state based on work experience in another state, if all the following apply:

(a) The applicant worked in a state that does not use a license to regulate a lawful occupation, but Mississippi uses a license to regulate a lawful occupation with a similar scope of practice, as determined by the occupational licensing board;

(b) The applicant worked for at least three (3) years in the lawful occupation; and

(c) The applicant satisfies the provisions of paragraphs (c) through (f) of subsection (3) of this section.

(5) An occupational licensing board may require an applicant to pass a jurisprudential examination specific to relevant state laws in Mississippi that regulate the occupation if the issuance of a license in Mississippi requires an applicant to pass a jurisprudential examination specific to relevant state statutes and administrative rules in Mississippi that regulate the occupation.

(6) For purposes of this act, residence may be established by demonstrating proof of a state-issued identification card or one (1) of the following:
(a) Current Mississippi residential utility bill with the applicant's name and address;
(b) Documentation of the applicant's current ownership, or current lease of a residence in Mississippi;
(c) Documentation of current in-state employment or notarized letter of promise of employment of the applicant or his or her spouse; or
(d) Any verifiable documentation demonstrating Mississippi residency.

(7) A person who receives a license under this section is subject to the laws regulating the person's practice in this state and is subject to the occupational licensing board's jurisdiction.

(8) A license issued under this section is valid only in this state and does not make the person eligible to be part of an interstate compact.

(9) The occupational licensing board shall issue or deny the license to the applicant within one hundred twenty (120) days after receiving an application.

If the application requires longer than two (2) weeks to process, the occupational licensing board shall issue a temporary practice permit within thirty (30) days after receiving the application if the applicant submits an affidavit, under penalties of perjury, affirming that he or she satisfies the provisions of subsection (3) or subsection (4) and pays all applicable fees as required by subsection (3)(f) or subsection (4)(f).
The applicant may practice under the temporary permit until a license is granted, or until a notice to deny the license is issued, in accordance with rules adopted by the occupational licensing board. A temporary license will expire in three hundred sixty-five (365) days after its issuance if the applicant fails to satisfy the requirement for licensure in subsections (3) through (5), as applicable.

(10) (a) The applicant may appeal any of the following decisions of an occupational licensing board to a court of general jurisdiction:

(i) Denial of a license;
(ii) Determination of the occupation;
(iii) Determination of the similarity of the scope of practice of the license issued; or
(iv) Other determinations under this section.

(b) The court shall determine all questions of law, including the interpretation of a constitutional or statutory provision or a rule adopted by an occupational licensing board, without regard to any previous determination that may have been made on the question in any action before the occupational licensing board.

(11) An occupational licensing board shall prominently print the following on all license applications, any communication denying a license, and on the board's website: "Pursuant to the provisions of the Universal Recognition of Occupational Licenses..."
Act, Mississippi shall recognize occupational licenses obtained from other states." An occupational licensing board shall prepare and place on the board's website an annual report detailing the number of applications submitted to the licensing board under this section during a calendar year and the actions taken by the board on the applications.

(12) An occupational licensing board shall adopt rules necessary to implement this section by January 1, 2022. In addition, an occupational licensing board shall make all reasonable efforts to issue a license to an applicant for a license under this section.

(13) Nothing in this section shall be construed to prohibit an applicant for licensure from proceeding under the existing licensure requirements established by an occupational licensing board in Mississippi.

(14) Nothing in this chapter shall be construed to prevent Mississippi from entering into a licensing compact or reciprocity agreement with another state, foreign province or foreign country. A license issued under this section is valid only in Mississippi. It does not make the person eligible to work in another state under an interstate compact or reciprocity agreement unless otherwise provided in Mississippi law.

(15) Nothing in this section shall be construed to apply to:

  (a) The practice of law as regulated under Section 73-3-1 et seq.;
(b) Criteria for an applicant to obtain a license that is established under an interstate compact;
(c) The ability of an occupational licensing board to require an applicant to submit fingerprints in order to access state and federal criminal records information for noncriminal justice purposes;
(d) The practice of medicine by physicians as regulated under Section 73-25-1 et seq.;
(e) The provisions of the Military Family Freedom Act, Section 73-50-1; or
(f) An occupation regulated under Section 73-1-1 et seq. to the extent there is a conflict with a law granting licensure reciprocity under Section 73-1-1 et seq.

SECTION 2. Section 37-3-2, Mississippi Code of 1972, is amended as follows:

37-3-2. (1) There is established within the State Department of Education the Commission on Teacher and Administrator Education, Certification and Licensure and Development. It shall be the purpose and duty of the commission to make recommendations to the State Board of Education regarding standards for the certification and licensure and continuing professional development of those who teach or perform tasks of an educational nature in the public schools of Mississippi.

(2) (a) The commission shall be composed of fifteen (15) qualified members. The membership of the commission shall be
composed of the following members to be appointed, three (3) from
each of the four (4) congressional districts, as such districts
existed on January 1, 2011, in accordance with the population
calculations determined by the 2010 federal decennial census,
including: four (4) classroom teachers; three (3) school
administrators; one (1) representative of schools of education of
public institutions of higher learning located within the state to
be recommended by the Board of Trustees of State Institutions of
Higher Learning; one (1) representative from the schools of
education of independent institutions of higher learning to be

Education, shall be appointed from the state at large.

(b) All appointments shall be made by the State Board

Public Education. The first appointments by the State Board of
Education shall be made as follows: five (5) members shall be
appointed for a term of one (1) year; five (5) members shall be
appointed for a term of two (2) years; and five (5) members shall
be appointed for a term of three (3) years. Thereafter, all
members shall be appointed for a term of four (4) years.
(3) The State Board of Education when making appointments shall designate a chairman. The commission shall meet at least once every two (2) months or more often if needed. Members of the commission shall be compensated at a rate of per diem as authorized by Section 25-3-69 and be reimbursed for actual and necessary expenses as authorized by Section 25-3-41.

(4) (a) An appropriate staff member of the State Department of Education shall be designated and assigned by the State Superintendent of Public Education to serve as executive secretary and coordinator for the commission. No less than two (2) other appropriate staff members of the State Department of Education shall be designated and assigned by the State Superintendent of Public Education to serve on the staff of the commission.

(b) An Office of Educator Misconduct Evaluations shall be established within the State Department of Education to assist the commission in responding to infractions and violations, and in conducting hearings and enforcing the provisions of subsections (11), (12), (13), (14) and (15) of this section, and violations of the Mississippi Educator Code of Ethics.

(5) It shall be the duty of the commission to:

(a) Set standards and criteria, subject to the approval of the State Board of Education, for all educator preparation programs in the state;

(b) Recommend to the State Board of Education each year approval or disapproval of each educator preparation program in
the state, subject to a process and schedule determined by the State Board of Education;

(c) Establish, subject to the approval of the State Board of Education, standards for initial teacher certification and licensure in all fields;

(d) Establish, subject to the approval of the State Board of Education, standards for the renewal of teacher licenses in all fields;

(e) Review and evaluate objective measures of teacher performance, such as test scores, which may form part of the licensure process, and to make recommendations for their use;

(f) Review all existing requirements for certification and licensure;

(g) Consult with groups whose work may be affected by the commission's decisions;

(h) Prepare reports from time to time on current practices and issues in the general area of teacher education and certification and licensure;

(i) Hold hearings concerning standards for teachers' and administrators' education and certification and licensure with approval of the State Board of Education;

(j) Hire expert consultants with approval of the State Board of Education;

(k) Set up ad hoc committees to advise on specific areas; and
(l) Perform such other functions as may fall within their general charge and which may be delegated to them by the State Board of Education.

(6) (a) **Standard License – Approved Program Route.** An educator entering the school system of Mississippi for the first time and meeting all requirements as established by the State Board of Education shall be granted a standard five-year license. Persons who possess two (2) years of classroom experience as an assistant teacher or who have taught for one (1) year in an accredited public or private school shall be allowed to fulfill student teaching requirements under the supervision of a qualified participating teacher approved by an accredited college of education. The local school district in which the assistant teacher is employed shall compensate such assistant teachers at the required salary level during the period of time such individual is completing student teaching requirements.

Applicants for a standard license shall submit to the department:

(i) An application on a department form;

(ii) An official transcript of completion of a teacher education program approved by the department or a nationally accredited program, subject to the following:

Licensure to teach in Mississippi prekindergarten through kindergarten classrooms shall require completion of a teacher education program or a bachelor of science degree with child development emphasis from a program accredited by the American
Association of Family and Consumer Sciences (AAFCS) or by the National Association for Education of Young Children (NAEYC) or by the National Council for Accreditation of Teacher Education (NCATE). Licensure to teach in Mississippi kindergarten, for those applicants who have completed a teacher education program, and in Grade 1 through Grade 4 shall require the completion of an interdisciplinary program of studies. Licenses for Grades 4 through 8 shall require the completion of an interdisciplinary program of studies with two (2) or more areas of concentration. Licensure to teach in Mississippi Grades 7 through 12 shall require a major in an academic field other than education, or a combination of disciplines other than education. Students preparing to teach a subject shall complete a major in the respective subject discipline. All applicants for standard licensure shall demonstrate that such person's college preparation in those fields was in accordance with the standards set forth by the National Council for Accreditation of Teacher Education (NCATE) or the National Association of State Directors of Teacher Education and Certification (NASDTEC) or, for those applicants who have a bachelor of science degree with child development emphasis, the American Association of Family and Consumer Sciences (AAFCS). Effective July 1, 2016, for initial elementary education licensure, a teacher candidate must earn a passing score on a rigorous test of scientifically research-based reading instruction
and intervention and data-based decision-making principles as approved by the State Board of Education;

(iii) A copy of test scores evidencing satisfactory completion of nationally administered examinations of achievement, such as the Educational Testing Service's teacher testing examinations;

(iv) Any other document required by the State Board of Education; and

(v) From and after July 1, 2020, no teacher candidate shall be licensed to teach in Mississippi who did not meet the following criteria for entrance into an approved teacher education program:

1. An ACT Score of twenty-one (21) (or SAT equivalent); or

2. Achieve a qualifying passing score on the Praxis Core Academic Skills for Educators examination as established by the State Board of Education; or

3. A minimum GPA of 3.0 on coursework prior to admission to an approved teacher education program.

(b) **Standard License - Nontraditional Teaching Route.** From and after July 1, 2020, no teacher candidate shall be licensed to teach in Mississippi under the alternate route who did not meet the following criteria:

(i) An ACT Score of twenty-one (21) (or SAT equivalent); or
(ii) Achieve a qualifying passing score on the Praxis Core Academic Skills for Educators examination as established by the State Board of Education; or

(iii) A minimum GPA of 3.0 on coursework prior to admission to an approved teacher education program.

Beginning July 1, 2020, an individual who has attained a passing score on the Praxis Core Academic Skills for Educators or an ACT Score of twenty-one (21) (or SAT equivalent) or a minimum GPA of 3.0 on coursework prior to admission to an approved teacher education program and a passing score on the Praxis Subject Assessment in the requested area of endorsement may apply for admission to the Teach Mississippi Institute (TMI) program to teach students in Grades 7 through 12 if the individual meets the requirements of this paragraph (b). The State Board of Education shall adopt rules requiring that teacher preparation institutions which provide the Teach Mississippi Institute (TMI) program for the preparation of nontraditional teachers shall meet the standards and comply with the provisions of this paragraph.

(i) The Teach Mississippi Institute (TMI) shall include an intensive eight-week, nine-semester-hour summer program or a curriculum of study in which the student matriculates in the fall or spring semester, which shall include, but not be limited to, instruction in education, effective teaching strategies, classroom management, state curriculum requirements, planning and instruction, instructional methods and pedagogy, using test
results to improve instruction, and a one (1) semester three-hour supervised internship to be completed while the teacher is employed as a full-time teacher intern in a local school district. The TMI shall be implemented on a pilot program basis, with courses to be offered at up to four (4) locations in the state, with one (1) TMI site to be located in each of the three (3) Mississippi Supreme Court districts.

(ii) The school sponsoring the teacher intern shall enter into a written agreement with the institution providing the Teach Mississippi Institute (TMI) program, under terms and conditions as agreed upon by the contracting parties, providing that the school district shall provide teacher interns seeking a nontraditional provisional teaching license with a one-year classroom teaching experience. The teacher intern shall successfully complete the one (1) semester three-hour intensive internship in the school district during the semester immediately following successful completion of the TMI and prior to the end of the one-year classroom teaching experience.

(iii) Upon completion of the nine-semester-hour TMI or the fall or spring semester option, the individual shall submit his transcript to the commission for provisional licensure of the intern teacher, and the intern teacher shall be issued a provisional teaching license by the commission, which will allow the individual to legally serve as a teacher while the person completes a nontraditional teacher preparation internship program.
(iv) During the semester of internship in the school district, the teacher preparation institution shall monitor the performance of the intern teacher. The school district that employs the provisional teacher shall supervise the provisional teacher during the teacher's intern year of employment under a nontraditional provisional license, and shall, in consultation with the teacher intern's mentor at the school district of employment, submit to the commission a comprehensive evaluation of the teacher's performance sixty (60) days prior to the expiration of the nontraditional provisional license. If the comprehensive evaluation establishes that the provisional teacher intern's performance fails to meet the standards of the approved nontraditional teacher preparation internship program, the individual shall not be approved for a standard license.

(v) An individual issued a provisional teaching license under this nontraditional route shall successfully complete, at a minimum, a one-year beginning teacher mentoring and induction program administered by the employing school district with the assistance of the State Department of Education.

(vi) Upon successful completion of the TMI and the internship provisional license period, applicants for a Standard License - Nontraditional Route shall submit to the commission a transcript of successful completion of the twelve (12) semester hours required in the internship program, and the employing school district shall submit to the commission a recommendation for
standard licensure of the intern. If the school district recommends licensure, the applicant shall be issued a Standard License - Nontraditional Route which shall be valid for a five-year period and be renewable.

   (vii) At the discretion of the teacher preparation institution, the individual shall be allowed to credit the twelve (12) semester hours earned in the nontraditional teacher internship program toward the graduate hours required for a Master of Arts in Teacher (MAT) Degree.

   (viii) The local school district in which the nontraditional teacher intern or provisional licensee is employed shall compensate such teacher interns at Step 1 of the required salary level during the period of time such individual is completing teacher internship requirements and shall compensate such Standard License - Nontraditional Route teachers at Step 3 of the required salary level when they complete license requirements. Implementation of the TMI program provided for under this paragraph (b) shall be contingent upon the availability of funds appropriated specifically for such purpose by the Legislature. Such implementation of the TMI program may not be deemed to prohibit the State Board of Education from developing and implementing additional alternative route teacher licensure programs, as deemed appropriate by the board. The emergency certification program in effect prior to July 1, 2002, shall remain in effect.
A Standard License - Approved Program Route shall be issued for a five-year period, and may be renewed. Recognizing teaching as a profession, a hiring preference shall be granted to persons holding a Standard License - Approved Program Route or Standard License - Nontraditional Teaching Route over persons holding any other license.

(c) **Special License - Expert Citizen.** In order to allow a school district to offer specialized or technical courses, the State Department of Education, in accordance with rules and regulations established by the State Board of Education, may grant a one-year expert citizen-teacher license to local business or other professional personnel to teach in a public school or nonpublic school accredited or approved by the state. Such person may begin teaching upon his employment by the local school board and licensure by the Mississippi Department of Education. The board shall adopt rules and regulations to administer the expert citizen-teacher license. A Special License - Expert Citizen may be renewed in accordance with the established rules and regulations of the State Department of Education.

(d) **Special License - Nonrenewable.** The State Board of Education is authorized to establish rules and regulations to allow those educators not meeting requirements in paragraph (a), (b) or (c) of this subsection (6) to be licensed for a period of not more than three (3) years, except by special approval of the State Board of Education.
(e) **Nonlicensed Teaching Personnel.** A nonlicensed person may teach for a maximum of three (3) periods per teaching day in a public school district or a nonpublic school accredited/approved by the state. Such person shall submit to the department a transcript or record of his education and experience which substantiates his preparation for the subject to be taught and shall meet other qualifications specified by the commission and approved by the State Board of Education. In no case shall any local school board hire nonlicensed personnel as authorized under this paragraph in excess of five percent (5%) of the total number of licensed personnel in any single school.

(f) **Special License - Transitional Bilingual Education.** Beginning July 1, 2003, the commission shall grant special licenses to teachers of transitional bilingual education who possess such qualifications as are prescribed in this section. Teachers of transitional bilingual education shall be compensated by local school boards at not less than one (1) step on the regular salary schedule applicable to permanent teachers licensed under this section. The commission shall grant special licenses to teachers of transitional bilingual education who present the commission with satisfactory evidence that they (i) possess a speaking and reading ability in a language, other than English, in which bilingual education is offered and communicative skills in English; (ii) are in good health and sound moral character; (iii) possess a bachelor's degree or an associate's degree in teacher
education from an accredited institution of higher education; (iv)
meet such requirements as to courses of study, semester hours
therein, experience and training as may be required by the
commission; and (v) are legally present in the United States and
possess legal authorization for employment. A teacher of
transitional bilingual education serving under a special license
shall be under an exemption from standard licensure if he achieves
the requisite qualifications therefor. Two (2) years of service
by a teacher of transitional bilingual education under such an
exemption shall be credited to the teacher in acquiring a Standard
Educator License. Nothing in this paragraph shall be deemed to
prohibit a local school board from employing a teacher licensed in
an appropriate field as approved by the State Department of
Education to teach in a program in transitional bilingual
education.

(g) In the event any school district meets the highest
accreditation standards as defined by the State Board of Education
in the accountability system, the State Board of Education, in its
discretion, may exempt such school district from any restrictions
in paragraph (e) relating to the employment of nonlicensed
teaching personnel.

(h) Highly Qualified Teachers. Beginning July 1, 2006,
any teacher from any state meeting the federal definition of
highly qualified, as described in the No Child Left Behind Act,
must be granted a standard five-year license by the State Department of Education.

(7) **Administrator License.** The State Board of Education is authorized to establish rules and regulations and to administer the licensure process of the school administrators in the State of Mississippi. There will be four (4) categories of administrator licensure with exceptions only through special approval of the State Board of Education.

(a) **Administrator License - Nonpracticing.** Those educators holding administrative endorsement but having no administrative experience or not serving in an administrative position on January 15, 1997.

(b) **Administrator License - Entry Level.** Those educators holding administrative endorsement and having met the department's qualifications to be eligible for employment in a Mississippi school district. Administrator License - Entry Level shall be issued for a five-year period and shall be nonrenewable.

(c) **Standard Administrator License - Career Level.** An administrator who has met all the requirements of the department for standard administrator licensure.

(d) **Administrator License - Nontraditional Route.** The board may establish a nontraditional route for licensing administrative personnel. Such nontraditional route for administrative licensure shall be available for persons holding, but not limited to, a master of business administration degree, a
master of public administration degree, a master of public planning and policy degree or a doctor of jurisprudence degree from an accredited college or university, with five (5) years of administrative or supervisory experience. Successful completion of the requirements of alternate route licensure for administrators shall qualify the person for a standard administrator license.

Individuals seeking school administrator licensure under paragraph (b), (c) or (d) shall successfully complete a training program and an assessment process prescribed by the State Board of Education. All applicants for school administrator licensure shall meet all requirements prescribed by the department under paragraph (b), (c) or (d), and the cost of the assessment process required shall be paid by the applicant.

(8) Reciprocity. (a) The department shall grant a standard license to any individual who possesses a valid standard license from another state and meets minimum Mississippi license requirements or equivalent requirements as determined by the State Board of Education. The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(b) The department shall grant a nonrenewable special license to any individual who possesses a credential which is less than a standard license or certification from another state. Such
special license shall be valid for the current school year plus one (1) additional school year to expire on June 30 of the second year, not to exceed a total period of twenty-four (24) months, during which time the applicant shall be required to complete the requirements for a standard license in Mississippi.

(9) **Renewal and Reinstatement of Licenses.** The State Board of Education is authorized to establish rules and regulations for the renewal and reinstatement of educator and administrator licenses. Effective May 15, 1997, the valid standard license held by an educator shall be extended five (5) years beyond the expiration date of the license in order to afford the educator adequate time to fulfill new renewal requirements established pursuant to this subsection. An educator completing a master of education, educational specialist or doctor of education degree in May 1997 for the purpose of upgrading the educator's license to a higher class shall be given this extension of five (5) years plus five (5) additional years for completion of a higher degree.

(10) All controversies involving the issuance, revocation, suspension or any change whatsoever in the licensure of an educator required to hold a license shall be initially heard in a hearing de novo, by the commission or by a subcommittee established by the commission and composed of commission members, or by a hearing officer retained and appointed by the commission, for the purpose of holding hearings. Any complaint seeking the denial of issuance, revocation or suspension of a license shall be
by sworn affidavit filed with the Commission on Teacher and Administrator Education, Certification and Licensure and Development. The decision thereon by the commission, its subcommittee or hearing officer, shall be final, unless the aggrieved party shall appeal to the State Board of Education, within ten (10) days, of the decision of the commission, its subcommittee or hearing officer. An appeal to the State Board of Education shall be perfected upon filing a notice of the appeal and by the prepayment of the costs of the preparation of the record of proceedings by the commission, its subcommittee or hearing officer. An appeal shall be on the record previously made before the commission, its subcommittee or hearing officer, unless otherwise provided by rules and regulations adopted by the board. The decision of the commission, its subcommittee or hearing officer shall not be disturbed on appeal if supported by substantial evidence, was not arbitrary or capricious, within the authority of the commission, and did not violate some statutory or constitutional right. The State Board of Education in its authority may reverse, or remand with instructions, the decision of the commission, its subcommittee or hearing officer. The decision of the State Board of Education shall be final.

(11) (a) The State Board of Education, acting through the commission, may deny an application for any teacher or administrator license for one or more of the following:
(i) Lack of qualifications which are prescribed by law or regulations adopted by the State Board of Education;

(ii) The applicant has a physical, emotional or mental disability that renders the applicant unfit to perform the duties authorized by the license, as certified by a licensed psychologist or psychiatrist;

(iii) The applicant is actively addicted to or actively dependent on alcohol or other habit-forming drugs or is a habitual user of narcotics, barbiturates, amphetamines, hallucinogens or other drugs having similar effect, at the time of application for a license;

(iv) Fraud or deceit committed by the applicant in securing or attempting to secure such certification and license;

(v) Failing or refusing to furnish reasonable evidence of identification;

(vi) The applicant has been convicted, has pled guilty or entered a plea of nolo contendere to a felony, as defined by federal or state law. For purposes of this subparagraph (vi) of this paragraph (a), a "guilty plea" includes a plea of guilty, entry of a plea of nolo contendere, or entry of an order granting pretrial or judicial diversion;

(vii) The applicant or licensee is on probation or post-release supervision for a felony or conviction, as defined by federal or state law. However, this disqualification expires upon the end of the probationary or post-release supervision period.
(b) The State Board of Education, acting through the commission, shall deny an application for any teacher or administrator license, or immediately revoke the current teacher or administrator license, for one or more of the following:

(i) If the applicant or licensee has been convicted, has pled guilty or entered a plea of nolo contendere to a sex offense as defined by federal or state law. For purposes of this subparagraph (i) of this paragraph (b), a "guilty plea" includes a plea of guilty, entry of a plea of nolo contendere, or entry of an order granting pretrial or judicial diversion;

(ii) The applicant or licensee is on probation or post-release supervision for a sex offense conviction, as defined by federal or state law;

(iii) The license holder has fondled a student as described in Section 97-5-23, or had any type of sexual involvement with a student as described in Section 97-3-95; or

(iv) The license holder has failed to report sexual involvement of a school employee with a student as required by Section 97-5-24.

(12) The State Board of Education, acting through the commission, may revoke, suspend or refuse to renew any teacher or administrator license for specified periods of time or may place on probation, reprimand a licensee, or take other disciplinary action with regard to any license issued under this chapter for one or more of the following:
(a) Breach of contract or abandonment of employment may result in the suspension of the license for one (1) school year as provided in Section 37-9-57;

(b) Obtaining a license by fraudulent means shall result in immediate suspension and continued suspension for one (1) year after correction is made;

(c) Suspension or revocation of a certificate or license by another state shall result in immediate suspension or revocation and shall continue until records in the prior state have been cleared;

(d) The license holder has been convicted, has pled guilty or entered a plea of nolo contendere to a felony, as defined by federal or state law. For purposes of this paragraph, a "guilty plea" includes a plea of guilty, entry of a plea of nolo contendere, or entry of an order granting pretrial or judicial diversion;

(e) The license holder knowingly and willfully committing any of the acts affecting validity of mandatory uniform test results as provided in Section 37-16-4(1);

(f) The license holder has engaged in unethical conduct relating to an educator/student relationship as identified by the State Board of Education in its rules;

(g) The license holder served as superintendent or principal in a school district during the time preceding and/or

the State Board of Education appointing a conservator;

(h) The license holder submitted a false certification
to the State Department of Education that a statewide test was
administered in strict accordance with the Requirements of the
Mississippi Statewide Assessment System; or

(i) The license holder has failed to comply with the
Procedures for Reporting Infractions as promulgated by the
commission and approved by the State Board of Education pursuant
to subsection (15) of this section.

For purposes of this subsection, probation shall be defined
as a length of time determined by the commission, its subcommittee
or hearing officer, and based on the severity of the offense in
which the license holder shall meet certain requirements as
prescribed by the commission, its subcommittee or hearing officer.
Failure to complete the requirements in the time specified shall
result in immediate suspension of the license for one (1) year.

(13) (a) Dismissal or suspension of a licensed employee by
a local school board pursuant to Section 37-9-59 may result in the
suspension or revocation of a license for a length of time which
shall be determined by the commission and based upon the severity
of the offense.

(b) Any offense committed or attempted in any other
state shall result in the same penalty as if committed or
attempted in this state.
(c) A person may voluntarily surrender a license. The surrender of such license may result in the commission recommending any of the above penalties without the necessity of a hearing. However, any such license which has voluntarily been surrendered by a licensed employee may only be reinstated by a majority vote of all members of the commission present at the meeting called for such purpose.

(14) (a) A person whose license has been suspended or surrendered on any grounds except criminal grounds may petition for reinstatement of the license after one (1) year from the date of suspension or surrender, or after one-half (1/2) of the suspended or surrendered time has lapsed, whichever is greater. A person whose license has been suspended or revoked on any grounds or violations under subsection (12) of this section may be reinstated automatically or approved for a reinstatement hearing, upon submission of a written request to the commission. A license suspended, revoked or surrendered on criminal grounds may be reinstated upon petition to the commission filed after expiration of the sentence and parole or probationary period imposed upon conviction. A revoked, suspended or surrendered license may be reinstated upon satisfactory showing of evidence of rehabilitation. The commission shall require all who petition for reinstatement to furnish evidence satisfactory to the commission of good character, good mental, emotional and physical health and such other evidence as the commission may deem necessary to
establish the petitioner's rehabilitation and fitness to perform
the duties authorized by the license.

(b) A person whose license expires while under
investigation by the Office of Educator Misconduct for an alleged
violation may not be reinstated without a hearing before the
commission if required based on the results of the investigation.

(15) Reporting procedures and hearing procedures for dealing
with infractions under this section shall be promulgated by the
commission, subject to the approval of the State Board of
Education. The revocation or suspension of a license shall be
effected at the time indicated on the notice of suspension or
revocation. The commission shall immediately notify the
superintendent of the school district or school board where the
teacher or administrator is employed of any disciplinary action
and also notify the teacher or administrator of such revocation or
suspension and shall maintain records of action taken. The State
Board of Education may reverse or remand with instructions any
decision of the commission, its subcommittee or hearing officer
regarding a petition for reinstatement of a license, and any such
decision of the State Board of Education shall be final.

(16) An appeal from the action of the State Board of
Education in denying an application, revoking or suspending a
license or otherwise disciplining any person under the provisions
of this section shall be filed in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, on the record
made, including a verbatim transcript of the testimony at the hearing. The appeal shall be filed within thirty (30) days after notification of the action of the board is mailed or served and the proceedings in chancery court shall be conducted as other matters coming before the court. The appeal shall be perfected upon filing notice of the appeal and by the prepayment of all costs, including the cost of preparation of the record of the proceedings by the State Board of Education, and the filing of a bond in the sum of Two Hundred Dollars ($200.00) conditioned that if the action of the board be affirmed by the chancery court, the applicant or license holder shall pay the costs of the appeal and the action of the chancery court.

(17) All such programs, rules, regulations, standards and criteria recommended or authorized by the commission shall become effective upon approval by the State Board of Education as designated by appropriate orders entered upon the minutes thereof.

(18) The granting of a license shall not be deemed a property right nor a guarantee of employment in any public school district. A license is a privilege indicating minimal eligibility for teaching in the public school districts of Mississippi. This section shall in no way alter or abridge the authority of local school districts to require greater qualifications or standards of performance as a prerequisite of initial or continued employment in such districts.
(19) In addition to the reasons specified in subsections
(12) and (13) of this section, the board shall be authorized to
suspend the license of any licensee for being out of compliance
with an order for support, as defined in Section 93-11-153. The
procedure for suspension of a license for being out of compliance
with an order for support, and the procedure for the reissuance or
reinstatement of a license suspended for that purpose, and the
payment of any fees for the reissuance or reinstatement of a
license suspended for that purpose, shall be governed by Section
93-11-157 or 93-11-163, as the case may be. Actions taken by the
board in suspending a license when required by Section 93-11-157
or 93-11-163 are not actions from which an appeal may be taken
under this section. Any appeal of a license suspension that is
required by Section 93-11-157 or 93-11-163 shall be taken in
accordance with the appeal procedure specified in Section
93-11-157 or 93-11-163, as the case may be, rather than the
procedure specified in this section. If there is any conflict
between any provision of Section 93-11-157 or 93-11-163 and any
 provision of this chapter, the provisions of Section 93-11-157 or
93-11-163, as the case may be, shall control.

SECTION 3. Section 73-1-21, Mississippi Code of 1972, is
amended as follows:

73-1-21. Any architect residing outside this state may
obtain a certificate to practice in the State of Mississippi by
complying with Section 73-1-13, and by paying the fees prescribed
by the rules of the board; however, no such nonresident applicant
shall receive a certificate to practice in this state unless the
applicant furnishes evidence satisfactory to the board that the
applicant holds a current and valid registration issued by a
registration authority recognized by the board, holds a National
Council of Architectural Registration Board's certificate, has
never been restrained from practicing architecture, and has never
had a certificate or license revoked. Each nonresident applicant
shall submit, as a part of the application, a sworn affidavit
stating that neither such applicant nor any person in, or agent
of, the applicant's firm has practiced or is practicing
architectural work in this state prior to the applicant having
been licensed by the board unless such person or agent holds a
license to practice architecture in this state. Failure to submit
this affidavit is just cause for disapproval of the application.
Every applicant for reciprocity registration shall comply fully
with the requirements for resident applicants, except that
nonresident applicants who met the requirements for issuance of a
certificate of registration by the board prior to January 1, 1987,
and who, on that date, held a current and valid registration by a
registration authority recognized by the board or were qualified
exam candidates in another jurisdiction recognized by the board,
shall not be required to meet the degree requirements of Section
73-1-13. The board shall have the further right to exercise its
discretion as to whether such nonresident architect shall be
issued such certificate to practice.

The issuance of a certificate by reciprocity to a
military-trained applicant * military spouse or person who
establishes residence in this state shall be subject to the
provisions of Section 73-50-1 or 73-50-2, as applicable.

SECTION 4. Section 73-2-11, Mississippi Code of 1972, is
amended as follows:

73-2-11. The board may exempt from examination any applicant
who holds a license or certificate to practice landscape
architecture issued to him upon examination by a legally
constituted board of examiners of any other state or Washington,
D.C., or any other territory or possession under the control of
the United States, provided that such requirements of the state in
which the applicant is registered are equivalent to those of this
state.

Each nonresident applicant shall submit, as part of the
application, a sworn affidavit stating that neither such applicant
nor any person in or agent of the applicant's firm has practiced
or is practicing landscape architectural work in this state prior
to the applicant having been licensed by the board unless such
person or agent holds a license to practice landscape architecture
in this state. Failure to submit this affidavit or submitting an
affidavit which is false in any respect shall constitute just
cause for denial of the application.
An applicant who is a licensed landscape architect but who was admitted in a jurisdiction which did not offer a written examination acceptable to the board or was admitted without the requirement of passing a written examination may be issued a license to practice landscape architecture in this state upon the taking and passing of any examination or procedure as may be adopted by the board, provided that such applicant meets all other requirements for issuance of a license to practice landscape architecture in this state.

The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

SECTION 5. Section 73-4-23, Mississippi Code of 1972, is amended as follows:

73-4-23. Any auctioneer who is licensed in a state that (a) has requirements equal to the requirements of this chapter, (b) has requirements that have been approved by the commission, after a review of such state's licensing law, and (c) has entered into a reciprocal licensing agreement with the State of Mississippi through such state's regulatory authority over auctioneering, may apply for and be granted a license without examination. Applicants for a license through reciprocity shall furnish the commission by application the same information as that required of resident applicants. In addition to the biennial license fee,
nonresidents shall pay to the commission a fee of Two Hundred Fifty Dollars ($250.00). A nonresident auctioneer shall furnish to the commission a surety bond, obligated to the State of Mississippi, in the amount of Ten Thousand Dollars ($10,000.00) prior to being issued a license. The bond shall be executed by the person seeking the license as principal and by a corporate surety, licensed to do business in this state, as surety. The bond shall otherwise be in accordance with the provisions of this chapter.

The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

SECTION 6. Section 73-5-21, Mississippi Code of 1972, is amended as follows:

73-5-21. Any person possessed of the following qualifications shall, upon payment of the required fee, receive a certificate of registration as a registered barber:

(a) Is at least eighteen (18) years old;
(b) Is of good moral character and temperate habits;
and
(c) Either has a license or certificate of registration as a practicing barber in another state or country that has substantially the same requirements for licensing or registration of barbers as are contained in this chapter, or can prove by sworn
affidavits that he has lawfully practiced as a barber in another 
state or country for at least five (5) years immediately before 
making application in this state, or can show to the satisfaction 
of the board that he had held a rating in a branch of the military 
service for two (2) or more years that required him to perform the 
duties of a barber. The issuance of a certificate of registration 
by reciprocity to a military-trained applicant * * * military 
spouse or person who establishes residence in this state shall be 
subject to the provisions of Section 73-50-1 or 73-50-2, as 
applicable.

In addition to the above, the board may require the applicant 
to successfully demonstrate sufficient knowledge of the Barber Law 
of the State of Mississippi, as well as sufficient practical skill 
by requiring the applicant to take a practical examination 
approved by the board.

SECTION 7. Section 73-6-13, Mississippi Code of 1972, is 
amended as follows:

73-6-13. (1) Any adult of good moral character who has (a) 
gr graduated from a school or college of chiropractic recognized by 
the State Board of Chiropractic Examiners, preceded by the 
successful completion of at least two (2) academic years at an 
accredited institution of higher learning, or accredited junior 
college, and (b) successfully completed parts 1, 2, 3 and 4 and 
the physical modality section of the examination prepared by the 
National Board of Chiropractic Examiners, shall be entitled to
take the examination for a license to practice chiropractic in Mississippi. The State Board of Chiropractic Examiners shall keep on file a list of schools or colleges of chiropractic which are so recognized. No chiropractic school shall be approved unless it is recognized and approved by the Council on Chiropractic Education, its successor or an equivalent accrediting agency, offers an accredited course of study of not less than four (4) academic years of at least nine (9) months in length, and requires its graduates to receive not less than forty (40) clock hours of instruction in the operation of x-ray machinery and not less than forty (40) clock hours of instruction in x-ray interpretation and diagnosis.

(2) Except as otherwise provided in this section, the State Board of Health shall prescribe rules and regulations for the operation and use of x-ray machines.

(3) The examination to practice chiropractic used by the board shall consist of testing on the statutes and the rules and regulations regarding the practice of chiropractic in the State of Mississippi.

(4) Reciprocity privileges for a chiropractor from another state shall be granted at the board's option on an individual basis and by a majority vote of the State Board of Chiropractic Examiners to an adult of good moral character who (a) is currently an active competent practitioner for at least eight (8) years and holds an active chiropractic license in another state with no
disciplinary proceeding or unresolved complaint pending anywhere
at the time a license is to be issued by this state, (b)
demonstrates having obtained licensure as a chiropractor in
another state under the same education requirements which were
equivalent to the education requirements in this state to obtain a
chiropractic license at the time the applicant obtained the
license in the other state, (c) satisfactorily passes the
examination administered by the State Board of Chiropractic
Examiners, and (d) meets the requirements of Section 73-6-1(3)
pertaining to therapeutic modalities. The issuance of a license
by reciprocity to a military-trained applicant or person who establishes residence in this state shall be
subject to the provisions of Section 73-50-1 or 73-50-2, as
applicable.

SECTION 8. Section 73-7-23, Mississippi Code of 1972, is
amended as follows:

73-7-23. (1) The board may, upon application, issue a
license by reciprocity to any cosmetologist, esthetician or
manicurist over the age of seventeen (17) years from any other
state who has satisfactorily completed the required number of
accredited hours in that state, provided the state board from
which the applicant comes issues to cosmetologists, estheticians
or manicurists, as the case may be, from the State of Mississippi
a license under the same conditions. Applications must be
accompanied by (a) proof satisfactory to the board that the
required hours have been completed, and (b) the required reciprocity fee, which shall be paid to the board.

(2) An instructor from any other state may be qualified for a Mississippi instructor's license upon presenting a valid instructor's license and proof of a high school education or its equivalent, provided that the instructor (a) is not less than twenty-one (21) years of age, (b) has completed training equivalent to the State of Mississippi's training as provided in Section 73-7-15 or has three (3) years or more of experience as a licensed instructor prior to application, (c) can read, write and speak English, (d) has completed twelve (12) semester hours in college courses approved by the board, and (e) has completed a minimum of five (5) continuing education hours in Mississippi board laws, rules and regulations. Such application must be accompanied by two (2) recent passport photographs of the applicant. Applicants shall pay the required license fee.

(3) An applicant for a Mississippi instructor's license by reciprocity who has not completed the college courses requirement at the time of application may apply for a onetime temporary teaching permit, which shall be valid for six (6) months and shall be nonrenewable. Such application must be accompanied by proof of enrollment in college course(s), required permit fee, two (2) recent passport photographs of the applicant and other documentation as required for application for a Mississippi instructor's license by reciprocity. Upon proof of completion of
college courses and payment of the required license fee, a Mississippi instructor's license shall be issued.

(4) The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

SECTION 9. Section 73-9-24, Mississippi Code of 1972, is amended as follows:

73-9-24. (1) In addition to the method for obtaining a license to practice dentistry or dental hygiene by way of examination as provided by Section 73-9-23, the board, in its sole discretion, may grant a license to a candidate who meets the following criteria:

(k) Successfully passes a written jurisprudence examination;

In addition, the State Board of Dental Examiners may consider the following in accepting, rejecting or denying an application for licensure by credentialing:

(ii) Questioning under oath.

(iii) Results of peer review reports from constituent societies and/or federal dental services.

(iv) Substance abuse testing or treatment.

(v) Background checks for criminal or fraudulent activities.

(vi) Participation in continuing education.

(vii) A current certificate in cardiopulmonary resuscitation.

(viii) Recent patient case reports and/or oral defense of diagnosis and treatment plans.

(ix) No physical or psychological impairment that would adversely affect the ability to deliver quality dental care.

(x) Agreement to initiate practice in the credentialing jurisdiction within a reasonable period of time.

(xi) Proof of professional liability coverage and that the coverage has not been refused, declined, canceled, nonrenewed or modified.
(xii) Any additional information or documentation that the board may stipulate by rule or regulation as necessary to qualify for a license by credentialing.

(2) The board shall be granted sufficient time to conduct a complete inquiry into the applicant's qualifications for licensure by credentials, and the board may adopt such rules and regulations pertaining to the time needed to conduct investigations and the responsibility of applicants to produce verifiable documentation.

(3) Any applicant failing to meet the criteria in subsection (1) of this section shall not be eligible for a license based on credentials. Upon meeting the criteria in subsection (1) of this section, the Mississippi State Board of Dental Examiners may, in its discretion, issue to the applicant a license to practice dentistry, or dental hygiene, unless grounds for denial of licensure exist as enumerated in Section 73-9-61. Evidence of falsification in the application for licensure through credentialing will result in revocation of the license.

(4) Any applicant applying for a specialty license by credentials must stay within his or her board recognized specialty and must practice only that specialty within the State of Mississippi. A specialty license holder must hold a general dentistry license before obtaining a specialty license.

(5) The issuance of a license by reciprocity to a military-trained applicant, military spouse, or person who
establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

SECTION 10. Section 73-10-15, Mississippi Code of 1972, is amended as follows:

73-10-15. (1) A nonresident dietitian may practice dietetics in Mississippi for five (5) days per year with current other state's licensure or with current registration with the Commission on Dietetics Registration.

(2) The board may waive the prescribed examination for licensure and grant a license to any person who shall present proof of current licensure as a dietitian in another state, the District of Columbia, or territory of the United States which requires standards for licensure considered by the advisory council to be greater than or equal to the requirements for licensure of this chapter, if such state or territory extends reciprocity to licensees of the State of Mississippi. The issuance of a license by reciprocity to a military-trained applicant or military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

SECTION 11. Section 73-11-51, Mississippi Code of 1972, is amended as follows:

73-11-51. (1) No person shall engage in the business or practice of funeral service, including embalming, and/or funeral directing or hold himself out as transacting or practicing or
being entitled to transact or practice funeral service, including embalming, and/or funeral directing in this state unless duly licensed under the provisions of this chapter.

(2) The board is authorized and empowered to examine applicants for licenses for the practice of funeral service and funeral directing and shall issue the proper license to those persons who successfully pass the applicable examination and otherwise comply with the provisions of this chapter.

(3) To be licensed for the practice of funeral directing under this chapter, a person must furnish satisfactory evidence to the board that he or she:

(a) Is at least eighteen (18) years of age;

(b) Has a high school diploma or the equivalent thereof;

(c) Has served as a resident trainee for not less than twenty-four (24) months under the supervision of a person licensed for the practice of funeral service or funeral directing in this state;

(d) Has successfully passed a written and/or oral examination as prepared or approved by the board; and

(e) Is of good moral character.

(4) To be licensed for the practice of funeral service under this chapter, a person must furnish satisfactory evidence to the board that he or she:

(a) Is at least eighteen (18) years of age;
(b) Has a high school diploma or the equivalent thereof;

c) Has successfully completed twelve (12) months or more of academic and professional instruction from an institution accredited by the United States Department of Education for funeral service education and have a certificate of completion from an institution accredited by the American Board of Funeral Service Education or any other successor recognized by the United States Department of Education for funeral service education;

d) Has served as a resident trainee for not less than twelve (12) months, either before or after graduation from an accredited institution mentioned above, under the supervision of a person licensed for the practice of funeral service in this state and in an establishment licensed in this state;

e) Has successfully passed the National Conference of Funeral Examiners examination and/or such other examination as approved by the board; and

(f) Is of good moral character.

(5) All applications for examination and license for the practice of funeral service or funeral directing shall be upon forms furnished by the board and shall be accompanied by an examination fee, a licensing fee and a nonrefundable application fee in amounts fixed by the board in accordance with Section 73-11-56. The fee for an initial license, however, may be prorated in proportion to the period of time from the date of
issuance to the date of biennial license renewal prescribed in subsection (8) of this section. All applications for examination shall be filed with the board office at least sixty (60) days before the date of examination. A candidate shall be deemed to have abandoned the application for examination if he does not appear on the scheduled date of examination unless such failure to appear has been approved by the board.

(6) The practice of funeral service or funeral directing must be engaged in at a licensed funeral establishment, at least one (1) of which is listed as the licensee's place of business; and no person, partnership, corporation, association or other organization shall open or maintain a funeral establishment at which to engage in or conduct or hold himself or itself out as engaging in the practice of funeral service or funeral directing until such establishment has complied with the licensing requirements of this chapter. A license for the practice of funeral service or funeral directing shall be used only at licensed funeral establishments; however, this provision shall not prevent a person licensed for the practice of funeral service or funeral directing from conducting a funeral service at a church, a residence, public hall, lodge room or cemetery chapel, if such person maintains a fixed licensed funeral establishment of his own or is in the employ of or an agent of a licensed funeral establishment.
(7) Any person holding a valid, unrevoked and unexpired nonreciprocal license in another state or territory having requirements greater than or equal to those of this state as determined by the board may apply for a license to practice in this state by filing with the board a certified statement from the secretary of the licensing board of the state or territory in which the applicant holds his license certifying to his qualifications and good standing with that board. He/she must also successfully pass a written and/or oral examination on the Mississippi Funeral Service licensing law and rules and regulations as prepared or approved by the board, and must pay a nonrefundable application fee set by the board. If the board finds that the applicant has fulfilled aforesaid requirements and has fulfilled substantially similar requirements of those required for a Mississippi licensee, the board shall grant such license upon receipt of a fee in an amount equal to the renewal fee set by the board for a license for the practice of funeral service or funeral directing, as the case may be, in this state. The board may issue a temporary funeral service or funeral directing work permit before a license is granted, before the next regular meeting of the board, if the applicant for a reciprocal license has complied with all requirements, rules and regulations of the board. The temporary permit will expire at the next regular meeting of the board. The issuance of a license or temporary permit by reciprocity to a military-trained applicant * * *
military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(8) (a) Except as provided in Section 33-1-39, any person holding a license for the practice of funeral service or funeral directing may have the same renewed for a period of two (2) years by making and filing with the board an application on or before the due date. Payment of the renewal fee shall be in an amount set by the board in accordance with Section 73-11-56. The board shall mail the notice of renewal and the due date for the payment of the renewal fee to the last-known address of each licensee at least thirty (30) days before that date. It is the responsibility of the licensee to notify the board in writing of any change of address. An application will be considered late if the application and proper fees are not in the board's office or postmarked by the due date. Failure of a license holder to receive the notice of renewal shall not exempt or excuse a license holder from the requirement of renewing the license on or before the license expiration date.

(b) If the renewal fee is not paid on or postmarked by the due date, the license of such person shall by operation of law automatically expire and become void without further action of the board. The board may reinstate such license if application for licensure is made within a period of five (5) years, upon payment of the renewal fee for the current year, all renewal fees in
arrears, and a reinstatement fee. After a period of five (5)
years, the licensee must make application, pay the current renewal
fee, all fees in arrears, and pass a written and/or oral
examination as prepared or approved by the board.

(9) No license shall be assignable or valid for any person
other than the original licensee.

(10) The board may, in its discretion, if there is a major
disaster or emergency where human death is likely to occur,
temporarily authorize the practice of funeral directing and
funeral service by persons licensed to practice in another state
but not licensed to practice in this state. Only persons licensed
in this state, however, may sign death certificates.

(11) Any funeral service technology or mortuary science
program accredited by the American Board of Funeral Service
Education in the State of Mississippi, as well as students
enrolled in such a program, shall be exempt from licensing under
this chapter when embalming or otherwise preparing a deceased
human body for disposition as part of a student practicum
experience, when the student is directly supervised by an
instructor or preceptor who holds a current funeral service
license. This exemption shall apply to practicum experiences
performed at an accredited institution of funeral service
technology or mortuary science program or at a duly licensed
funeral establishment or commercial mortuary service. Nothing in
this subsection shall be construed to allow any funeral service
technology or mortuary science program, or those students enrolled in such a program, to engage in practicum experiences for remuneration.

(12) Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64.

SECTION 12. Section 73-13-35, Mississippi Code of 1972, is amended as follows:

73-13-35. The board may, upon application therefor and the payment of a fee in accordance with Section 73-13-25, issue a certificate of licensure as a professional engineer to any person who holds a certificate of qualification or licensure issued to him by proper authority of any state or territory or possession of the United States, or of any country, provided that the applicant's qualifications meet the requirements of Sections 73-13-1 through 73-13-45 and the rules established by the board. The issuance of a certificate of licensure by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

SECTION 13. Section 73-14-25, Mississippi Code of 1972, is amended as follows:

73-14-25. The department may license as a hearing aid specialist, and furnish a certificate of licensure, to any applicant who presents evidence, satisfactory to the department of
having passed an examination before a similar lawfully authorized
examining agency or board of hearing aid specialists of another
state or the District of Columbia, if the standards for
registration of hearing aid specialists or for licensure as a
hearing aid specialist in such state or district are determined by
the department to be as high as those of this state, and if that
jurisdiction affords licensees of this state reciprocity.

Any person making application for licensure under the
provisions of this section may, at the discretion of the board, be
required to pass an examination selected by the board.

The issuance of a license by reciprocity to a
military-trained applicant, military spouse or person who
establishes residence in this state shall be subject to the
provisions of Section 73-50-1 or 73-50-2, as applicable.

SECTION 14. Section 73-15-19, Mississippi Code of 1972, is
amended as follows:

73-15-19. (1) **Registered nurse applicant qualifications.**

Any applicant for a license to practice as a registered nurse
shall submit to the board:

(a) An attested written application on a Board of
Nursing form;

(b) Written official evidence of completion of a
nursing program approved by the Board of Trustees of State
Institutions of Higher Learning, or one approved by a legal
accrediting agency of another state, territory or possession of
the United States, the District of Columbia, or a foreign country
which is satisfactory to this board;
(c) Evidence of competence in English related to
nursing, provided the first language is not English;
(d) Any other official records required by the board.

In addition to the requirements specified in paragraphs (a) through (d) of this subsection, in order to qualify for a license
to practice as a registered nurse, an applicant must have
successfully been cleared for licensure through an investigation
that shall consist of a determination as to good moral character
and verification that the prospective licensee is not guilty of or
in violation of any statutory ground for denial of licensure as
set forth in Section 73-15-29 or guilty of any offense specified
in Section 73-15-33. To assist the board in conducting its
licensure investigation, all applicants shall undergo a
fingerprint-based criminal history records check of the
