18 PURPOSES.

19 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

20 **SECTION 1.** Section 73-50-1, Mississippi Code of 1972, is
21 amended as follows:

22 73-50-1. (1) This section shall be known as the "Military
23 Family Freedom Act."

24 (2) As used in this section, the term:

25 (a) "License" means any license (other than a privilege
26 license), certificate, registration, permit or other evidence of

27 qualification that an individual is required to obtain before he
28 or she may engage in or represent himself or herself to be a
29 member of a particular profession or occupation.

30 (b) "Occupational licensing board" means any state
31 board, commission, department or other agency in Mississippi that
32 is established for the primary purpose of regulating the entry of
33 persons into, and/or the conduct of persons within, a particular
34 profession or occupation, and which is authorized to issue
35 licenses. For the purposes of this section, the State Department
36 of Education shall be considered an occupational licensing board
37 when issuing teacher licenses under Section 37-3-2.

38 (c) "Military" means the Armed Forces or Reserves of
39 the United States, including the Army, Navy, Marine Corps, Coast
40 Guard, Air Force, and the reserve components thereof, the National
41 Guard of any state, the military reserves of any state, or the
42 naval militia of any state.

43 (3) Notwithstanding any other provision of law, an
44 occupational licensing board shall issue a license to an applicant
45 who is a member of the military, or an applicant who is married to
46 or is a dependent of a member of the military, and shall issue a
47 license, in the discipline applied for and at the same practice
48 level as determined by the occupational licensing board, to an
49 applicant who establishes residence in this state, if, upon
50 application to an occupational licensing board, the applicant
51 satisfies the following conditions:

52 (a) The applicant has been awarded a military
53 occupational specialty, completed a military program of training,
54 completed testing or equivalent training and experience, and
55 performed in the occupational specialty; or

56 (b) The applicant holds a current and valid license in
57 good standing in another state in an occupation with a similar
58 scope of practice, as determined by the occupational licensing
59 board in Mississippi and has held this license from the
60 occupational licensing board in the other state for at least one
61 (1) year; and

62 (c) If when the applicant was licensed by another
63 state, there were minimum education requirements and, if
64 applicable, work experience and clinical supervision requirements
65 in effect, the other state verifies that the applicant met those
66 requirements in order to be licensed in that state; and

67 (d) The applicant has previously passed an examination
68 for the license if required by the other state; and

69 (e) The applicant has not committed any act in the
70 other state that would have constituted grounds for refusal,
71 suspension or revocation of a license to practice that occupation
72 in Mississippi at the time the act was committed, the occupational
73 licensing board in the other state holds the applicant in good
74 standing, and the applicant does not have a disqualifying criminal
75 record as determined by the occupational licensing board in
76 Mississippi under Mississippi law; and

77 (* * *f) The applicant did not surrender a license
78 because of negligence or intentional misconduct related to the
79 applicant's work in the occupation in another state; and

80 (* * *g) The applicant does not have a complaint,
81 allegation or investigation pending before an occupational
82 licensing board or other board in another state that relates to
83 unprofessional conduct or an alleged crime. If the applicant has
84 a complaint, allegation or investigation pending, the occupational
85 licensing board in Mississippi shall not issue or deny a license
86 to the applicant until the complaint, allegation or investigation
87 is resolved, or the applicant otherwise satisfies the criteria for
88 licensure in Mississippi to the satisfaction of the occupational
89 licensing board in Mississippi; and

90 (* * *h) The applicant pays all applicable fees in
91 Mississippi.

92 (4) Notwithstanding any other law, the occupational
93 licensing board shall issue a license to an applicant who is a
94 member of the military, or an applicant who is married to or is a
95 dependent of a member of the military, upon application based on
96 work experience in another state, if all the following apply:

97 (a) The applicant worked in a state that does not use a
98 license to regulate a lawful occupation, but Mississippi uses a
99 license to regulate a lawful occupation with a similar scope of
100 practice, as determined by the occupational licensing board;

101 (b) The applicant worked for at least three (3) years
102 in the lawful occupation; and

103 (c) The applicant satisfies the provisions of
104 paragraphs (* * *e) through (* * *h) of subsection (3) of this
105 section.

106 (5) An occupational licensing board may require an applicant
107 to pass a jurisprudential examination specific to relevant state
108 laws in Mississippi that regulate the occupation if the issuance
109 of a license in Mississippi requires an applicant to pass a
110 jurisprudential examination specific to relevant state statutes
111 and administrative rules in Mississippi that regulate the
112 occupation.

113 (6) A person who receives a license under this section is
114 subject to the laws regulating the person's practice in this state
115 and is subject to the occupational licensing board's jurisdiction.

116 (7) A license issued under this section is valid only in
117 this state and does not make the person eligible to be part of an
118 interstate compact. An occupational licensing board may determine
119 eligibility for an applicant to be licensed under this section if
120 the applicant is not part of an interstate compact.

121 (8) The occupational licensing board shall issue or deny the
122 license to the applicant within one hundred twenty days (120) days
123 after receiving an application.

124 If the application requires longer than two (2) weeks to
125 process, the occupational licensing board shall issue a temporary

practice permit within thirty (30) days after receiving the application if the applicant submits an affidavit, under penalties of perjury, affirming that he or she satisfies the provisions of subsection (3) (a) or subsection (3) (b) of this section and subsection (3) (c) through (* * *g) and pays all applicable fees as required by subsection (3) (* * *h), or satisfies the provisions of subsection (4) (a) through (c) and pays all applicable fees as required by subsection (3) (* * *h).

The applicant may practice under the temporary permit until a license is granted, or until a notice to deny the license is issued, in accordance with rules adopted by the occupational licensing board. A temporary license will expire in three hundred sixty-five (365) days after its issuance if the applicant fails to satisfy the requirement for licensure in subsection (5), if applicable.

(* * *9) (a) The applicant may appeal any of the following decisions of an occupational licensing board to a court of general jurisdiction:

- (i) Denial of a license;
- (ii) Determination of the occupation;
- (iii) Determination of the similarity of the scope of practice of the license issued; or
- (iv) Other determinations under this section.

(b) The court shall determine all questions of law, including the interpretation of a constitutional or statutory

151 provision or a rule adopted by an occupational licensing board,
152 without regard to any previous determination that may have been
153 made on the question in any action before the occupational
154 licensing board.

155 (* * *10) An occupational licensing board shall prominently
156 print the following on all license applications, any communication
157 denying a license, and on the board's website: "Pursuant to the
158 provisions of the Military Family Freedom Act, Mississippi shall
159 recognize occupational licenses obtained from other states for
160 military members and their families." An occupational licensing
161 board shall prepare and place on the board's website an annual
162 report detailing the number of applications submitted to the
163 licensing board under this section during a calendar year and the
164 actions taken by the board on the applications.

165 (* * *11) An occupational licensing board shall adopt rules
166 necessary to implement this section by January 1, 2021. In
167 addition, an occupational licensing board shall make all
168 reasonable efforts to issue a license to an applicant for a
169 license under this section.

170 (* * *12) Nothing in this section shall be construed to
171 prohibit a military applicant, spouse or dependent from proceeding
172 under the existing licensure requirements established by an
173 occupational licensing board in Mississippi.

174 (* * *13) Nothing in this chapter shall be construed to
175 prevent Mississippi from entering into a licensing compact or

reciprocity agreement with another state, foreign province or foreign country. A license issued under this section is valid only in Mississippi. It does not make the person eligible to work in another state under an interstate compact or reciprocity agreement unless otherwise provided in Mississippi law.

(* * *14) Nothing in this section shall be construed to apply to:

(a) The practice of law as regulated under Section 73-3-1 et seq.;

(b) Criteria for a license that is established by an interstate compact; or

(c) The ability of an occupational licensing board to require an applicant to submit fingerprints in order to access state and federal criminal records information for noncriminal justice purposes.

(* * *15) This section preempts any ordinances of any municipality, county and other political subdivisions of the State of Mississippi that regulate licenses.

SECTION 2. Section 37-3-2, Mississippi Code of 1972, is amended as follows:

37-3-2. (1) There is established within the State Department of Education the Commission on Teacher and Administrator Education, Certification and Licensure and Development. It shall be the purpose and duty of the commission to make recommendations to the State Board of Education regarding

Thereafter, all members shall be appointed for a term of four (4) years.

(3) The State Board of Education when making appointments shall designate a chairman. The commission shall meet at least once every two (2) months or more often if needed. Members of the commission shall be compensated at a rate of per diem as authorized by Section 25-3-69 and be reimbursed for actual and necessary expenses as authorized by Section 25-3-41.

(4) (a) An appropriate staff member of the State Department of Education shall be designated and assigned by the State Superintendent of Public Education to serve as executive secretary and coordinator for the commission. No less than two (2) other appropriate staff members of the State Department of Education shall be designated and assigned by the State Superintendent of Public Education to serve on the staff of the commission.

(b) An Office of Educator Misconduct Evaluations shall be established within the State Department of Education to assist the commission in responding to infractions and violations, and in conducting hearings and enforcing the provisions of subsections (11), (12), (13), (14) and (15) of this section, and violations of the Mississippi Educator Code of Ethics.

(5) It shall be the duty of the commission to:

251 (a) Set standards and criteria, subject to the approval
252 of the State Board of Education, for all educator preparation
253 programs in the state;

254 (b) Recommend to the State Board of Education each year

256 the state, subject to a process and schedule determined by the

262 Board of Education, standards for the renewal of teacher licenses
263 in all fields;

264 (e) Review and evaluate objective measures of teacher
265 performance, such as test scores, which may form part of the
266 licensure process, and to make recommendations for their use;

267 (f) Review all existing requirements for certification
268 and licensure;

269 (g) Consult with groups whose work may be affected by
270 the commission's decisions;

271 (h) Prepare reports from time to time on current
272 practices and issues in the general area of teacher education and
273 certification and licensure;

274 (i) Hold hearings concerning standards for teachers'
275 and administrators' education and certification and licensure with
276 approval of the State Board of Education;

277 (j) Hire expert consultants with approval of the State
278 Board of Education;

279 (k) Set up ad hoc committees to advise on specific
280 areas; and

281 (l) Perform such other functions as may fall within
282 their general charge and which may be delegated to them by the
283 State Board of Education.

284 (6) (a) **Standard License - Approved Program Route.** An
285 educator entering the school system of Mississippi for the first
286 time and meeting all requirements as established by the State
287 Board of Education shall be granted a standard five-year license.
288 Persons who possess two (2) years of classroom experience as an
289 assistant teacher or who have taught for one (1) year in an
290 accredited public or private school shall be allowed to fulfill
291 student teaching requirements under the supervision of a qualified
292 participating teacher approved by an accredited college of
293 education. The local school district in which the assistant
294 teacher is employed shall compensate such assistant teachers at
295 the required salary level during the period of time such
296 individual is completing student teaching requirements.
297 Applicants for a standard license shall submit to the department:

298 (i) An application on a department form;

299 (ii) An official transcript of completion of a
300 teacher education program approved by the department or a
301 nationally accredited program, subject to the following:
302 Licensure to teach in Mississippi prekindergarten through
303 kindergarten classrooms shall require completion of a teacher
304 education program or a Bachelor of Science degree with child
305 development emphasis from a program accredited by the American
306 Association of Family and Consumer Sciences (AAFCS) or by the
307 National Association for Education of Young Children (NAEYC) or by
308 the National Council for Accreditation of Teacher Education
309 (NCATE). Licensure to teach in Mississippi kindergarten, for
310 those applicants who have completed a teacher education program,
311 and in Grade 1 through Grade 4 shall require the completion of an
312 interdisciplinary program of studies. Licenses for Grades 4
313 through 8 shall require the completion of an interdisciplinary
314 program of studies with two (2) or more areas of concentration.
315 Licensure to teach in Mississippi Grades 7 through 12 shall
316 require a major in an academic field other than education, or a
317 combination of disciplines other than education. Students
318 preparing to teach a subject shall complete a major in the
319 respective subject discipline. All applicants for standard
320 licensure shall demonstrate that such person's college preparation
321 in those fields was in accordance with the standards set forth by
322 the National Council for Accreditation of Teacher Education
323 (NCATE) or the National Association of State Directors of Teacher

Education and Certification (NASDTEC) or, for those applicants who have a Bachelor of Science degree with child development emphasis, the American Association of Family and Consumer Sciences (AAFCS). Effective July 1, 2016, for initial elementary education licensure, a teacher candidate must earn a passing score on a rigorous test of scientifically research-based reading instruction and intervention and data-based decision-making principles as approved by the State Board of Education;

(iii) A copy of test scores evidencing satisfactory completion of nationally administered examinations of achievement, such as the Educational Testing Service's teacher testing examinations;

(iv) Any other document required by the State Board of Education; and

(v) From and after July 1, 2020, no teacher candidate shall be licensed to teach in Mississippi who did not meet the following criteria for entrance into an approved teacher education program:

1. An ACT Score of twenty-one (21) (or SAT equivalent); or

2. Achieve a qualifying passing score on the Praxis Core Academic Skills for Educators examination as established by the State Board of Education; or

3. A minimum GPA of 3.0 on coursework prior to admission to an approved teacher education program.

(b) **Standard License - Nontraditional Teaching Route.**

From and after July 1, 2020, no teacher candidate shall be licensed to teach in Mississippi under the alternate route who did not meet the following criteria:

(i) An ACT Score of twenty-one (21) (or SAT equivalent); or

(ii) Achieve a qualifying passing score on the Praxis Core Academic Skills for Educators examination as established by the State Board of Education; or

(iii) A minimum GPA of 3.0 on coursework prior to admission to an approved teacher education program.

Beginning July 1, 2020, an individual who has attained a passing score on the Praxis Core Academic Skills for Educators or an ACT Score of twenty-one (21) (or SAT equivalent) or a minimum GPA of 3.0 on coursework prior to admission to an approved teacher education program and a passing score on the Praxis Subject Assessment in the requested area of endorsement may apply for admission to the Teach Mississippi Institute (TMI) program to teach students in Grades 7 through 12 if the individual meets the requirements of this paragraph (b). The State Board of Education shall adopt rules requiring that teacher preparation institutions which provide the Teach Mississippi Institute (TMI) program for the preparation of nontraditional teachers shall meet the standards and comply with the provisions of this paragraph.

373 (i) The Teach Mississippi Institute (TMI) shall
374 include an intensive eight-week, nine-semester-hour summer program
375 or a curriculum of study in which the student matriculates in the
376 fall or spring semester, which shall include, but not be limited
377 to, instruction in education, effective teaching strategies,
378 classroom management, state curriculum requirements, planning and
379 instruction, instructional methods and pedagogy, using test
380 results to improve instruction, and a one (1) semester three-hour
381 supervised internship to be completed while the teacher is
382 employed as a full-time teacher intern in a local school district.
383 The TMI shall be implemented on a pilot program basis, with
384 courses to be offered at up to four (4) locations in the state,
385 with one (1) TMI site to be located in each of the three (3)
386 Mississippi Supreme Court districts.

387 (ii) The school sponsoring the teacher intern
388 shall enter into a written agreement with the institution
389 providing the Teach Mississippi Institute (TMI) program, under
390 terms and conditions as agreed upon by the contracting parties,
391 providing that the school district shall provide teacher interns
392 seeking a nontraditional provisional teaching license with a
393 one-year classroom teaching experience. The teacher intern shall
394 successfully complete the one (1) semester three-hour intensive
395 internship in the school district during the semester immediately
396 following successful completion of the TMI and prior to the end of
397 the one-year classroom teaching experience.

(iii) Upon completion of the nine-semester-hour TMI or the fall or spring semester option, the individual shall submit his transcript to the commission for provisional licensure of the intern teacher, and the intern teacher shall be issued a provisional teaching license by the commission, which will allow the individual to legally serve as a teacher while the person completes a nontraditional teacher preparation internship program.

(iv) During the semester of internship in the school district, the teacher preparation institution shall monitor the performance of the intern teacher. The school district that employs the provisional teacher shall supervise the provisional teacher during the teacher's intern year of employment under a nontraditional provisional license, and shall, in consultation with the teacher intern's mentor at the school district of employment, submit to the commission a comprehensive evaluation of the teacher's performance sixty (60) days prior to the expiration of the nontraditional provisional license. If the comprehensive evaluation establishes that the provisional teacher intern's performance fails to meet the standards of the approved nontraditional teacher preparation internship program, the individual shall not be approved for a standard license.

(v) An individual issued a provisional teaching license under this nontraditional route shall successfully complete, at a minimum, a one-year beginning teacher mentoring and

induction program administered by the employing school district with the assistance of the State Department of Education.

(vi) Upon successful completion of the TMI and the internship provisional license period, applicants for a Standard License - Nontraditional Route shall submit to the commission a transcript of successful completion of the twelve (12) semester hours required in the internship program, and the employing school district shall submit to the commission a recommendation for standard licensure of the intern. If the school district recommends licensure, the applicant shall be issued a Standard License - Nontraditional Route which shall be valid for a five-year period and be renewable.

(vii) At the discretion of the teacher preparation institution, the individual shall be allowed to credit the twelve (12) semester hours earned in the nontraditional teacher internship program toward the graduate hours required for a Master of Arts in Teacher (MAT) Degree.

(viii) The local school district in which the nontraditional teacher intern or provisional licensee is employed shall compensate such teacher interns at Step 1 of the required salary level during the period of time such individual is completing teacher internship requirements and shall compensate such Standard License - Nontraditional Route teachers at Step 3 of the required salary level when they complete license requirements.

446 Implementation of the TMI program provided for under this
447 paragraph (b) shall be contingent upon the availability of funds
448 appropriated specifically for such purpose by the Legislature.
449 Such implementation of the TMI program may not be deemed to
450 prohibit the State Board of Education from developing and
451 implementing additional alternative route teacher licensure
452 programs, as deemed appropriate by the board. The emergency
453 certification program in effect prior to July 1, 2002, shall
454 remain in effect.

455 A Standard License - Approved Program Route shall be issued
456 for a five-year period, and may be renewed. Recognizing teaching
457 as a profession, a hiring preference shall be granted to persons
458 holding a Standard License - Approved Program Route or Standard
459 License - Nontraditional Teaching Route over persons holding any
460 other license.

461 (c) **Special License - Expert Citizen.** In order to
462 allow a school district to offer specialized or technical courses,
463 the State Department of Education, in accordance with rules and
464 regulations established by the State Board of Education, may grant
465 a one-year expert citizen-teacher license to local business or
466 other professional personnel to teach in a public school or
467 nonpublic school accredited or approved by the state. Such person
468 may begin teaching upon his employment by the local school board
469 and licensure by the Mississippi Department of Education. The
470 board shall adopt rules and regulations to administer the expert

citizen-teacher license. A Special License - Expert Citizen may be renewed in accordance with the established rules and regulations of the State Department of Education.

(d) **Special License - Nonrenewable.** The State Board of Education is authorized to establish rules and regulations to allow those educators not meeting requirements in paragraph (a), (b) or (c) of this subsection (6) to be licensed for a period of not more than three (3) years, except by special approval of the State Board of Education.

(e) **Nonlicensed Teaching Personnel.** A nonlicensed person may teach for a maximum of three (3) periods per teaching day in a public school district or a nonpublic school accredited/approved by the state. Such person shall submit to the department a transcript or record of his education and experience which substantiates his preparation for the subject to be taught and shall meet other qualifications specified by the commission and approved by the State Board of Education. In no case shall any local school board hire nonlicensed personnel as authorized under this paragraph in excess of five percent (5%) of the total number of licensed personnel in any single school.

(f) **Special License - Transitional Bilingual Education.** Beginning July 1, 2003, the commission shall grant special licenses to teachers of transitional bilingual education who possess such qualifications as are prescribed in this section. Teachers of transitional bilingual education shall be compensated

496 by local school boards at not less than one (1) step on the
497 regular salary schedule applicable to permanent teachers licensed
498 under this section. The commission shall grant special licenses
499 to teachers of transitional bilingual education who present the
500 commission with satisfactory evidence that they (i) possess a
501 speaking and reading ability in a language, other than English, in
502 which bilingual education is offered and communicative skills in
503 English; (ii) are in good health and sound moral character; (iii)
504 possess a bachelor's degree or an associate's degree in teacher
505 education from an accredited institution of higher education; (iv)
506 meet such requirements as to courses of study, semester hours
507 therein, experience and training as may be required by the
508 commission; and (v) are legally present in the United States and
509 possess legal authorization for employment. A teacher of
510 transitional bilingual education serving under a special license
511 shall be under an exemption from standard licensure if he achieves
512 the requisite qualifications therefor. Two (2) years of service
513 by a teacher of transitional bilingual education under such an
514 exemption shall be credited to the teacher in acquiring a Standard
515 Educator License. Nothing in this paragraph shall be deemed to
516 prohibit a local school board from employing a teacher licensed in
517 an appropriate field as approved by the State Department of
518 Education to teach in a program in transitional bilingual
519 education.

(g) In the event any school district meets the highest accreditation standards as defined by the State Board of Education in the accountability system, the State Board of Education, in its discretion, may exempt such school district from any restrictions in paragraph (e) relating to the employment of nonlicensed teaching personnel.

(h) **Highly Qualified Teachers.** Beginning July 1, 2006, any teacher from any state meeting the federal definition of highly qualified, as described in the No Child Left Behind Act, must be granted a standard five-year license by the State Department of Education.

(7) **Administrator License.** The State Board of Education is authorized to establish rules and regulations and to administer the licensure process of the school administrators in the State of Mississippi. There will be four (4) categories of administrator licensure with exceptions only through special approval of the State Board of Education.

(a) **Administrator License - Nonpracticing.** Those educators holding administrative endorsement but having no administrative experience or not serving in an administrative position on January 15, 1997.

(b) **Administrator License - Entry Level.** Those educators holding administrative endorsement and having met the department's qualifications to be eligible for employment in a

Mississippi school district. Administrator License - Entry Level shall be issued for a five-year period and shall be nonrenewable.

(c) **Standard Administrator License - Career Level.** An administrator who has met all the requirements of the department for standard administrator licensure.

(d) **Administrator License - Nontraditional Route.** The board may establish a nontraditional route for licensing administrative personnel. Such nontraditional route for administrative licensure shall be available for persons holding, but not limited to, a master of business administration degree, a master of public administration degree, a master of public planning and policy degree or a doctor of jurisprudence degree from an accredited college or university, with five (5) years of administrative or supervisory experience. Successful completion of the requirements of alternate route licensure for administrators shall qualify the person for a standard administrator license.

Individuals seeking school administrator licensure under paragraph (b), (c) or (d) shall successfully complete a training program and an assessment process prescribed by the State Board of Education. All applicants for school administrator licensure shall meet all requirements prescribed by the department under paragraph (b), (c) or (d), and the cost of the assessment process required shall be paid by the applicant.

(8) **Reciprocity.** (a) The department shall grant a standard license to any individual who possesses a valid standard license from another state and meets minimum Mississippi license requirements or equivalent requirements as determined by the State Board of Education. The issuance of a license by reciprocity to a military-trained applicant * * *, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1.

(b) The department shall grant a nonrenewable special license to any individual who possesses a credential which is less than a standard license or certification from another state. Such special license shall be valid for the current school year plus one (1) additional school year to expire on June 30 of the second year, not to exceed a total period of twenty-four (24) months, during which time the applicant shall be required to complete the requirements for a standard license in Mississippi.

(9) **Renewal and Reinstatement of Licenses.** The State Board of Education is authorized to establish rules and regulations for the renewal and reinstatement of educator and administrator licenses. Effective May 15, 1997, the valid standard license held by an educator shall be extended five (5) years beyond the expiration date of the license in order to afford the educator adequate time to fulfill new renewal requirements established pursuant to this subsection. An educator completing a master of education, educational specialist or doctor of education degree in

May 1997 for the purpose of upgrading the educator's license to a higher class shall be given this extension of five (5) years plus five (5) additional years for completion of a higher degree.

(10) All controversies involving the issuance, revocation, suspension or any change whatsoever in the licensure of an educator required to hold a license shall be initially heard in a hearing de novo, by the commission or by a subcommittee established by the commission and composed of commission members, or by a hearing officer retained and appointed by the commission, for the purpose of holding hearings. Any complaint seeking the denial of issuance, revocation or suspension of a license shall be by sworn affidavit filed with the Commission on Teacher and Administrator Education, Certification and Licensure and Development. The decision thereon by the commission, its subcommittee or hearing officer, shall be final, unless the aggrieved party shall appeal to the State Board of Education, within ten (10) days, of the decision of the commission, its subcommittee or hearing officer. An appeal to the State Board of Education shall be perfected upon filing a notice of the appeal and by the prepayment of the costs of the preparation of the record of proceedings by the commission, its subcommittee or hearing officer. An appeal shall be on the record previously made before the commission, its subcommittee or hearing officer, unless otherwise provided by rules and regulations adopted by the board. The decision of the commission, its subcommittee or hearing

618 officer shall not be disturbed on appeal if supported by
619 substantial evidence, was not arbitrary or capricious, within the
620 authority of the commission, and did not violate some statutory or
621 constitutional right. The State Board of Education in its
622 authority may reverse, or remand with instructions, the decision
623 of the commission, its subcommittee or hearing officer. The
624 decision of the State Board of Education shall be final.

625 (11) (a) The State Board of Education, acting through the
626 commission, may deny an application for any teacher or
627 administrator license for one or more of the following:

628 (i) Lack of qualifications which are prescribed by
629 law or regulations adopted by the State Board of Education;

630 (ii) The applicant has a physical, emotional or
631 mental disability that renders the applicant unfit to perform the
632 duties authorized by the license, as certified by a licensed
633 psychologist or psychiatrist;

634 (iii) The applicant is actively addicted to or
635 actively dependent on alcohol or other habit-forming drugs or is a
636 habitual user of narcotics, barbiturates, amphetamines,
637 hallucinogens or other drugs having similar effect, at the time of
638 application for a license;

639 (iv) Fraud or deceit committed by the applicant in
640 securing or attempting to secure such certification and license;

641 (v) Failing or refusing to furnish reasonable
642 evidence of identification;

643 (vi) The applicant has been convicted, has pled
644 guilty or entered a plea of nolo contendere to a felony, as
645 defined by federal or state law. For purposes of this
646 subparagraph (vi) of this paragraph (a), a "guilty plea" includes
647 a plea of guilty, entry of a plea of nolo contendere, or entry of
648 an order granting pretrial or judicial diversion;

649 (vii) The applicant or licensee is on probation or
650 post-release supervision for a felony or conviction, as defined by
651 federal or state law. However, this disqualification expires upon
652 the end of the probationary or post-release supervision period.

653 (b) The State Board of Education, acting through the
654 commission, shall deny an application for any teacher or
655 administrator license, or immediately revoke the current teacher
656 or administrator license, for one or more of the following:

657 (i) If the applicant or licensee has been
658 convicted, has pled guilty or entered a plea of nolo contendere to
659 a sex offense as defined by federal or state law. For purposes of
660 this subparagraph (i) of this paragraph (b), a "guilty plea"
661 includes a plea of guilty, entry of a plea of nolo contendere, or
662 entry of an order granting pretrial or judicial diversion;

663 (ii) The applicant or licensee is on probation or
664 post-release supervision for a sex offense conviction, as defined
665 by federal or state law;

666 (iii) The license holder has fondled a student as
667 described in Section 97-5-23, or had any type of sexual
668 involvement with a student as described in Section 97-3-95; or

669 (iv) The license holder has failed to report
670 sexual involvement of a school employee with a student as required
671 by Section 97-5-24.

672 (12) The State Board of Education, acting through the
673 commission, may revoke, suspend or refuse to renew any teacher or
674 administrator license for specified periods of time or may place
675 on probation, reprimand a licensee, or take other disciplinary
676 action with regard to any license issued under this chapter for
677 one or more of the following:

678 (a) Breach of contract or abandonment of employment may
679 result in the suspension of the license for one (1) school year as
680 provided in Section 37-9-57;

681 (b) Obtaining a license by fraudulent means shall
682 result in immediate suspension and continued suspension for one
683 (1) year after correction is made;

684 (c) Suspension or revocation of a certificate or
685 license by another state shall result in immediate suspension or
686 revocation and shall continue until records in the prior state
687 have been cleared;

688 (d) The license holder has been convicted, has pled
689 guilty or entered a plea of nolo contendere to a felony, as
690 defined by federal or state law. For purposes of this paragraph,

691 a "guilty plea" includes a plea of guilty, entry of a plea of nolo
692 contendere, or entry of an order granting pretrial or judicial
693 diversion;

694 (e) The license holder knowingly and willfully
695 committing any of the acts affecting validity of mandatory uniform
696 test results as provided in Section 37-16-4(1);

697 (f) The license holder has engaged in unethical conduct
698 relating to an educator/student relationship as identified by the
699 State Board of Education in its rules;

700 (g) The license holder served as superintendent or
701 principal in a school district during the time preceding and/or
702 that resulted in the Governor declaring a state of emergency and
703 the State Board of Education appointing a conservator;

704 (h) The license holder submitted a false certification
705 to the State Department of Education that a statewide test was
706 administered in strict accordance with the Requirements of the
707 Mississippi Statewide Assessment System; or

708 (i) The license holder has failed to comply with the
709 Procedures for Reporting Infractions as promulgated by the
710 commission and approved by the State Board of Education pursuant
711 to subsection (15) of this section.

712 For purposes of this subsection, probation shall be defined
713 as a length of time determined by the commission, its subcommittee
714 or hearing officer, and based on the severity of the offense in
715 which the license holder shall meet certain requirements as

prescribed by the commission, its subcommittee or hearing officer.
Failure to complete the requirements in the time specified shall
result in immediate suspension of the license for one (1) year.

(13) (a) Dismissal or suspension of a licensed employee by
a local school board pursuant to Section 37-9-59 may result in the
suspension or revocation of a license for a length of time which
shall be determined by the commission and based upon the severity
of the offense.

(b) Any offense committed or attempted in any other
state shall result in the same penalty as if committed or
attempted in this state.

(c) A person may voluntarily surrender a license. The
surrender of such license may result in the commission
recommending any of the above penalties without the necessity of a
hearing. However, any such license which has voluntarily been
surrendered by a licensed employee may only be reinstated by a
majority vote of all members of the commission present at the
meeting called for such purpose.

(14) (a) A person whose license has been suspended or
surrendered on any grounds except criminal grounds may petition
for reinstatement of the license after one (1) year from the date
of suspension or surrender, or after one-half (1/2) of the
suspended or surrendered time has lapsed, whichever is greater. A
person whose license has been suspended or revoked on any grounds
or violations under subsection (12) of this section may be

741 reinstated automatically or approved for a reinstatement hearing,
742 upon submission of a written request to the commission. A license
743 suspended, revoked or surrendered on criminal grounds may be
744 reinstated upon petition to the commission filed after expiration
745 of the sentence and parole or probationary period imposed upon
746 conviction. A revoked, suspended or surrendered license may be
747 reinstated upon satisfactory showing of evidence of
748 rehabilitation. The commission shall require all who petition for
749 reinstatement to furnish evidence satisfactory to the commission
750 of good character, good mental, emotional and physical health and
751 such other evidence as the commission may deem necessary to
752 establish the petitioner's rehabilitation and fitness to perform
753 the duties authorized by the license.

754 (b) A person whose license expires while under
755 investigation by the Office of Educator Misconduct for an alleged
756 violation may not be reinstated without a hearing before the
757 commission if required based on the results of the investigation.

758 (15) Reporting procedures and hearing procedures for dealing
759 with infractions under this section shall be promulgated by the
760 commission, subject to the approval of the State Board of
761 Education. The revocation or suspension of a license shall be
762 effected at the time indicated on the notice of suspension or
763 revocation. The commission shall immediately notify the
764 superintendent of the school district or school board where the
765 teacher or administrator is employed of any disciplinary action

and also notify the teacher or administrator of such revocation or suspension and shall maintain records of action taken. The State Board of Education may reverse or remand with instructions any decision of the commission, its subcommittee or hearing officer regarding a petition for reinstatement of a license, and any such decision of the State Board of Education shall be final.

(16) An appeal from the action of the State Board of Education in denying an application, revoking or suspending a license or otherwise disciplining any person under the provisions of this section shall be filed in the Chancery Court of the First Judicial District of Hinds County, Mississippi, on the record made, including a verbatim transcript of the testimony at the hearing. The appeal shall be filed within thirty (30) days after notification of the action of the board is mailed or served and the proceedings in chancery court shall be conducted as other matters coming before the court. The appeal shall be perfected upon filing notice of the appeal and by the prepayment of all costs, including the cost of preparation of the record of the proceedings by the State Board of Education, and the filing of a bond in the sum of Two Hundred Dollars (\$200.00) conditioned that if the action of the board be affirmed by the chancery court, the applicant or license holder shall pay the costs of the appeal and the action of the chancery court.

(17) All such programs, rules, regulations, standards and criteria recommended or authorized by the commission shall become

effective upon approval by the State Board of Education as designated by appropriate orders entered upon the minutes thereof.

(18) The granting of a license shall not be deemed a property right nor a guarantee of employment in any public school district. A license is a privilege indicating minimal eligibility for teaching in the public school districts of Mississippi. This section shall in no way alter or abridge the authority of local school districts to require greater qualifications or standards of performance as a prerequisite of initial or continued employment in such districts.

(19) In addition to the reasons specified in subsections (12) and (13) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section

93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

SECTION 3. Section 73-1-21, Mississippi Code of 1972, is amended as follows:

73-1-21. Any architect residing outside this state may obtain a certificate to practice in the State of Mississippi by complying with Section 73-1-13, and by paying the fees prescribed by the rules of the board; however, no such nonresident applicant shall receive a certificate to practice in this state unless the applicant furnishes evidence satisfactory to the board that the applicant holds a current and valid registration issued by a registration authority recognized by the board, holds a National Council of Architectural Registration Board's certificate, has never been restrained from practicing architecture, and has never had a certificate or license revoked. Each nonresident applicant shall submit, as a part of the application, a sworn affidavit stating that neither such applicant nor any person in, or agent of, the applicant's firm has practiced or is practicing architectural work in this state prior to the applicant having been licensed by the board unless such person or agent holds a license to practice architecture in this state. Failure to submit this affidavit is just cause for disapproval of the application.

Every applicant for reciprocity registration shall comply fully with the requirements for resident applicants, except that nonresident applicants who met the requirements for issuance of a certificate of registration by the board prior to January 1, 1987, and who, on that date, held a current and valid registration by a registration authority recognized by the board or were qualified exam candidates in another jurisdiction recognized by the board, shall not be required to meet the degree requirements of Section 73-1-13. The board shall have the further right to exercise its discretion as to whether such nonresident architect shall be issued such certificate to practice.

The issuance of a certificate by reciprocity to a military-trained applicant * * *, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1.

SECTION 4. Section 73-2-11, Mississippi Code of 1972, is amended as follows:

73-2-11. The board may exempt from examination any applicant who holds a license or certificate to practice landscape architecture issued to him upon examination by a legally constituted board of examiners of any other state or Washington, D.C., or any other territory or possession under the control of the United States, provided that such requirements of the state in which the applicant is registered are equivalent to those of this state.

Each nonresident applicant shall submit, as part of the application, a sworn affidavit stating that neither such applicant nor any person in or agent of the applicant's firm has practiced or is practicing landscape architectural work in this state prior to the applicant having been licensed by the board unless such person or agent holds a license to practice landscape architecture in this state. Failure to submit this affidavit or submitting an affidavit which is false in any respect shall constitute just cause for denial of the application.

An applicant who is a licensed landscape architect but who was admitted in a jurisdiction which did not offer a written examination acceptable to the board or was admitted without the requirement of passing a written examination may be issued a license to practice landscape architecture in this state upon the taking and passing of any examination or procedure as may be adopted by the board, provided that such applicant meets all other requirements for issuance of a license to practice landscape architecture in this state.

The issuance of a license by reciprocity to a military-trained applicant * * *, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1.

SECTION 5. Section 73-4-23, Mississippi Code of 1972, is amended as follows:

73-4-23. Any auctioneer who is licensed in a state that (a) has requirements equal to the requirements of this chapter, (b) has requirements that have been approved by the commission, after a review of such state's licensing law, and (c) has entered into a reciprocal licensing agreement with the State of Mississippi through such state's regulatory authority over auctioneering, may apply for and be granted a license without examination. Applicants for a license through reciprocity shall furnish the commission by application the same information as that required of resident applicants. In addition to the biennial license fee, nonresidents shall pay to the commission a fee of Two Hundred Fifty Dollars (\$250.00). A nonresident auctioneer shall furnish to the commission a surety bond, obligated to the State of Mississippi, in the amount of Ten Thousand Dollars (\$10,000.00) prior to being issued a license. The bond shall be executed by the person seeking the license as principal and by a corporate surety, licensed to do business in this state, as surety. The bond shall otherwise be in accordance with the provisions of this chapter.

The issuance of a license by reciprocity to a military-trained applicant * * *, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1.

SECTION 6. Section 73-5-21, Mississippi Code of 1972, is amended as follows:

73-5-21. Any person possessed of the following qualifications shall, upon payment of the required fee, receive a certificate of registration as a registered barber:

(a) Is at least eighteen (18) years old;

(b) Is of good moral character and temperate habits;

and

(c) Either has a license or certificate of registration as a practicing barber in another state or country that has substantially the same requirements for licensing or registration of barbers as are contained in this chapter, or can prove by sworn affidavits that he has lawfully practiced as a barber in another state or country for at least five (5) years immediately before making application in this state, or can show to the satisfaction of the board that he had held a rating in a branch of the military service for two (2) or more years that required him to perform the duties of a barber. The issuance of a certificate of registration by reciprocity to a military-trained applicant * * *, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1.

In addition to the above, the board may require the applicant to successfully demonstrate sufficient knowledge of the Barber Law of the State of Mississippi, as well as sufficient practical skill by requiring the applicant to take a practical examination approved by the board.

939 **SECTION 7.** Section 73-6-13, Mississippi Code of 1972, is
940 amended as follows:

941 73-6-13. (1) Any adult of good moral character who has (a)
942 graduated from a school or college of chiropractic recognized by
943 the State Board of Chiropractic Examiners, preceded by the
944 successful completion of at least two (2) academic years at an
945 accredited institution of higher learning, or accredited junior
946 college, and (b) successfully completed parts 1, 2, 3 and 4 and
947 the physical modality section of the examination prepared by the
948 National Board of Chiropractic Examiners, shall be entitled to
949 take the examination for a license to practice chiropractic in
950 Mississippi. The State Board of Chiropractic Examiners shall keep
951 on file a list of schools or colleges of chiropractic which are so
952 recognized. No chiropractic school shall be approved unless it is
953 recognized and approved by the Council on Chiropractic Education,
954 its successor or an equivalent accrediting agency, offers an
955 accredited course of study of not less than four (4) academic
956 years of at least nine (9) months in length, and requires its
957 graduates to receive not less than forty (40) clock hours of
958 instruction in the operation of x-ray machinery and not less than
959 forty (40) clock hours of instruction in x-ray interpretation and
960 diagnosis.

961 (2) Except as otherwise provided in this section, the State
962 Board of Health shall prescribe rules and regulations for the
963 operation and use of x-ray machines.

(3) The examination to practice chiropractic used by the board shall consist of testing on the statutes and the rules and regulations regarding the practice of chiropractic in the State of Mississippi.

(4) Reciprocity privileges for a chiropractor from another state shall be granted at the board's option on an individual basis and by a majority vote of the State Board of Chiropractic Examiners to an adult of good moral character who (a) is currently an active competent practitioner for at least eight (8) years and holds an active chiropractic license in another state with no disciplinary proceeding or unresolved complaint pending anywhere at the time a license is to be issued by this state, (b) demonstrates having obtained licensure as a chiropractor in another state under the same education requirements which were equivalent to the education requirements in this state to obtain a chiropractic license at the time the applicant obtained the license in the other state, (c) satisfactorily passes the examination administered by the State Board of Chiropractic Examiners, and (d) meets the requirements of Section 73-6-1(3) pertaining to therapeutic modalities. The issuance of a license by reciprocity to a military-trained applicant * * *, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1.

SECTION 8. Section 73-7-23, Mississippi Code of 1972, is amended as follows:

73-7-23. (1) The board may, upon application, issue a license by reciprocity to any cosmetologist, esthetician or manicurist over the age of seventeen (17) years from any other state who has satisfactorily completed the required number of accredited hours in that state, provided the state board from which the applicant comes issues to cosmetologists, estheticians or manicurists, as the case may be, from the State of Mississippi a license under the same conditions. Applications must be accompanied by (a) proof satisfactory to the board that the required hours have been completed, and (b) the required reciprocity fee, which shall be paid to the board.

(2) An instructor from any other state may be qualified for a Mississippi instructor's license upon presenting a valid instructor's license and proof of a high school education or its equivalent, provided that the instructor (a) is not less than twenty-one (21) years of age, (b) has completed training equivalent to the State of Mississippi's training as provided in Section 73-7-15 or has three (3) years or more of experience as a licensed instructor prior to application, (c) can read, write and speak English, (d) has completed twelve (12) semester hours in college courses approved by the board, and (e) has completed a minimum of five (5) continuing education hours in Mississippi board laws, rules and regulations. Such application must be accompanied by two (2) recent passport photographs of the applicant. Applicants shall pay the required license fee.

1014 (3) An applicant for a Mississippi instructor's license by
1015 reciprocity who has not completed the college courses requirement
1016 at the time of application may apply for a onetime temporary
1017 teaching permit, which shall be valid for six (6) months and shall
1018 be nonrenewable. Such application must be accompanied by proof of
1019 enrollment in college course(s), required permit fee, two (2)
1020 recent passport photographs of the applicant and other
1021 documentation as required for application for a Mississippi
1022 instructor's license by reciprocity. Upon proof of completion of
1023 college courses and payment of the required license fee, a
1024 Mississippi instructor's license shall be issued.

1025 (4) The issuance of a license by reciprocity to a
1026 military-trained applicant * * *, military spouse or person who
1027 establishes residence in this state shall be subject to the
1028 provisions of Section 73-50-1.

1029 **SECTION 9.** Section 73-9-24, Mississippi Code of 1972, is
1030 amended as follows:

1107 (1) of this section shall not be eligible for a license based on
1108 credentials. Upon meeting the criteria in subsection (1) of this
1109 section, the Mississippi State Board of Dental Examiners may, in
1110 its discretion, issue to the applicant a license to practice
1111 dentistry, or dental hygiene, unless grounds for denial of

1112 licensure exist as enumerated in Section 73-9-61. Evidence of
1113 falsification in the application for licensure through
1114 credentialing will result in revocation of the license.

1115 (4) Any applicant applying for a specialty license by
1116 credentials must stay within his or her board recognized specialty
1117 and must practice only that specialty within the State of
1118 Mississippi. A specialty license holder must hold a general
1119 dentistry license before obtaining a specialty license.

1120 (5) The issuance of a license by reciprocity to a
1121 military-trained applicant * * *, military spouse or person who
1122 establishes residence in this state shall be subject to the
1123 provisions of Section 73-50-1.

1124 **SECTION 10.** Section 73-10-15, Mississippi Code of 1972, is
1125 amended as follows:

1126 73-10-15. (1) A nonresident dietitian may practice
1127 dietetics in Mississippi for five (5) days per year with current
1128 other state's licensure or with current registration with the
1129 Commission on Dietetics Registration.

1130 (2) The board may waive the prescribed examination for
1131 licensure and grant a license to any person who shall present
1132 proof of current licensure as a dietitian in another state, the
1133 District of Columbia, or territory of the United States which
1134 requires standards for licensure considered by the advisory
1135 council to be greater than or equal to the requirements for
1136 licensure of this chapter, if such state or territory extends

1137 reciprocity to licensees of the State of Mississippi. The
1138 issuance of a license by reciprocity to a military-trained
1139 applicant * * *, military spouse or person who establishes
1140 residence in this state shall be subject to the provisions of
1141 Section 73-50-1.

1142 **SECTION 11.** Section 73-11-51, Mississippi Code of 1972, is
1143 amended as follows:

1144 73-11-51. (1) No person shall engage in the business or
1145 practice of funeral service, including embalming, and/or funeral
1146 directing or hold himself out as transacting or practicing or
1147 being entitled to transact or practice funeral service, including
1148 embalming, and/or funeral directing in this state unless duly
1149 licensed under the provisions of this chapter.

1150 (2) The board is authorized and empowered to examine
1151 applicants for licenses for the practice of funeral service and
1152 funeral directing and shall issue the proper license to those
1153 persons who successfully pass the applicable examination and
1154 otherwise comply with the provisions of this chapter.

1155 (3) To be licensed for the practice of funeral directing
1156 under this chapter, a person must furnish satisfactory evidence to
1157 the board that he or she:

1158 (a) Is at least eighteen (18) years of age;

1159 (b) Has a high school diploma or the equivalent
1160 thereof;

1161 (c) Has served as a resident trainee for not less than
1162 twenty-four (24) months under the supervision of a person licensed
1163 for the practice of funeral service or funeral directing in this
1164 state;

1165 (d) Has successfully passed a written and/or oral
1166 examination as prepared or approved by the board; and

1167 (e) Is of good moral character.

1168 (4) To be licensed for the practice of funeral service under
1169 this chapter, a person must furnish satisfactory evidence to the
1170 board that he or she:

1171 (a) Is at least eighteen (18) years of age;

1172 (b) Has a high school diploma or the equivalent
1173 thereof;

1174 (c) Has successfully completed twelve (12) months or
1175 more of academic and professional instruction from an institution
1176 accredited by the United States Department of Education for
1177 funeral service education and have a certificate of completion
1178 from an institution accredited by the American Board of Funeral
1179 Service Education or any other successor recognized by the United
1180 States Department of Education for funeral service education;

1181 (d) Has served as a resident trainee for not less than
1182 twelve (12) months, either before or after graduation from an
1183 accredited institution mentioned above, under the supervision of a
1184 person licensed for the practice of funeral service in this state
1185 and in an establishment licensed in this state;

1186 (e) Has successfully passed the National Conference of
1187 Funeral Examiners examination and/or such other examination as
1188 approved by the board; and

1189 (f) Is of good moral character.

1190 (5) All applications for examination and license for the
1191 practice of funeral service or funeral directing shall be upon
1192 forms furnished by the board and shall be accompanied by an
1193 examination fee, a licensing fee and a nonrefundable application
1194 fee in amounts fixed by the board in accordance with Section
1195 73-11-56. The fee for an initial license, however, may be
1196 prorated in proportion to the period of time from the date of
1197 issuance to the date of biennial license renewal prescribed in
1198 subsection (8) of this section. All applications for examination
1199 shall be filed with the board office at least sixty (60) days
1200 before the date of examination. A candidate shall be deemed to
1201 have abandoned the application for examination if he does not
1202 appear on the scheduled date of examination unless such failure to
1203 appear has been approved by the board.

1204 (6) The practice of funeral service or funeral directing
1205 must be engaged in at a licensed funeral establishment, at least
1206 one (1) of which is listed as the licensee's place of business;
1207 and no person, partnership, corporation, association or other
1208 organization shall open or maintain a funeral establishment at
1209 which to engage in or conduct or hold himself or itself out as
1210 engaging in the practice of funeral service or funeral directing

1211 until such establishment has complied with the licensing
1212 requirements of this chapter. A license for the practice of
1213 funeral service or funeral directing shall be used only at
1214 licensed funeral establishments; however, this provision shall not
1215 prevent a person licensed for the practice of funeral service or
1216 funeral directing from conducting a funeral service at a church, a
1217 residence, public hall, lodge room or cemetery chapel, if such
1218 person maintains a fixed licensed funeral establishment of his own
1219 or is in the employ of or an agent of a licensed funeral
1220 establishment.

1221 (7) Any person holding a valid, unrevoked and unexpired
1222 nonreciprocal license in another state or territory having
1223 requirements greater than or equal to those of this state as
1224 determined by the board may apply for a license to practice in
1225 this state by filing with the board a certified statement from the
1226 secretary of the licensing board of the state or territory in
1227 which the applicant holds his license certifying to his
1228 qualifications and good standing with that board. He/she must
1229 also successfully pass a written and/or oral examination on the
1230 Mississippi Funeral Service licensing law and rules and
1231 regulations as prepared or approved by the board, and must pay a
1232 nonrefundable application fee set by the board. If the board
1233 finds that the applicant has fulfilled aforesaid requirements and
1234 has fulfilled substantially similar requirements of those required
1235 for a Mississippi licensee, the board shall grant such license

1236 upon receipt of a fee in an amount equal to the renewal fee set by
1237 the board for a license for the practice of funeral service or
1238 funeral directing, as the case may be, in this state. The board
1239 may issue a temporary funeral service or funeral directing work
1240 permit before a license is granted, before the next regular
1241 meeting of the board, if the applicant for a reciprocal license
1242 has complied with all requirements, rules and regulations of the
1243 board. The temporary permit will expire at the next regular
1244 meeting of the board. The issuance of a license or temporary
1245 permit by reciprocity to a military-trained applicant * * *,
1246 military spouse or person who establishes residence in this state
1247 shall be subject to the provisions of Section 73-50-1.

1248 (8) (a) Except as provided in Section 33-1-39, any person
1249 holding a license for the practice of funeral service or funeral
1250 directing may have the same renewed for a period of two (2) years
1251 by making and filing with the board an application on or before
1252 the due date. Payment of the renewal fee shall be in an amount
1253 set by the board in accordance with Section 73-11-56. The board
1254 shall mail the notice of renewal and the due date for the payment
1255 of the renewal fee to the last-known address of each licensee at
1256 least thirty (30) days before that date. It is the responsibility
1257 of the licensee to notify the board in writing of any change of
1258 address. An application will be considered late if the
1259 application and proper fees are not in the board's office or
1260 postmarked by the due date. Failure of a license holder to

1261 receive the notice of renewal shall not exempt or excuse a license
1262 holder from the requirement of renewing the license on or before
1263 the license expiration date.

1264 (b) If the renewal fee is not paid on or postmarked by
1265 the due date, the license of such person shall by operation of law
1266 automatically expire and become void without further action of the
1267 board. The board may reinstate such license if application for
1268 licensure is made within a period of five (5) years, upon payment
1269 of the renewal fee for the current year, all renewal fees in
1270 arrears, and a reinstatement fee. After a period of five (5)
1271 years, the licensee must make application, pay the current renewal
1272 fee, all fees in arrears, and pass a written and/or oral
1273 examination as prepared or approved by the board.

1274 (9) No license shall be assignable or valid for any person
1275 other than the original licensee.

1276 (10) The board may, in its discretion, if there is a major
1277 disaster or emergency where human death is likely to occur,
1278 temporarily authorize the practice of funeral directing and
1279 funeral service by persons licensed to practice in another state
1280 but not licensed to practice in this state. Only persons licensed
1281 in this state, however, may sign death certificates.

1282 (11) Any funeral service technology or mortuary science
1283 program accredited by the American Board of Funeral Service
1284 Education in the State of Mississippi, as well as students
1285 enrolled in such a program, shall be exempt from licensing under

1286 this chapter when embalming or otherwise preparing a deceased
1287 human body for disposition as part of a student practicum
1288 experience, when the student is directly supervised by an
1289 instructor or preceptor who holds a current funeral service
1290 license. This exemption shall apply to practicum experiences
1291 performed at an accredited institution of funeral service
1292 technology or mortuary science program or at a duly licensed
1293 funeral establishment or commercial mortuary service. Nothing in
1294 this subsection shall be construed to allow any funeral service
1295 technology or mortuary science program, or those students enrolled
1296 in such a program, to engage in practicum experiences for
1297 remuneration.

1298 (12) Each application or filing made under this section
1299 shall include the social security number(s) of the applicant in
1300 accordance with Section 93-11-64.

1301 **SECTION 12.** Section 73-13-35, Mississippi Code of 1972, is
1302 amended as follows:

1303 73-13-35. The board may, upon application therefor and the
1304 payment of a fee in accordance with Section 73-13-25, issue a
1305 certificate of licensure as a professional engineer to any person
1306 who holds a certificate of qualification or licensure issued to
1307 him by proper authority of any state or territory or possession of
1308 the United States, or of any country, provided that the
1309 applicant's qualifications meet the requirements of Sections
1310 73-13-1 through 73-13-45 and the rules established by the board.

1311 The issuance of a certificate of licensure by reciprocity to a
1312 military-trained applicant * * *, military spouse or person who
1313 establishes residence in this state shall be subject to the
1314 provisions of Section 73-50-1.

1315 **SECTION 13.** Section 73-14-25, Mississippi Code of 1972, is
1316 amended as follows:

1317 73-14-25. The department may license as a hearing aid
1318 specialist, and furnish a certificate of licensure, to any
1319 applicant who presents evidence, satisfactory to the department of
1320 having passed an examination before a similar lawfully authorized
1321 examining agency or board of hearing aid specialists of another
1322 state or the District of Columbia, if the standards for
1323 registration of hearing aid specialists or for licensure as a
1324 hearing aid specialist in such state or district are determined by
1325 the department to be as high as those of this state, and if that
1326 jurisdiction affords licensees of this state reciprocity.

1327 Any person making application for licensure under the
1328 provisions of this section may, at the discretion of the board, be
1329 required to pass an examination selected by the board.

1330 The issuance of a license by reciprocity to a
1331 military-trained applicant * * *, military spouse or person who
1332 establishes residence in this state shall be subject to the
1333 provisions of Section 73-50-1.

1334 **SECTION 14.** Section 73-15-19, Mississippi Code of 1972, is
1335 amended as follows:

1336 73-15-19. (1) **Registered nurse applicant qualifications.**

1337 Any applicant for a license to practice as a registered nurse
1338 shall submit to the board:

1339 (a) An attested written application on a Board of
1340 Nursing form;

1341 (b) Written official evidence of completion of a
1342 nursing program approved by the Board of Trustees of State
1343 Institutions of Higher Learning, or one approved by a legal
1344 accrediting agency of another state, territory or possession of
1345 the United States, the District of Columbia, or a foreign country
1346 which is satisfactory to this board;

1347 (c) Evidence of competence in English related to
1348 nursing, provided the first language is not English;

1349 (d) Any other official records required by the board.

1350 In addition to the requirements specified in paragraphs (a)
1351 through (d) of this subsection, in order to qualify for a license
1352 to practice as a registered nurse, an applicant must have
1353 successfully been cleared for licensure through an investigation
1354 that shall consist of a determination as to good moral character
1355 and verification that the prospective licensee is not guilty of or
1356 in violation of any statutory ground for denial of licensure as
1357 set forth in Section 73-15-29 or guilty of any offense specified
1358 in Section 73-15-33. To assist the board in conducting its
1359 licensure investigation, all applicants shall undergo a
1360 fingerprint-based criminal history records check of the

1361 Mississippi central criminal database and the Federal Bureau of
1362 Investigation criminal history database. Each applicant shall
1363 submit a full set of his or her fingerprints in a form and manner
1364 prescribed by the board, which shall be forwarded to the
1365 Mississippi Department of Public Safety (department) and the
1366 Federal Bureau of Investigation Identification Division for this
1367 purpose.

1368 Any and all state or national criminal history records
1369 information obtained by the board that is not already a matter of
1370 public record shall be deemed nonpublic and confidential
1371 information restricted to the exclusive use of the board, its
1372 members, officers, investigators, agents and attorneys in
1373 evaluating the applicant's eligibility or disqualification for
1374 licensure, and shall be exempt from the Mississippi Public Records
1375 Act of 1983. Except when introduced into evidence in a hearing
1376 before the board to determine licensure, no such information or
1377 records related thereto shall, except with the written consent of
1378 the applicant or by order of a court of competent jurisdiction, be
1379 released or otherwise disclosed by the board to any other person
1380 or agency.

1381 The board shall provide to the department the fingerprints of
1382 the applicant, any additional information that may be required by
1383 the department, and a form signed by the applicant consenting to
1384 the check of the criminal records and to the use of the

fingerprints and other identifying information required by the state or national repositories.

The board shall charge and collect from the applicant, in addition to all other applicable fees and costs, such amount as may be incurred by the board in requesting and obtaining state and national criminal history records information on the applicant.

The board may, in its discretion, refuse to accept the application of any person who has been convicted of a criminal offense under any provision of Title 97 of the Mississippi Code of 1972, as now or hereafter amended, or any provision of this article.

(2) **Licensure by examination.** (a) Upon the board being satisfied that an applicant for a license as a registered nurse has met the qualifications set forth in subsection (1) of this section, the board shall proceed to examine such applicant in such subjects as the board shall, in its discretion, determine. The subjects in which applicants shall be examined shall be in conformity with curricula in schools of nursing approved by the Board of Trustees of State Institutions of Higher Learning, or one approved by a legal accrediting agency of another state, territory or possession of the United States, the District of Columbia, or a foreign country which is satisfactory to the board.

(b) The applicant shall be required to pass the written examination as selected by the board.

1409 (c) Upon successful completion of such examination, the
1410 board shall issue to the applicant a license to practice as a
1411 registered nurse.

1412 (d) The board may use any part or all of the state
1413 board test pool examination for registered nurse licensure, its
1414 successor examination, or any other nationally standardized
1415 examination identified by the board in its rules. The passing
1416 score shall be established by the board in its rules.

1417 (3) **Licensure by endorsement.** The board may issue a license
1418 to practice nursing as a registered nurse without examination to
1419 an applicant who has been duly licensed as a registered nurse
1420 under the laws of another state, territory or possession of the
1421 United States, the District of Columbia, or a foreign country if,
1422 in the opinion of the board, the applicant meets the
1423 qualifications required of licensed registered nurses in this
1424 state and has previously achieved the passing score or scores on
1425 the licensing examination required by this state, at the time of
1426 his or her graduation. The issuance of a license by endorsement
1427 to a military-trained applicant * * *, military spouse or person
1428 who establishes residence in this state shall be subject to the
1429 provisions of Section 73-50-1.

1430 (4) **Requirements for rewriting the examination.** The board
1431 shall establish in its rules the requirements for rewriting the
1432 examination for those persons failing the examination on the first
1433 writing or subsequent rewriting.

1434 (5) **Fee.** The applicant applying for a license by
1435 examination or by endorsement to practice as a registered nurse
1436 shall pay a fee not to exceed One Hundred Dollars (\$100.00) to the
1437 board.

1438 (6) **Temporary permit.** (a) The board may issue a temporary
1439 permit to practice nursing to a graduate of an approved school of
1440 nursing pending the results of the examination in Mississippi, and
1441 to a qualified applicant from another state, territory or
1442 possession of the United States, or District of Columbia, or
1443 pending licensure procedures as provided for elsewhere in this
1444 article. The fee shall not exceed Twenty-five Dollars (\$25.00).

1445 (b) The board may issue a temporary permit for a period
1446 of ninety (90) days to a registered nurse who is currently
1447 licensed in another state, territory or possession of the United
1448 States or the District of Columbia and who is an applicant for
1449 licensure by endorsement. Such permit is not renewable except by
1450 board action. The issuance of a temporary permit to a
1451 military-trained applicant * * *, military spouse or person who
1452 establishes residence in this state shall be subject to the
1453 provisions of Section 73-50-1.

1454 (c) The board may issue a temporary permit to a
1455 graduate of an approved school of nursing pending the results of
1456 the first licensing examination scheduled after application. Such
1457 permit is not renewable except by board action.

1458 (d) The board may issue a temporary permit for a period
1459 of thirty (30) days to any registered nurse during the time
1460 enrolled in a nursing reorientation program. This time period may
1461 be extended by board action. The fee shall not exceed Twenty-five
1462 Dollars (\$25.00).

1463 (e) The board may adopt such regulations as are
1464 necessary to limit the practice of persons to whom temporary
1465 permits are issued.

1466 (7) **Temporary license.** The board may issue a temporary
1467 license to practice nursing at a youth camp licensed by the State
1468 Board of Health to nonresident registered nurses and retired
1469 resident registered nurses under the provisions of Section
1470 75-74-8.

1471 (8) **Title and abbreviation.** Any person who holds a license
1472 or holds the privilege to practice as a registered nurse in this
1473 state shall have the right to use the title "registered nurse" and
1474 the abbreviation "R.N." No other person shall assume such title
1475 or use such abbreviation, or any words, letters, signs or devices
1476 to indicate that the person using the same is a registered nurse.

1477 (9) **Registered nurses licensed under a previous law.** Any
1478 person holding a license to practice nursing as a registered nurse
1479 issued by this board which is valid on July 1, 1981, shall
1480 thereafter be deemed to be licensed as a registered nurse under
1481 the provisions of this article upon payment of the fee provided in
1482 Section 73-15-27.

1483 (10) Each application or filing made under this section
1484 shall include the social security number(s) of the applicant in
1485 accordance with Section 93-11-64.

1486 **SECTION 15.** Section 73-15-21, Mississippi Code of 1972, is
1487 amended as follows:

1488 73-15-21. (1) **Licensed practical nurse applicant**
1489 **qualifications.** Any applicant for a license to practice practical
1490 nursing as a licensed practical nurse shall submit to the board:

1491 (a) An attested written application on a Board of
1492 Nursing form;

1493 (b) A diploma from an approved high school or the
1494 equivalent thereof, as determined by the appropriate educational
1495 agency;

1496 (c) Written official evidence of completion of a
1497 practical nursing program approved by the State Department of
1498 Education through its Division of Vocational Education, or one
1499 approved by a legal accrediting agency of another state, territory
1500 or possession of the United States, the District of Columbia, or a
1501 foreign country which is satisfactory to this board;

1502 (d) Evidence of competence in English related to
1503 nursing, provided the first language is not English;

1504 (e) Any other official records required by the board.

1505 In addition to the requirements specified in paragraphs (a)
1506 through (e) of this subsection, in order to qualify for a license
1507 to practice practical nursing as a licensed practical nurse, an

1508 applicant must have successfully been cleared for licensure
1509 through an investigation that shall consist of a determination as
1510 to good moral character and verification that the prospective
1511 licensee is not guilty of or in violation of any statutory ground
1512 for denial of licensure as set forth in Section 73-15-29 or guilty
1513 of any offense specified in Section 73-15-33. To assist the board
1514 in conducting its licensure investigation, all applicants shall
1515 undergo a fingerprint-based criminal history records check of the
1516 Mississippi central criminal database and the Federal Bureau of
1517 Investigation criminal history database. Each applicant shall
1518 submit a full set of his or her fingerprints in a form and manner
1519 prescribed by the board, which shall be forwarded to the
1520 Mississippi Department of Public Safety (department) and the
1521 Federal Bureau of Investigation Identification Division for this
1522 purpose.

1523 Any and all state or national criminal history records
1524 information obtained by the board that is not already a matter of
1525 public record shall be deemed nonpublic and confidential
1526 information restricted to the exclusive use of the board, its
1527 members, officers, investigators, agents and attorneys in
1528 evaluating the applicant's eligibility or disqualification for
1529 licensure, and shall be exempt from the Mississippi Public Records
1530 Act of 1983. Except when introduced into evidence in a hearing
1531 before the board to determine licensure, no such information or
1532 records related thereto shall, except with the written consent of

1533 the applicant or by order of a court of competent jurisdiction, be
1534 released or otherwise disclosed by the board to any other person
1535 or agency.

1536 The board shall provide to the department the fingerprints of
1537 the applicant, any additional information that may be required by
1538 the department, and a form signed by the applicant consenting to
1539 the check of the criminal records and to the use of the
1540 fingerprints and other identifying information required by the
1541 state or national repositories.

1542 The board shall charge and collect from the applicant, in
1543 addition to all other applicable fees and costs, such amount as
1544 may be incurred by the board in requesting and obtaining state and
1545 national criminal history records information on the applicant.

1546 The board may, in its discretion, refuse to accept the
1547 application of any person who has been convicted of a criminal
1548 offense under any provision of Title 97 of the Mississippi Code of
1549 1972, as now or hereafter amended, or any provision of this
1550 article.

1551 (2) **Licensure by examination.** (a) Upon the board being
1552 satisfied that an applicant for a license as a practical nurse has
1553 met the qualifications set forth in subsection (1) of this
1554 section, the board shall proceed to examine such applicant in such
1555 subjects as the board shall, in its discretion, determine. The
1556 subjects in which applicants shall be examined shall be in

1557 conformity with curricula in schools of practical nursing approved
1558 by the State Department of Education.

1559 (b) The applicant shall be required to pass the written
1560 examination selected by the board.

1561 (c) Upon successful completion of such examination, the

73-30-15. The board shall enter into a reciprocal agreement with any state which licenses counselors if the board finds that such state has substantially the same requirements for licensure. The issuance of a license by reciprocity to a military-trained applicant * * *, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1.

SECTION 26. Section 73-31-14, Mississippi Code of 1972, is amended as follows:

73-31-14. (1) Psychologists who are duly licensed in other jurisdictions and not currently under investigation by another licensure board may, upon application for licensure, apply for a temporary license, which shall be valid until the next administration of the oral examination. The temporary license shall be issued upon the applicant's passage of the Examination for Professional Practice of Psychology (EPPP) at the level established by the board in its rules and regulations and equivalent to that required for permanent licensure. Each applicant for a temporary license shall file an application upon a

form and in the manner as the board prescribes, accompanied by a fee equal to the amount required for permanent licensure. A temporary license will lapse for any person who has failed the oral examination or has had his or her license suspended or revoked by the board. Procedures for the issuance of temporary licenses shall be established by the board in its rules and regulations. The issuance of a temporary license to a military-trained applicant * * *, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1.

(2) Psychologists who are duly licensed in other jurisdictions may apply for a temporary practice certificate that allows them to practice psychology on a temporary basis in the State of Mississippi. That practice must be limited in scope and duration, not exceeding thirty (30) days during a consecutive twelve-month period. Applicants for a temporary practice certificate shall provide to the board the nature of the practice before providing that service, and shall make available to the board a current copy of his or her license or verification of a valid license in good standing. Psychologists who receive temporary practice certificates are subject to a jurisprudence examination at the request of the board. This authority for a temporary practice certificate does not apply to a psychologist who has been denied licensure in Mississippi, is a legal resident of Mississippi, or intends to practice full-time or a major

2076 portion of their time in Mississippi. Each applicant for a
2077 temporary practice certificate shall file an application upon a
2078 form and in the manner as the board prescribes, accompanied by a
2079 fee in an amount determined by the board, but not to exceed Three
2080 Hundred Dollars (\$300.00).

2081 (3) Applicants awaiting licensure in Mississippi are
2082 prohibited from the practice of psychology without a temporary
2083 license issued by the board. For the purposes of this subsection,
2084 the practice of psychology shall be construed without regard to
2085 the means of service provision (e.g., face-to-face, telephone,
2086 Internet, telehealth).

2087 **SECTION 27.** Section 73-31-15, Mississippi Code of 1972, is
2088 amended as follows:

2089 73-31-15. (1) Upon application accompanied by the proper
2090 fee, the board may issue a license to any psychologist who
2091 furnishes, upon a form and in the manner as the board prescribes,
2092 evidence satisfactory to the board that he or she is a diplomate
2093 in good standing of the American Board of Examiners in
2094 Professional Psychology; or possesses a valid Certificate of
2095 Professional Qualification (CPQ) granted by the Association of
2096 State and Provincial Psychology Boards; or has at least twenty
2097 (20) years of licensure to practice in another state, territorial
2098 possession of the United States, District of Columbia, or
2099 Commonwealth of Puerto Rico or Canadian Province when that license
2100 was based on a doctoral degree; and

2101 (a) Has had no disciplinary sanction during the entire
2102 period of licensure; and

2103 (b) Is not currently under investigation by another
2104 licensure board; and

2105 (c) Has demonstrated current qualification by
2106 successfully passing the oral examination and jurisprudence
2107 examination.

2108 (2) The issuance of a license by reciprocity to a
2109 military-trained applicant * * *, military spouse or person who
2110 establishes residence in this state shall be subject to the
2111 provisions of Section 73-50-1.

2112 **SECTION 28.** Section 73-33-9, Mississippi Code of 1972, is
2113 amended as follows:

2114 73-33-9. The Mississippi State Board of Public Accountancy
2115 may, in its discretion, issue a reciprocal certified public
2116 accountant license to practice to any holder of any certified
2117 public accountant's certificate or license issued under the law of
2118 another state, which shall entitle the holder to use the
2119 abbreviation, "CPA," in this state provided that the state issuing
2120 the original certificate or license grants similar privileges to
2121 the certified public accountants of this state. The fee for a
2122 license shall be in such reasonable amount as determined by the
2123 board. Such license shall not allow the holder thereof to engage
2124 in the practice of public accounting as a certified public
2125 accountant unless the holder meets the requirements of the

2126 Mississippi State Board of Public Accountancy. This section shall
2127 apply only to a person who wishes to obtain a license issued by
2128 the State of Mississippi and shall not apply to those persons
2129 practicing in this state under Section 73-33-17. The issuance of
2130 a license by reciprocity to a military-trained applicant * * *,
2131 military spouse or person who establishes residence in this state
2132 shall be subject to the provisions of Section 73-50-1.

2133 **SECTION 29.** Section 73-34-51, Mississippi Code of 1972, is
2134 amended as follows:

2135 73-34-51. (1) Each applicant for licensure under this
2136 chapter who is not a resident of this state shall submit, with his
2137 application, an irrevocable consent that legal action arising out
2138 of his activities as a real estate appraiser in this state may be
2139 commenced against him in the proper court of any county of this
2140 state in which a cause of action may arise or in which the
2141 plaintiff may reside by service of process or pleading authorized
2142 by laws of this state, by the Secretary of State, or by the
2143 Administrator of the Mississippi Real Estate Commission. The
2144 consent shall stipulate that the service of process or pleading
2145 shall be taken in all courts to be valid and binding as if
2146 personal service had been made upon the nonresident licensee in
2147 this state. The consent shall be duly acknowledged. Every
2148 nonresident licensee shall consent to have any hearings conducted
2149 by the board pursuant to Section 73-34-35 at a place designated by
2150 the board.

2151 (2) Any service of process or pleading shall be served on
2152 the Administrator of the Mississippi Real Estate Commission by
2153 filing duplicate copies, one (1) of which shall be filed in the
2154 office of the board and the other forwarded by certified mail to
2155 the last-known principal address of the nonresident licensee
2156 against whom the process or pleading is directed.

2157 (3) If, in the determination of the board, another state or
2158 territory or the District of Columbia is deemed to have
2159 substantially equivalent licensure laws for real estate
2160 appraisers, an applicant for licensure in this state who is
2161 licensed under the law of such other state, territory or district
2162 may obtain a license as a real estate appraiser in this state upon
2163 such terms and conditions as may be determined by the board
2164 provided that disciplinary proceedings are not pending against
2165 such applicant in his state of licensure. The issuance of a
2166 license by reciprocity to a military-trained applicant * * *,
2167 military spouse or person who establishes residence in this state
2168 shall be subject to the provisions of Section 73-50-1.

2169 **SECTION 30.** Section 73-35-7, Mississippi Code of 1972, is
2170 amended as follows:

2171 73-35-7. Licenses shall be granted only to persons who
2172 present, and to corporations, partnerships, companies or
2173 associations whose officers, associates or partners present
2174 satisfactory proof to the commission that they are trustworthy and
2175 competent to transact the business of a real estate broker or real

2176 estate salesperson in such manner as to safeguard the interests of
2177 the public. Except as otherwise provided in this section, every
2178 person who applies for a resident license as a real estate broker:

2188 (120) hours of courses in real estate as hereafter specified; (f)
2189 shall have successfully completed the real estate broker's
2190 examination as hereafter specified; and (g) shall have
2191 successfully been cleared for licensure by the commission's
2192 background investigation as provided in Section 73-35-10; and (h)
2193 sign a form under penalty of perjury stating that the applicant
2194 will not hire any real estate salespersons for thirty-six (36)
2195 months from the date of approval of his or her active real estate
2196 salesperson's license. The real estate commission shall create a
2197 standard form to comply with the requirements of this section.
2198 Upon completion of such restriction provided in this paragraph (h)
2199 of this section, the real estate broker is authorized to employ
2200 any number of real estate salespersons.

2201 The provisions of paragraph (h) shall not apply to an
2202 applicant who seeks to hire a real estate salesperson in less than
2203 thirty-six (36) months from the date of approval of his or her
2204 active real estate salesperson's license. Any person who desires
2205 to hire a real estate salesperson in less than thirty-six (36)
2206 months from the date of approval of his or her active real estate
2207 salesperson's license shall: (a) be age twenty-one (21) years or
2208 over, and have his or her legal domicile in the State of
2209 Mississippi at the time he or she applies; (b) be subject to the
2210 jurisdiction of this state, subject to the income tax laws and
2211 other excise laws thereof, subject to the road and bridge
2212 privilege tax laws thereof; (c) not be an elector in any other
2213 state; (d) have held a license as an active real estate
2214 salesperson for thirty-six (36) months prior to making application
2215 for the broker's examination hereafter specified; (e) have
2216 successfully completed a minimum of one hundred twenty (120) hours
2217 of courses in real estate as hereafter specified; (f) have
2218 successfully completed the real estate broker's examination as
2219 hereafter specified; and (g) have successfully been cleared for
2220 licensure by the commission's background investigation as provided
2221 in Section 73-35-10.

2222 An applicant who has not held an active real estate
2223 salesperson's license for a period of at least thirty-six (36)
2224 months prior to submitting an application shall have successfully
2225 completed a minimum of one hundred fifty (150) classroom hours in

2226 real estate courses, which courses are acceptable for credit
2227 toward a degree at a college or university as approved by the
2228 Southern Association of Colleges and Schools.

2229 Every applicant for a resident license as a real estate
2230 salesperson shall be age eighteen (18) years or over, shall be a
2231 bona fide resident of the State of Mississippi prior to filing his

2234 shall have successfully completed the real estate salesperson's
2235 examination as hereafter specified.

2236 The residency requirements set forth in this section shall
2237 not apply to those licensees of other states who qualify and
2238 obtain nonresident licenses in this state.

2239 The commission is authorized to exempt from such prelicensing
2240 educational requirements, in whole or in part, a real estate
2241 licensee of another state who desires to obtain a license under
2242 this chapter, provided that the prelicensing educational
2243 requirements in the other state are determined by the commission
2244 to be equivalent to prelicensing educational requirements in this
2245 state and provided that such state extends this same privilege or
2246 exemption to Mississippi real estate licensees. The issuance of a
2247 license by reciprocity to a military-trained applicant * * *,
2248 military spouse or person who establishes residence in this state
2249 shall be subject to the provisions of Section 73-50-1.

2250 **SECTION 31.** Section 73-35-13, Mississippi Code of 1972, is
2251 amended as follows:

2252 73-35-13. (1) In addition to proof of his honesty,

2260 this chapter and such other matters the commission certifies as
2261 necessary to the practice of real estate brokerage in the State of
2262 Mississippi. The examination for a broker's license shall differ
2263 from the examination for a salesperson's license, in that it shall
2264 be of a more exacting nature and require higher standards of
2265 knowledge of real estate. The commission shall cause examinations
2266 to be conducted at such times and places as it shall determine.

2267 (2) In event the license of any real estate broker or
2268 salesperson is revoked by the commission subsequent to the
2269 enactment of this chapter, no new license shall be issued to such
2270 person unless he complies with the provisions of this chapter.

2271 (3) No person shall be permitted or authorized to act as a
2272 real estate broker or salesperson until he has qualified by
2273 examination, except as hereinbefore provided. Any individual who
2274 fails to pass the examination for salesperson upon two (2)

2275 occasions, shall be ineligible for a similar examination, until
2276 after the expiration of three (3) months from the time such
2277 individual last took the examination. Any individual who fails to
2278 pass the broker's examination upon two (2) occasions, shall be
2279 ineligible for a similar examination until after the expiration of
2280 six (6) months from the time such individual last took the
2281 examination, and then only upon making application as in the first
2282 instance.

2283 (4) If the applicant is a partnership, association or
2284 corporation, the examination shall be taken on behalf of the
2285 partnership, association or corporation by the member or officer
2286 thereof who is designated in the application as the person to
2287 receive a license by virtue of the issuing of a license to such
2288 partnership, association or corporation.

2289 (5) Upon satisfactorily passing such examination and upon
2290 complying with all other provisions of law and conditions of this
2291 chapter, a license shall thereupon be issued to the successful
2292 applicant who, upon receiving such license, is authorized to
2293 conduct the business of a real estate broker or real estate
2294 salesperson in this state.

2295 (6) The commission is authorized to exempt from such
2296 examination, in whole or in part, a real estate licensee of
2297 another state who desires to obtain a license under this chapter,
2298 provided that the examination administered in the other state is
2299 determined by the commission to be equivalent to such examination

2300 given in this state and provided that such other state extends
2301 this same privilege or exemption to Mississippi real estate
2302 licensees. The issuance of a license by reciprocity to a
2303 military-trained applicant * * *, military spouse or person who
2304 establishes residence in this state shall be subject to the

2315 equivalent to the requirements of this chapter; and (b) the state
2316 or county in which he is so licensed observes these same rules of
2317 reciprocity in regard to persons licensed under this chapter.
2318 Each person seeking the privileges of reciprocity granted under
2319 this chapter shall submit his application to the board and must
2320 receive a card or certificate from the board before exercising
2321 such privileges. The fee for obtaining a license through
