SENATE BILL NO. 2119

1 AN ACT TO AUTHORIZE PHARMACIES TO SELL AND PERSONS TO
2 PURCHASE, WITHOUT A PRESCRIPTION, PRODUCTS THAT CONTAIN CERTAIN
3 QUANTITIES OF PSEUDOEPHEDRINE OR EPHEDRINE; TO REQUIRE PHARMACIES
4 SELLING PRODUCTS AUTHORIZED UNDER THIS ACT TO USE THE NPLEX SYSTEM
5 BEFORE SELLING THOSE PRODUCTS; TO REQUIRE PHARMACIES TO MAINTAIN
6 AN ELECTRONIC LOG OF REQUIRED INFORMATION FOR EACH TRANSACTION; TO
7 REQUIRE THE PURCHASER OF THE PACKAGE TO BE AT LEAST EIGHTEEN YEARS
8 OF AGE, AS SHOWN BY VALID IDENTIFICATION, AND TO SIGN A RECORD OF
9 EACH TRANSACTION; TO PROVIDE CRIMINAL PENALTIES FOR VIOLATIONS OF
10 THIS ACT; TO AMEND SECTION 41-29-117, MISSISSIPPI CODE OF 1972, TO
11 CONFORM; AND FOR RELATED PURPOSES.

12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

13 **SECTION 1.** (1) (a) It is lawful for a pharmacy registered
14 under Section 73-21-105 to sell or distribute to a person, without
15 a prescription, products containing not more than three and six
16 tenths (3.6) grams per day and not more than seven and two tenths
17 (7.2) grams per thirty-day period of pseudoephedrine or ephedrine,
18 and it is lawful for a person to purchase products containing
19 those ingredients from a registered pharmacy without a
20 prescription.

21 (b) All products authorized under this subsection (1)
22 must be stored by a pharmacy by placing the products behind a

23 counter in an area within the pharmacy where the public is not
24 permitted.

25 (c) Any products authorized under this subsection (1)
26 sold by a pharmacy must be sold by an individual licensed as a
27 pharmacist or by an employee of the pharmacy under the direct
28 supervision and control of a licensed pharmacist.

29 (d) No pharmacy may sell or distribute, and no person
30 may purchase, more products than allowed under this section unless
31 by valid prescription. It is not a defense in a prosecution under
32 this section that no money was exchanged during a transaction that
33 would otherwise be unlawful under this section.

34 (2) A pharmacy selling products in a manner authorized under
35 subsection (1) of this section must:

36 (a) Use the National Precursor Log Exchange (NPLEx)
37 system administered by the National Association of Drug Diversion
38 Investigators, provided that the system is available to pharmacies
39 or retailers in the state without a charge for accessing the NPLEx
40 system, before completing the over-the-counter sale of each
41 product authorized under subsection (1) of this section. Before
42 completing a sale of an over-the-counter material, compound,
43 mixture, or preparation containing any detectable quantity of
44 pseudoephedrine or ephedrine, its salts or optical isomers, or
45 salts of optical isomers a pharmacy or retailer shall
46 electronically submit the information required under subsection
47 (b) of this subsection (2) to the NPLEx system. The pharmacy or

48 retailer shall not complete the sale if the NPLeX system generates
49 a stop-sale alert. The system shall contain an override function
50 that may be used by an agent of a retail establishment who is
51 dispensing the drug product, and who has a reasonable fear of
52 imminent bodily harm if the transaction is not completed. The
53 system shall create a record of each use of the override
54 mechanism.

55 (b) Maintain an electronic log of required information
56 for each transaction, and require the purchaser of the package to
57 be at least eighteen (18) years of age and provide a valid,
58 unsuspended driver's license or nondriver identification card
59 issued by this state or another state, a United States Uniformed
60 Services Privilege and Identification Card, or a United States or
61 foreign passport, and to sign a written or electronic log
62 attesting to the validity of the information provided for each
63 transaction. The record of each transaction must include the
64 information from the identification card as well as the type of
65 and government entity issuing the identification card used, the
66 name, date of birth, and current address of the purchaser, the
67 date and time of the sale, the name of the compound, mixture, or
68 preparation being sold, and the total amount, in grams or
69 milligrams, of pseudoephedrine or ephedrine being sold.

70 (c) Maintain a written log or an alternative electronic
71 recordkeeping mechanism if a pharmacy or retailer experiences
72 mechanical or electronic failure of the required electronic

tracking system until such time as the pharmacy or retailer is able to comply with the electronic sales-tracking requirement. No person shall purchase, receive or otherwise acquire more than three and six-tenths (3.6) grams per day or seven and two-tenths (7.2) grams of pseudoephedrine or ephedrine within any thirty-day period.

(3) The National Association of Drug Diversion Investigators shall provide real-time access to the NPLeX information through the NPLeX online portal to law enforcement in the state.

(4) (a) Pseudoephedrine and ephedrine products dispensed pursuant to a legitimate prescription are exempt from this section.

(b) The amounts of pseudoephedrine and ephedrine products dispensed to a person pursuant to a legitimate prescription shall not be considered under subsection (1)(a) of this section.

(5) A violation of this section is a misdemeanor and is punishable as follows:

(a) For a first offense, by a fine not to exceed One Thousand Dollars (\$1,000.00).

(b) For a second or subsequent offense, by a fine not to exceed Ten Thousand Dollars (\$10,000.00).

(6) A pharmacist who is the general owner or operator of an establishment where pseudoephedrine and ephedrine products are

available for sale shall not be penalized under this section for the conduct of an employee if the retailer documents that an employee training program approved by the Mississippi Board of Pharmacy was conducted by the pharmacist. The Mississippi Board of Pharmacy shall develop or approve all training programs for pharmacy employees.

(7) A person who resides in a state that requires a prescription for the purchase of pseudoephedrine or ephedrine, or who presents identification from a state that requires a prescription for the purchase of pseudoephedrine or ephedrine, may purchase those products only upon presentation of a valid prescription for the pseudoephedrine or ephedrine.
