SENATE BILL NO. 2948
(As Sent to Governor)

AN ACT MAKING AN APPROPRIATION TO DEFRAY THE EXPENSES OF THE
DEPARTMENT OF FINANCE AND ADMINISTRATION FOR FISCAL YEAR 2022.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The following sum, or so much thereof as may be
necessary, is hereby appropriated out of any money in the State
General Fund not otherwise appropriated, to defray the expenses of
the Department of Finance and Administration for the fiscal year
beginning July 1, 2021, and ending June 30, 2022...................

......................................................... $ 34,347,303.00.

SECTION 2. The following sum, or so much thereof as may be
necessary, is hereby appropriated out of any money in the State
Treasury to the credit of the Department of Finance and
Administration for the purpose of defraying the expenses incurred
in the operation of the various offices of the department for the
fiscal year beginning July 1, 2021, and ending June 30, 2022 .....  

......................................................... $ 138,620,987.00.

SECTION 3. Of the funds appropriated under the provisions of
this act, the following positions are authorized:

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the Chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairmen of the Appropriations Committees of the Senate and House of...
Representative. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are
being used for salaries authorized under the provisions of this
act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in
violation of Internal Revenue Service's Publication 15-A relating
to the reporting of income paid to contract employees, as
interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of
implementation and funding Project SEC2 of the Colonel Guy Groff
State Variable Compensation Plan beginning January 1, 2022, and
ending June 30, 2022. It shall be the agency's responsibility to
make certain that each person, excluding executive directors,
agency heads, and elected judges, shall receive no more than a
three percent (3%) annual increase in salary which shall not
exceed the market rate established by the State Personnel Board
pursuant to the Colonel Guy Groff State Variable Compensation Plan
for each classification.

SECTION 4. In addition to all other sums herein
appropriated, the following sum, or so much thereof as may be
necessary, is hereby appropriated out of any money in the Tort
Claims Trust Fund not otherwise appropriated, for the purpose of
defraying the expenses of the Tort Claims Board in the
administration of the Tort Claims Act for the fiscal year
beginning July 1, 2021, and ending June 30, 2022............... $ 6,559,057.00.
SECTION 5. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent: Full Time ............ 8
Part Time ............ 0

Time-Limited: Full Time ............ 0
Part Time ............ 0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the Chairmen of the Accountability, Efficiency and Transparency Committees of the
Senate and House of Representatives and the Chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.
No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a three percent (3%) annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 6. In addition to all other sums herein appropriated, the following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, for the purpose of defraying the expenses of the Mississippi Commission on the Status of Women for the fiscal year beginning July 1, 2021, and ending June 30, 2022 ..................$ 39,995.00.
SECTION 7. In addition to all other sums herein appropriated, the following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the Mississippi Commission on the Status of Women for the purpose of defraying the expenses of the commission for the fiscal year beginning July 1, 2021, and ending June 30, 2022 ............................................ $ 7,265.00.

This appropriation is made for the purpose of providing funds to defray the expense of the Mississippi Commission on the Status of Women as established pursuant to Sections 43-59-1 through 43-59-14, Mississippi Code of 1972.

SECTION 8. Of the funds appropriated under the provisions of Sections 6 and 7, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent: Full Time ............. 1
Part Time ............. 0

Time-Limited: Full Time ............. 0
Part Time ............. 0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall
determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be
processed by the State Personnel Board until such time as the
requirements of this provision are met.

Any transfers or escalations shall be made in accordance with
the terms, conditions and procedures established by law or
allowable under the terms set forth within this act. The State
Personnel Board shall not escalate positions without written
approval from the Department of Finance and Administration. The
Department of Finance and Administration shall not provide written
approval to escalate any funds for salaries and/or positions
without proof of availability of new or additional funds above the
appropriated level.

No general funds authorized to be expended herein shall be
used to replace federal funds and/or other special funds which are
being used for salaries authorized under the provisions of this
act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in
violation of Internal Revenue Service's Publication 15-A relating
to the reporting of income paid to contract employees, as
interpreted by the Office of the State Auditor.

SECTION 9. It is the intention of the Legislature that the
Department of Finance and Administration shall maintain complete
accounting and personnel records related to the expenditure of all
funds appropriated under this act and that such records shall be
in the same format and level of detail as maintained for Fiscal
Year 2021. It is further the intention of the Legislature that
the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

**SECTION 10.** The department is authorized to expend available funds on technology or equipment upgrades or replacements when it will generate savings through efficiency or when the savings generated from such upgrades or replacements exceed expenditures thereof.

**SECTION 11.** It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

**SECTION 12.** The Bureau of Building, Grounds and Real Property Management of the Office of General Services is hereby expressly authorized and empowered to receive, budget and expend any state, local or other source funds designated for supplemental funding of construction and/or repairs and renovation projects. The Bureau of Building, Grounds and Real Property Management of the Office of General Services shall not use any of the funds authorized in this section to pay salaries. For the purposes of
this section, the Bureau of Building, Grounds and Real Property Management of the Office of General Services does not have the authority to escalate from the Capital Expense Fund or the Working Cash-Stabilization Reserve Fund.

SECTION 13. Of the funds appropriated in Section 2, it is the intention of the Legislature that an amount not to exceed Four Million Five Hundred Thousand Dollars ($4,500,000.00) is authorized to be expended for the purpose of transferring funds to the Bureau of Building, Grounds and Real Property Management for the administration of projects for the repair and maintenance of state-owned buildings.

SECTION 14. A report based on expenditures incurred during the current and immediate past fiscal years shall be provided to the Legislative Budget Office each regularly scheduled legislative session. This report should reflect expenditures as a result of the operation of the Robert E. Lee Building, the Woolfolk State Office Building, the Gartin and Sillers Buildings, the Capitol Buildings, the Central High School Building, the Robert G. Clark, Jr. Building and other state buildings, and this report should contain any steps taken to reduce operating costs.

SECTION 15. It is the intention of the Legislature that no state-owned aircraft shall be utilized by any person except for official business only.

SECTION 16. Of the funds appropriated in Section 2, an amount not to exceed One Hundred Thousand Dollars ($100,000.00) is
authorized to be expended to defray any shortfall in the Master
Lease Purchase Program as defined in Section 31-7-10, Mississippi

SECTION 17. In addition to all other sums herein
appropriated, the following sum, or so much thereof as may be
necessary, is appropriated out of any money in the State General
Fund for the purpose of defraying the expenses of State Property
Insurance for the fiscal year beginning July 1, 2021, and ending
June 30, 2022 $ 11,010,438.00.

SECTION 18. Of the funds herein appropriated, it is the
intention of the Legislature that two (2) of the allotted
Full-Time Permanent Positions in Section 3 of this bill may be
used for performing related administrative duties of the State
Property Insurance program.

SECTION 19. In addition to all other sums herein
appropriated, the following sum, or so much thereof as may be
necessary, is appropriated out of any money in the State General
Fund not otherwise appropriated, to the Department of Finance and
Administration for the purpose of providing a grant to the
Mississippi Home Corporation, for the fiscal year beginning
July 1, 2021, and ending June 30, 2022 $ 1,810,227.00.

SECTION 20. The funds appropriated herein shall be targeted
to individuals with disabilities or individuals with serious
mental illnesses who:
(1) Are being discharged from a state psychiatric hospital after a stay of more than ninety (90) days; or, nursing facility, or intermediate care facility for individuals with intellectual disabilities after a stay of more than ninety (90) days; or

(2) Have been discharged from a state psychiatric hospital within the last two (2) years; and

   (a) Had multiple hospital visits in the last year due to mental illness; or

   (b) Are known to the mental health or state-housing agency to have been arrested or incarcerated in the last year due to conduct related to mental illness; or

   (c) Are known to the mental health or state-housing agency to have been homeless for one (1) full year or have had four (4) or more episodes of homelessness in the last three (3) years.

(3) Lack a fixed, regular, and adequate nighttime residence and includes a subset for an individual who is exiting an institution where he or she resided for ninety (90) days or less and who resides in an emergency shelter or a place not meant for human habitation immediately before entering that institution.

Any funds appropriated herein to hire additional staff or employ staff shall only be used to implement this housing program.

SECTION 21. It is the intention of the Legislature that an annual financial report based upon the state's fiscal year shall be provided to the Attorney General, the Chairman of Senate
Appropriations, the Chairman of House Appropriations, and the Legislative Budget Office.

**SECTION 22.** It is the intention of the Legislature that none of the funds appropriated under the provisions of this act for the Mississippi Home Corporation (MHC) shall be expended for the purpose of making a payment of any kind or for any purpose, directly or indirectly, to a member of the State of Mississippi Legislature, state official, MHC board member, or person who has been a member of the MHC within the last year.

**SECTION 23.** Of the funds appropriated in Section 2, Twelve Million Dollars ($12,000,000.00) shall be expended from the Capitol Complex Improvement District Project Fund, as established in Section 29-5-215, Mississippi Code of 1972.

**SECTION 24.** Of the funds appropriated under the provisions of this act, the department is authorized to enter into a contract for use by state agencies to establish a pilot program for Fleet Management Services, to include vehicle leasing and disposal, without being subject to the provisions of law otherwise applicable to fleet management.

**SECTION 25.** It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally
or upon their official bonds, shall be held responsible for actions contrary to this provision.

**SECTION 26.** It is the intention of the Legislature, in accordance with House Bill No. 974, 2021 Regular Session, the Department of Finance and Administration shall transfer all employees, equipment, inventory and resources of the Capitol Police employed and used as law enforcement personnel to the Department of Public Safety on July 1, 2021. The transfer of personnel shall be commensurate with the number and classification of positions allocated to that law enforcement. The transfer shall also include direct support, clerical, data processing and communications positions allocated to that law enforcement.

**SECTION 27.** In addition to all sums otherwise appropriated, the following sum, or so much thereof as may be necessary, is appropriated out of the Coronavirus Local Fiscal Recovery Fund created in House Bill No. 109, 2021 Regular Session, to the Department of Finance and Administration for the purpose of allocating funds to nonentitlement units of local government in accordance with the provisions applicable to the Coronavirus Local Fiscal Recovery Fund in Section 9901 of the American Rescue Plan Act of 2021 (Public Law No. 117-2) and any applicable federal guidelines for the period upon passage and through June 30, 2022 $ 260,000,000.00

**SECTION 28.** In addition to all other funds herein appropriated, the following sum, or so much thereof as may be
necessary, shall be derived out of any money in the State Treasury
to the credit of the Capital Expense Fund, as created in Section
27-103-303, Mississippi Code of 1972, and allocated in a manner as determined by the Treasurer's Office, for the repair, renovation, and improvements of state-owned properties, universities, and community colleges..........................$16,600,000.00.

Any amounts allocated to a project that are in excess of that needed to complete the project may be used for general repairs and renovations at state-owned facilities, universities and community colleges at the discretion of the Department of Finance and Administration.

SECTION 29. Of the funds appropriated under the provisions of Section 2, Ninety-seven Million Five Hundred Sixty-eight Thousand Eight Hundred Dollars ($97,568,800.00) or so much thereof, shall be derived out of any money in the State Treasury to the credit of the Capital Expense Fund, as created in Section 27-103-303, Mississippi Code of 1972, and allocated in a manner as determined by the Treasurer. These funds are provided for such purposes as follows:
