407 manner, and may not be denied any right or privilege, including
408 civil penalty or disciplinary action by a court or business

527 cannabis establishment agents, and those who allow property to be
528 used by those persons, should be enforceable. It is the public
529 policy of the State of Mississippi that no contract entered into
530 by a cardholder, a medical cannabis establishment, or a medical

552 correctional facility has elected to allow the cardholder to
553 engage in the use of medical cannabis;

554 (c) Smoking cannabis in a public place; or

555 (d) Operating, navigating, or being in actual physical
556 control of any motor vehicle, aircraft, train, or motorboat while
557 under the influence of cannabis.

558 **SECTION 6. Discrimination prohibited.** (1) No school or
559 landlord may refuse to enroll or lease to and may not otherwise
560 penalize a person solely for the person's status as a cardholder,
561 unless failing to do so would violate federal law or regulations
562 or cause the school or landlord to lose a monetary or
563 licensing-related benefit under federal law or regulations.

564 (2) For the purposes of medical care, including organ and
565 tissue transplants, a registered qualifying patient's use of
566 cannabis according to this act is considered the equivalent of the
567 authorized use of any other medication used at the discretion of a
568 practitioner and does not constitute the use of an illicit
569 substance or otherwise disqualify a qualifying patient from needed
570 medical care.

571 (3) A person shall not be denied custody of or visitation
572 rights or parenting time with a minor solely for the person's
573 status as a cardholder, and there shall be no presumption of
574 neglect or child endangerment for conduct allowed under this act,
575 unless the person's behavior is such that it creates an
576 unreasonable danger to the safety of the minor as established by
577 clear and convincing evidence.

578 (4) The rights provided by this section do not apply to the
579 extent that they conflict with an employer's obligations under
580 federal law or regulations or to the extent that they would
581 disqualify an employer from a monetary or licensing-related
582 benefit under federal law or regulations.

583 (5) No employer is required to allow the ingestion of
584 cannabis in any workplace or to allow any employee to work while
585 under the influence of cannabis. A registered qualifying patient
586 shall not be considered to be under the influence of cannabis
587 solely because of the presence of metabolites or components of
588 cannabis that appear in insufficient concentration to cause
589 impairment.

590 (6) No school, landlord, or employer may be penalized or
591 denied any benefit under state law for enrolling, leasing to, or
592 employing a cardholder.

593 (7) Facilities such as schools and daycares, and temporary
594 care providers shall be allowed to administer medical cannabis as
595 in the same manner as with medical prescriptions.

596 **SECTION 7. Addition of debilitating medical conditions.** Any
597 resident of Mississippi may petition the department to add serious
598 medical conditions or their treatments to the list of debilitating
599 medical conditions listed in Section 3 of this act. The
600 department shall consider petitions in accordance with its
601 regulations, including public notice and hearing. The department
602 shall approve or deny a petition within sixty (60) days of its
603 submission. The approval or denial of any petition is a final
604 decision of the department, subject to judicial review.
605 Jurisdiction and venue for judicial review are vested in the
606 circuit court.

607 **SECTION 8. Acts not required and acts not prohibited.** (1)

608 Nothing in this act requires a government medical assistance
609 program or private insurer to reimburse a person for costs
610 associated with the medical use of cannabis.

611 (2) Nothing in this act prohibits an employer from
612 disciplining an employee for ingesting cannabis in the workplace
613 or for working while under the influence of cannabis.

614 **SECTION 9. Facility restrictions.** (1) Any nursing care
615 institution, hospice, assisted living center, assisted living
616 facility, assisted living home, residential care institution,
617 adult day health care facility, or adult foster care home may
618 adopt reasonable restrictions on the use of cannabis by their
619 residents or persons receiving inpatient services, including:

620 (a) That the facility will not store or maintain the
621 patient's supply of cannabis;

622 (b) That the facility, caregivers, or hospice agencies
623 serving the facility's residents are not responsible for providing
624 the cannabis for qualifying patients;

625 (c) That cannabis be consumed only in a place specified
626 by the facility.

627 (2) Nothing in this section requires a facility listed in
628 subsection (1) of this section to adopt restrictions on the
629 medical use of cannabis.

630 (3) A facility listed in subsection (1) of this section may
631 not unreasonably limit a registered qualifying patient's access to

632 or use of cannabis authorized under this act unless failing to do
633 so would cause the facility to lose a monetary or
634 licensing-related benefit under federal law or regulations.

635 **SECTION 10. Issuance and denial of registry identification**

636 **cards.** (1) No later than sixty (60) days after the effective
637 date of this act, the department shall begin issuing registry
638 identification cards to qualifying patients who submit the
639 following:

640 (a) Medical records evidencing a diagnosis of a
641 debilitating medical condition or a written certification issued
642 by a practitioner within ninety (90) days immediately preceding
643 the date of the application;

644 (b) The application or renewal fee;

645 (c) The name, address, and date of birth of the
646 qualifying patient, except that if the applicant is homeless, no
647 address is required;

648 (d) The name, address, and telephone number of the
649 qualifying patient's practitioner issuing the written
650 certification;

651 (e) The name, address, and date of birth of the
652 designated caregiver, or designated caregivers, chosen by the
653 qualifying patient; and

654 (f) If more than one (1) designated caregiver is
655 designated at any given time, documentation demonstrating that a

656 greater number of designated caregivers is needed due to the
657 patient's age or medical condition.

658 (2) If the qualifying patient is unable to submit the
659 information required by subsection (1) of this section due to the
660 person's age or medical condition, the person responsible for
661 making medical decisions for the qualifying patient may do so on
662 behalf of the qualifying patient.

663 (3) Except as provided in subsection (5) of this section,
664 the department shall:

665 (a) Verify the information contained in an application
666 or renewal submitted under this act and approve or deny an
667 application or renewal within thirty (30) days of receiving a
668 completed application or renewal application;

669 (b) Issue registry identification cards to a qualifying
670 patient and his or her designated caregiver(s), if any, within
671 five (5) days of approving the application or renewal. A
672 designated caregiver must have a registry identification card for
673 each of his or her qualifying patients; and

674 (c) Enter the registry identification number of the
675 dispensary, dispensaries, pharmacy or pharmacies the patient
676 designates into the verification system.

677 (4) The department may conduct a background check of the
678 prospective designated caregiver in order to carry out the
679 provisions of this section.

680 (5) The department shall not issue a registry identification
681 card to a qualifying patient who is younger than eighteen (18)
682 years of age unless:

683 (a) The qualifying patient's practitioner has explained
684 the potential risks and benefits of the use of medical cannabis to
685 the custodial parent or legal guardian with responsibility for
686 health care decisions for the qualifying patient; and

687 (b) The custodial parent or legal guardian with
688 responsibility for health care decisions for the qualifying
689 patient consents in writing to:

690 (i) Allow the qualifying patient's use of medical
691 cannabis;

692 (ii) Serve as the qualifying patient's designated
693 caregiver; and

694 (iii) Control the acquisition of the medical
695 cannabis, the dosage, and the frequency of the use of medical
696 cannabis by the qualifying patient.

697 (6) The department may deny an application or renewal of a
698 qualifying patient's registry identification card only if the
699 applicant:

700 (a) Did not provide the required information or
701 materials;

702 (b) Previously had a registry identification card
703 revoked; or

704 (c) Provided false information.

705 (7) The department may deny an application or renewal for a
706 designated caregiver chosen by a qualifying patient whose registry
707 identification card was granted only if:

708 (a) The designated caregiver does not meet the
709 definition under Section 3 of this act;

710 (b) The applicant did not provide the information
711 required;

712 (c) The designated caregiver previously had a registry
713 identification card revoked; or

714 (d) The applicant or the designated caregiver provided
715 false information.

716 (8) The department shall give written notice to the
717 qualifying patient of the reason for denying a registry
718 identification card to the qualifying patient or to the qualifying
719 patient's designated caregiver.

720 (9) Denial of an application or renewal is considered a
721 final department action, subject to judicial review. Jurisdiction
722 and venue for judicial review are vested in the circuit court.

723 (10) Until a qualifying patient who has submitted an
724 application to the department receives a registry identification
725 card or a rejection, a copy of the individual's application,
726 written certification, and proof that the application was
727 submitted to the department shall be deemed a registry
728 identification card.

729 (11) Until a designated caregiver whose qualifying patient
730 has submitted an application and the required fees receives a
731 registry identification card or a rejection, a copy of the
732 qualifying patient's application, written certification, and proof
733 that the application was submitted to the department shall be
734 deemed a registry identification card.

735 **SECTION 11. Registry identification cards.** (1) Registry
736 identification cards must contain all of the following:

737 (a) The name of the cardholder;

738 (b) A designation of whether the cardholder is a
739 qualifying patient or a designated caregiver;

740 (c) The date of issuance and expiration date of the
741 registry identification card;

742 (d) A random ten-digit alphanumeric identification
743 number, containing at least four (4) numbers and at least four (4)
744 letters, that is unique to the cardholder;

745 (e) If the cardholder is a designated caregiver, the
746 random identification number of the qualifying patient the
747 designated caregiver will assist;

748 (f) A photograph of the cardholder, if the department's
749 regulations require one; and

750 (g) The phone number or internet address where the card
751 can be verified.

752 (2) Except as provided in this section, the expiration date
753 shall be one (1) year after the date of issuance.

754 (3) If the practitioner stated in the written certification
755 that the qualifying patient would benefit from cannabis until a
756 specified earlier date, then the registry identification card
757 shall expire on that date.

758 **SECTION 12. Temporary registry identification cards.** (1)

759 Until sixty (60) days after the department makes applications
760 available, a valid, written certification issued within the
761 previous year shall be deemed a registry identification card for a
762 qualifying patient.

763 (2) Until sixty (60) days after the department makes
764 applications available, the following shall be deemed a designated
765 caregiver registry identification card:

766 (a) A copy of a qualifying patient's valid written
767 certification issued within the previous year; and

768 (b) A signed affidavit attesting that the person has
769 significant responsibility for managing the well-being of the
770 patient and that the person has been chosen to assist the
771 qualifying patient.

772 **SECTION 13. Verification system.** (1) The department shall

773 maintain a confidential list of the persons to whom the department
774 has issued registry identification cards and their addresses,
775 phone numbers, and registry identification numbers. This
776 confidential list shall not be combined or linked in any manner
777 with any other list or database, nor shall it be used for any
778 purpose not provided for in this act.

779 (2) All records containing the identity of qualifying
780 patients, caregivers or practitioners shall be confidential and
781 exempt from disclosure under the Mississippi Public Records Act of
782 any related statute, rule or regulation pertaining to public
783 disclosure of records. Within ninety (90) days after the
784 effective date of this act, the department shall establish a
785 secure phone or internet-based verification system. The
786 verification system must allow law enforcement personnel and
787 medical cannabis establishments to enter a registry identification
788 number to determine whether the number corresponds with a current,
789 valid registry identification card. The system may disclose only:

- 790 (a) Whether the identification card is valid;
- 791 (b) The name of the cardholder;
- 792 (c) Whether the cardholder is a qualifying patient or a
793 designated caregiver;
- 794 (d) The registry identification number of any
795 affiliated registered qualifying patient; and
- 796 (e) The registry identification of the qualifying
797 patient's dispensary, dispensaries, pharmacy or pharmacies, if
798 any.

799 **SECTION 14. Notifications to department and responses.** (1)

800 The following notifications and department responses are required:

- 801 (a) A registered qualifying patient shall notify the
802 department of any change in his or her name or address, or if the
803 registered qualifying patient ceases to have his or her

804 debilitating medical condition, within twenty (20) days of the
805 change.

806 (b) A registered designated caregiver shall notify the
807 department of any change in his or her name or address, or if the
808 designated caregiver becomes aware the qualifying patient passed
809 away, within twenty (20) days of the change.

810 (c) Before a registered qualifying patient changes his
811 or her designated caregiver, the qualifying patient must notify
812 the department.

813 (d) When a registered qualifying patient changes his or
814 her preference as to the cultivation-processing facility that may
815 cultivate medical cannabis unique to specific needs for the
816 qualifying patient, the qualifying patient must notify the
817 department.

818 (e) If a cardholder loses his or her registry
819 identification card, he or she shall notify the department within
820 ten (10) days of becoming aware that the card has been lost.

821 (f) Before a registered qualifying patient changes his
822 or her designated dispensary, the qualifying patient must notify
823 the department.

824 (2) Each notification that a registered qualifying patient
825 is required to make shall instead be made by the patient's
826 designated caregiver if the qualifying patient is unable to make
827 the notification due to his or her age or medical condition.

828 (3) When a cardholder notifies the department of items
829 listed in subsection (1) of this section but remains eligible
830 under this act, the department shall issue the cardholder a new
831 registry identification card with a new random ten-digit
832 alphanumeric identification number within ten (10) days of
833 receiving the updated information. If the person notifying the
834 department is a registered qualifying patient, the department
835 shall also issue his or her registered designated caregiver, if
836 any, a new registry identification card within ten (10) days of
837 receiving the updated information.

838 (4) If the registered qualifying patient's certifying
839 practitioner notifies the department in writing that either the
840 registered qualifying patient has ceased to suffer from a
841 debilitating medical condition or that the practitioner no longer
842 believes the patient would receive medical or palliative benefit
843 from the use of medical cannabis, the card shall become null and
844 void. However, the registered qualifying patient has fifteen (15)
845 days to return any unused cannabis to the dispensing dispensary or
846 pharmacy.

847 (5) A medical cannabis establishment shall notify the
848 department within one (1) business day of any theft or loss of
849 cannabis.

850 **SECTION 15. Affirmative defense and dismissal for medical**
851 **cannabis.** (1) Except as provided in Section 5 of this act and
852 this section, a person may assert the medical purpose for using

853 cannabis as a defense to any prosecution involving cannabis, and
854 such defense shall be presumed valid where the evidence shows
855 that:

856 (a) A practitioner has stated that, in the
857 practitioner's professional opinion, after having completed a full
858 assessment of the person's medical history and current medical
859 condition made in the course of a bona fide practitioner-patient
860 relationship, the patient has a debilitating medical condition and
861 the potential benefits of using medical cannabis would likely
862 outweigh the health risks for the person;

863 (b) The person was in possession of no more than the
864 allowable amount of cannabis;

865 (c) The person was engaged in the acquisition,
866 possession, use, or transportation of cannabis, paraphernalia, or
867 both, relating to the administration of cannabis to treat or
868 alleviate the individual's debilitating medical condition or
869 symptoms associated with the individual's debilitating medical
870 condition.

871 (2) The defense and motion to dismiss shall not prevail if
872 the prosecution proves that:

873 (a) The person had a registry identification card
874 revoked for misconduct; or

875 (b) The purposes for the possession of cannabis were
876 not solely for palliative or medical use by the individual with a
877 debilitating medical condition who raised the defense.

878 (3) An individual is not required to possess a registry
879 identification card to raise the affirmative defense set forth in
880 this section.

881 (4) If an individual demonstrates the individual's medical
882 purpose for using cannabis pursuant to this section, except as
883 provided in Section 5 of this act, the individual shall not be
884 subject to the following for the individual's use of cannabis for
885 medical purposes:

886 (a) Disciplinary action by an occupational or
887 professional licensing board or bureau; or

888 (b) Forfeiture of any interest in or right to any
889 property other than cannabis.

890 **SECTION 16. Licensing of medical cannabis establishments.**

891 (1) MDAC shall issue licenses for cultivation-processing
892 facilities. MDAC shall issue at least one (1) dispensary license
893 for each county in which there is an application.

894 (2) The cultivation-processing facility license application
895 fee shall be a nonrefundable fee of Fifteen Thousand Dollars
896 (\$15,000.00), and the initial medical cannabis dispensary license
897 fee shall be a nonrefundable fee of Five Thousand Dollars
898 (\$5,000.00). Each cultivation-processing facility shall be
899 subject to an annual license renewal fee of Eight Thousand Dollars
900 (\$8,000.00). Each medical cannabis dispensary shall be subject to
901 an annual license renewal fee of Two Thousand Five Hundred Dollars
902 (\$2,500.00).

903 (3) Upon the passage of this act, MDAC shall begin accepting
904 applications for licenses to operate a cultivation-processing
905 facility and dispensaries, and MDAC shall award the licenses set
906 forth in this subsection (2) of this section.

907 (4) No individual shall have an economic interest in more
908 than one (1) cultivation-processing license and more than five (5)
909 dispensary licenses.

910 (5) A dispensary shall appoint a pharmacist consultant who
911 is a pharmacist licensed with the Mississippi State Board of
912 Pharmacy.

913 (6) Upon the passage of this act, MDAC shall begin accepting
914 applications for prospective medical cannabis establishments.

998 require the owner to hold a license or be found suitable under
999 state law.

1521 business activities within a municipal corporation shall be
1522 allocated for distribution to the municipality and paid to the
1523 municipal corporation. Except as otherwise provided in this
1524 paragraph (a), on or before August 15, 1993, and each succeeding
1525 month thereafter, eighteen and one-half percent (18-1/2%) of the
1526 total sales tax revenue collected during the preceding month under
1527 the provisions of this chapter, except that collected under the
1528 provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and
1529 27-65-24, on business activities within a municipal corporation
1530 shall be allocated for distribution to the municipality and paid
1531 to the municipal corporation. However, in the event the State
1532 Auditor issues a certificate of noncompliance pursuant to Section
1533 21-35-31, the Department of Revenue shall withhold ten percent
1534 (10%) of the allocations and payments to the municipality that
1535 would otherwise be payable to the municipality under this
1536 paragraph (a) until such time that the department receives written
1537 notice of the cancellation of a certificate of noncompliance from
1538 the State Auditor.

1539 A municipal corporation, for the purpose of distributing the
1540 tax under this subsection, shall mean and include all incorporated
1541 cities, towns and villages.

1542 Monies allocated for distribution and credited to a municipal
1543 corporation under this paragraph may be pledged as security for a
1544 loan if the distribution received by the municipal corporation is
1545 otherwise authorized or required by law to be pledged as security
1546 for such a loan.

1547 In any county having a county seat that is not an
1548 incorporated municipality, the distribution provided under this
1549 subsection shall be made as though the county seat was an
1550 incorporated municipality; however, the distribution to the
1551 municipality shall be paid to the county treasury in which the
1552 municipality is located, and those funds shall be used for road,
1553 bridge and street construction or maintenance in the county.

1554 (b) On or before August 15, 2006, and each succeeding
1555 month thereafter, eighteen and one-half percent (18-1/2%) of the
1556 total sales tax revenue collected during the preceding month under
1557 the provisions of this chapter, except that collected under the
1558 provisions of Sections 27-65-15, 27-65-19(3) * * *, 27-65-21 and
1559 27-65-28, on business activities on the campus of a state
1560 institution of higher learning or community or junior college
1561 whose campus is not located within the corporate limits of a
1562 municipality, shall be allocated for distribution to the state
1563 institution of higher learning or community or junior college and
1564 paid to the state institution of higher learning or community or
1565 junior college.

1566 (c) On or before August 15, 2018, and each succeeding
1567 month thereafter until August 14, 2019, two percent (2%) of the
1568 total sales tax revenue collected during the preceding month under
1569 the provisions of this chapter, except that collected under the
1570 provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and
1571 27-65-24, on business activities within the corporate limits of
1572 the City of Jackson, Mississippi, shall be deposited into the
1573 Capitol Complex Improvement District Project Fund created in
1574 Section 29-5-215. On or before August 15, 2019, and each
1575 succeeding month thereafter until August 14, 2020, four percent
1576 (4%) of the total sales tax revenue collected during the preceding
1577 month under the provisions of this chapter, except that collected
1578 under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21
1579 and 27-65-24, on business activities within the corporate limits
1580 of the City of Jackson, Mississippi, shall be deposited into the
1581 Capitol Complex Improvement District Project Fund created in
1582 Section 29-5-215. On or before August 15, 2020, and each
1583 succeeding month thereafter, six percent (6%) of the total sales
1584 tax revenue collected during the preceding month under the
1585 provisions of this chapter, except that collected under the
1586 provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 * * *,
1587 27-65-24 and 27-65-28, on business activities within the corporate
1588 limits of the City of Jackson, Mississippi, shall be deposited
1589 into the Capitol Complex Improvement District Project Fund created
1590 in Section 29-5-215.

1591 (d) (i) On or before the fifteenth day of the month
1592 that the diversion authorized by this section begins, and each
1593 succeeding month thereafter, eighteen and one-half percent
1594 (18-1/2%) of the total sales tax revenue collected during the
1595 preceding month under the provisions of this chapter, except that
1596 collected under the provisions of Sections 27-65-15,
1597 27-65-19(3) * * *, 27-65-21 and 27-65-28, on business activities
1598 within a redevelopment project area developed under a
1599 redevelopment plan adopted under the Tax Increment Financing Act
1600 (Section 21-45-1 et seq.) shall be allocated for distribution to
1601 the county in which the project area is located if:

- 1602 1. The county borders on the Mississippi
1603 Sound and the State of Alabama;
- 1604 2. The county has issued bonds under Section
1605 21-45-9 to finance all or a portion of a redevelopment project in
1606 the redevelopment project area;
- 1607 3. Any debt service for the indebtedness
1608 incurred is outstanding; and
- 1609 4. A development with a value of Ten Million
1610 Dollars (\$10,000,000.00) or more is, or will be, located in the
1611 redevelopment area.

1612 (ii) Before any sales tax revenue may be allocated
1613 for distribution to a county under this paragraph, the county
1614 shall certify to the Department of Revenue that the requirements
1615 of this paragraph have been met, the amount of bonded indebtedness

1616 that has been incurred by the county for the redevelopment project
1617 and the expected date the indebtedness incurred by the county will
1618 be satisfied.

1619 (iii) The diversion of sales tax revenue
1620 authorized by this paragraph shall begin the month following the
1621 month in which the Department of Revenue determines that the
1622 requirements of this paragraph have been met. The diversion shall
1623 end the month the indebtedness incurred by the county is
1624 satisfied. All revenue received by the county under this
1625 paragraph shall be deposited in the fund required to be created in
1626 the tax increment financing plan under Section 21-45-11 and be
1627 utilized solely to satisfy the indebtedness incurred by the
1628 county.

1629 (2) On or before September 15, 1987, and each succeeding
1630 month thereafter, from the revenue collected under this chapter
1631 during the preceding month, One Million One Hundred Twenty-five
1632 Thousand Dollars (\$1,125,000.00) shall be allocated for
1633 distribution to municipal corporations as defined under subsection
1634 (1) of this section in the proportion that the number of gallons
1635 of gasoline and diesel fuel sold by distributors to consumers and
1636 retailers in each such municipality during the preceding fiscal
1637 year bears to the total gallons of gasoline and diesel fuel sold
1638 by distributors to consumers and retailers in municipalities
1639 statewide during the preceding fiscal year. The Department of
1640 Revenue shall require all distributors of gasoline and diesel fuel

1641 to report to the department monthly the total number of gallons of
1642 gasoline and diesel fuel sold by them to consumers and retailers
1643 in each municipality during the preceding month. The Department
1644 of Revenue shall have the authority to promulgate such rules and
1645 regulations as is necessary to determine the number of gallons of
1646 gasoline and diesel fuel sold by distributors to consumers and
1647 retailers in each municipality. In determining the percentage
1648 allocation of funds under this subsection for the fiscal year
1649 beginning July 1, 1987, and ending June 30, 1988, the Department
1650 of Revenue may consider gallons of gasoline and diesel fuel sold
1651 for a period of less than one (1) fiscal year. For the purposes
1652 of this subsection, the term "fiscal year" means the fiscal year
1653 beginning July 1 of a year.

1654 (3) On or before September 15, 1987, and on or before the
1655 fifteenth day of each succeeding month, until the date specified
1656 in Section 65-39-35, the proceeds derived from contractors' taxes
1657 levied under Section 27-65-21 on contracts for the construction or
1658 reconstruction of highways designated under the highway program
1659 created under Section 65-3-97 shall, except as otherwise provided
1660 in Section 31-17-127, be deposited into the State Treasury to the
1661 credit of the State Highway Fund to be used to fund that highway
1662 program. The Mississippi Department of Transportation shall
1663 provide to the Department of Revenue such information as is
1664 necessary to determine the amount of proceeds to be distributed
1665 under this subsection.

1666 (4) On or before August 15, 1994, and on or before the
1667 fifteenth day of each succeeding month through July 15, 1999, from
1668 the proceeds of gasoline, diesel fuel or kerosene taxes as
1669 provided in Section 27-5-101(a)(ii)1, Four Million Dollars
1670 (\$4,000,000.00) shall be deposited in the State Treasury to the
1671 credit of a special fund designated as the "State Aid Road Fund,"
1672 created by Section 65-9-17. On or before August 15, 1999, and on
1673 or before the fifteenth day of each succeeding month, from the
1674 total amount of the proceeds of gasoline, diesel fuel or kerosene
1675 taxes apportioned by Section 27-5-101(a)(ii)1, Four Million
1676 Dollars (\$4,000,000.00) or an amount equal to twenty-three and
1677 one-fourth percent (23-1/4%) of those funds, whichever is the
1678 greater amount, shall be deposited in the State Treasury to the
1679 credit of the "State Aid Road Fund," created by Section 65-9-17.
1680 Those funds shall be pledged to pay the principal of and interest
1681 on state aid road bonds heretofore issued under Sections 19-9-51
1682 through 19-9-77, in lieu of and in substitution for the funds
1683 previously allocated to counties under this section. Those funds
1684 may not be pledged for the payment of any state aid road bonds
1685 issued after April 1, 1981; however, this prohibition against the
1686 pledging of any such funds for the payment of bonds shall not
1687 apply to any bonds for which intent to issue those bonds has been
1688 published for the first time, as provided by law before March 29,
1689 1981. From the amount of taxes paid into the special fund under
1690 this subsection and subsection (9) of this section, there shall be

1691 first deducted and paid the amount necessary to pay the expenses
1692 of the Office of State Aid Road Construction, as authorized by the
1693 Legislature for all other general and special fund agencies. The
1694 remainder of the fund shall be allocated monthly to the several
1695 counties in accordance with the following formula:

1696 (a) One-third (1/3) shall be allocated to all counties
1697 in equal shares;

1698 (b) One-third (1/3) shall be allocated to counties
1699 based on the proportion that the total number of rural road miles
1700 in a county bears to the total number of rural road miles in all
1701 counties of the state; and

1702 (c) One-third (1/3) shall be allocated to counties
1703 based on the proportion that the rural population of the county
1704 bears to the total rural population in all counties of the state,
1705 according to the latest federal decennial census.

1706 For the purposes of this subsection, the term "gasoline,
1707 diesel fuel or kerosene taxes" means such taxes as defined in
1708 paragraph (f) of Section 27-5-101.

1709 The amount of funds allocated to any county under this
1710 subsection for any fiscal year after fiscal year 1994 shall not be
1711 less than the amount allocated to the county for fiscal year 1994.

1712 Any reference in the general laws of this state or the
1713 Mississippi Code of 1972 to Section 27-5-105 shall mean and be
1714 construed to refer and apply to subsection (4) of Section
1715 27-65-75.

1716 (5) One Million Six Hundred Sixty-six Thousand Six Hundred
1717 Sixty-six Dollars (\$1,666,666.00) each month shall be paid into
1718 the special fund known as the "State Public School Building Fund"
1719 created and existing under the provisions of Sections 37-47-1
1720 through 37-47-67. Those payments into that fund are to be made on
1721 the last day of each succeeding month hereafter.

1722 (6) An amount each month beginning August 15, 1983, through

1724 1983, shall be paid into the special fund known as the
1725 Correctional Facilities Construction Fund created in Section 6,
1726 Chapter 542, Laws of 1983.

1727 (7) On or before August 15, 1992, and each succeeding month
1728 thereafter through July 15, 2000, two and two hundred sixty-six
1729 one-thousandths percent (2.266%) of the total sales tax revenue
1730 collected during the preceding month under the provisions of this
1731 chapter, except that collected under the provisions of Section
1732 27-65-17(2), shall be deposited by the department into the School
1733 Ad Valorem Tax Reduction Fund created under Section 37-61-35. On
1734 or before August 15, 2000, and each succeeding month thereafter,
1735 two and two hundred sixty-six one-thousandths percent (2.266%) of
1736 the total sales tax revenue collected during the preceding month
1737 under the provisions of this chapter, except that collected under
1738 the provisions of Sections 27-65-17(2) and 27-65-28, shall be
1739 deposited into the School Ad Valorem Tax Reduction Fund created
1740 under Section 37-61-35 until such time that the total amount

1741 deposited into the fund during a fiscal year equals Forty-two
1742 Million Dollars (\$42,000,000.00). Thereafter, the amounts
1743 diverted under this subsection (7) during the fiscal year in
1744 excess of Forty-two Million Dollars (\$42,000,000.00) shall be
1745 deposited into the Education Enhancement Fund created under
1746 Section 37-61-33 for appropriation by the Legislature as other
1747 education needs and shall not be subject to the percentage
1748 appropriation requirements set forth in Section 37-61-33.

1749 (8) On or before August 15, 1992, and each succeeding month
1750 thereafter, nine and seventy-three one-thousandths percent
1751 (9.073%) of the total sales tax revenue collected during the
1752 preceding month under the provisions of this chapter, except that
1753 collected under the provisions of Sections 27-65-17(2) and
1754 27-65-28, shall be deposited into the Education Enhancement Fund
1755 created under Section 37-61-33.

1756 (9) On or before August 15, 1994, and each succeeding month
1757 thereafter, from the revenue collected under this chapter during
1758 the preceding month, Two Hundred Fifty Thousand Dollars
1759 (\$250,000.00) shall be paid into the State Aid Road Fund.

1760 (10) On or before August 15, 1994, and each succeeding month

1766 the contrary, on or before February 15, 1995, and each succeeding
1767 month thereafter, the sales tax revenue collected during the
1768 preceding month under the provisions of Section 27-65-17(2) and
1769 the corresponding levy in Section 27-65-23 on the rental or lease
1770 of private carriers of passengers and light carriers of property
1771 as defined in Section 27-51-101 shall be deposited, without
1772 diversion, into the Motor Vehicle Ad Valorem Tax Reduction Fund
1773 established in Section 27-51-105.

1913 (b) On or before July 15, 2013, and each succeeding

1924 Tax Reduction Fund established in Section 27-51-105.

1925 (23) (a) On or before August 15, 2019, and each month
1926 thereafter through July 15, 2020, one percent (1%) of the total
1927 sales tax revenue collected during the preceding month from
1928 restaurants and hotels shall be allocated for distribution to the
1929 Mississippi Development Authority Tourism Advertising Fund
1930 established under Section 57-1-64, to be used exclusively for the

1954 (25) (a) It shall be the duty of the municipal officials of
1955 any municipality that expands its limits, or of any community that
1956 incorporates as a municipality, to notify the commissioner of that

1961 action.

1962 (b) (i) Except as otherwise provided in subparagraph

1973 may be recovered or withheld from the municipality is the total
1974 amount of funds erroneously disbursed for a period of three (3)
1975 years beginning with the date of the first erroneous disbursement.
1976 However, if during such period, a municipality provides written
1977 notice to the Department of Revenue indicating the erroneous
1978 disbursement of funds, then the maximum amount that may be
1979 recovered or withheld from the municipality is the total amount of
1980 funds erroneously disbursed for a period of one (1) year beginning
1981 with the date of the first erroneous disbursement.

1982 **SECTION 32.** Section 41-29-125, Mississippi Code of 1972, is
1983 amended as follows:

1984 41-29-125. (1) The State Board of Pharmacy may promulgate
1985 rules and regulations relating to the registration and control of
1986 the manufacture, distribution and dispensing of controlled

1987 substances within this state and the distribution and dispensing
1988 of controlled substances into this state from an out-of-state
1989 location.

1990 (a) Every person who manufactures, distributes or
1991 dispenses any controlled substance within this state or who
1992 distributes or dispenses any controlled substance into this state
1993 from an out-of-state location, or who proposes to engage in the
1994 manufacture, distribution or dispensing of any controlled
1995 substance within this state or the distribution or dispensing of
1996 any controlled substance into this state from an out-of-state
1997 location, must obtain a registration issued by the State Board of
1998 Pharmacy, the State Board of Medical Licensure, the State Board of
1999 Dental Examiners, the Mississippi Board of Nursing or the
2000 Mississippi Board of Veterinary Medicine, as appropriate, in
2001 accordance with its rules and the law of this state. Such
2002 registration shall be obtained annually or biennially, as
2003 specified by the issuing board, and a reasonable fee may be
2004 charged by the issuing board for such registration.

2005 (b) Persons registered by the State Board of Pharmacy,
2006 with the consent of the United States Drug Enforcement
2007 Administration and the State Board of Medical Licensure, the State
2008 Board of Dental Examiners, the Mississippi Board of Nursing or the
2009 Mississippi Board of Veterinary Medicine to manufacture,
2010 distribute, dispense or conduct research with controlled
2011 substances may possess, manufacture, distribute, dispense or

2012 conduct research with those substances to the extent authorized by
2013 their registration and in conformity with the other provisions of
2014 this article.

2015 (c) The following persons need not register and may
2016 lawfully possess controlled substances under this article:

2017 (1) An agent or employee of any registered
2018 manufacturer, distributor or dispenser of any controlled substance
2019 if he is acting in the usual course of his business or employment;

2020 (2) A common or contract carrier or warehouse, or
2021 an employee thereof, whose possession of any controlled substance
2022 is in the usual course of business or employment;

2025 lawful possession of a Schedule V substance as defined in Section
2026 41-29-121.

2027 (d) The State Board of Pharmacy may waive by rule the
2028 requirement for registration of certain manufacturers,
2029 distributors or dispensers if it finds it consistent with the
2030 public health and safety.

2031 (e) A separate registration is required at each
2032 principal place of business or professional practice where an
2033 applicant within the state manufactures, distributes or dispenses
2034 controlled substances and for each principal place of business or
2035 professional practice located out-of-state from which controlled
2036 substances are distributed or dispensed into the state.

2037 (f) The State Board of Pharmacy, the Mississippi Bureau
2038 of Narcotics, the State Board of Medical Licensure, the State
2039 Board of Dental Examiners, the Mississippi Board of Nursing and
2040 the Mississippi Board of Veterinary Medicine may inspect the
2041 establishment of a registrant or applicant for registration in
2042 accordance with the regulations of these agencies as approved by
2043 the board.

2044 (2) Whenever a pharmacy ships, mails or delivers any
2045 Schedule II controlled substance listed in Section 41-29-115 to a
2046 private residence in this state, the pharmacy shall arrange with
2047 the entity that will actually deliver the controlled substance to
2048 a recipient in this state that the entity will: (a) deliver the
2049 controlled substance only to a person who is eighteen (18) years
2050 of age or older; and (b) obtain the signature of that person
2051 before delivering the controlled substance. The requirements of
2052 this subsection shall not apply to a pharmacy serving a nursing
2053 facility or to a pharmacy owned and/or operated by a hospital,
2054 nursing facility or clinic to which the general public does not
2055 have access to purchase pharmaceuticals on a retail basis.

2056 (3) This section does not apply to any of the acts regarding
2057 the medical use of cannabis that are lawful under the Mississippi
2058 Medical Cannabis Act. This subsection shall stand repealed three
2059 (3) years after the effective date of this act.

2060 **SECTION 33.** Section 41-29-127, Mississippi Code of 1972, is
2061 amended as follows:

2062 41-29-127. (a) The State Board of Pharmacy shall register
2063 an applicant to manufacture or distribute controlled substances
2064 included in Sections 41-29-113 through 41-29-121 unless it
2065 determines that the issuance of that registration would be
2066 inconsistent with the public interest. In determining the public
2067 interest, the State Board of Pharmacy shall consider the following
2068 factors:

2069 (1) Maintenance of effective controls against diversion
2070 of controlled substances into other than legitimate medical,
2071 scientific, or industrial channels;

2072 (2) Compliance with applicable state and local law;

2073 (3) Any convictions of the applicant under any federal
2074 and state laws relating to any controlled substance;

2075 (4) Past experience in the manufacture or distribution
2076 of controlled substances and the existence in the applicant's
2077 establishment of effective controls against diversion;

2078 (5) Furnishing by the applicant of false or fraudulent
2079 material in any application filed under this article;

2080 (6) Suspension or revocation of the applicant's federal
2081 registration to manufacture, distribute, or dispense controlled
2082 substances as authorized by federal law; and

2083 (7) Any other factors relevant to and consistent with
2084 the public health and safety.

2085 (b) Registration under subsection (a) does not entitle a
2086 registrant to manufacture and distribute controlled substances in

2087 Schedule I or II, as set out in Sections 41-29-113 and 41-29-115,
2088 other than those specified in the registration.

2089 (c) Practitioners must be registered to dispense any
2090 controlled substances or to conduct research with controlled
2091 substances in Schedules II through V, as set out in Sections
2092 41-29-115 through 41-29-121, if they are authorized to dispense or
2093 conduct research under the law of this state. The State Board of
2094 Pharmacy need not require separate registration under this section
2095 for practitioners engaging in research with nonnarcotic controlled
2096 substances in the said Schedules II through V where the registrant
2097 is already registered therein in another capacity. Practitioners
2098 registered under federal law to conduct research with Schedule I
2099 substances, as set out in Section 41-29-113, may conduct research
2100 with Schedule I substances within this state upon furnishing the
2101 State Board of Health evidence of that federal registration.

2102 (d) Compliance by manufacturers and distributors with the
2103 provisions of the federal law respecting registration (excluding
2104 fees) entitles them to be registered under this article.

2105 (e) This section does not apply to any of the acts regarding
2106 the medical use of cannabis that are lawful under the Mississippi
2107 Medical Cannabis Act. This subsection shall stand repealed three
2108 (3) years after the effective date of this act.

2109 **SECTION 34.** Section 41-29-136, Mississippi Code of 1972, is

2112 preparation consisting of processed cannabis plant extract in oil
2113 or other suitable vehicle.

2114 (2) (a) CBD solution prepared from (i) cannabis plant
2115 extract that is provided by the National Center for Natural
2116 Products Research at the University of Mississippi under
2117 appropriate federal and state regulatory approvals, or (ii)
2118 cannabis extract from hemp produced pursuant to Sections 69-25-201
2119 through 69-25-221, which is prepared and tested to meet compliance
2120 with regulatory specifications, may be dispensed by the Department
2121 of Pharmacy Services at the University of Mississippi Medical
2122 Center (UMMC Pharmacy) after mixing the extract with a suitable
2123 vehicle. The CBD solution may be prepared by the UMMC Pharmacy or
2124 by another pharmacy or laboratory in the state under appropriate
2125 federal and state regulatory approvals and registrations.

2126 (b) The patient or the patient's parent, guardian or

2130 processing, formulating, dispensing, prescribing or administration
2131 of CBD solution obtained from entities authorized under this
2132 section to produce or possess cannabidiol for research under
2133 appropriate federal and state regulatory approvals and
2134 registrations.

2135 (c) The National Center for Natural Products Research
2136 at the University of Mississippi and the Mississippi Agricultural
2137 and Forestry Experiment Station at Mississippi State University
2138 are the only entities authorized to produce cannabis plants for
2139 cannabidiol research.

2140 (d) Research of CBD solution under this section must
2141 comply with the provisions of Section 41-29-125 regarding lawful
2142 possession of controlled substances, of Section 41-29-137
2143 regarding record-keeping requirements relative to the dispensing,
2144 use or administration of controlled substances, and of Section
2145 41-29-133 regarding inventory requirements, insofar as they are
2146 applicable. Authorized entities may enter into public-private
2147 partnerships to facilitate research.

2148 (3) (a) In a prosecution for the unlawful possession of
2149 marijuana under the laws of this state, it is an affirmative and
2150 complete defense to prosecution that:

2151 (i) The defendant suffered from a debilitating
2152 epileptic condition or related illness and the use or possession
2153 of CBD solution was pursuant to the order of a physician as
2154 authorized under this section; or

2155 (ii) The defendant is the parent, guardian or
2156 custodian of an individual who suffered from a debilitating
2157 epileptic condition or related illness and the use or possession
2158 of CBD solution was pursuant to the order of a physician as
2159 authorized under this section.

2160 (b) An agency of this state or a political subdivision
2161 thereof, including any law enforcement agency, may not initiate
2162 proceedings to remove a child from the home based solely upon the
2163 possession or use of CBD solution by the child or parent, guardian
2164 or custodian of the child as authorized under this section.

2165 (c) An employee of the state or any division, agency,
2166 institution thereof involved in the research, cultivation,
2167 processing, formulation, dispensing, prescribing or administration
2168 of CBD solution shall not be subject to prosecution for unlawful
2169 possession, use, distribution or prescription of marijuana under
2170 the laws of this state for activities arising from or related to
2171 the use of CBD solution in the treatment of individuals diagnosed
2172 with a debilitating epileptic condition.

2173 (4) This section does not apply to any of the acts regarding
2174 the medical use of cannabis that are lawful under the Mississippi
2175 Medical Cannabis Act. This subsection shall stand repealed three
2176 (3) years after the effective date of this act.

2177 (* * *5) This section shall be known as "Harper Grace's
2178 Law."

2179 (* * *6) This section shall stand repealed from and after
2180 July 1, * * * 2025.

2200 included in Schedule III or IV, as set out in Sections 41-29-117
2201 and 41-29-119, shall not be dispensed without a written or oral
2202 valid prescription of a practitioner. The prescription shall not
2203 be filled or refilled more than six (6) months after the date
2204 thereof or be refilled more than five (5) times, unless renewed by
2205 the practitioner.
