37 recipient for undergraduate educational expense.

38 (3) Persons who have received funds from other forgivable
39 loan programs established for teachers under Mississippi law, or
40 who are presently in default or delinquent on any federal, state,

42 eligible for this program.

43 (4) Initial recipients shall be selected on a first-come,
44 first-served basis of all eligible applicants. Priority
45 consideration shall first be given to renewal applicants.

48 in a public school district designated as a geographical critical
49 teacher shortage area by the State Board of Education.

74 (8) A first-year recipient who moves to another public
75 school district shall be eligible to receive an award based on the
76 amount allowed under the program in the new district where the
77 teacher is employed.

78 (9) Awards shall be granted on a year-to-year basis, and
79 recipients shall have no obligation to seek a future award.

80 (10) Awards shall be paid annually, after the expiration of
81 the one-year teaching contract for which the award was granted, to
82 the recipient's lender or loan service provider, and shall be
83 applied to the outstanding balance. Monies paid on the
84 recipient's behalf toward qualifying undergraduate educational
85 loans prior to receiving payment of the award shall not be
86 eligible for repayment through the program.

87 (11) During the teaching year for which the award is
88 granted, a recipient must at all times keep the State Financial
89 Aid Board informed of any changes to the recipient's current

93 was based shall forfeit any right to the award.

94 (13) The State Financial Aid Board, in collaboration with
95 the State Board of Education, shall track recipients of an award
96 under this program through their fifth teaching year, unless the
97 recipient shall leave teaching in a public school district at an
98 earlier date. Data collected shall include recipients'
99 undergraduate institution, school district, subject area/grade
100 level in teaching and any other pertinent information necessary to
101 determine the efficacy of the program in retaining teachers in
102 their first three (3) years of teaching.

104 regulations necessary for the proper administration of this
105 section.
