394 commission of a felony upon him or another or upon his dwelling,  
395 or against a vehicle which he was occupying, or against his  
396 business or place of employment or the immediate premises of such  
397 business or place of employment, if the person against whom the  
398 defensive force was used, was in the process of unlawfully and  
399 forcibly entering, or had unlawfully and forcibly entered, a  
400 dwelling, occupied vehicle, business, place of employment or the

417 engaged in unlawful activity shall have no duty to retreat before  
418 using deadly force under subsection (1)(e) or (f) of this section  
419 if the person is in a place where the person has a right to be,  
420 and no finder of fact shall be permitted to consider the person's  
421 failure to retreat as evidence that the person's use of force was  
422 unnecessary, excessive or unreasonable.

423 (5) (a) The presumptions contained in subsection (3) of  
424 this section shall apply in civil cases in which self-defense or  
425 defense of another is claimed as a defense.

426 (b) The court shall award reasonable attorney's fees,  
427 court costs, compensation for loss of income, and all expenses  
428 incurred by the defendant in defense of any civil action brought  
429 by a plaintiff if the court finds that the defendant acted in

430 accordance with subsection (1)(e) or (f) of this section. A

625 regulations as the department may prescribe; except that the  
626 department may, by regulation, waive or alter either or both of

627 the requirements of this subparagraph as to such types of cases or  
628 situations with respect to which it finds that compliance with  
629 such requirements would be oppressive or would be inconsistent  
630 with the purposes of this chapter; and

631 (ii) He participates in reemployment services,  
632 such as job search assistance services, if, in accordance with a  
633 profiling system established by the department, it has been  
634 determined that he is likely to exhaust regular benefits and needs  
635 reemployment services, unless the department determines that:

636 1. The individual has completed such  
637 services; or

640 (b) He has made a claim for benefits in accordance with  
641 the provisions of Section 71-5-515 and in accordance with such

644 seeking work.

645 (d) He has been unemployed for a waiting period of one

647 the purposes of this paragraph:

648 (i) Unless it occurs within the benefit year which  
649 includes the week with respect to which he claims payment of  
650 benefits;

651 (ii) If benefits have been paid with respect  
652 thereto;

653 (iii) Unless the individual was eligible for  
654 benefits with respect thereto, as provided in Sections 71-5-511  
655 and 71-5-513, except for the requirements of this paragraph.

656 (e) For weeks beginning on or before July 1, 1982, he  
657 has, during his base period, been paid wages for insured work

671 amount. For purposes of this paragraph, wages shall be counted as  
672 "wages for insured work" for benefit purposes with respect to any  
673 benefit year only if such benefit year begins subsequent to the  
674 date on which the employing unit by which such wages were paid has  
675 satisfied the conditions of Section 71-5-11, subsection H, or

676 Section 71-5-361, subsection (3), with respect to becoming an  
677 employer.

678 (f) No individual may receive benefits in a benefit  
679 year unless, subsequent to the beginning of the next preceding  
680 benefit year during which he received benefits, he performed  
681 service in "employment" as defined in Section 71-5-11, subsection  
682 I, and earned remuneration for such service in an amount equal to  
683 not less than eight (8) times his weekly benefit amount applicable  
684 to his next preceding benefit year.

685 (g) Benefits based on service in employment defined in  
686 Section 71-5-11, subsection I(3) and I(4), and Section 71-5-361,  
687 subsection (4) shall be payable in the same amount, on the same  
688 terms, and subject to the same conditions as compensation payable  
689 on the basis of other service subject to this chapter, except that  
690 benefits based on service in an instructional, research or  
691 principal administrative capacity in an institution of higher  
692 learning (as defined in Section 71-5-11, subsection N) with  
693 respect to service performed prior to January 1, 1978, shall not  
694 be paid to an individual for any week of unemployment which begins  
695 during the period between two (2) successive academic years, or  
696 during a similar period between two (2) regular terms, whether or  
697 not successive, or during a period of paid sabbatical leave  
698 provided for in the individual's contract, if the individual has a  
699 contract or contracts to perform services in any such capacity for

700 any institution or institutions of higher learning for both such  
701 academic years or both such terms.

702 (h) Benefits based on service in employment defined in  
703 Section 71-5-11, subsection I(3) and I(4), shall be payable in the  
704 same amount, on the same terms and subject to the same conditions  
705 as compensation payable on the basis of other service subject to  
706 this chapter, except that:

707 (i) With respect to service performed in an  
708 instructional, research or principal administrative capacity for  
709 an educational institution, benefits shall not be paid based on  
710 such services for any week of unemployment commencing during the  
711 period between two (2) successive academic years, or during a  
712 similar period between two (2) regular but not successive terms,  
713 or during a period of paid sabbatical leave provided for in the  
714 individual's contract, to any individual, if such individual  
715 performs such services in the first of such academic years or  
716 terms and if there is a contract or a reasonable assurance that  
717 such individual will perform services in any such capacity for any  
718 educational institution in the second of such academic years or  
719 terms, and provided that paragraph (g) of this section shall apply  
720 with respect to such services prior to January 1, 1978. In no  
721 event shall benefits be paid unless the individual employee was  
722 terminated by the employer.

723 (ii) With respect to services performed in any  
724 other capacity for an educational institution, benefits shall not

725 be paid on the basis of such services to any individual for any  
726 week which commences during a period between two (2) successive  
727 academic years or terms, if such individual performs such services  
728 in the first of such academic years or terms and there is a  
729 reasonable assurance that such individual will perform such  
730 services in the second of such academic years or terms, except  
731 that if compensation is denied to any individual under this  
732 subparagraph and such individual was not offered an opportunity to  
733 perform such services for the educational institution for the  
734 second of such academic years or terms, such individual shall be  
735 entitled to a retroactive payment of compensation for each week  
736 for which the individual filed a timely claim for compensation and  
737 for which compensation was denied solely by reason of this clause.  
738 In no event shall benefits be paid unless the individual employee  
739 was terminated by the employer.

740 (iii) With respect to services described in  
741 subparagraphs (i) and (ii) of this paragraph (h), benefits shall  
742 not be payable on the basis of services in any such capacities to  
743 any individual for any week which commences during an established  
744 and customary vacation period or holiday recess if such individual  
745 performs such services in the first of such academic years or  
746 terms, or in the period immediately before such vacation period or  
747 holiday recess, and there is a reasonable assurance that such  
748 individual will perform such services in the period immediately  
749 following such vacation period or holiday recess.

750                   (iv) With respect to any services described in  
751 subparagraphs (i) and (ii) of this paragraph (h), benefits shall  
752 not be payable on the basis of services in any such capacities as  
753 specified in subparagraphs (i), (ii) and (iii) of this paragraph  
754 (h) to any individual who performed such services in an  
755 educational institution while in the employ of an educational  
756 service agency. For purposes of this paragraph, the term  
757 "educational service agency" means a governmental agency or  
758 governmental entity which is established and operated exclusively  
759 for the purpose of providing such services to one or more  
760 educational institutions.

761                   (v) With respect to services to which Sections  
762 71-5-357 and 71-5-359 apply, if such services are provided to or  
763 on behalf of an educational institution, benefits shall not be  
764 payable under the same circumstances and subject to the same terms  
765 and conditions as described in subparagraphs (i), (ii), (iii) and  
766 (iv) of this paragraph (h).

767                   (i) Subsequent to December 31, 1977, benefits shall not  
768 be paid to any individual on the basis of any services  
769 substantially all of which consist of participating in sports or  
770 athletic events or training or preparing to so participate, for  
771 any week which commences during the period between two (2)  
772 successive sports seasons (or similar periods) if such individual  
773 performs such services in the first of such seasons (or similar  
774 periods) and there is a reasonable assurance that such individual

775 will perform such services in the later of such seasons (or  
776 similar periods).

777           (j) (i) Subsequent to December 31, 1977, benefits  
778 shall not be payable on the basis of services performed by an  
779 alien, unless such alien is an individual who was lawfully  
780 admitted for permanent residence at the time such services were  
781 performed, was lawfully present for purposes of performing such  
782 services, or was permanently residing in the United States under  
783 color of law at the time such services were performed (including  
784 an alien who was lawfully present in the United States as a result  
785 of the application of the provisions of Section 203(a)(7) or  
786 Section 212(d)(5) of the Immigration and Nationality Act).

787           (ii) Any data or information required of  
788 individuals applying for benefits to determine whether benefits  
789 are not payable to them because of their alien status shall be  
790 uniformly required from all applicants for benefits.

791           (iii) In the case of an individual whose  
792 application for benefits would otherwise be approved, no  
793 determination that benefits to such individual are not payable  
794 because of his alien status shall be made, except upon a  
795 preponderance of the evidence.

796           (k) An individual shall be deemed prima facie  
797 unavailable for work, and therefore ineligible to receive  
798 benefits, during any period which, with respect to his employment

799 status, is found by the department to be a holiday or vacation  
800 period.

801 (1) A temporary employee of a temporary help firm is  
802 considered to have left the employee's last work voluntarily  
803 without good cause connected with the work if the temporary  
804 employee does not contact the temporary help firm for reassignment  
805 on completion of an assignment. A temporary employee is not  
806 considered to have left work voluntarily without good cause  
807 connected with the work under this paragraph unless the temporary  
808 employee has been advised in writing:

809 (i) That the temporary employee is obligated to  
810 contact the temporary help firm on completion of assignments; and

815 **SECTION 11.** Section 71-5-13, Mississippi Code of 1972, is  
816 amended as follows:

817 71-5-13. (1) The department is hereby authorized to enter  
818 into arrangements with the appropriate agencies of other states or  
819 the federal government, whereby individuals performing services in  
820 this and other states for a single employing unit under  
821 circumstances not specifically provided for in Section 71-5-11,  
822 subsection I, or under similar provisions in the unemployment  
823 compensation laws of such other states, shall be deemed to be

824 engaged in employment performed entirely within this state or  
825 within one (1) of such other states and whereby potential rights  
826 to benefits accumulated under the unemployment compensation laws  
827 of one or more states or under such a law of the federal  
828 government, or both, may constitute the basis for the payment of  
829 benefits through a single appropriate agency under terms which the  
830 department finds will be fair and reasonable as to all affected  
831 interests and will not result in any substantial loss to the fund.

832 (2) The department is also authorized to enter into  
833 arrangements with the appropriate agencies of other states or of  
834 the federal government:

835 (a) Whereby wages or services upon the basis of which  
836 an individual may become entitled to benefits under the  
837 unemployment compensation law of another state or of the federal  
838 government shall be deemed to be wages for employment by employers  
839 for the purposes of Sections 71-5-501 through 71-5-507 and Section  
840 71-5-511(e), provided such other state agency or agency of the  
841 federal government has agreed to reimburse the fund for such  
842 portion of benefits paid under this chapter upon the basis of such  
843 wages or services as the department finds will be fair and  
844 reasonable as to all affected interests; and

845 (b) Whereby the department will reimburse other state  
846 or federal agencies charged with the administration of  
847 unemployment compensation laws with such reasonable portion of  
848 benefits paid under the law of any such other states or of the

849 federal government, upon the basis of employment or wages for  
850 employment by employers, as the department finds will be fair and  
851 reasonable as to all affected interests. Reimbursements so  
852 payable shall be deemed to be benefits for the purposes of  
853 Sections 71-5-451 through 71-5-459. The department is hereby  
854 authorized to make to other state or federal agencies, and receive  
855 from such other state or federal agencies, reimbursements from or  
856 to the fund, in accordance with arrangements pursuant to this  
857 section.

858 (c) Whereby the department ensures that the person  
859 receiving benefits has not violated Section 1 of this act.

860 (3) The department is also authorized, in its discretion, to  
861 enter into or cooperate in arrangements with any federal agency  
862 whereby the facilities and services of the personnel of the  
863 department may be utilized for the taking of claims and the  
864 payment of unemployment compensation or allowances under any  
865 federal law enacted for the benefit of discharged members of the  
866 Armed Forces.

867 (4) The department shall participate in any arrangements for  
868 the payment of compensation on the basis of combining an  
869 individual's wages and employment covered under this chapter with  
870 his wages and employment covered under the unemployment  
871 compensation laws of other states which are approved by the United  
872 States Secretary of Labor in consultation with the state  
873 unemployment compensation agencies as reasonably calculated to

874 assure the prompt and full payment of compensation in such  
875 situations and which include provisions for:

876           (a) Applying the base period of a single state law to a  
877 claim involving the combining of an individual's wages and  
878 employment covered under two (2) or more state unemployment  
879 compensation laws; and

880           (b) Avoiding the duplicate use of wages and employment  
881 by reason of such combining.

882           **SECTION 12.** This act shall take effect and be in force from  
883 and after July 1, 2022.
