106 mailing or delivering a completed mail-in application to his or
107 her county registrar at least thirty (30) days before any
108 election; however, if the thirtieth day to register before an

116 registrar shall stamp the application with the date of receipt,
117 and shall verify the application either by matching the
118 applicant's Mississippi driver's license number through the
119 Mississippi Department of Public Safety or by matching the
120 applicant's social security number through the American

121 Association of Motor Vehicle Administrators. Within fourteen (14)
122 days of receipt of a mail-in registration application, the county
123 registrar shall complete action on the application, including any
124 attempts to notify the applicant of the status of his or her
125 application.

140 In mailing the written notification, the county registrar shall
141 note the following on the envelope: "DO NOT FORWARD". If any
142 registration notification form is returned as undeliverable, the
143 voter's registration shall be void.

144 (d) A mail-in application shall be rejected for any of
145 the following reasons:

146 (i) An incomplete portion of the application makes
147 it impossible for the registrar to determine the eligibility of
148 the applicant to register;

149 (ii) A portion of the application is illegible in
150 the opinion of the county registrar and makes it impossible to
151 determine the eligibility of the applicant to register;

152 (iii) The county registrar is unable to determine,
153 from the address and information stated on the application, the
154 precinct in which the voter should be assigned or the supervisor
155 district in which he or she is entitled to vote;

156 (iv) The applicant is not qualified to register to
157 vote pursuant to Section 23-15-11;

163 (e) If the mail-in application of a person is subject
164 to rejection for any of the reasons set forth in paragraph (d)(i)
165 through (iii) of this subsection, and it appears to the county
166 registrar that the defect or omission is of such a minor nature
167 and that any necessary additional information may be supplied by
168 the applicant over the telephone or by further correspondence, the
169 county registrar may write or call the applicant at the telephone
170 number or address, or both, provided on the application. If the

171 county registrar is able to contact the applicant by mail or
172 telephone, the county registrar shall attempt to ascertain the
173 necessary information, and if this information is sufficient for
174 the registrar to complete the application, the applicant shall be
175 registered. If the necessary information cannot be obtained by
176 mail or telephone, or is not sufficient to complete the
177 application within fourteen (14) days of receipt, the county
178 registrar shall give the applicant written notice of the rejection
179 and provide the reason for the rejection. The county registrar
180 shall further inform the applicant that he or she has a right to
181 attempt to register by appearing in person or by filing another
182 mail-in application.

183 (f) If a mail-in application is subject to rejection
184 for the reason stated in paragraph (d)(v) of this subsection and
185 the "present home address" portion of the application is different
186 from the residence address for the applicant found in the
187 Statewide Elections Management System, the mail-in application
188 shall be deemed a written request to update the voter's
189 registration pursuant to Section 23-15-13. The county registrar
190 or the election commissioners shall update the voter's residence
191 address in the Statewide Elections Management System and, if

195 (3) The instructions and the application form for voter
196 registration by mail shall be in a form established by rule duly
197 adopted by the Secretary of State, and both shall state that a
198 person is fully and completely qualified to register to vote and
199 cast a ballot after his or her conviction of a disenfranchising
200 offense upon sentence completion as defined in Section 1 of this
201 act.

202 (4) (a) The Secretary of State shall prepare and furnish
203 without charge the necessary forms for application for voter
204 registration by mail to each county registrar, municipal clerk,
205 all public schools, each private school that requests such
206 applications, and all public libraries.

207 (b) The Secretary of State shall distribute without
208 charge sufficient forms for application for voter registration by
209 mail to the Commissioner of Public Safety, who shall distribute
210 the forms to each driver's license examining and renewal station
211 in the state, and shall ensure that the forms are regularly

215 to any person or organization. The Secretary of State shall
216 charge a person or organization the actual cost he or she incurs

218 registration to such person or organization.

219 (5) The originals of completed mail-in applications shall
220 remain on file in the office of the county registrar with copies
221 retained in the Statewide Elections Management System.

222 (6) If the applicant indicates on the application that he or
223 she resides within the city limits of a city or town in the county
224 of registration, the county registrar shall enter the information
225 into the Statewide Elections Management System.

226 (7) If the applicant indicates on the application that he or
227 she has previously registered to vote in another county of this
228 state or another state, notice to the voter's previous county of
229 registration in this state shall be provided through the Statewide
230 Elections Management System. If the voter's previous place of
231 registration was in another state, notice shall be provided to the
232 voter's previous state of residence.
