HOUSE BILL NO. 1159

AN ACT TO AMEND SECTION 29-3-45, MISSISSIPPI CODE OF 1972, TO 1 2 ALLOW LOCAL SCHOOL BOARDS, WHICH APPROVE THE SALES OF TIMBER AND 3 FOREST PRODUCTS GROWN ON SIXTEENTH SECTION LANDS, TO ENTER INTO LONG-TERM PUBLIC OR PRIVATE CONTRACTS FOR THE SALE OF CERTAIN 4 5 FOREST PRODUCTS; TO AMEND SECTION 29-3-81, MISSISSIPPI CODE OF 6 1972, TO CLARIFY THE AUTHORITY OF LOCAL SCHOOL BOARDS TO LEASE 7 SIXTEENTH SECTION OR IN LIEU LANDS CLASSIFIED AS AGRICULTURAL 8 LAND, USING PROVISIONS RELATED TO BEST FARM MANAGEMENT PRACTICES 9 ESTABLISHED BY THE SECRETARY OF STATE IN CONSULTATION WITH FEDERAL AGRICULTURAL AGENCIES AND THE MISSISSIPPI STATE UNIVERSITY 10 11 EXTENSION SERVICE; AND FOR RELATED PURPOSES.

12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI: 13 SECTION 1. Section 29-3-45, Mississippi Code of 1972, is 14 amended as follows:

15 29-3-45. (1) (a) The board of education shall, by order placed upon its minutes, enter into an agreement with the State 16 17 Forestry Commission for the general supervision and management of 18 all lands classified as forest lands and of all timber or other forest products under the control of the board on sixteenth 19 20 section lands, and lieu lands which have not been so classified. 23 may contract with a registered forester to be paid from the 16th 24 Section Interest Fund for a review of any forestry management 25 decision or forestry practice including the sale of timber for sixteenth section forest land provided that any implementation of 26 27 a forestry management decision or forestry practice to be taken as 28 a result of the review described in this subsection shall be subject to the approval of both the commission and the Secretary 29 30 of State. When such agreement has been entered into, no timber or other forest products shall be sold from any of the sixteenth 31 32 section lands or lieu lands except such as have been marked or 33 approved for cutting by the State Forestry Commission's employees. 34 The Forestry Commission, or its designated employee, shall fix the 35 minimum total cash price or minimum price per unit, one thousand (1,000) feet or other measure, at which the marked timber or other 36 37 forest products shall be sold. The sales may be made for a lump 38 sum or upon a unit price as in the opinion of the board may be 39 calculated to bring the greatest return. Sales shall be made upon such other terms and conditions as to manner of cutting, damages 40 41 for cutting of unmarked trees, damages to trees not cut and other pertinent matters as the board of education shall approve. 42

(b) The State Forestry Commission shall have the sole
authority and control in scheduling of all cutting and harvesting
of timber or other forest products when such timber stands or
other forest products are determined by the State Forestry
Commission to be economically ready for cutting and harvesting.

48 (C) Should a school board disagree with the Forestry 49 Commission concerning the time of cutting and harvesting, the 50 board may make an appeal to the Forestry Commission at a regular monthly scheduled meeting of the commission. If the school board 51 52 is not satisfied after the appeal to the commission, the board may 53 then appeal to the Secretary of State who will make the final 54 decision as to the time for cutting and harvesting. In the event that the local school board is divested of its management 55 authority under subsection (3) hereof, the Secretary of State 56 57 after due consultation with the Forestry Commission shall retain 58 the right to make final decisions concerning the management and sale of timber and other forest products. 59

60 It is hereby made the duty of the State Forestry (d) Commission, from time to time, to mark timber which should be cut 61 62 from the lands, to determine what planting, deadening or other 63 forestry improvements should be made, giving due consideration to 64 food and habitat for wildlife, and to report to the appropriate board of education. The State Forestry Commission and the board 65 66 of education shall supervise the cutting of any timber or 67 harvesting of other forest products sold from the lands herein 68 designated and shall have authority to require any timber-cutting 69 operations on the lands to cease until proper adjustment is made, 70 whenever it shall appear that timber is being cut in violation of 71 the terms of the sale. In the event that it is desired to lease 72 any of such lands or standing timber for turpentine purposes, such

H. B. No. 1159 22/HR31/R1568 PAGE 3 (DJ\JAB) 12 lease shall only cover such trees as the State Forestry Commission 13 shall designate, and the commission through its employees shall 14 approve the number of faces, method of chipping and boxing of such 15 timber, and shall fix a minimum total cash price or minimum price 17 per unit.

78 (e) No sale of any timber, turpentine or other forest 79 products lease shall be made until notice of same shall have been published once a week for three (3) consecutive weeks in at least 80 one (1) newspaper published in such county. The first publication 81 82 of such notice shall be made not less than twenty-one (21) days 83 prior to the date fixed for the sale, and the last publication 84 shall be made not more than seven (7) days prior to such date. Ιf 85 no newspaper is published in such county, then such notice shall be given by publishing the same for the required time in some 86 87 newspaper having a general circulation in such county and, in 88 addition thereto, by posting a copy of such notice for at least 89 twenty-one (21) days next preceding such sale at three (3) public places in such county. 90

91 (f) Notwithstanding the above provision pertaining to 92 the sale of any timber, turpentine or other forest products, in 93 the event that timber must be cleared from an existing road or 94 existing utility right-of-way, the public notice requirement may 95 be waived. Prior to waiver of the public notice requirement, the 96 State Forestry Commission must make a finding that, due to the 97 small area of timber to be cleared, a public notice sale would not

98 be in the best interest of the local board of education. If the 99 State Forestry Commission makes such a finding, then it shall set 100 the value of the timber to be paid to the local board of education 101 by the party requesting the timber be removed.

102 (g) Provided, however, in the case of damage by fire, 103 windstorm or other natural causes which would require immediate 104 sale of the timber, because the time involved for advertisement as 105 prescribed herein would allow decay, rot or destruction 106 substantially decreasing the purchase price to be received had not 107 such delay occurred, the advertisement provisions of this section 108 shall not apply. The local board of education, with a written 109 recommendation from a designated employee of the State Forestry 110 Commission filed in the minutes of the local board of education, shall determine when immediate sale of the timber is required. 111 When the board of education shall find an immediate sale necessary 112 113 for the causes stated herein, it shall, in its discretion, set the time for receipt of bids on the purchase of the timber, but shall 114 115 show due diligence in notifying competitive bidders so that a true 116 competitive bid shall be received.

(2) (a) A local board of education having control of the sixteenth section lands in the Hurricane Katrina Disaster of 2005 shall be granted emergency powers to take any and all actions of a reasonably prudent trustee acting under emergency conditions to recover damaged timber, prevent further loss or damage to timber, and to minimize economic loss. All such actions shall be taken in

H. B. No. 1159 22/HR31/R1568 PAGE 5 (DJ\JAB) 123 consultation with and shall be subject to the prior approval from 124 the Secretary of State and the State Forestry Commission. The 125 emergency powers shall be as follows:

126 (i) Contract with any individual or entity for 127 management advice, sale of timber, clearing of damage to timber 128 producing lands, transporting of timber, repairing access roads to 129 timber lands, conducting aerial spraying, or taking any other type of action to prevent further loss of timber or diminution in value 130 131 of existing timber as the result of the incident which necessitated the declaration of a natural disaster. In 132 133 contracting with any individual or entity, the local board of education shall use its best efforts to ensure that all costs 134 135 incurred are reasonable and that a fair price is received for all 136 sales.

(ii) Enter into agreements with any individual, private company, or other governmental entities for the pooling of resources, or the sharing of costs so as to maximize the mitigation of loss and minimize the expense of mitigating the loss of timber.

(iii) Apply for any state, federal, or private party grant or nonrepayable funds to cover costs associated with emergency management contracts, sale timber, including loss for diminution of value, transporting of timber, replanting of timber, repairing access roads to timber, conducting aerial spraying, or

147 reimbursement for any other action taken to prevent further timber 148 damage, as well as mitigating the loss of funds due to damage.

(b) The emergency powers granted herein shall be for a
period of one (1) year from the date of designation as a disaster
area due to Hurricane Katrina. The emergency powers may be
extended for one (1) additional one-year period upon prior written
approval from the Secretary of State.

154 (c) The emergency powers shall also apply to the
155 management of timber by the Secretary of State pursuant to
156 subsection (3) of this section.

(d) In the event a local board of education is unable to acquire the services of the State Forestry Commission or the Secretary of State to meet an immediate need to salvage, remove or take other appropriate action on damaged timber, the local board of education shall unilaterally be granted the authority to take such actions as necessary regarding the management or sale of timber or other forest products.

(e) In exercising emergency powers, a local board of
education or the Secretary of State shall exercise the general
powers of a trustee with the same general restrictions and general
liabilities of a trustee and shall exercise the care and skill of
an ordinary prudent person to protect the beneficiaries of the
trust under such emergency circumstances.

170 (f) Any contractor with a local board of education or 171 the Secretary of State shall be entitled to rely on

172 representations by such board of education or the Secretary of 173 State as to who has authority to enter contracts for the 174 management or sale of timber or other forest products, and 175 reliance on such representations shall not be grounds for voiding 176 any contract.

(3) 177 (a) In the event that any member of a local board of education may have a personal interest, either direct or indirect, 178 179 in the decisions regarding the management or sale of timber or other forest products or in a contract for the sale of timber or 180 other forest products from sixteenth section school lands under 181 182 the jurisdiction and control of the board, then the board of 183 education shall automatically be divested of all authority and 184 power to manage and sell timber or other forest products on 185 sixteenth section lands under its control and jurisdiction. The 186 divestiture shall extend for the period of service, and for one 187 (1) year thereafter, of the board member having a direct or 188 indirect personal interest in the sale or decision to sell timber or other forest products. 189

(b) During the time in which any local board of education may be divested of authority and power to manage and sell timber and other forest products, such authority and power shall be vested in the Secretary of State, as supervisory trustee of sixteenth section lands. Upon the appointment or election of a member of a local board of education who may have such an appointment or election of a member of a local board of education

Likewise, the board shall give written notification 201 to the Secretary of State within thirty (30) days prior to the 202 expiration of any such divestiture period. Any contractor with a 203 local board of education or the Secretary of State shall be 204 entitled to rely on representations by such board or the Secretary 205 of State as to who has authority to enter contracts for the 206 management or sale of timber or other forest products, and 207 reliance on such representations shall not be grounds for voiding 208 any contract.

(c) The laws providing for the management and sale of timber and other forest products by local boards of education shall apply to the management and sale of timber and other forest products by the Secretary of State. The Mississippi Forestry Commission shall provide the Secretary of State with advice and services in the same manner as provided to local boards of education.

(d) The Secretary of State shall be paid all monies derived from the sale of timber or other forest products and shall promptly forward the same to the superintendent of education for such school district with instructions for the proper settlement, deposit and investment of the monies. Such local school board shall reimburse the Secretary of State for all direct costs

The Secretary of State shall furnish an itemized listing of all direct cost charged to the local school district.

(4) (a) The local board of education is authorized to enter into supply agreements, for a term not to exceed ten (10) years, for the sale of forest products consisting of wood waste, wood fiber, pulpwood or biomass. The supply agreement may be entered into by:

251 29-3-81. (1) (a) Sixteenth section lands, or any lands 252 granted in lieu of sixteenth section lands, classified as 253 agricultural may be leased * * * for a term not to exceed ten (10) 254 years. *** * *** All leases of land classified as agricultural shall 255 be for a term to expire on December 31 and shall contain 256 provisions related to best farm management practices as 257 established by the Secretary of State, in consultation with 258 federal agricultural agencies and the Mississippi State University 259 Extension Service. Except in those cases when the holder of an 260 existing lease on agricultural land elects to re-lease such land, as authorized under this subsection, it shall be the duty of the 261 262 board of education to lease the sixteenth section or lieu lands at 263 public contract after having advertised such lands for rent in a 264 newspaper published in the county or, if no newspaper is published 265 in the county, then in a newspaper having a general circulation 266 therein, for two (2) successive weeks, the first being at least 267 ten (10) days before the public contract. The lease form and the 268 terms so prescribed shall be on file and available for inspection 269 in the office of the superintendent from and after the public notice by advertisement and until finally accepted by the board. 270

271 (b) Bids received by the board of education in response 272 to the advertisement shall be opened at a regular or special 273 meeting of the board. The board of education, at its option, may 274 reject all bids or accept the highest and best bid received in 275 response to the advertisement, or the board of education may hold 276 an auction among those who submitted bids in response to the 277 advertisement. If the board of education elects to hold an 278 auction, no bidder shall be granted any preference. The opening 279 bid at the auction shall be the highest bid received in response 280 to the advertisement.

281 (2) * * * Before the expiration of an existing lease of land classified as agricultural land, except as otherwise provided in 282 283 subsection (* * *3) for lands intended to be reclassified, the 284 board of education, in its discretion and subject to the prior 285 approval of the Secretary of State, may authorize the holder of 286 the existing lease to re-lease the land, on no more than one (1) 287 occasion, for a term not to exceed * * * ten (10) years and for a 288 rental amount and lease terms related to best farm management 289 practices established by the Secretary of State, in consultation 290 with federal agricultural agencies and the Mississippi State 291 University Extension Service * * *. An 295

H. B. No. 1159 22/HR31/R1568 PAGE 12 (DJ\JAB) 296 election by the holder of the existing lease not to re-lease the 297 land shall not preclude his participation in the bidding process 298 established under this section. Subject to the classification of 299 the land, the board of education shall enter into a new lease on 300 agricultural land before the expiration of an existing lease on 301 the same land, and the new lease shall take effect on the day 302 immediately following the day on which the existing lease expires. 303 The board of education may require bidders to furnish bond or 304 submit evidence of financial ability.

305 * * *

306 (* * *3) If, during the final year of an existing lease, the board of education notifies the holder of the existing lease 307 308 that the board of education intends to reclassify the land under 309 Section 29-3-39, the holder of the existing lease may re-lease the 310 land for a term of five (5) years and for a rental amount that is 311 equal to one hundred twenty percent (120%) of the total rental 312 value of the then existing lease. Thereafter, the board of education shall have the option to proceed with the 313 314 reclassification of the land or may re-lease the land for one (1) 315 additional term of five (5) years after advertising for bids or 316 holding an auction in the same manner as provided in subsection 317 (1) of this section, and the new classification will be 318 implemented upon the expiration of the then existing lease. This subsection does not apply if the board of education intends to 319 reclassify the land under the "commercial" or "industrial" land 320

323 (* * * 4)(a) If the board of education receives an 324 acceptable bid in response to the advertisement and elects not to 325 hold an auction among those submitting bids, then the holder of 326 the existing lease may submit a second bid in an amount not less 327 than one hundred five percent (105%) of the highest acceptable bid received if the holder of the existing lease: (i) submitted a bid 328 329 in response to the advertisement; and (ii) constructed or made improvements on the leasehold premises after receiving approval of 330 331 the board of education during the term of the existing lease. For purposes of this subsection, the term "improvements" shall not 332 333 include any work or items that are done customarily on an annual 334 basis in the preparing, planting, growing, cultivating or 335 harvesting of crops or other farm products.

336 (b) If the holder of the existing lease elects to 337 submit a second bid, the board of education shall hold an auction among those who submitted bids in response to the advertisement. 338 339 The opening bid at the auction shall be the second bid of the 340 holder of the existing lease. However, no leaseholder may submit 341 a second bid if: (i) any rent, taxes or other payment required 342 under his lease are past due; or (ii) he is otherwise in default 343 of any term or provision of the lease and such default has not been corrected or cured to the satisfaction of the board of 344

(c) If an auction is held, the auction may be conducted at the meeting at which bids are opened or at a subsequent regular or special meeting. The board shall announce the time and place of the auction at the meeting at which bids are opened, and no further notice of the auction is required.

352 If no bid acceptable to the board of education is (d) 353 received after the advertisement or at auction, the board of 354 education may lease, within ninety (90) days, the lands by private 355 contract for an amount greater than the highest bid previously rejected in order to acquire a fair rental value for the lands. 356 357 If no bids are received in response to the advertisement, the 358 board of education may negotiate a private contract for a fair 359 rental value, and the term of such contract shall expire on 360 December 31 of the same calendar year in which the contract is 361 made. The board of education may take the notes for the rent and attend to their collection. The board has the right and remedies 362 363 for the security and collection of such rents given by law to the 364 agricultural landlords.
