268 amended as follows:

269           75-76-33. (1) The commission shall, from time to time,  
270 adopt, amend or repeal such regulations, consistent with the  
271 policy, objects and purposes of this chapter, as it may deem  
272 necessary or desirable in the public interest in carrying out the  
273 policy and provisions of this chapter. The commission shall  
274 comply with the Mississippi Administrative Procedures Law when  
275 adopting, amending or repealing any regulations authorized under  
276 this section or under any other provision of this chapter.

277           (2) These regulations shall, without limiting the general  
278 powers herein conferred, include the following:

279                 (a) Prescribing the method and form of application  
280 which any applicant for a license or for a manufacturer's,  
281 seller's or distributor's license must follow and complete before  
282 consideration of his application by the executive director or the  
283 commission.

284                 (b) Prescribing the information to be furnished by any  
285 applicant or licensee concerning his antecedents, habits,

289 licensee relating to his employees.

290                 (d) Requiring fingerprinting of an applicant or

293 pursuant to regulation of the Federal Bureau of Investigation.

294 (e) Prescribing the manner and procedure of all  
295 hearings conducted by the commission or any hearing examiner of  
296 the commission, including special rules of evidence applicable  
297 thereto and notices thereof.

298 (f) Requiring any applicant to pay all or any part of  
299 the fees and costs of investigation of such applicant as may be  
300 determined by the commission under paragraph (g) of this  
301 subsection (2).

302 (g) Prescribing the amounts of investigative fees only  
303 as authorized by regulations of the commission under paragraph (f)  
304 of this subsection, and collecting those fees. The commission  
305 shall adopt regulations setting the amounts of those fees at  
306 levels that will provide the commission with sufficient revenue,  
307 when combined with any other monies as may be deposited into the  
308 Mississippi Gaming Commission Fund created in Section 75-76-325,  
309 to carry out the provisions of this chapter without any state  
310 general funds. In calculating the amount of such fees, the  
311 commission shall:

312 (i) Attempt to set the fees at levels that will  
313 create a balance in the Mississippi Gaming Commission Fund that  
314 does not exceed, at the end of any state fiscal year, two percent  
315 (2%) of the projected amount of funds that will provide the  
316 commission with such sufficient revenue; and

317 (ii) Demonstrate the reasonableness of the  
318 relationship between a fee and the actual costs of the  
319 investigative activity for which the fee is being prescribed.

320 (h) Prescribing the manner and method of collection and  
321 payment of fees and issuance of licenses.

322 (i) Prescribing under what conditions a licensee may be  
323 deemed subject to revocation or suspension of his license.

324 (j) Requiring any applicant or licensee to waive any  
325 privilege with respect to any testimony at any hearing or meeting  
326 of the commission, except any privilege afforded by the  
327 Constitution of the United States or this state.

328 (k) Defining and limiting the area, games and devices  
329 permitted, and the method of operation of such games and devices,  
330 for the purposes of this chapter.

331 (l) Prescribing under what conditions the nonpayment of  
332 a gambling debt by a licensee shall be deemed grounds for  
333 revocation or suspension of his license.

334 (m) Governing the use and approval of gambling devices  
335 and equipment.

336 (n) Prescribing the qualifications of, and the  
337 conditions under which, attorneys, accountants and others are  
338 permitted to practice before the commission.

339 (o) Restricting access to confidential information  
340 obtained under this chapter and ensuring that the confidentiality  
341 of such information is maintained and protected.

(p) Prescribing the manner and procedure by which the executive director on behalf of the commission shall notify a county or a municipality wherein an applicant for a license desires to locate.

(q) Prescribing the manner and procedure for an objection to be filed with the commission and the executive director by a county or municipality wherein an applicant for a license desires to locate.

(3) \* \* \* Except for wagers placed through approved digital platforms, each licensee shall be required to comply with the regulation that no wager may be placed by, or on behalf of, any individual or entity or group, not present on a licensed vessel or cruise vessel.

(4) Gaming licensees and operators shall accept wagers placed from sports pool wagering accounts through digital platforms provided that such wagers are initiated, received and otherwise made within Mississippi unless otherwise determined by the commission in accordance with applicable federal and state law. Consistent with the intent of the United States Congress and as articulated in the federal Unlawful Internet Gambling Enforcement Act of 2006, 31 USC Sections 5361-5367, the intermediate routing of electronic data related to a lawful intrastate wager authorized under that provision does not determine the location or locations in which the wager is initiated, received or otherwise made.

( \* \* \*5) From and after July 1, 2016, the expenses of this agency shall be defrayed by appropriation from the State General Fund and all user charges and fees authorized under this section shall be deposited into the State General Fund as authorized by law.

( \* \* \*6) From and after July 1, 2016, no state agency shall charge another state agency a fee, assessment, rent or other charge for services or resources received by authority of this section.

**SECTION 3.** Section 75-76-55, Mississippi Code of 1972, is amended as follows:

75-76-55. (1) Except for an approved digital platform, or as otherwise provided in Section 75-76-34, it is unlawful for any person, either as owner, lessee or employee, whether for hire or not, either solely or in conjunction with others, without having first procured and thereafter maintaining in effect a state gaming license:

(a) To deal, operate, carry on, conduct, maintain or expose for play in the State of Mississippi any gambling game, including, without limitation, any gaming device, slot machine, race book or sports pool;

(b) To provide or maintain any information service the primary purpose of which is to aid the placing or making of wagers on events of any kind; or

(c) To receive, directly or indirectly, any compensation or reward or any percentage or share of the money or property played, for keeping, running or carrying on any gambling game, including, without limitation, any slot machine, gaming device, race book or sports pool.

(2) Except for an approved digital platform, or as otherwise provided in Section 75-76-34, it is unlawful for any person knowingly to permit any gambling game, including, without limitation, any slot machine, gaming device, race book or sports pool to be conducted, operated, dealt or carried on in any house or building or other premises owned by him, in whole or in part, by a person who is not licensed pursuant to this chapter or by his employee.

**SECTION 4.** Section 75-76-79, Mississippi Code of 1972, is amended as follows:

75-76-79. (1) (a) Except as otherwise provided in paragraphs (b) and (c) of this subsection, it is unlawful for any person, either as owner, lessee or employee, whether for hire or not, to operate, carry on, conduct or maintain any form of manufacture, selling or distribution of any gaming device for use or play in Mississippi or for distribution outside of Mississippi without first procuring and maintaining all required federal and state licenses.

(b) An operator shall be licensed under this section as a manufacturer and a distributor.

416           ( \* \* \*c) A lessor who specifically acquires equipment  
417 for a capital lease is not required to be licensed under this  
418 section.

419           ( \* \* \*d) The holder of a state gaming license or the  
420 holding company of a corporate licensee may, within two (2) years  
421 after cessation of business or upon specific approval by the  
422 executive director, dispose of by sale in a manner approved by the  
423 executive director, any or all of its gaming devices, including  
424 slot machines, without a distributor's license. In cases of  
425 bankruptcy of a state gaming licensee or operator or foreclosure  
426 of a lien by a bank or other person holding a security interest  
427 for which gaming devices are security, in whole or in part, for  
428 the lien, the executive director may authorize the disposition of  
429 the gaming devices without requiring a distributor's license.

430           ( \* \* \*e) Any person whom the commission determines is  
431 a suitable person to receive a license under the provisions of  
432 this section may be issued a manufacturer's or distributor's  
433 license. The burden of proving his qualification to receive or  
434 hold a license under this section is at all times on the applicant  
435 or licensee.

436           ( \* \* \*f) Every person who must be licensed pursuant to  
437 this section is subject to the provisions of Sections 75-76-199  
438 through 75-76-265, unless exempted from those provisions by the  
439 commission.

440 ( \* \* \*g) The commission may exempt, for any purpose, a  
441 manufacturer, seller or distributor from the provisions of  
442 Sections 75-76-199 through 75-76-265, if the commission determines  
443 that the exemption is consistent with the purposes of this  
444 chapter.

445 ( \* \* \*h) As used in this section, "holding company"  
446 has the meaning ascribed to it in Section 75-76-199.

447 (2) If the commission determines that a manufacturer or  
448 distributor is unsuitable to receive or hold a license:

449 (a) No new gaming device or associated equipment  
450 manufactured by the manufacturer or distributed by the distributor  
451 may be approved;

452 (b) Any previously approved device or associated  
453 equipment manufactured by the manufacturer or distributed by the  
454 distributor is subject to revocation of approval if the reasons  
455 for the denial of the license also apply to that device or  
456 associated equipment;

457 (c) No new device or associated equipment manufactured  
458 by the manufacturer or distributed by the distributor may be sold,  
459 transferred or offered for use or play in Mississippi; and

460 (d) Any association or agreement between the  
461 manufacturer or distributor and a licensee must be terminated,  
462 unless otherwise provided by the commission. An agreement between  
463 such a manufacturer or distributor of gaming devices or associated  
464 equipment and a licensee shall be deemed to include a provision

for its termination without liability on the part of the licensee upon a finding by the commission that the manufacturer is unsuitable to be associated with a gaming enterprise. Failure to include that condition in the agreement is not a defense in any action brought pursuant to this section to terminate the agreement.

(3) Failure of a licensee to terminate any association or agreement with a manufacturer or distributor of gaming devices or associated equipment after receiving notice of a determination of unsuitability, the denial of a license or failure to file a timely application for a license, is an unsuitable method of operation.

(4) There is hereby imposed and levied on each applicant for a manufacturer's, seller's or distributor's license under this section an annual license fee in the following amount:

(a) For the issuance or continuation of a manufacturer's license, One Thousand Dollars (\$1,000.00).

(b) For the issuance or continuation of a seller's or distributor's license, Five Hundred Dollars (\$500.00).

This fee is to be paid by the applicant to the \* \* \* Department of Revenue on or before the filing of the application for a manufacturer's, seller's or distributor's license by the applicant. Upon such payment the \* \* \* Commissioner of Revenue shall certify to the executive director that such fee has been paid by the applicant.

489           Except for those amounts that a person issued a  
490 manufacturer's license under this section may charge for goods  
491 supplied or services rendered, the person holding the  
492 manufacturer's license may not be directly reimbursed by a holder  
493 of a gaming license for the cost of any fee paid by the person for  
494 the issuance or continuation of such a license, whether imposed  
495 under this section or any other provision of this chapter.

496           (5) A manufacturer or distributor of associated equipment  
497 who sells, transfers or offers the associated equipment for use or  
498 play in Mississippi may be required by the executive director to  
499 file an application for a finding of suitability to be a  
500 manufacturer or distributor of associated equipment.

501           Any person who directly or indirectly involves himself in the  
502 sale, transfer or offering for use or play in Mississippi of  
503 associated equipment who is not otherwise required to be licensed  
504 as a manufacturer or distributor may be required by the executive  
505 director to file an application for a finding of suitability to be  
506 a manufacturer or distributor of associated equipment.
