48 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

49 **SECTION 1.** (1) (a) For calendar year 2022, and for each  
50 calendar year thereafter, any partnership, S corporation or  
51 similar pass-through entity may elect to be taxed as an electing  
52 pass-through entity and pay the tax imposed under this chapter at  
53 the entity level. For the purposes of this section, the term  
54 "electing pass-through entity" means a partnership, S corporation  
55 or similar pass-through entity that has made an election pursuant  
56 to this section.

57 (b) A partnership, S corporation or similar  
58 pass-through entity desiring to be taxed as an electing  
59 pass-through entity shall submit the appropriate form to the  
60 Department of Revenue at any time during the tax year or on or  
61 before the fifteenth day of the third month following the close of  
62 that taxable year for which the entity elects to be taxed as an  
63 electing pass-through entity. This election shall be binding for  
64 that taxable year and all taxable years thereafter and shall not  
65 be revoked unless the electing pass-through entity submits the  
66 appropriate form to the department at any time during a subsequent

67 taxable year or on or before the fifteenth day of the third month  
68 following the close of that taxable year for which the entity  
69 elects to no longer be taxed as an electing pass-through entity.  
70 Both the election to become an electing pass-through entity and  
71 the revocation of that election shall be accomplished by a vote by  
72 or written consent of the members of the governing body of the  
73 entity as well as a vote by or written consent of the owners,  
74 members, partners or shareholders holding greater than fifty  
75 percent (50%) percent of the voting control of the entity, within  
76 the time prescribed in this subsection.

77 (c) Each owner, member, partner or shareholder of an  
78 electing pass-through entity shall report his or her pro rata or  
79 distributive share of the income of the electing pass-through  
80 entity but shall not be liable for the tax imposed under this  
81 chapter on such pro rata or distributive share of the income of  
82 the electing pass-through entity. Each owner, member, partner or  
83 shareholder of an electing pass-through entity shall be allowed a  
84 credit against the taxes imposed under this chapter in an amount  
85 equal to his or her pro rata or distributive share of tax paid by  
86 the electing pass-through entity with respect to the corresponding  
87 taxable year.

88 (2) The adjusted basis of the owners, members or partners of  
89 an electing pass-through entity in their ownership interests in  
90 the electing pass-through entity shall be calculated without  
91 regard to the election under this section.

92           **SECTION 2.** Section 27-7-25, Mississippi Code of 1972, is  
93 amended as follows:

94           27-7-25. (1) Individuals carrying on businesses in  
95 partnerships shall be liable for income tax only in their  
96 individual capacity, unless for federal purposes the partnership  
97 is taxable as a corporation. If so, then the partnership is also  
98 taxable as a corporation for state purposes and is subject to all  
99 of the corporate tax laws and regulations. The gross income of an  
100 individual partner shall be the gross income the partnership  
101 distributed on the same basis as net income or earnings may be  
102 distributed. If the preceding exception applies, then the partner  
103 will be treated as a shareholder in a corporation.

104           There shall be included in computing the net income of each  
105 partner his distributive share, whether distributed or not, of the  
106 net income of the partnership for the taxable year.

107           The net income of the partnership shall be computed in the  
108 same manner and on the same basis as provided for individuals,  
109 provided no personal exemption shall be granted and, provided  
110 further, that husband and wife partnerships shall not be  
111 recognized for the purpose of this article, unless it can be  
112 proven that husband and wife have each contributed capital out of  
113 their separate estates, and not by gift, from one to the other.

114           In the case of partnerships, each partner that would  
115 otherwise be required to include more than twelve (12) months of  
116 income in a single taxable year may elect to include such excess

117 in income in one (1) year or ratably over a period of four (4)  
118 taxable years.

119 In the event the individual partners fail to report and pay  
120 the taxes imposed according to this section, then the partnership  
121 and the general partners shall be jointly and severally liable for  
122 said tax liability and shall be assessed accordingly. However,  
123 the partnership and/or general partner shall not be liable if the  
124 partnership withholds five percent (5%) of the net gain or profit  
125 of the partnership for the tax year and remits the same to the  
126 commissioner. Such amounts paid to the commissioner shall be  
127 deemed to be payments of estimated tax of the partners and shall  
128 be allocated pro rata to the partners' taxpayer accounts. The  
129 commissioner may allow, or require, block or composite filing by a  
130 partnership, or withholding on a nonresident partner.

131 Magnetic media reporting may be required in a manner to be  
132 determined by the commissioner.

133 Partnership returns shall be filed in such manner and at such  
134 time as prescribed by law.

135 (2) For a partnership that has made an election under  
136 Section 1 of this act to be taxed as an electing pass-through  
137 entity, the partnership shall pay income tax as provided for in  
138 Section 1 of this act.

139 **SECTION 3.** Section 27-7-5, Mississippi Code of 1972, is  
140 brought forward as follows:

141           27-7-5. (1) There is hereby assessed and levied, to be  
142 collected and paid as hereinafter provided, for the calendar year  
143 1983 and fiscal years ending during the calendar year 1983 and all  
144 taxable years thereafter, upon the entire net income of every  
145 resident individual, corporation, association, trust or estate, in  
146 excess of the credits provided, a tax at the following rates:

147           (a) (i) Through calendar year 2017, on the first Five  
148 Thousand Dollars (\$5,000.00) of taxable income, or any part  
149 thereof, the rate shall be three percent (3%);

150           (ii) For calendar year 2018, on the first One  
151 Thousand Dollars (\$1,000.00) of taxable income there shall be no  
152 tax levied, and on the next Four Thousand Dollars (\$4,000.00) of  
153 taxable income, or any part thereof, the rate shall be three  
154 percent (3%);

155           (iii) For calendar year 2019, on the first Two  
156 Thousand Dollars (\$2,000.00) of taxable income there shall be no  
157 tax levied, and on the next Three Thousand Dollars (\$3,000.00) of  
158 taxable income, or any part thereof, the rate shall be three  
159 percent (3%);

160           (iv) For calendar year 2020, on the first Three  
161 Thousand Dollars (\$3,000.00) of taxable income there shall be no  
162 tax levied, and on the next Two Thousand Dollars (\$2,000.00) of  
163 taxable income, or any part thereof, the rate shall be three  
164 percent (3%);

165 (v) For calendar year 2021, on the first Four  
166 Thousand Dollars (\$4,000.00) of taxable income there shall be no  
167 tax levied, and on the next One Thousand Dollars (\$1,000.00) of  
168 taxable income, or any part thereof, the rate shall be three  
169 percent (3%);

170 (vi) For calendar year 2022 and all taxable years  
171 thereafter, there shall be no tax levied on the first Five  
172 Thousand Dollars (\$5,000.00) of taxable income;

173 (b) On taxable income in excess of Five Thousand  
174 Dollars (\$5,000.00) up to and including Ten Thousand Dollars  
175 (\$10,000.00), or any part thereof, the rate shall be four percent  
176 (4%); and

177 (c) On all taxable income in excess of Ten Thousand  
178 Dollars (\$10,000.00), the rate shall be five percent (5%).

179 (2) An S corporation, as defined in Section 27-8-3(1)(g),  
180 shall not be subject to the income tax imposed under this section.

181 (3) A like tax is hereby imposed to be assessed, collected  
182 and paid annually, except as hereinafter provided, at the rate  
183 specified in this section and as hereinafter provided, upon and  
184 with respect to the entire net income, from all property owned or  
185 sold, and from every business, trade or occupation carried on in  
186 this state by individuals, corporations, partnerships, trusts or  
187 estates, not residents of the State of Mississippi.

188 (4) In the case of taxpayers having a fiscal year beginning  
189 in a calendar year with a rate in effect that is different than

190 the rate in effect for the next calendar year and ending in the  
191 next calendar year, the tax due for that taxable year shall be  
192 determined by:

193 (a) Computing for the full fiscal year the amount of  
194 tax that would be due under the rates in effect for the calendar  
195 year in which the fiscal year begins; and

196 (b) Computing for the full fiscal year the amount of  
197 tax that would be due under the rates in effect for the calendar  
198 year in which the fiscal year ends; and

199 (c) Applying to the tax computed under paragraph (a)  
200 the ratio which the number of months falling within the earlier  
201 calendar year bears to the total number of months in the fiscal  
202 year; and

203 (d) Applying to the tax computed under paragraph (b)  
204 the ratio which the number of months falling within the later  
205 calendar year bears to the total number of months within the  
206 fiscal year; and

207 (e) Adding to the tax determined under paragraph (c)  
208 the tax determined under paragraph (d) the sum of which shall be  
209 the amount of tax due for the fiscal year.

210 **SECTION 4.** Section 27-7-15, Mississippi Code of 1972, is  
211 brought forward as follows:

212 27-7-15. (1) For the purposes of this article, except as  
213 otherwise provided, the term "gross income" means and includes the  
214 income of a taxpayer derived from salaries, wages, fees or

215 compensation for service, of whatever kind and in whatever form  
216 paid, including income from governmental agencies and subdivisions  
217 thereof; or from professions, vocations, trades, businesses,  
218 commerce or sales, or renting or dealing in property, or  
219 reacquired property; also from annuities, interest, rents,  
220 dividends, securities, insurance premiums, reinsurance premiums,  
221 considerations for supplemental insurance contracts, or the  
222 transaction of any business carried on for gain or profit, or  
223 gains, or profits, and income derived from any source whatever and  
224 in whatever form paid. The amount of all such items of income  
225 shall be included in the gross income for the taxable year in  
226 which received by the taxpayer. The amount by which an eligible  
227 employee's salary is reduced pursuant to a salary reduction  
228 agreement authorized under Section 25-17-5 shall be excluded from  
229 the term "gross income" within the meaning of this article.

230 (2) In determining gross income for the purpose of this  
231 section, the following, under regulations prescribed by the  
232 commissioner, shall be applicable:

233 (a) **Dealers in property.** Federal rules, regulations  
234 and revenue procedures shall be followed with respect to  
235 installment sales unless a transaction results in the shifting of  
236 income from inside the state to outside the state.

237 (b) **Casual sales of property.**

238 (i) Prior to January 1, 2001, federal rules,  
239 regulations and revenue procedures shall be followed with respect

240 to installment sales except they shall be applied and administered  
241 as if H.R. 3594, the Installment Tax Correction Act of 2000 of the  
242 106th Congress, had not been enacted. This provision will  
243 generally affect taxpayers, reporting on the accrual method of  
244 accounting, entering into installment note agreements on or after  
245 December 17, 1999. Any gain or profit resulting from the casual  
246 sale of property will be recognized in the year of sale.

247 (ii) From and after January 1, 2001, federal  
248 rules, regulations and revenue procedures shall be followed with  
249 respect to installment sales except as provided in this  
250 subparagraph (ii). Gain or profit from the casual sale of  
251 property shall be recognized in the year of sale. When a taxpayer  
252 recognizes gain on the casual sale of property in which the gain  
253 is deferred for federal income tax purposes, a taxpayer may elect  
254 to defer the payment of tax resulting from the gain as allowed and  
255 to the extent provided under regulations prescribed by the  
256 commissioner. If the payment of the tax is made on a deferred  
257 basis, the tax shall be computed based on the applicable rate for  
258 the income reported in the year the payment is made. Except as  
259 otherwise provided in subparagraph (iii) of this paragraph (b),  
260 deferring the payment of the tax shall not affect the liability  
261 for the tax. If at any time the installment note is sold,  
262 contributed, transferred or disposed of in any manner and for any  
263 purpose by the original note holder, or the original note holder  
264 is merged, liquidated, dissolved or withdrawn from this state,

265 then all deferred tax payments under this section shall  
266 immediately become due and payable.

267 (iii) If the selling price of the property is  
268 reduced by any alteration in the terms of an installment note,  
269 including default by the purchaser, the gain to be recognized is  
270 recomputed based on the adjusted selling price in the same manner  
271 as for federal income tax purposes. The tax on this amount, less  
272 the previously paid tax on the recognized gain, is payable over  
273 the period of the remaining installments. If the tax on the  
274 previously recognized gain has been paid in full to this state,  
275 the return on which the payment was made may be amended for this  
276 purpose only. The statute of limitations in Section 27-7-49 shall  
277 not bar an amended return for this purpose.

278 (c) **Reserves of insurance companies.** In the case of  
279 insurance companies, any amounts in excess of the legally required  
280 reserves shall be included as gross income.

281 (d) **Affiliated companies or persons.** As regards sales,  
282 exchanges or payments for services from one to another of  
283 affiliated companies or persons or under other circumstances where  
284 the relation between the buyer and seller is such that gross  
285 proceeds from the sale or the value of the exchange or the payment  
286 for services are not indicative of the true value of the subject  
287 matter of the sale, exchange or payment for services, the  
288 commissioner shall prescribe uniform and equitable rules for  
289 determining the true value of the gross income, gross sales,

290 exchanges or payment for services, or require consolidated returns  
291 of affiliates.

292 (e) **Alimony and separate maintenance payments.** The  
293 federal rules, regulations and revenue procedures in determining  
294 the deductibility and taxability of alimony payments shall be  
295 followed in this state.

296 (f) **Reimbursement for expenses of moving.** There shall  
297 be included in gross income (as compensation for services) any  
298 amount received or accrued, directly or indirectly, by an  
299 individual as a payment for or reimbursement of expenses of moving  
300 from one (1) residence to another residence which is attributable  
301 to employment or self-employment.

302 (3) In the case of taxpayers other than residents, gross  
303 income includes gross income from sources within this state.

304 (4) The words "gross income" do not include the following  
305 items of income which shall be exempt from taxation under this  
306 article:

307 (a) The proceeds of life insurance policies and  
308 contracts paid upon the death of the insured. However, the income  
309 from the proceeds of such policies or contracts shall be included  
310 in the gross income.

311 (b) The amount received by the insured as a return of  
312 premium or premiums paid by him under life insurance policies,  
313 endowment, or annuity contracts, either during the term or at  
314 maturity or upon surrender of the contract.

315 (c) The value of property acquired by gift, bequest,  
316 devise or descent, but the income from such property shall be  
317 included in the gross income.

318 (d) Interest upon the obligations of the United States  
319 or its possessions, or securities issued under the provisions of  
320 the Federal Farm Loan Act of 1916, or bonds issued by the War  
321 Finance Corporation, or obligations of the State of Mississippi or  
322 political subdivisions thereof.

323 (e) The amounts received through accident or health  
324 insurance as compensation for personal injuries or sickness, plus  
325 the amount of any damages received for such injuries or such  
326 sickness or injuries, or through the War Risk Insurance Act, or  
327 any law for the benefit or relief of injured or disabled members  
328 of the military or naval forces of the United States.

329 (f) Income received by any religious denomination or by  
330 any institution or trust for moral or mental improvements,  
331 religious, Bible, tract, charitable, benevolent, fraternal,  
332 missionary, hospital, infirmary, educational, scientific,  
333 literary, library, patriotic, historical or cemetery purposes or  
334 for two (2) or more of such purposes, if such income be used  
335 exclusively for carrying out one or more of such purposes.

336 (g) Income received by a domestic corporation which is  
337 "taxable in another state" as this term is defined in this  
338 article, derived from business activity conducted outside this  
339 state. Domestic corporations taxable both within and without the

340 state shall determine Mississippi income on the same basis as  
341 provided for foreign corporations under the provisions of this  
342 article.

343 (h) In case of insurance companies, there shall be  
344 excluded from gross income such portion of actual premiums  
345 received from an individual policyholder as is paid back or  
346 credited to or treated as an abatement of premiums of such  
347 policyholder within the taxable year.

348 (i) Income from dividends that has already borne a tax  
349 as dividend income under the provisions of this article, when such  
350 dividends may be specifically identified in the possession of the  
351 recipient.

352 (j) Amounts paid by the United States to a person as  
353 added compensation for hazardous duty pay as a member of the Armed  
354 Forces of the United States in a combat zone designated by  
355 Executive Order of the President of the United States.

356 (k) Amounts received as retirement allowances,  
357 pensions, annuities or optional retirement allowances paid under  
358 the federal Social Security Act, the Railroad Retirement Act, the  
359 Federal Civil Service Retirement Act, or any other retirement  
360 system of the United States government, retirement allowances paid  
361 under the Mississippi Public Employees' Retirement System,  
362 Mississippi Highway Safety Patrol Retirement System or any other  
363 retirement system of the State of Mississippi or any political  
364 subdivision thereof. The exemption allowed under this paragraph

365 (k) shall be available to the spouse or other beneficiary at the  
366 death of the primary retiree.

367 (l) Amounts received as retirement allowances,  
368 pensions, annuities or optional retirement allowances paid by any  
369 public or governmental retirement system not designated in  
370 paragraph (k) or any private retirement system or plan of which  
371 the recipient was a member at any time during the period of his  
372 employment. Amounts received as a distribution under a Roth  
373 Individual Retirement Account shall be treated in the same manner  
374 as provided under the Internal Revenue Code of 1986, as amended.  
375 The exemption allowed under this paragraph (l) shall be available  
376 to the spouse or other beneficiary at the death of the primary  
377 retiree.

378 (m) National Guard or Reserve Forces of the United  
379 States compensation not to exceed the aggregate sum of Five  
380 Thousand Dollars (\$5,000.00) for any taxable year through the 2005  
381 taxable year, and not to exceed the aggregate sum of Fifteen  
382 Thousand Dollars (\$15,000.00) for any taxable year thereafter.

383 (n) Compensation received for active service as a  
384 member below the grade of commissioned officer and so much of the  
385 compensation as does not exceed the maximum enlisted amount  
386 received for active service as a commissioned officer in the Armed  
387 Forces of the United States for any month during any part of which  
388 such members of the Armed Forces (i) served in a combat zone as  
389 designated by Executive Order of the President of the United

390 States or a qualified hazardous duty area as defined by federal  
391 law, or both; or (ii) was hospitalized as a result of wounds,  
392 disease or injury incurred while serving in such combat zone. For  
393 the purposes of this paragraph (n), the term "maximum enlisted  
394 amount" means and has the same definition as that term has in 26  
395 USCS 112.

396 (o) The proceeds received from federal and state  
397 forestry incentive programs.

398 (p) The amount representing the difference between the  
399 increase of gross income derived from sales for export outside the  
400 United States as compared to the preceding tax year wherein gross  
401 income from export sales was highest, and the net increase in  
402 expenses attributable to such increased exports. In the absence  
403 of direct accounting, the ratio of net profits to total sales may  
404 be applied to the increase in export sales. This paragraph (p)  
405 shall only apply to businesses located in this state engaging in  
406 the international export of Mississippi goods and services. Such  
407 goods or services shall have at least fifty percent (50%) of value  
408 added at a location in Mississippi.

409 (q) Amounts paid by the federal government for the  
410 construction of soil conservation systems as required by a

831 state, (b) the date on which the shareholder acquired the stock or  
832 the indebtedness of the corporation or (c) the effective date of  
833 the corporation's most recent S election under the Code. This  
834 date may be before January 1, 1994.

835           (2) The initial basis of a resident shareholder in the stock  
836 and indebtedness of an S corporation shall be adjusted after the  
837 date specified in subsection (1) of this section in the manner and  
838 to the extent required by Section 1011 of the Code except that,  
839 with respect to any taxable period during which the shareholder is  
840 a resident of this state,

841                   (a) Any differences between state and federal taxable  
842 income shall be taken into account; and

843                   (b) Any adjustments made pursuant to Section 1367 of  
844 the Code for a taxable period during which this state did not  
845 measure the income of a shareholder of an S corporation by  
846 reference to the S corporation's income shall not be taken into  
847 account.

848           (3) The initial basis in the hands of a nonresident  
849 shareholder of an S corporation in the stock of the S corporation  
850 and any indebtedness of the S corporation to the shareholder shall  
851 be zero as of the date that is the latest to occur of (a) the date  
852 on which the shareholder last became a nonresident of this state,  
853 (b) the date on which the shareholder acquired the stock or the  
854 indebtedness of the corporation or (c) the effective date of the  
855 corporation's most recent S election under the Code. This date  
856 may be before January 1, 1994.

857           (4) The initial basis of a nonresident shareholder in the  
858 stock and indebtedness of an S corporation shall be adjusted after  
859 the date specified in subsection (3) of this section as provided

860 in Section 1367 of the Code, except that such adjustments shall be  
861 limited to that portion of the income attributable to the state  
862 that is taken into account by the shareholder pursuant to Section  
863 27-8-7(2). In computing income attributable to the state for  
864 purposes of the preceding sentence, any modification made for  
865 income exempt from federal or this state's taxation shall not be  
866 taken into account.

867 (5) The basis in the hands of a resident shareholder of an S  
868 corporation in the stock of the S corporation shall be reduced by  
869 the amount allowed as a loss or deduction pursuant to Section  
870 27-8-13(4).

871 (6) The basis in the hands of a resident shareholder of an S  
872 corporation in the stock of the S corporation shall be reduced by  
873 the amount of any cash distribution which is not taxable to the  
874 shareholder as a result of the application of Section 27-8-17(2).

875 (7) For purposes of this section, any person acquiring stock  
876 or indebtedness of an S corporation by gift from a person who is a  
877 resident of this state at the time of the gift shall be considered  
878 to have acquired the stock or indebtedness at the time the donor  
879 acquired the stock or indebtedness.

880 **SECTION 12.** Section 27-8-15, Mississippi Code of 1972, is  
881 brought forward as follows:

882 27-8-15. For purposes of this chapter, if a shareholder of  
883 an S corporation is both a resident and nonresident of this state  
884 during any taxable period, the shareholder's pro rata share of the

885 S corporation's income attributable to the state and income not  
886 attributable to the state for the taxable period shall be further  
887 prorated between the shareholder's periods of residence and  
888 nonresidence during the taxable period, in accordance with the  
889 number of days in each period.

890 **SECTION 13.** Section 27-8-19, Mississippi Code of 1972, is  
891 brought forward as follows:

892 27-8-19. (1) An S corporation which engages in activities  
893 in this state that would subject a C corporation to the  
894 requirement to file a return under Section 27-7-37 shall file with  
895 the State Tax Commission an annual return, in the form prescribed  
896 by the commission, on or before the due date prescribed for the  
897 filing of C corporation returns under Section 27-7-41. The return  
898 shall set forth the name, address and social security or federal  
899 identification number of each shareholder; the income attributable  
900 to the state and income not attributable to the state with respect  
901 to each shareholder as determined under this chapter; and such  
902 other information as the commission may prescribe by regulation.  
903 The S corporation shall furnish, on or before the day on which  
904 such return is filed, to each person who was a shareholder during  
905 the year a copy of such information shown on the return as the  
906 commission may prescribe by regulation. The S corporation also  
907 shall maintain the accumulated adjustments account described in  
908 Section 27-8-17(3)(b).

909           (2) The State Tax Commission shall permit S corporations to  
910 file composite returns and to make composite payments of tax on  
911 behalf of some or all of its nonresident shareholders. The  
912 commission may permit composite returns and payments to be made on  
913 behalf of resident shareholders.

914           (3) With respect to each of its nonresident shareholders and  
915 for each taxable period, an S corporation shall (a) timely file  
916 with the commission an agreement as provided in subsection (4) of  
917 this section or (b) make a payment to this state as provided in  
918 subsection (5) of this section. An S corporation that timely  
919 files an agreement as provided in subsection (4) of this section  
920 with respect to a nonresident shareholder for a taxable period  
921 shall be considered to have timely filed such an agreement for  
922 each subsequent taxable period. An S corporation that does not  
923 timely file such an agreement for a taxable period shall not be  
924 precluded from timely filing such an agreement for subsequent  
925 taxable periods.

926           (4) The agreement referred to in subsection (3)(a) of this  
927 section is an agreement of a nonresident shareholder of the S  
928 corporation:

929                   (a) To file a return and to make timely payment of all  
930 taxes imposed on the shareholder by this state with respect to the  
931 income of the S corporation; and

932                   (b) To be subject to personal jurisdiction in this  
933 state for purposes of the collection of income taxes, together

934 with related interest and penalties, imposed on the shareholder by  
935 this state with respect to the income of the S corporation.

936 The agreement will be considered to be timely filed for a  
937 taxable period and for all subsequent taxable periods if it is  
938 filed at or before the time the annual return for such taxable  
939 period is required to be filed.

940 In the event the S corporation fails to obtain an agreement  
941 of a nonresident shareholder as provided in subsection (3)(a) of  
942 this section or in the event a nonresident shareholder of an S  
943 corporation fails to file a return and to make timely payments of  
944 all taxes imposed on the shareholder by this state as provided in  
945 subsection (4)(a) of this section, the S corporation shall make a  
946 payment to the state as provided in subsection (5) of this  
947 section.

948 (5) The payment referred to in subsection (3)(b) and (4) of  
949 this section shall be in an amount equal to the highest marginal  
950 tax rate in effect under Section 27-7-5 multiplied by the  
951 shareholder's pro rata share of the income attributable to the  
952 state reflected on the corporation's return for the taxable  
953 period. An S corporation shall be entitled to recover a payment  
954 made pursuant to the preceding sentence from the shareholder on  
955 whose behalf the payment was made. Any such payment for a taxable  
956 period must be made at or before the time the annual return for  
957 such taxable period is required to be filed.

958 (6) Any amount paid by the corporation to this state under  
959 subsection (2) or (5) of this section shall be considered to be a  
960 payment by the shareholder on account of the income tax imposed on  
961 the shareholder for the taxable period under Section 27-7-5.

962 **SECTION 14.** Section 27-8-21, Mississippi Code of 1972, is  
963 brought forward as follows:

964 27-8-21. For purposes of Section 27-7-77, each resident  
965 shareholder shall be considered to have paid a tax imposed on the  
966 shareholder in an amount equal to the shareholder's pro rata share  
967 of any net income tax paid by the S corporation to a state which  
968 does not measure the income of shareholders of an S corporation by  
969 reference to the income of the S corporation. For purposes of the  
970 preceding sentence, the term "net income tax" means any tax  
971 imposed on or measured by a corporation's net income.

972 **SECTION 15.** Section 79-29-127, Mississippi Code of 1972, is  
973 brought forward as follows:

974 79-29-127. Domestic limited liability companies and foreign  
975 limited liability companies shall be classified as an entity for  
976 purposes of the income tax laws of this state in the same manner  
977 as they are classified for federal income tax purposes.

978 **SECTION 16.** Section 25-11-109, Mississippi Code of 1972, is  
979 amended as follows:

980 25-11-109. (1) Under such rules and regulations as the  
981 board of trustees shall adopt, each person who becomes a member of  
982 this retirement system, as provided in Section 25-11-105, on or

983 before July 1, 1953, or who became a member of the system before  
984 July 1, 2007, and contributes to the system for a minimum period  
985 of four (4) years, or who became a member of the system on or  
986 after July 1, 2007, and contributes to the system for a minimum  
987 period of eight (8) years, shall receive credit for all state  
988 service rendered before February 1, 1953. To receive that credit,  
989 the member shall file a detailed statement of all services as an  
990 employee rendered by him in the state service before February 1,  
991 1953. For any member who joined the system after July 1, 1953,  
992 and before July 1, 2007, any creditable service for which the  
993 member is not required to make contributions shall not be credited  
994 to the member until the member has contributed to the system for a  
995 minimum period of at least four (4) years. For any member who  
996 joined the system on or after July 1, 2007, any creditable service  
997 for which the member is not required to make contributions shall  
998 not be credited to the member until the member has contributed to  
999 the system for a minimum period of at least eight (8) years.

1000 (2) (a) (i) In the computation of creditable service for  
1001 service rendered before July 1, 2017, under the provisions of this  
1002 article, the total months of accumulative service during any  
1003 fiscal year shall be calculated in accordance with the schedule as  
1004 follows: ten (10) or more months of creditable service during any  
1005 fiscal year shall constitute a year of creditable service; seven  
1006 (7) months to nine (9) months inclusive, three-quarters (3/4) of a  
1007 year of creditable service; four (4) months to six (6) months

1008 inclusive, one-half (1/2) year of creditable service; one (1)  
1009 month to three (3) months inclusive, one-quarter (1/4) of a year  
1010 of creditable service.

1011 (ii) In the computation of creditable service  
1012 rendered on or after July 1, 2017, under the provisions of this  
1013 article, service credit shall be awarded in monthly increments in  
1014 a manner prescribed by regulations of the board.

1015 (b) In no case shall credit be allowed for any period  
1016 of absence without compensation except for disability while in  
1017 receipt of a disability retirement allowance, nor shall less than  
1018 fifteen (15) days of service in any month, or service less than  
1019 the equivalent of one-half (1/2) of the normal working load for  
1020 the position and less than one-half (1/2) of the normal  
1021 compensation for the position in any month, constitute a month of  
1022 creditable service, nor shall more than one (1) year of service be  
1023 creditable for all services rendered in any one (1) fiscal year;  
1024 however, for a school employee, substantial completion of the  
1025 legal school term when and where the service was rendered shall  
1026 constitute a year of service credit. Any state or local elected  
1027 official shall be deemed a full-time employee for the purpose of  
1028 creditable service. However, an appointed or elected official  
1029 compensated on a per diem basis only shall not be allowed  
1030 creditable service for terms of office.

1031 (c) In the computation of any retirement allowance or  
1032 any annuity or benefits provided in this article, any fractional

1033 period of service of less than one (1) year shall be taken into  
1034 account and a proportionate amount of such retirement allowance,  
1035 annuity or benefit shall be granted for any such fractional period  
1036 of service.

1037 (d) (i) In the computation of unused leave for  
1038 creditable service authorized in Section 25-11-103, the following  
1039 shall govern for members who retire before July 1, 2017:  
1040 twenty-one (21) days of unused leave shall constitute one (1)  
1041 month of creditable service and in no case shall credit be allowed  
1042 for any period of unused leave of less than fifteen (15) days.  
1043 The number of months of unused leave shall determine the number of  
1044 quarters or years of creditable service in accordance with the  
1045 above schedule for membership and prior service.

1046 (ii) In the computation of unused leave for  
1047 creditable service authorized in Section 25-11-103, the following  
1048 shall govern for members who retire on or after July 1, 2017:  
1049 creditable service for unused leave shall be calculated in monthly  
1050 increments in which one (1) month of service credit shall be  
1051 awarded for each twenty-one (21) days of unused leave, except that  
1052 the first fifteen (15) to fifty-seven (57) days of leave shall  
1053 constitute three (3) months of service for those who became a  
1054 member of the system before July 1, 2017.

1055 (iii) In order for the member to receive  
1056 creditable service for the number of days of unused leave under

1057 this paragraph, the system must receive certification from the  
1058 governing authority.

1059 (e) For the purposes of this subsection, members of the  
1060 system who retire on or after July 1, 2010, shall receive credit  
1061 for one-half (1/2) day of leave for each full year of membership  
1062 service accrued after June 30, 2010. The amount of leave received  
1063 by a member under this paragraph shall be added to the lawfully  
1064 credited unused leave for which creditable service is provided  
1065 under Section 25-11-103(i).

1066 (f) For the purpose of this subsection, for members of  
1067 the system who are elected officers and who retire on or after  
1068 July 1, 1987, the following shall govern:

1069 (i) For service before July 1, 1984, the members  
1070 shall receive credit for leave (combined personal and major  
1071 medical) for service as an elected official before that date at  
1072 the rate of thirty (30) days per year.

1073 (ii) For service on and after July 1, 1984, the  
1074 member shall receive credit for personal and major medical leave  
1075 beginning July 1, 1984, at the rates authorized in Sections  
1076 25-3-93 and 25-3-95, computed as a full-time employee.

1077 (iii) If a member is employed in a covered  
1078 nonelected position and a covered elected position simultaneously,  
1079 that member may not receive service credit for accumulated unused  
1080 leave for both positions at retirement for the period during which  
1081 the member was dually employed. During the period during which

1082 the member is dually employed, the member shall only receive  
1083 credit for leave as provided for in this paragraph for an elected  
1084 official.

1085 (3) Subject to the above restrictions and to such other  
1086 rules and regulations as the board may adopt, the board shall  
1087 verify, as soon as practicable after the filing of such statements  
1088 of service, the services therein claimed.

1089 (4) Upon verification of the statement of prior service, the  
1090 board shall issue a prior service certificate certifying to each  
1091 member the length of prior service for which credit shall have  
1092 been allowed on the basis of his statement of service. So long as  
1093 membership continues, a prior service certificate shall be final  
1094 and conclusive for retirement purposes as to such service,  
1095 provided that any member may within five (5) years from the date  
1096 of issuance or modification of such certificate request the board  
1097 of trustees to modify or correct his prior service certificate.  
1098 Any modification or correction authorized shall only apply  
1099 prospectively.

1100 When membership ceases, such prior service certificates shall  
1101 become void. Should the employee again become a member, he shall  
1102 enter the system as an employee not entitled to prior service  
1103 credit except as provided in Sections 25-11-105(I), 25-11-113 and  
1104 25-11-117.

1105 (5) Creditable service at retirement, on which the  
1106 retirement allowance of a member shall be based, shall consist of

1107 the membership service rendered by him since he last became a  
1108 member, and also, if he has a prior service certificate that is in  
1109 full force and effect, the amount of the service certified on his  
1110 prior service certificate.

1111 (6) Any member who served on active duty in the Armed Forces  
1112 of the United States, who served in the Commissioned Corps of the  
1113 United States Public Health Service before 1972 or who served in  
1114 maritime service during periods of hostility in World War II,  
1115 shall be entitled to creditable service at no cost for his service  
1116 on active duty in the Armed Forces, in the Commissioned Corps of  
1117 the United States Public Health Service before 1972 or in such  
1118 maritime service, provided he entered state service after his  
1119 discharge from the Armed Forces or entered state service after he  
1120 completed such maritime service. The maximum period for such  
1121 creditable service for all military service as defined in this  
1122 subsection (6) shall not exceed four (4) years unless positive  
1123 proof can be furnished by such person that he was retained in the  
1124 Armed Forces during World War II or in maritime service during  
1125 World War II by causes beyond his control and without opportunity  
1126 of discharge. The member shall furnish proof satisfactory to the  
1127 board of trustees of certification of military service or maritime  
1128 service records showing dates of entrance into active duty service  
1129 and the date of discharge. From and after July 1, 1993, no  
1130 creditable service shall be granted for any military service or  
1131 maritime service to a member who qualifies for a retirement

1132 allowance in another public retirement system administered by the  
1133 Board of Trustees of the Public Employees' Retirement System  
1134 based, in whole or in part, on such military or maritime service.  
1135 In no case shall the member receive creditable service if the  
1136 member received a dishonorable discharge from the Armed Forces of  
1137 the United States.

1138 (7) (a) Any member of the Public Employees' Retirement  
1139 System whose membership service is interrupted as a result of  
1140 qualified military service within the meaning of Section 414(u) (5)  
1141 of the Internal Revenue Code, and who has received the maximum  
1142 service credit available under subsection (6) of this section,  
1143 shall receive creditable service for the period of qualified  
1144 military service that does not qualify as creditable service under  
1145 subsection (6) of this section upon reentering membership service  
1146 in an amount not to exceed five (5) years if:

1147 (i) The member pays the contributions he would  
1148 have made to the retirement system if he had remained in  
1149 membership service for the period of qualified military service  
1150 based upon his salary at the time his membership service was  
1151 interrupted;

1152 (ii) The member returns to membership service  
1153 within ninety (90) days of the end of his qualified military  
1154 service; and

1155 (iii) The employer at the time the member's  
1156 service was interrupted and to which employment the member returns

1157 pays the contributions it would have made into the retirement  
1158 system for such period based on the member's salary at the time  
1159 the service was interrupted.

1160 (b) The payments required to be made in paragraph  
1161 (a) (i) of this subsection may be made over a period beginning with  
1162 the date of return to membership service and not exceeding three  
1163 (3) times the member's qualified military service; however, in no  
1164 event shall such period exceed five (5) years.

1165 (c) The member shall furnish proof satisfactory to the  
1166 board of trustees of certification of military service showing  
1167 dates of entrance into qualified service and the date of discharge  
1168 as well as proof that the member has returned to active employment  
1169 within the time specified.

1170 (8) Any member of the Public Employees' Retirement System  
1171 who became a member of the system before July 1, 2007, and who has  
1172 at least four (4) years of membership service credit, or who  
1173 became a member of the system on or after July 1, 2007, and who  
1174 has at least eight (8) years of membership service credit, shall  
1175 be entitled to receive a maximum of five (5) years' creditable  
1176 service for service rendered in another state as a public employee  
1177 of such other state, or a political subdivision, public education  
1178 system or other governmental instrumentality thereof, or service  
1179 rendered as a teacher in American overseas dependent schools  
1180 conducted by the Armed Forces of the United States for children of

1181 citizens of the United States residing in areas outside the  
1182 continental United States, provided that:

1183 (a) The member shall furnish proof satisfactory to the  
1184 board of trustees of certification of such services from the  
1185 state, public education system, political subdivision or  
1186 retirement system of the state where the services were performed  
1187 or the governing entity of the American overseas dependent school  
1188 where the services were performed; and

1189 (b) The member is not receiving or will not be entitled  
1190 to receive from the public retirement system of the other state or  
1191 from any other retirement plan, including optional retirement  
1192 plans, sponsored by the employer, a retirement allowance including  
1193 such services; and

1194 (c) The member shall pay to the retirement system on  
1195 the date he or she is eligible for credit for such out-of-state  
1196 service or at any time thereafter before the date of retirement  
1197 the actuarial cost as determined by the actuary for each year of  
1198 out-of-state creditable service. The provisions of this  
1199 subsection are subject to the limitations of Section 415 of the  
1200 Internal Revenue Code and regulations promulgated under that  
1201 section.

1202 (9) Any member of the Public Employees' Retirement System  
1203 who became a member of the system before July 1, 2007, and has at  
1204 least four (4) years of membership service credit, or who became a  
1205 member of the system on or after July 1, 2007, and has at least

1206 eight (8) years of membership service credit, and who receives, or  
1207 has received, professional leave without compensation for  
1208 professional purposes directly related to the employment in state  
1209 service shall receive creditable service for the period of  
1210 professional leave without compensation provided:

1211 (a) The professional leave is performed with a public  
1212 institution or public agency of this state, or another state or  
1213 federal agency;

1214 (b) The employer approves the professional leave  
1215 showing the reason for granting the leave and makes a  
1216 determination that the professional leave will benefit the  
1217 employee and employer;

1218 (c) Such professional leave shall not exceed two (2)  
1219 years during any ten-year period of state service;

1220 (d) The employee shall serve the employer on a  
1221 full-time basis for a period of time equivalent to the  
1222 professional leave period granted immediately following the  
1223 termination of the leave period;

1224 (e) The contributing member shall pay to the retirement  
1225 system the actuarial cost as determined by the actuary for each  
1226 year of professional leave. The provisions of this subsection are
