502 section.

503 **SECTION 7.** Section 45-2-31, Mississippi Code of 1972, is
504 amended as follows:

505 45-2-31. (1) As used in this section, the term "covered
506 individual" means the directors and assistant directors of local
507 emergency management organizations established under Section
508 33-15-17, and coroners and deputy coroners.

509 (2) (a) The Department of Public Safety shall make a
510 payment, as provided in this section, in the amount of One Hundred
511 Thousand Dollars (\$100,000.00) when a covered individual, while

512 engaged in the performance of the person's official duties, is
513 accidentally or intentionally killed, provided that the killing is
514 not the result of suicide and that the bodily injury is not
515 intentionally self-inflicted. Upon specific appropriation by the
516 Legislature therefor, the Department of Public Safety may pay
517 certain claims for death benefits that it finds to be the result
518 of unforeseen or unprecedented circumstances as long as sufficient
519 funds exist at the time such a claim for death benefits is made.

520 (b) The payment provided for in this subsection shall
521 be made to the beneficiary who was designated in writing by the
522 covered individual during the covered individual's lifetime. If
523 no such designation is made, then the payment shall be made to the
524 surviving child or children and spouse in equal portions, and if
525 there is no surviving child or spouse, then to the parent or
526 parents. If a beneficiary is not designated and there is no
527 surviving child, spouse or parent, then the payment shall be made
528 to the covered individual's estate.

529 (c) The payment made in this subsection is in addition
530 to any workers' compensation or pension benefits and is exempt
531 from the claims and demands of creditors of the covered
532 individual.

533 (d) A person who is a beneficiary of a life insurance
534 policy under subsection (5) of this section shall be ineligible
535 for payment from the fund.

536 (3) (a) There is established in the State Treasury a
537 special fund to be known as the "Other Safety Officials Death

538 Benefits Trust Fund." The trust fund shall be funded by monies
539 made available by the Legislature by appropriations as needed, or
540 by donation, contribution, gift or any other source.

541 (b) The State Treasurer shall invest the monies of the
542 trust fund in any of the investments authorized for the funds of
543 the Public Employees' Retirement System under Section 25-11-121,
544 and those investments shall be subject to the limitations
545 prescribed by Section 25-11-121.

546 (c) Unexpended amounts remaining in the trust fund at
547 the end of the state fiscal year shall not lapse into the State
548 General Fund, and any income earned on amounts in the trust fund
549 shall be deposited to the credit of the trust fund.

550 (4) The Department of Public Safety shall be responsible for
551 the management of the trust fund and the disbursement of death
552 benefits authorized under this section.

553 (5) (a) As an alternative to the payment from the fund
554 created in this section, the Commissioner of the Department of
555 Public Safety may establish a life insurance policy in the amount
556 of One Hundred Thousand Dollars (\$100,000.00) for covered
557 individuals.

558 (b) The Commissioner of the Department of Public Safety
559 may use funds from the "Uninsured Motorist Identification Fund"
560 established by Section 63-16-13 to pay life insurance premiums for
561 covered individuals.

562 (c) The payment from the life insurance policy provided
563 for in this subsection shall be made to the beneficiary who was

564 designated in writing by the covered individual, signed by the
565 covered individual and delivered to the employer during the
566 covered individual's lifetime. If no such designation is made,
567 then the payment shall be made to the surviving child or children
568 and spouse in equal portions, and if there is no surviving child
569 or spouse, then to the parent or parents. If a beneficiary is not
570 designated and there is no surviving child, spouse or parent, then
571 the payment shall be made to the covered individual's estate.

572 (6) The Department of Public Safety shall adopt rules and
573 regulations necessary to implement and standardize the payment of
574 death benefits under this section, to administer the trust fund
575 created by this section and to carry out the purposes of this
576 section.

577 **SECTION 8.** Section 97-35-27, Mississippi Code of 1972, which
578 is the provision that requires the registration of convicted
579 felons with the chief of police of the city in which the felon
580 resides or the sheriff of the county in which the felon resides,
581 shall stand repealed.

582 **SECTION 9.** This act shall take effect and be in force from
583 and after July 1, 2022, and shall stand repealed on June 30, 2022.
