528 (m) Request the State Auditor to conduct a performance
529 audit on any personal or professional service contract;

530 (n) Prepare an annual report to the Legislature
531 concerning the issuance of personal and professional services
532 contracts during the previous year, collecting any necessary
533 information from state agencies in making such report;

534 (o) Develop and implement the following standards and
535 procedures for the approval of any sole source contract for

536 personal and professional services regardless of the value of the
537 procurement:

538 (i) For the purposes of this paragraph (o), the
539 term "sole source" means only one (1) source is available that can
540 provide the required personal or professional service.

541 (ii) An agency that has been issued a binding,
542 valid court order mandating that a particular source or provider
543 must be used for the required service must include a copy of the
544 applicable court order in all future sole source contract reviews
545 for the particular personal or professional service referenced in
546 the court order.

547 (iii) Any agency alleging to have a sole source
548 for any personal or professional service, other than those
549 exempted under paragraph (f) of this subsection (2) and subsection
550 (8), shall publish on the procurement portal website established
551 by Sections 25-53-151 and 27-104-165, for at least fourteen (14)
552 days, the terms of the proposed contract for those services. In
553 addition, the publication shall include, but is not limited to,
554 the following information:

555 1. The personal or professional service
556 offered in the contract;

557 2. An explanation of why the personal or
558 professional service is the only one that can meet the needs of
559 the agency;

560 3. An explanation of why the source is the
561 only person or entity that can provide the required personal or
562 professional service;

563 4. An explanation of why the amount to be
564 expended for the personal or professional service is reasonable;
565 and

566 5. The efforts that the agency went through
567 to obtain the best possible price for the personal or professional
568 service.

569 (iv) If any person or entity objects and proposes
570 that the personal or professional service published under
571 subparagraph (iii) of this paragraph (o) is not a sole source
572 service and can be provided by another person or entity, then the
573 objecting person or entity shall notify the Public Procurement
574 Review Board and the agency that published the proposed sole
575 source contract with a detailed explanation of why the personal or
576 professional service is not a sole source service.

577 (v) 1. If the agency determines after review that
578 the personal or professional service in the proposed sole source
579 contract can be provided by another person or entity, then the
580 agency must withdraw the sole source contract publication from the
581 procurement portal website and submit the procurement of the
582 personal or professional service to an advertised competitive bid
583 or selection process.

584 2. If the agency determines after review that
585 there is only one (1) source for the required personal or
586 professional service, then the agency may appeal to the Public
587 Procurement Review Board. The agency has the burden of proving
588 that the personal or professional service is only provided by one
589 (1) source.

590 3. If the Public Procurement Review Board has
591 any reasonable doubt as to whether the personal or professional
592 service can only be provided by one (1) source, then the agency
593 must submit the procurement of the personal or professional
594 service to an advertised competitive bid or selection process. No
595 action taken by the Public Procurement Review Board in this appeal
596 process shall be valid unless approved by a majority of the
597 members of the Public Procurement Review Board present and voting.

598 (vi) The Public Procurement Review Board shall
599 prepare and submit a quarterly report to the House of
600 Representatives and Senate Accountability, Efficiency and
601 Transparency Committees that details the sole source contracts
602 presented to the Public Procurement Review Board and the reasons
603 that the Public Procurement Review Board approved or rejected each
604 contract. These quarterly reports shall also include the
605 documentation and memoranda required in subsection (4) of this
606 section. An agency that submitted a sole source contract shall be
607 prepared to explain the sole source contract to each committee by
608 December 15 of each year upon request by the committee;

609 (p) Assess any fines and administrative penalties
610 provided for in Sections 31-7-401 through 31-7-423.

611 (3) All submissions shall be made sufficiently in advance of
612 each monthly meeting of the Public Procurement Review Board as
613 prescribed by the Public Procurement Review Board. If the Public
614 Procurement Review Board rejects any contract submitted for review
615 or approval, the Public Procurement Review Board shall clearly set
616 out the reasons for its action, including, but not limited to, the
617 policy that the agency has violated in its submitted contract and
618 any corrective actions that the agency may take to amend the
619 contract to comply with the rules and regulations of the Public
620 Procurement Review Board.

621 (4) All sole source contracts for personal and professional
622 services awarded by state agencies, other than those exempted
623 under Section 27-104-7(2)(f) and (8), whether approved by an
624 agency head or the Public Procurement Review Board, shall contain
625 in the procurement file a written determination for the approval,
626 using a request form furnished by the Public Procurement Review
627 Board. The written determination shall document the basis for the
628 determination, including any market analysis conducted in order to
629 ensure that the service required was practicably available from
630 only one (1) source. A memorandum shall accompany the request
631 form and address the following four (4) points:

632 (a) Explanation of why this service is the only service
633 that can meet the needs of the purchasing agency;

634 (b) Explanation of why this vendor is the only
635 practicably available source from which to obtain this service;

636 (c) Explanation of why the price is considered
637 reasonable; and

638 (d) Description of the efforts that were made to
639 conduct a noncompetitive negotiation to get the best possible
640 price for the taxpayers.

641 (5) In conjunction with the State Personnel Board, the
642 Public Procurement Review Board shall develop and promulgate rules
643 and regulations to define the allowable legal relationship between
644 contract employees and the contracting departments, agencies and
645 institutions of state government under the jurisdiction of the
646 State Personnel Board, in compliance with the applicable rules and
647 regulations of the federal Internal Revenue Service (IRS) for
648 federal employment tax purposes. Under these regulations, the
649 usual common law rules are applicable to determine and require
650 that such worker is an independent contractor and not an employee,
651 requiring evidence of lawful behavioral control, lawful financial
652 control and lawful relationship of the parties. Any state
653 department, agency or institution shall only be authorized to
654 contract for personnel services in compliance with those
655 regulations.

656 (6) No member of the Public Procurement Review Board shall
657 use his or her official authority or influence to coerce, by
658 threat of discharge from employment, or otherwise, the purchase of

659 commodities, the contracting for personal or professional
660 services, or the contracting for public construction under this
661 chapter.

662 (7) Notwithstanding any other laws or rules to the contrary,
663 the provisions of subsection (2) of this section shall not be
664 applicable to the Mississippi State Port Authority at Gulfport.

665 (8) Nothing in this section shall impair or limit the
666 authority of the Board of Trustees of the Public Employees'
667 Retirement System to enter into any personal or professional
668 services contracts directly related to their constitutional
669 obligation to manage the trust funds, including, but not limited
670 to, actuarial, custodial banks, cash management, investment
671 consultant and investment management contracts.

672 (9) Notwithstanding the exemption of personal and
673 professional services contracts entered into by the Department of
674 Human Services and personal and professional services contracts
675 entered into by the Department of Child Protection Services from
676 the provisions of this section under subsection (2)(f), before the
677 Department of Human Services or the Department of Child Protection
678 Services may enter into a personal or professional service
679 contract, the department(s) shall give notice of the proposed
680 personal or professional service contract to the Public
681 Procurement Review Board for any recommendations by the board.
682 Upon receipt of the notice, the board shall post the notice on its
683 website and on the procurement portal website established by

684 Sections 25-53-151 and 27-104-165. If the board does not respond
685 to the department(s) within seven (7) calendar days after
686 receiving the notice, the department(s) may enter the proposed
687 personal or professional service contract. If the board responds
688 to the department(s) within seven (7) calendar days, then the
689 board has seven (7) calendar days from the date of its initial
690 response to provide any additional recommendations. After the end
691 of the second seven-day period, the department(s) may enter the
692 proposed personal or professional service contract. The board is
693 not authorized to disapprove any proposed personal or professional
694 services contracts. This subsection shall stand repealed on July
695 1, 2022.

696 **SECTION 5.** This act shall take effect and be in force from
697 and after July 1, 2022, and shall stand repealed on June 30, 2022.
