103           It is the intent of the Legislature that any state funds made  
104 available for salaries of licensed personnel in excess of the  
105 funds paid for such salaries for the 1986-1987 school year shall  
106 be paid to licensed personnel pursuant to a personnel appraisal  
107 and compensation system implemented by the State Board of  
108 Education. The State Board of Education shall have the authority  
109 to adopt and amend rules and regulations as are necessary to  
110 establish, administer and maintain the system.

111           All teachers employed on a full-time basis shall be paid a  
112 minimum salary in accordance with the above scale. However, no  
113 school district shall receive any funds under this section for any  
114 school year during which the local supplement paid to any  
115 individual teacher shall have been reduced to a sum less than that  
116 paid to that individual teacher for performing the same duties  
117 from local supplement during the immediately preceding school  
118 year. The amount actually spent for the purposes of group health  
119 and/or life insurance shall be considered as a part of the  
120 aggregate amount of local supplement but shall not be considered a  
121 part of the amount of individual local supplement.

122           The level of professional training of each teacher to be used  
123 in establishing the salary allotment for the teachers for each  
124 year shall be determined by the type of valid teacher's license  
125 issued to those teachers on or before October 1 of the current  
126 school year. \* \* \* However, \* \* \* school districts are  
127 authorized, in their discretion, to negotiate the salary levels  
128 applicable to \* \* \* licensed employees who are receiving  
129 retirement benefits from the retirement system of another state,  
130 and the annual experience increment provided above in Section  
131 37-19-7 shall not be applicable to any such retired certificated  
132 employee.

133           (2) (a) The following employees shall receive an annual

143 certificate was received prior to October 15 in order to be  
144 eligible for the full salary supplement in the current school  
145 year, or the teacher shall submit such documentation to the State

218 component, not to exceed four (4) components, for a teacher,  
219 school counselor or speech-language pathologist and audiologist,  
220 regardless of whether or not the process resulted in the award of  
221 the certificate or endorsement. A local school district or any

222 private individual or entity may pay the cost of completing the  
223 process of acquiring the certificate or endorsement for any  
224 employee of the school district described under paragraph (a), and  
225 the State Department of Education shall reimburse the school

251 full or in part, by a local school district or private individual  
252 or entity fails to complete the certification or endorsement  
253 process, the employee shall be liable to the school district or  
254 individual or entity for all amounts paid by the school district

278 (4) (a) This section shall be known and may be cited as the  
279 "Mississippi Performance-Based Pay (MPBP)" plan. In addition to  
280 the minimum base pay described in this section, only after full  
281 funding of MAEP and if funds are available for that purpose, the  
282 State of Mississippi may provide monies from state funds to school  
283 districts for the purposes of rewarding \* \* \* licensed teachers,  
284 administrators and nonlicensed personnel at individual schools  
285 showing improvement in student test scores. The MPBP plan shall  
286 be developed by the State Department of Education based on the  
287 following criteria:

288 (i) It is the express intent of this legislation  
289 that the MPBP plan shall utilize only existing standards of  
290 accreditation and assessment as established by the State Board of  
291 Education.

292 (ii) To ensure that all of Mississippi's teachers,  
293 administrators and nonlicensed personnel at all schools have equal  
294 access to the monies set aside in this section, the MPBP program  
295 shall be designed to calculate each school's performance as  
296 determined by the school's increase in scores from the prior

298 scores rating where all levels of schools can be judged in a  
299 statistically fair and reasonable way upon implementation. At the  
300 end of each year, after all student achievement scores have been  
301 standardized, the State Department of Education shall implement  
302 the MPBP plan.

303 (iii) To ensure all teachers cooperate in the  
304 spirit of teamwork, individual schools shall submit a plan to the  
305 local school district to be approved before the beginning of each  
306 school year beginning July 1, 2008. The plan shall include, but  
307 not be limited to, how all teachers, regardless of subject area,

309 achievement for their individual school.

310 (b) The State Board of Education shall develop the  
311 processes and procedures for designating schools eligible to  
312 participate in the MPBP. State assessment results, growth in  
313 student achievement at individual schools and other measures  
314 deemed appropriate in designating successful student achievement  
315 shall be used in establishing MPBP criteria. \* \* \*

316 (5) (a) \* \* \* If funds are available for that purpose, each  
317 school in Mississippi shall have mentor teachers, as defined by  
318 Sections 37-9-201 through 37-9-213, who shall receive additional  
319 base compensation provided for by the State Legislature in the  
320 amount of One Thousand Dollars (\$1,000.00) per each beginning  
321 teacher that is being mentored. The additional state compensation

322 shall be limited to those mentor teachers that provide mentoring  
323 services to beginning teachers. For the purposes of such funding,  
324 a beginning teacher shall be defined as any teacher in any school  
325 in Mississippi that has less than one (1) year of classroom  
326 experience teaching in a public school. For the purposes of such  
327 funding, no full-time academic teacher shall mentor more than two

329 (b) To be eligible for this state funding, the  
330 individual school must have a classroom management program  
331 approved by the local school board.

332 (6) Effective with the 2014-2015 school year, the school  
333 districts participating in the Pilot Performance-Based  
334 Compensation System pursuant to Section 37-19-9 may award
