 18 which provides services, merchandise or both in connection with  
 19 the final disposition of the resident's body after his or her

24 preneed contract to the regular charges to the resident by the  
25 facility.

26 (2) Any resident of a facility described in subsection (1)  
27 of this section on July 1, 2023, who is sixty (60) years of age or

33 (3) A nursing facility, assisted living facility, personal
