41 proficiency and fluency with the patterns of language so that
42 words and sentences are carriers of meaning; and

43 (v) Strategies that students use for decoding,
44 encoding, word recognition, fluency and comprehension.

45 These components shall be taught using instructional
46 approaches that include explicit, direct instruction which is

67 option to attend a public school other than the one to which

79 disability of dyslexia.

80 **SECTION 2.** Section 37-173-9, Mississippi Code of 1972, is
81 amended as follows:

82 37-173-9. (1) (a) The parent or legal guardian is not
83 required to accept the offer of enrolling in another public school
84 in lieu of requesting a Mississippi Dyslexia Therapy Scholarship
85 to a nonpublic school. However, if the parent or legal guardian
86 chooses the public school option, the student may continue
87 attending a public school chosen by the parent or legal guardian
88 until the student completes Grade 12.

89 (b) If the parent or legal guardian chooses a public
90 school within the district, the school district shall provide

101 school option and the student is accepted by the nonpublic school
102 pending the availability of a space for the student, the parent or
103 legal guardian of the student must notify the department thirty
104 (30) days before the first scholarship payment and before entering
105 the nonpublic school in order to be eligible for the scholarship
106 when a space becomes available for the student in the nonpublic
107 school.

108 (3) The parent or legal guardian of a student may choose, as
109 an alternative, to enroll the student in and transport the student
110 to a public school in an adjacent school district which has
111 available space and has a program with dyslexia services that
112 provide daily dyslexia therapy sessions delivered by a department
113 licensed dyslexia therapist or certified academic language
114 therapist, and that school district shall accept the student and
115 report the student for purposes of the district's funding under
