77 administrator agree to the withdrawal;

78 (b) At the exit interview, the student and the
79 student's parent or guardian provide written acknowledgement of
80 the withdrawal that meets the requirements of paragraph (d) of
81 this subsection;

82 (c) The school principal provides written consent for
83 the student to withdraw from school; and

84 (d) The withdrawal is:

96 likelihood of being unemployed in the future.

97 (2) If a child of the age described in subsection (1) is
98 habitually absent from school and the school is unable to contact
99 the parent or guardian, the school may withdraw the child from
100 enrollment if its attempts to contact the parent or guardian by
101 telephone, regular and registered mail, and home visit are
102 documented. If a child who has been withdrawn from enrollment
103 under this subsection returns to school, or if the school
104 mistakenly withdraws the child from enrollment, the child shall be
105 reenrolled promptly.

106 **SECTION 4.** This act shall take effect and be in force from
107 and after July 1, 2023.
