

**Adopted
AMENDMENT NO 1 PROPOSED TO**

House Bill No. 1301

BY: Representative Bell (21st)

1 **AMEND** by inserting the following after line 27:
2 " (3) Subject to appropriation, the Office of Workforce
3 Development may provide all career coaches access to a secure end-
4 to-end platform that enables career coaches to use advance
5 analytics for the purpose of assisting students to develop
6 customized career pathways and directly connecting students with
7 post-secondary and employment opportunities that match their
8 skills and interests. The platform used may include a mentorship
9 program connecting students with industry professionals, direct
10 access to a wide range of professional jobs and internships, a
11 college and scholarship search tool and the ability for each
12 student to create a comprehensive student profile that can be
13 viewed by potential employers and college admission officers. "

AMEND title to conform.
