46 pertaining to the offense or offenses for which the individual was
47 convicted.

48 (b) The individual's information, once entered on the

(c) The department, or its designees, shall report to an appropriate criminal investigative or prosecutive authority any person required by this section to report or who fails to comply with this section. A person who fails to make a report as required under this subsection or who, because of the circumstances, should have known or suspected beyond a reasonable doubt that a vulnerable person suffers from exploitation, abuse, neglect or self-neglect but who knowingly fails to comply with this section shall, upon conviction, be guilty of a misdemeanor and shall be punished by a fine not exceeding Five Thousand

Dollars (\$5,000.00), or by imprisonment in the county jail for not more than six (6) months, or both such fine and imprisonment.

However, for purposes of this subsection (1), any recognized legal financial transaction shall not be considered cause to report the knowledge or suspicion of the financial exploitation of a vulnerable person. If a person convicted under this section is a member of a profession or occupation that is licensed, certified or regulated by the state, the court shall notify the appropriate licensing, certifying or regulating entity of the conviction.

(2) Reports received by law enforcement authorities or other agencies shall be forwarded immediately to the Department of Human Services or the county department of human services. The Department of Human Services shall investigate the reported abuse, neglect or exploitation immediately and shall file a preliminary report of its findings with the Office of the Attorney General within forty-eight (48) hours if immediate attention is needed, or seventy-two (72) hours if the vulnerable person is not in immediate danger and shall make additional reports as new information or evidence becomes available. The Department of Human Services, upon request, shall forward a statement to the person making the initial report required by this section as to what action is being taken, if any.

(3) The report may be made orally or in writing, but where made orally, it shall be followed up by a written report. A person who fails to report or to otherwise comply with this

171 section, as provided herein, shall have no civil or criminal
172 liability, other than that expressly provided for in this section,
173 to any person or entity in connection with any failure to report
174 or to otherwise comply with the requirements of this section.

175 (4) Anyone who makes a report required by this section or
176 who testifies or participates in any judicial proceedings arising
177 from the report or who participates in a required investigation or
178 evaluation shall be presumed to be acting in good faith and in so
179 doing shall be immune from liability, civil or criminal, that
180 might otherwise be incurred or imposed. However, the immunity
181 provided under this subsection shall not apply to any suspect or
182 perpetrator of any abuse, neglect or exploitation.

183 (5) A person who intentionally makes a false report under
184 the provisions of this section may be found liable in a civil suit
185 for any actual damages suffered by the person or persons so
186 reported and for any punitive damages set by the court or jury.

187 (6) The Executive Director of the Department of Human
188 Services shall establish a statewide central register of reports
189 made pursuant to this section. The central register shall be
190 capable of receiving reports of vulnerable persons in need of
191 protective services seven (7) days a week, twenty-four (24) hours
192 a day. To effectuate this purpose, the executive director shall
193 establish a single toll-free statewide phone number that all
194 persons may use to report vulnerable persons in need of protective
195 services, and that all persons authorized by subsection (7) of

196 this section may use for determining the existence of prior
197 reports in order to evaluate the condition or circumstances of the
198 vulnerable person before them. Such oral reports and evidence of
199 previous reports shall be transmitted to the appropriate county
200 department of human services. The central register shall include,
201 but not be limited to, the following information: the name and
202 identifying information of the individual reported, the county
203 department of human services responsible for the investigation of
204 each such report, the names, affiliations and purposes of any
205 person requesting or receiving information which the executive
206 director believes might be helpful in the furtherance of the
207 purposes of this chapter, the name, address, birth date, social
208 security number of the perpetrator of abuse, neglect and/or
209 exploitation, and the type of abuse, neglect and/or exploitation
210 of which there was substantial evidence upon investigation of the
211 report. The central register shall inform the person making
212 reports required under this section of his or her right to request
213 statements from the department as to what action is being taken,
214 if any.

215 Each person, business, organization or other entity, whether
216 public or private, operated for profit, operated for nonprofit or
217 a voluntary unit of government not responsible for law enforcement
218 providing care, supervision or treatment of vulnerable persons
219 shall conduct criminal history records checks on each new employee
220 of the entity who provides, and/or would provide direct patient

care or services to adults or vulnerable persons, as provided in
Section 43-11-13.

The department shall not release data that would be harmful
or detrimental to the vulnerable person or that would identify or
locate a person who, in good faith, made a report or cooperated in
a subsequent investigation unless ordered to do so by a court of
competent jurisdiction.

(7) Reports made pursuant to this section, reports written
or photographs taken concerning such reports in the possession of
the Department of Human Services or the county department of human
services shall be confidential and shall only be made available
to:

(a) A physician who has before him a vulnerable person
whom he reasonably suspects may be abused, neglected or exploited,
as defined in Section 43-47-5;

(b) A duly authorized agency having the responsibility
for the care or supervision of a subject of the report;

(c) A grand jury or a court of competent jurisdiction,
upon finding that the information in the record is necessary for
the determination of charges before the grand jury;

(d) A district attorney or other law enforcement
official * * *;

(e) Federal, state or local governmental entities,
social service agencies of another state, or any agent of these
entities, having a need for the information in order to carry out

their responsibilities under law to protect individuals from
abuse, neglect, or exploitation under this chapter; and

(f) A guardian ad litem, guardian or conservator
authorized by a court to act as a representative for a vulnerable
person in need of protective services who is the subject of a
report.

Notwithstanding the provisions of paragraph (b) of this
subsection, the department may not disclose a report of the
abandonment, exploitation, abuse, neglect or self-neglect of a
vulnerable person to the vulnerable person's guardian,
attorney-in-fact, surrogate decision maker, or caregiver who is a
perpetrator or alleged perpetrator of the abandonment,
exploitation, abuse or neglect of the vulnerable person.

Any person given access to the names or other information
identifying the subject of the report, except the subject of the
report, shall not divulge or make public such identifying
information unless he is a district attorney or other law
enforcement official and the purpose is to initiate court action.
Any person who willfully permits the release of any data or
information obtained pursuant to this section to persons or
agencies not permitted to such access by this section shall be
guilty of a misdemeanor.

(8) Upon reasonable cause to believe that a caretaker or
other person has abused, neglected or exploited a vulnerable
person, the department shall promptly notify the district attorney

271 of the county in which the vulnerable person is located and the
272 Office of the Attorney General, except as provided in Section
273 43-47-37(2).
