33 the "American Rescue Plan Act (ARPA) Nurse/Allied Health Workforce
34 Development and Retention Act." Under this article, the
35 Legislature creates the "Accelerate Mississippi Nursing/Allied
36 Health Grant Program" and the "Accelerate Mississippi Physician
37 Residency and Fellowship Start-Up Grant Program."

38 **SECTION 2.** (1) The Mississippi Legislature finds that:

39 (a) The public health crisis related to COVID-19
40 resulted in a general disruption in the Mississippi economy and

41 workforce, particularly in hospitals, clinics, long-term care
42 facilities and other health care facilities across the state;

43 (b) Workforce shortages exist in the health care
44 industry; and

45 (c) The availability of unprecedented federal funding
46 to mitigate the impact of COVID-19 on the workforce and economy

48 Development, working with community colleges, to provide education
49 and training to help Mississippians find employment in the
50 nursing, allied health and other health care fields.

51 (2) Therefore, the intent of the Mississippi Legislature is:

52 (a) To provide funding for outreach efforts to connect

55 obtain necessary skills for relevant employment in the state;

56 (b) To provide funding for new and increased capacity
57 in existing nursing and allied health training programs, or to
58 help retain and graduate nursing and allied health students, to
59 include any required equipment or supplies, at community and
60 junior colleges or through other entities facilitating
61 healthcare-focused workforce training programs across the state;

62 (c) To provide funding for new and increased capacity
63 in physician residency and fellowship programs in hospitals across
64 the state; and

66 gathering data related to participation and wage and employment
67 outcomes in order to replicate successful efforts in future
68 workforce development programs.
