504 provided under this paragraph (b) or Section 37-101-15(m);

505 (c) Adopt regulations governing any lease or rental
506 agreement by any state agency or department, including any state
507 agency financed entirely by federal funds, for space outside the
508 buildings under the jurisdiction of the Department of Finance and
509 Administration. These regulations shall require each agency
510 requesting to lease such space to provide the following
511 information that shall be published by the Department of Finance
512 and Administration on its website: the agency to lease the space;

513 the terms of the lease; the approximate square feet to be leased;
514 the use for the space; a description of a suitable space; the
515 general location desired for the leased space; the contact
516 information for a person from the agency; the deadline date for
517 the agency to have received a lease proposal; any other specific
518 terms or conditions of the agency; and any other information
519 deemed appropriate by the Division of Real Property Management of
520 the Department of Finance and Administration or the Public
521 Procurement Review Board. The information shall be provided
522 sufficiently in advance of the time the space is needed to allow
523 the Division of Real Property Management of the Department of
524 Finance and Administration to review and preapprove the lease
525 before the time for advertisement begins;

526 (d) Adopt, in its discretion, regulations to set aside
527 at least five percent (5%) of anticipated annual expenditures for
528 the purchase of commodities from minority businesses; however, all
529 such set-aside purchases shall comply with all purchasing
530 regulations promulgated by the department and shall be subject to
531 all bid requirements. Set-aside purchases for which competitive
532 bids are required shall be made from the lowest and best minority
533 business bidder; however, if no minority bid is available or if
534 the minority bid is more than two percent (2%) higher than the
535 lowest bid, then bids shall be accepted and awarded to the lowest
536 and best bidder. However, the provisions in this paragraph shall
537 not be construed to prohibit the rejection of a bid when only one

538 (1) bid is received. Such rejection shall be placed in the
539 minutes. For the purposes of this paragraph, the term "minority
540 business" means a business which is owned by a person who is a
541 citizen or lawful permanent resident of the United States and who
542 is:

543 (i) Black: having origins in any of the black
544 racial groups of Africa;

549 the original people of the Far East, Southeast Asia, the Indian
550 subcontinent, or the Pacific Islands;

551 (iv) American Indian or Alaskan Native: having
552 origins in any of the original people of North America; or

553 (v) Female;

554 (e) In consultation with and approval by the Chairs of
555 the Senate and House Public Property Committees, approve leases,
556 for a term not to exceed eighteen (18) months, entered into by
557 state agencies for the purpose of providing parking arrangements
558 for state employees who work in the Woolfolk Building, the Carroll
559 Gartin Justice Building or the Walter Sillers Office Building;

560 (f) (i) Except as otherwise provided in subparagraph
561 (ii) of this paragraph, promulgate rules and regulations governing
562 the solicitation and selection of contractual services personnel,

563 including personal and professional services contracts for any
564 form of consulting, policy analysis, public relations, marketing,
565 public affairs, legislative advocacy services or any other
566 contract that the board deems appropriate for oversight, with the
567 exception of:

568 1. Any personal service contracts entered
569 into by any agency that employs only nonstate service employees as
570 defined in Section 25-9-107(c);

571 2. Any personal service contracts entered
572 into for computer or information technology-related services
573 governed by the Mississippi Department of Information Technology
574 Services;

580 into by the Department of Human Services through June 30, 2019,

585 into by the Department of Child Protection Services through June
586 30, 2019;

588 performers at the Mississippi State Fairgrounds entered into by
589 the Mississippi Fair Commission;

590 8. Any contracts entered into by the
591 Department of Finance and Administration when procuring aircraft
592 maintenance, parts, equipment and/or services;

593 9. Any contract entered into by the
594 Department of Public Safety for service on specialized equipment
595 and/or software required for the operation of such specialized
596 equipment for use by the Office of Forensics Laboratories;

597 10. Any personal or professional service
598 contract entered into by the Mississippi Department of Health or
599 the Department of Revenue solely in connection with their
600 respective responsibilities under the Mississippi Medical Cannabis
601 Act from February 2, 2022, through June 30, 2026;

602 11. Any contract for attorney, accountant,
603 actuary auditor, architect, engineer, anatomical pathologist, or
604 utility rate expert services;

615 contract entered into by the Mississippi Department of
616 Environmental Quality in carrying out its responsibilities under
617 the Mississippi Municipality and County Water Infrastructure Grant
618 Program Act of 2022, through June 30, 2026.

619 Any such rules and regulations shall provide for maintaining
620 continuous internal audit covering the activities of such agency
621 affecting its revenue and expenditures as required under Section
622 7-7-3(6) (d). Any rules and regulation changes related to personal
623 and professional services contracts that the Public Procurement
624 Review Board may propose shall be submitted to the Chairs of the
625 Accountability, Efficiency and Transparency Committees of the
626 Senate and House of Representatives and the Chairs of the
627 Appropriation Committees of the Senate and House of
628 Representatives at least fifteen (15) days before the board votes
629 on the proposed changes, and those rules and regulation changes,
630 if adopted, shall be promulgated in accordance with the
631 Mississippi Administrative Procedures Act.

632 (ii) From and after July 1, 2024, the Public
633 Procurement Review Board shall promulgate rules and regulations
634 that require the Department of Finance and Administration to
635 conduct personal and professional services solicitations as
636 provided in subparagraph (i) of this paragraph for those services

637 in excess of Seventy-five Thousand Dollars (\$75,000.00) for the
638 Department of Marine Resources, the Department of Wildlife,
639 Fisheries and Parks, the Mississippi Emergency Management Agency
640 and the Mississippi Development Authority, with assistance to be
641 provided from these entities. Any powers that have been conferred
642 upon agencies in order to comply with the provisions of this
643 section for personal and professional services solicitations shall
644 be conferred upon the Department of Finance and Administration to
645 conduct personal and professional services solicitations for the
646 Department of Marine Resources, the Department of Wildlife,
647 Fisheries and Parks, the Mississippi Emergency Management Agency
648 and the Mississippi Development Authority for those services in
649 excess of Seventy-five Thousand Dollars (\$75,000.00). The
650 Department of Finance and Administration shall make any
651 submissions that are required to be made by other agencies to the
652 Public Procurement Review Board for the Department of Marine
653 Resources, the Department of Wildlife, Fisheries and Parks, the
654 Mississippi Emergency Management Agency and the Mississippi
655 Development Authority.

656 The provisions of this subparagraph (ii) shall stand repealed
657 on June 30, 2027;

658 (g) Approve all personal and professional services
659 contracts involving the expenditures of funds in excess of
660 Seventy-five Thousand Dollars (\$75,000.00), except as provided in
661 paragraph (f) of this subsection (2) and in subsection (8);

662 (h) Develop mandatory standards with respect to
663 contractual services personnel that require invitations for public
664 bid, requests for proposals, record keeping and financial
665 responsibility of contractors. The Public Procurement Review
666 Board shall, unless exempted under this paragraph (h) or under
667 paragraph (i) or (o) of this subsection (2), require the agency
668 involved to submit the procurement to a competitive procurement
669 process, and may reserve the right to reject any or all resulting
670 procurements;

671 (i) Prescribe certain circumstances by which agency
672 heads may enter into contracts for personal and professional
673 services without receiving prior approval from the Public
674 Procurement Review Board. The Public Procurement Review Board may
675 establish a preapproved list of providers of various personal and
676 professional services for set prices with which state agencies may
677 contract without bidding or prior approval from the board;

678 (i) Agency requirements may be fulfilled by
679 procuring services performed incident to the state's own programs.
680 The agency head shall determine in writing whether the price
681 represents a fair market value for the services. When the
682 procurements are made from other governmental entities, the
683 private sector need not be solicited; however, these contracts
684 shall still be submitted for approval to the Public Procurement
685 Review Board.

686 (ii) Contracts between two (2) state agencies,
687 both under Public Procurement Review Board purview, shall not
688 require Public Procurement Review Board approval. However, the
689 contracts shall still be entered into the enterprise resource
690 planning system;

691 (j) Provide standards for the issuance of requests for
692 proposals, the evaluation of proposals received, consideration of
693 costs and quality of services proposed, contract negotiations, the
694 administrative monitoring of contract performance by the agency
695 and successful steps in terminating a contract;

696 (k) Present recommendations for governmental
697 privatization and to evaluate privatization proposals submitted by
698 any state agency;

699 (l) Authorize personal and professional service
700 contracts to be effective for more than one (1) year provided a
701 funding condition is included in any such multiple year contract,
702 except the State Board of Education, which shall have the
703 authority to enter into contractual agreements for student
704 assessment for a period up to ten (10) years. The State Board of
705 Education shall procure these services in accordance with the
706 Public Procurement Review Board procurement regulations;

707 (m) Request the State Auditor to conduct a performance
708 audit on any personal or professional service contract;

709 (n) Prepare an annual report to the Legislature
710 concerning the issuance of personal and professional services

711 contracts during the previous year, collecting any necessary
712 information from state agencies in making such report;

713 (o) Develop and implement the following standards and
714 procedures for the approval of any sole source contract for
715 personal and professional services regardless of the value of the
716 procurement:

717 (i) For the purposes of this paragraph (o), the
718 term "sole source" means only one (1) source is available that can
719 provide the required personal or professional service.

720 (ii) An agency that has been issued a binding,
721 valid court order mandating that a particular source or provider
722 must be used for the required service must include a copy of the
723 applicable court order in all future sole source contract reviews
724 for the particular personal or professional service referenced in
725 the court order.

726 (iii) Any agency alleging to have a sole source
727 for any personal or professional service, other than those
728 exempted under paragraph (f) of this subsection (2) and subsection
729 (8), shall publish on the procurement portal website established
730 by Sections 25-53-151 and 27-104-165, for at least fourteen (14)
731 days, the terms of the proposed contract for those services. In
732 addition, the publication shall include, but is not limited to,
733 the following information:

734 1. The personal or professional service
735 offered in the contract;

736 2. An explanation of why the personal or
737 professional service is the only one that can meet the needs of
738 the agency;

739 3. An explanation of why the source is the
740 only person or entity that can provide the required personal or
741 professional service;

742 4. An explanation of why the amount to be
743 expended for the personal or professional service is reasonable;
744 and

745 5. The efforts that the agency went through
746 to obtain the best possible price for the personal or professional
747 service.

748 (iv) If any person or entity objects and proposes
749 that the personal or professional service published under
750 subparagraph (iii) of this paragraph (o) is not a sole source
751 service and can be provided by another person or entity, then the
752 objecting person or entity shall notify the Public Procurement
753 Review Board and the agency that published the proposed sole
754 source contract with a detailed explanation of why the personal or
755 professional service is not a sole source service.

756 (v) 1. If the agency determines after review that
757 the personal or professional service in the proposed sole source
758 contract can be provided by another person or entity, then the
759 agency must withdraw the sole source contract publication from the
760 procurement portal website and submit the procurement of the

761 personal or professional service to an advertised competitive bid
762 or selection process.

763 2. If the agency determines after review that
764 there is only one (1) source for the required personal or
765 professional service, then the agency may appeal to the Public
766 Procurement Review Board. The agency has the burden of proving
767 that the personal or professional service is only provided by one
768 (1) source.

769 3. If the Public Procurement Review Board has
770 any reasonable doubt as to whether the personal or professional
771 service can only be provided by one (1) source, then the agency
772 must submit the procurement of the personal or professional
773 service to an advertised competitive bid or selection process. No
774 action taken by the Public Procurement Review Board in this appeal
775 process shall be valid unless approved by a majority of the
776 members of the Public Procurement Review Board present and voting.

777 (vi) The Public Procurement Review Board shall
778 prepare and submit a quarterly report to the House of
779 Representatives and Senate Accountability, Efficiency and
780 Transparency Committees that details the sole source contracts
781 presented to the Public Procurement Review Board and the reasons
782 that the Public Procurement Review Board approved or rejected each
783 contract. These quarterly reports shall also include the
784 documentation and memoranda required in subsection (4) of this
785 section. An agency that submitted a sole source contract shall be

786 prepared to explain the sole source contract to each committee by
787 December 15 of each year upon request by the committee;

788 (p) Assess any fines and administrative penalties
789 provided for in Sections 31-7-401 through 31-7-423.

790 (3) All submissions shall be made sufficiently in advance of
791 each monthly meeting of the Public Procurement Review Board as
792 prescribed by the Public Procurement Review Board. If the Public
793 Procurement Review Board rejects any contract submitted for review
794 or approval, the Public Procurement Review Board shall clearly set
795 out the reasons for its action, including, but not limited to, the
796 policy that the agency has violated in its submitted contract and
797 any corrective actions that the agency may take to amend the
798 contract to comply with the rules and regulations of the Public
799 Procurement Review Board.

800 (4) All sole source contracts for personal and professional
801 services awarded by state agencies, other than those exempted
802 under Section 27-104-7(2)(f) and (8), whether approved by an
803 agency head or the Public Procurement Review Board, shall contain
804 in the procurement file a written determination for the approval,
805 using a request form furnished by the Public Procurement Review
806 Board. The written determination shall document the basis for the
807 determination, including any market analysis conducted in order to
808 ensure that the service required was practicably available from
809 only one (1) source. A memorandum shall accompany the request
810 form and address the following four (4) points:

811 (a) Explanation of why this service is the only service
812 that can meet the needs of the purchasing agency;

813 (b) Explanation of why this vendor is the only
814 practicably available source from which to obtain this service;

815 (c) Explanation of why the price is considered
816 reasonable; and

817 (d) Description of the efforts that were made to
818 conduct a noncompetitive negotiation to get the best possible
819 price for the taxpayers.

820 (5) In conjunction with the State Personnel Board, the
821 Public Procurement Review Board shall develop and promulgate rules
822 and regulations to define the allowable legal relationship between
823 contract employees and the contracting departments, agencies and
824 institutions of state government under the jurisdiction of the
825 State Personnel Board, in compliance with the applicable rules and
826 regulations of the federal Internal Revenue Service (IRS) for
827 federal employment tax purposes. Under these regulations, the
828 usual common law rules are applicable to determine and require
829 that such worker is an independent contractor and not an employee,
830 requiring evidence of lawful behavioral control, lawful financial
831 control and lawful relationship of the parties. Any state
832 department, agency or institution shall only be authorized to
833 contract for personnel services in compliance with those
834 regulations.

835 (6) No member of the Public Procurement Review Board shall
836 use his or her official authority or influence to coerce, by
837 threat of discharge from employment, or otherwise, the purchase of
838 commodities, the contracting for personal or professional
839 services, or the contracting for public construction under this
840 chapter.

841 (7) Notwithstanding any other laws or rules to the contrary,
842 the provisions of subsection (2) of this section shall not be
843 applicable to the Mississippi State Port Authority at Gulfport.

844 (8) Nothing in this section shall impair or limit the
845 authority of the Board of Trustees of the Public Employees'
846 Retirement System to enter into any personal or professional
847 services contracts directly related to their constitutional
848 obligation to manage the trust funds, including, but not limited
849 to, actuarial, custodial banks, cash management, investment
850 consultant and investment management contracts. Nothing in this
851 section shall impair or limit the authority of the State Treasurer
852 to enter into any personal or professional services contracts
853 involving the management of trust funds, including, but not
854 limited to, actuarial, custodial banks, cash management,
855 investment consultant and investment management contracts.

856 (9) Through December 31, * * * 2027, the provisions of this
857 section related to rental agreements or leasing of real property
858 for the purpose of conducting agency business shall not apply to
859 the Office of Workforce Development created in Section 37-153-7.

860 **SECTION 3.** This act shall take effect and be in force from
861 and after July 1, 2024.
