23 **SECTION 1.** (1) As used in this section, the following words
24 and phrases shall have the meanings as defined in this section
25 unless the context clearly indicates otherwise:

26 (a) "Mobile barbershop" means a self-contained unit in
27 which the practice of barbering is conducted, which may be moved,

28 towed or transported from one location to another. A "mobile
29 barbershop" includes a portable barber operation.

30 (b) "Portable barber operation" means equipment used in
31 the practice of barbering that is in a mobile barbershop or
32 transported from a barbershop and used on a temporary basis at a
33 location including, but not limited to:

34 (i) A client's home; or

35 (ii) Another location as may be authorized by the
36 State Board of Barber Examiners.

37 (2) An individual may operate a mobile barbershop if the
38 individual:

39 (a) Is licensed to engage in the practice of barbering
40 under Section 73-5-33; and

41 (b) Does not have a physically stationary office at the
42 location where the mobile barbering services are provided.

43 (3) In order to operate a mobile barbershop, a licensed
44 barber shall apply to the board for a mobile barbershop permit.
45 The licensed barber shall submit a permit application and fee in a
46 manner as prescribed by the board.

47 (4) Before a mobile barbershop permit may be issued, an
48 inspection of the mobile barbershop must be conducted by a
49 representative of the board. Upon a satisfactory inspection, the
50 board shall issue the applicant a mobile barbershop permit to be
51 affixed within the mobile barbershop as prescribed by the board.
52 The board shall also issue a permit card to be carried by the

53 licensed barber when practicing barbering through a mobile
54 barbershop operation.

55 (5) A mobile barbershop permit must be renewed annually, and
56 a renewal fee paid, as prescribed by the board.

58 inspections and must be annually inspected before a permit may be
59 renewed.

61 business address. The permittee's official business address shall
62 be indicated on the permit application and must not be a post
63 office box. If an address different from the official business
64 address is used for official barbershop business, then that
65 address must also be provided.

66 Permit applications must also include the home address of the
67 applicant. The inclusion of the applicant's home address on the
68 application does authorize the applicant to conduct official
69 barbershop business at his home address if the applicant is issued
70 a permit.

71 (8) A mobile barbershop permittee shall maintain an official
72 telephone number, which must be indicated on the application. If
73 other telephone numbers are used for official barbershop business,
74 then those telephone numbers must also be provided.

84 times during the operation of a mobile barbershop, and is
85 responsible for all barbering services provided at the mobile
86 barbershop.

87 (12) A mobile barbershop permittee shall comply with all
88 applicable federal, state and local laws, regulations, and
89 ordinances pertaining to the practice of barbering and with all

92 Health Administration guidelines, and federal Centers for Disease

97 provided.

98 (13) A mobile barbershop permittee shall notify the board in
99 writing within thirty (30) days of the last day of operations when
100 a mobile barbershop ceases to operate.

101 (14) A mobile barbershop permit is not transferable. If a
102 mobile barbershop is sold, the new owner of the barbershop must
103 apply to the board for a permit before providing barbering
104 services through the mobile barbershop.

105 (15) The board shall promulgate rules and regulations to
106 carry out the provisions of this section, including, but not
107 limited to, establishing a permit application and fees.

108 (16) A barber who violates any provision of this section or
109 any regulation promulgated by the board under this section is
110 subject to disciplinary action as may be determined by the board.

111 (17) The provisions of this section do not apply to a
112 licensed barber while providing barbering services in a nursing
113 home or community residential care facility setting, equipped and
114 maintained in compliance with regulations and other requirements
115 concerning the equipping and maintenance of barbershops.

116 **SECTION 2.** This act shall take effect and be in force from
117 and after July 1, 2024.
