237 Management System. If any changes to the information occur as a
238 result of redistricting, annexation or other reason, it shall be
239 the responsibility of the municipal clerk to timely provide the
240 changes to the county registrar.

241 **SECTION 5.** Section 23-15-39, Mississippi Code of 1972, is
242 amended as follows:

243 23-15-39. (1) Applications for registration as electors of

247 be made upon a form established by rule duly adopted by the
248 Secretary of State.

249 (2) The boards of supervisors shall make proper allowances

256 provided by law.

257 (4) If the applicant indicates on the application that he or
258 she has previously registered to vote in another county of this
259 state or another state, notice to the voter's previous county of
260 registration in this state shall be provided by the Statewide
261 Elections Management System. If the voter's previous place of
262 registration was in another state, notice shall be provided to the
263 voter's previous state of residence if the Statewide Elections
264 Management System has that capability.

265 (5) The county registrar shall provide to the person making
266 the application a copy of the application upon which has been
267 written the county voting precinct and municipal voting precinct,
268 if any, in which the person shall vote. Upon entry of the voter
269 registration information into the Statewide Elections Management
270 System, the system shall assign a voter registration number to the
271 person, and the county registrar shall mail the applicant a voter

272 registration card to the mailing address provided on the
273 application.

274 (6) Any person desiring an application for registration may
275 secure an application from the registrar of the county of which he
276 or she is a resident and may take the application with him or her
277 and secure assistance in completing the application from any
278 person of the applicant's choice. It shall be the duty of all
279 registrars to furnish applications for registration to all persons
280 requesting them, and it shall likewise be the registrar's duty to
281 furnish aid and assistance in the completing of the application
282 when requested by an applicant. The application for registration
283 shall be sworn to and subscribed before the registrar or deputy
284 registrar at the municipal clerk's office, the county registrar's
285 office or any other location where the applicant is allowed to
286 register to vote. The registrar shall not charge a fee or cost to
287 the applicant for accepting the application or administering the
288 oath or for any other duty imposed by law regarding the
289 registration of electors.

290 (7) If the person making the application is unable to read
291 or write, for reason of disability or otherwise, he or she shall
292 not be required to personally complete the application in writing
293 and execute the oath. In such cases, the registrar or deputy
294 registrar shall read the application and oath to the person and
295 the person's answers thereto shall be recorded by the registrar or
296 the registrar's deputy. The person shall be registered as an

297 elector if he or she otherwise meets the requirements to be
298 registered as an elector. The registrar shall record the
299 responses of the person and the recorded responses shall be
300 retained permanently by the registrar. The county registrar shall
301 enter the voter registration information into the Statewide
302 Elections Management System and designate the entry as an assisted
303 filing.

304 (8) The receipt of a copy of the application for
305 registration sent pursuant to Section 23-15-35(2) shall be
306 sufficient to allow the applicant to be registered as an elector
307 of this state, if the application is not challenged.

308 (9) In any case in which the corporate boundaries of a
309 municipality change, whether by annexation or redistricting, the
310 municipal clerk shall, within ten (10) days after approval of the
311 change in corporate boundaries, provide to the county registrar
312 conforming geographic data that is compatible with the Statewide
313 Elections Management System. The data shall be developed by the
314 municipality's use of a standardized format specified by the
315 Statewide Elections Management System. The county registrar,
316 county election commissioner or other county official, who has
317 completed an annual training seminar sponsored by the Secretary of
318 State pertaining to the implementation of new boundary lines in
319 the Statewide Elections Management System and received
320 certification for that training, shall update the municipal
321 boundary information into the Statewide Elections Management

322 System. The Statewide Elections Management System updates the
323 municipal voter registration records and assigns electors to their
324 municipal voting precincts. The county registrar shall forward to
325 the municipal clerk written notification of the additions and
326 changes, and the municipal clerk shall forward to the affected
327 municipal electors written notification of the additions and
328 changes.

331 23-15-41. (1) When an applicant to register to vote has
332 completed the application form as prescribed by administrative

344 the Statewide Elections Management System and mark the applicant's
345 status as "PENDING" or "REJECTED," with the specific reason or

346 reasons for that status noted. The registrar shall notify the
347 election commission of those applicants rejected.

348 **SECTION 7.** Section 23-15-79, Mississippi Code of 1972, is
349 amended as follows:

350 23-15-79. (1) Unless the application for registration was
351 made pursuant to Section 23-15-47 or Section 1 of this act, the
352 date of registration to vote shall be the date the application for
353 registration to vote was initially received by the registrar or,
354 if submitted by mail, the postmark date, regardless of the date on

373 election commissioner or the Mississippi Department of Public
374 Safety because of their refusal or neglect to perform any of the
375 duties prescribed by this chapter regarding the registration of
376 electors may petition the chancery court of the county of the
377 registrar or election commissioner for an injunction or mandate to
378 enforce the performance of such duties and to secure to that
379 applicant the rights to which he or she may be entitled under the
380 provisions of the sections.

456 application shall serve as an indication that the applicant either
457 has already registered with the Selective Service System or that
458 he is authorizing the department to forward to the Selective
459 Service System the necessary information for registration. The
460 commissioner shall notify the applicant on, or as a part of, the
461 application that his submission of the application will serve as
