139 paper ballots. The paper ballots shall be administered in
140 accordance with the laws concerning paper ballots.

141 (2) * * * The registrar shall not send any absentee ballots
142 to the precinct polling locations.

143 (3) The Secretary of State shall promulgate rules and
144 regulations necessary to ensure that when a qualified elector who
145 is qualified to vote absentee votes by absentee ballot, either by
146 mail or in person with * * * the OMR equipment, that person's
147 absentee vote is final and he or she may not vote at the polling
148 place on election day. Notwithstanding any other provisions of
149 law to the contrary, the Secretary of State shall promulgate rules
150 and regulations necessary to ensure that absentee ballots shall
151 remain in the registrar's office for counting and not be taken to
152 the precincts on election day.

153 **SECTION 4.** Section 23-15-639, Mississippi Code of 1972, is
154 amended as follows:

155 23-15-639. (1) The examination and counting of all absentee
156 ballots shall be conducted as follows:

157 (a) At the opening of the regular balloting and at the
158 opening of the polls, the resolution board established under
159 Section 23-15-523 and trained in the process of canvassing
160 absentee ballots shall first take the envelopes containing the
161 mailed absentee ballots of such electors from the secure location
162 at the circuit clerk's office, and the name, address and precinct
163 inscribed on each envelope shall be announced by the election
164 managers.

165 (b) The signature on the application shall then be
166 compared with the signature in the box on the back of the
167 envelope. If it corresponds and the affidavit, if one is
168 required, is sufficient and the resolution board finds that the
169 applicant is a registered and qualified voter or otherwise
170 qualified to vote, the envelope shall then be opened and the
171 mailed absentee ballot removed from the envelope, without its
172 being unfolded, or permitted to be unfolded or examined.

173 (c) When a voter's absentee ballot is rejected because
174 the signatures on the application and in the box on the envelope
175 do not correspond, the registrar shall notify the voter within one
176 (1) business day of the election that the voter's absentee ballot
177 has been tentatively rejected because the signature on the
178 application does not correspond with the signature in the box on
179 the envelope. The notice shall inform the voter about the process

180 of curing the deficiency and that if the voter does not cure the
181 signatures by 12:00 p.m. on the fifth business day after the
182 election, then the voter's ballot shall be rejected. Notice to
183 the voter shall be made using the contact information that the
184 voter provided on his or her absentee ballot application. The
185 absentee cure form shall be transmitted to the voter via email or
186 facsimile; however, if neither are available, then the form shall
187 be transmitted by first-class mail to the voter. The form of the
188 notice and the absentee cure form shall be provided for in rules
189 and regulations prescribed by the Secretary of State.

190 (* * *d) Having observed and found the ballot to be
191 regular as far as can be observed from its official endorsement,
192 the resolution board shall deposit it in the ballot box with the
193 other ballots before counting any ballots and enter the voter's
194 name in the receipt book provided for that purpose. All absentee
195 ballots received prior to 7:00 p.m. the day before the election
196 shall be counted in the registrar's office by the resolution board
197 when the polls close and then added to the votes cast in each
198 precinct as well as the in-person absentee votes cast on the OMR
199 equipment in the registrar's office. All absentee ballots
200 received after 7:00 p.m. the day before the election but not later
201 than the fifth business day after the election shall be processed
202 by the resolution board.

203 (2) The resolution board shall also take such action as may
204 be prescribed by the Secretary of State to ensure compliance with
205 the identification requirements of Section 23-15-563.

206 (3) The resolution board shall process the absentee ballots
207 using the procedure provided in subsection (1) of this section.

208 **SECTION 5.** Section 23-15-641, Mississippi Code of 1972, is
209 amended as follows:

210 23-15-641. (1) For all absentee votes received by mail, if
211 an affidavit or the certificate of the officer before whom the
212 affidavit is taken is required and such affidavit or certificate
213 is found to be insufficient, or if it is found that the signatures
214 do not correspond and the voter has not cured his or her ballot as
215 provided in Section 23-15-639, or that the applicant is not a duly
216 qualified elector in the precinct, or otherwise qualified to vote,
217 or that the ballot envelope is open or has been opened and
218 resealed, or the voter is not eligible to vote absentee, the
219 previously cast vote shall not be allowed. Without opening the
220 voter's envelope the resolution board shall mark across its face
221 "REJECTED", with the reason therefor.

222 (2) For all absentee votes received by mail, if the ballot
223 envelope contains more than one (1) ballot of any kind, the ballot
224 shall not be counted but shall be marked "REJECTED", with the
225 reason therefor, and the registrar shall promptly notify the voter
226 of such rejection. The voter's envelopes and affidavits, and the
227 voter's envelope with its contents unopened, when such vote is

228 rejected, shall be retained and preserved in the same manner as
229 other ballots at the election. Such votes may be challenged in
230 the same manner and for the same reasons that any other vote cast
231 in such election may be challenged.

232 (3) For all absentee votes received by mail, if an affidavit
233 is required and the officials find that the affidavit is
234 insufficient, or if the officials find that the absentee voter is
235 otherwise disqualified to vote, the envelope shall not be opened
236 and a commissioner or executive committee member shall write
237 across the face of the envelope "REJECTED" giving the reason
238 therefor, and the registrar shall promptly notify the voter of
239 such rejection.

240 (4) The ballots marked "REJECTED" shall be placed in a
241 separate envelope in the secure ballot transfer case and delivered
242 to the officials in charge of conducting the election at the
243 central tabulation point of the county.

244 (5) All electors voting absentee shall be provided with
245 written information to inform the person how to ascertain whether
246 his or her ballot was counted and, if rejected, the reason
247 therefor.

248 **SECTION 6.** Section 23-15-643, Mississippi Code of 1972, is
249 amended as follows:

250 23-15-643. If an affidavit is required, the appropriate
251 election officials shall examine the affidavit of each mailed
252 absentee ballot envelope. If the officials are satisfied that the

253 affidavit is sufficient and that the absentee voter is otherwise
254 qualified to vote, an official shall announce the name of the
255 voter and shall give any person present an opportunity to
256 challenge in like manner and for the same cause as the voter could
257 have been challenged had he presented himself personally in such
258 precinct to vote. The ineligibility of the voter to vote by
259 absentee ballot shall be a ground for a challenge. Also, the
260 officials shall consider any absentee voter challenged when a
261 person has previously filed a written challenge of such voter's
262 right to vote. The election officials shall handle any such
263 challenge in the same manner as other challenged ballots are
264 handled.

265 **SECTION 7.** Section 23-15-645, Mississippi Code of 1972, is
266 amended as follows:

267 23-15-645. (1) Absentee ballots cast in the registrar's
268 office on the OMR equipment and absentee ballots that are received

270 processed on election day but not tallied until after closing of
271 the polls and announced simultaneously with all other votes cast
272 on election day.

273 (2) After the votes have been counted, the officials shall
274 preserve all applications, envelopes of mailed absentee ballots
275 and the list of absent voters along with the mailed paper and
276 paper ballots and other election materials and return the same to
277 the registrar.

282 unused ballots, and all absentee and military ballots and ballot

286 packages of unused ballots, packages of protested, void and wholly
287 blank ballots, open packages of unused ballots and all absentee
288 and military ballots and ballot envelopes shall be retained for
289 four (4) months, and may then be destroyed, provided a certificate

430 **REJECTED AND NOT COUNTED IF THIS ENVELOPE IS NOT SIGNED * * * IN**
431 **THE BOX ON THIS ENVELOPE BY YOU AND AN ATTESTING WITNESS."**

432 **SECTION 10.** Section 23-15-731, Mississippi Code of 1972, is
433 amended as follows:

434 23-15-731. Any presidential absentee ballots received in the
435 mail by the registrar after the delivery of ballot boxes to the
436 election managers and before the deadline for receipt of absentee
437 ballots provided for in Section 23-15-637 shall be retained by the
438 registrar and shall be delivered, together with the applications
439 of the qualified absentee elector to an election official
440 designated to receive them. The registrar shall receive a receipt
441 from the designated election official for all such ballots and
442 applications delivered. The designated election officials shall,
443 upon the canvassing of the returns, count such ballots as if
444 delivered to the proper precincts and such ballots shall be
445 considered valid for all purposes as if they had been actually
446 deposited in the proper precinct ballot boxes. For mailed
447 absentee ballots, the appropriate election officials shall examine
448 the affidavit of each envelope. If the officials are satisfied
449 that the affidavit is sufficient and that the absentee voter is
450 otherwise qualified to vote, an official shall announce the name

451 of the voter and shall give any person present an opportunity to
452 challenge in like manner and for the same cause as the voter could
453 have been challenged had he or she presented himself or herself
454 personally in such precinct to vote. The ineligibility of the
455 voter to vote by absentee ballot shall be a ground for a
456 challenge. The officials shall consider any absentee voter
457 challenged when a person has previously filed a written challenge
458 of such voter's right to vote. The election officials shall
459 handle any such challenge in the same manner as other challenged
460 ballots are handled, and if the challenge is not affirmed, the
461 officials shall then open the envelope. The officials shall then
462 open the envelope in such manner as not to destroy the affidavit
463 printed thereon and shall deposit the ballot marked "OFFICIAL
464 ABSENTEE BALLOT," in a ballot box reserved for absentee ballots.
465 The commissioners shall endorse on their pollbooks a proper
466 notation to indicate that the absentee voter has voted in such
467 election by absentee ballot.

468 **SECTION 11.** Section 23-15-391, Mississippi Code of 1972, is
469 amended as follows:

470 23-15-391. The board of supervisors of each county and the
471 governing authorities of each municipality shall use optical mark
472 reading equipment * * * that complies with the specifications
473 provided by law. The election commissioners may conduct special
474 and municipal elections, as well as any necessary runoff
475 elections, by paper ballot when the election commissioners

476 determine that administration of an election by paper ballot will
477 be less expensive than administration of the same election by
478 optical mark reading equipment * * *.

479 **SECTION 12.** Section 23-15-511, Mississippi Code of 1972, is
480 amended as follows:

481 23-15-511. The ballots shall, as far as practicable, be in
482 the same order of arrangement as provided for paper ballots that
483 are to be counted manually, except that the information may be
484 printed in vertical or horizontal rows. Nothing in this chapter
485 shall be construed as prohibiting the information being presented
486 to the voters from being printed on both sides of a single ballot.
487 In those years when a special election shall occur on the same day
488 as the general election, the names of candidates in any special
489 election and the general election shall be placed on the same
490 ballot by the election commissioners or officials in charge of the
491 election, but the general election candidates shall be clearly
492 distinguished from the special election candidates. At any time a
493 special election is held on the same day as a party primary
494 election, the names of the candidates in the special election may
495 be placed on the same ballot by the officials in charge of the
496 election, but shall be clearly distinguished as special election
497 candidates or primary election candidates.

498 Ballots shall be printed in plain clear type in black ink and
499 upon clear white materials of such size and arrangement as to be
500 compatible with the OMR equipment. Absentee ballots shall be

501 prepared and printed in the same form and shall be on the same
502 size and texture as the regular official ballots, except that they
503 shall be printed on tinted paper; or the ink used to print the
504 ballots shall be of a color different from that of the ink used to
505 print the regular official ballots. Arrows may be printed on the
506 ballot to indicate the place to mark the ballot, which may be to
507 the right or left of the names of candidates and propositions.
508 The titles of offices may be arranged in vertical columns on the
509 ballot and shall be printed above or at the side of the names of
510 candidates so as to indicate clearly the candidates for each
511 office and the number to be elected. In case there are more
512 candidates for an office than can be printed in one (1) column,
513 the ballot shall be clearly marked that the list of candidates is
514 continued on the following column. The names of candidates for
515 each office shall be printed in vertical columns, grouped by the
516 offices that they seek. In partisan elections, the party
517 designation of each candidate, which may be abbreviated, shall be
518 printed following his or her name.

519 One (1) sample ballot, which shall be a facsimile of the
520 official ballot and instructions to the voters, shall be provided
521 for each precinct and shall be posted in each polling place on
522 election day.

524 **SECTION 13.** Section 23-15-621, Mississippi Code of 1972, is
525 brought forward as follows:

526 23-15-621. The title of Sections 23-15-621 through 23-15-653
527 of this chapter shall be the Absentee Balloting Procedures Law.

528 **SECTION 14.** Section 23-15-623, Mississippi Code of 1972, is
529 brought forward as follows:

530 23-15-623. All absentee ballots as authorized in Sections
531 23-15-671 through 23-15-697, in Sections 23-15-711 through
532 23-15-721, and Sections 23-15-731 and 23-15-733, shall be handled
533 as provided in Sections 23-15-621 through 23-15-653.

534 **SECTION 15.** Section 23-15-625, Mississippi Code of 1972, is
535 brought forward as follows:

536 23-15-625. (1) The registrar shall be responsible for
537 providing applications for absentee voting as provided in this
538 section. At least sixty (60) days before any election in which
539 absentee voting is provided for by law, the registrar shall
540 provide a sufficient number of applications. In the event a
541 special election is called and set at a date which makes it
542 impractical or impossible to prepare applications for absent
543 elector's ballot sixty (60) days before the election, the
544 registrar shall provide applications as soon as practicable after
545 the election is called. The registrar shall fill in the date of
546 the particular election on the application for which the
547 application will be used.

548 (2) The registrar shall be authorized to disburse
549 applications for absentee ballots to any qualified elector within
550 the county where he or she serves. Any person who presents to the

551 registrar an oral or written request for an absentee ballot
552 application for a voter entitled to vote absentee by mail, other
553 than the elector who seeks to vote by absentee ballot, shall, in
554 the presence of the registrar, sign the application and print on
555 the application his or her name and address and the name of the
556 elector for whom the application is being requested in the place
557 provided for on the application for that purpose. However, if for
558 any reason such person is unable to write the information
559 required, then the registrar shall write the information on a
560 printed form which has been prescribed by the Secretary of State.
561 The form shall provide a place for such person to place his or her
562 mark after the form has been filled out by the registrar.

563 (3) It shall be unlawful for any person to solicit absentee
564 ballot applications or absentee ballots for persons staying in any
565 skilled nursing facility as defined in Section 41-7-173 unless the
566 person soliciting the absentee ballot applications or absentee
567 ballots is:

568 (a) A family member of the person staying in the
569 skilled nursing facility; or

570 (b) A person designated by the person for whom the
571 absentee ballot application or absentee ballot is sought, the
572 registrar or the deputy registrar.

573 As used in this subsection, "family member" means a spouse,
574 parent, grandparent, sibling, adult child, grandchild or legal
575 guardian.

576 (4) The registrar in the county wherein a voter is qualified
577 to vote upon receiving by mail the envelope containing the
578 absentee ballots shall keep an accurate list of all persons
579 preparing such ballots. The list shall be kept in a conspicuous
580 place accessible to the public near the entrance to the
581 registrar's office. The registrar shall also furnish to each
582 precinct manager a list of the names of all persons in each
583 respective precinct voting absentee by mail and in person to be
584 posted in a conspicuous place at the polling place for public
585 notice. The application on file with the registrar and the
586 envelopes containing the ballots that voters mailed to the
587 registrar shall be kept by the registrar in his or her office in a
588 secure location. At the time such boxes are delivered to the
589 election commissioners or managers, the registrar shall also turn
590 over a list of all such persons who have voted and whose mailed
591 ballots are in the registrar's office.

592 (5) The registrar shall also be authorized to mail one (1)
593 application to any qualified elector of the county, who is
594 eligible to vote by absentee ballot, for use in a particular
595 election.

596 (6) The registrar shall process all applications for
597 absentee ballots by using the Statewide Election Management
598 System. The registrar shall account for all absentee ballots
599 delivered to and received by mail as well as those who voted

600 absentee in person from qualified voters by processing such
601 ballots using the Statewide Election Management System.

602 **SECTION 16.** Section 23-15-627, Mississippi Code of 1972, is
603 amended as follows:

604 23-15-627. Any elector described in Section 23-15-713 may
605 request an absentee ballot application and vote in person at the
606 office of the registrar in the county in which he or she resides.
607 The registrar shall be responsible for furnishing an absentee
608 ballot application form to any elector authorized to receive an
609 absentee ballot. Except as otherwise provided in Section
610 23-15-625, absentee ballot applications shall be furnished to a
611 person only upon the oral or written request of the elector who
612 seeks to vote by absentee ballot; however, the parent, child,
613 spouse, sibling, legal guardian, those empowered with a power of
614 attorney for that elector's affairs or agent of the elector, who
615 is designated in writing and witnessed by a resident of this state
616 who shall write his or her physical address on such designation,
617 may orally request an absentee ballot application on behalf of the
618 elector. The written designation shall be valid for one (1) year
619 after the date of the designation. An absentee ballot application
620 must have the seal of the circuit or municipal clerk affixed to it
621 and be initialed by the registrar or his or her deputy in order to
622 be used to obtain an absentee ballot. A reproduction of an
623 absentee ballot application shall not be valid unless it is a
624 reproduction provided by the office of the registrar of the

625 jurisdiction in which the election is being held and which
626 contains the seal and initials required by this section. Such
627 application shall be substantially in the following form:

724 **SECTION 17.** Section 23-15-629, Mississippi Code of 1972, is
725 brought forward as follows:

726 23-15-629. (1) The application for an absentee ballot of a
727 person who is permanently physically disabled shall be accompanied
728 by a statement signed by such person's physician, or nurse
729 practitioner, which statement must show that the person signing
730 the statement is a licensed, practicing medical doctor or nurse
731 practitioner and must indicate that the person applying for the
732 absentee ballot is permanently physically disabled to such a
733 degree that it is difficult for him or her to vote in person.

734 (2) An application accompanied by the statement provided for
735 in subsection (1) of this section shall entitle such permanently
736 physically disabled person to automatically receive an absentee
737 ballot for all elections on a continuing basis without the
738 necessity for reapplication.

739 (3) The registrar of each county shall keep an accurate list
740 of the names and addresses of all persons whose applications for
741 absentee ballot are accompanied by the statement set forth in
742 subsection (1) of this section. Sixty (60) days before each
743 election, the registrar shall deliver such list to the election
744 commissioners who shall examine the list and delete from it the
745 names of all persons listed who are no longer qualified electors
746 of the county. Upon completion of such examination, the election

747 commissioners shall return the list to the registrar by no later
748 than forty-five (45) days before the election.

749 (4) The registrar shall mail a ballot to all persons who are
750 determined by the election commissioners to be qualified electors
751 pursuant to subsection (3) of this section by no later than forty
752 (40) days before the election.

753 **SECTION 18.** Section 23-15-631, Mississippi Code of 1972, is
754 amended as follows:

755 23-15-631. (1) The registrar shall enclose with each ballot
756 mailed to an absent elector separate printed instructions
757 furnished by the registrar containing the following:

758 (a) All absentee voters, excepting those with temporary
759 or permanent physical disabilities or those who are sixty-five
760 (65) years of age or older, who mark their ballots in the county
761 of the residence shall use the registrar of that county as the
762 witness. The absentee voter shall come to the office of the
763 registrar and neither the registrar nor his or her deputy shall be
764 required to go out of the registrar's office to serve as an
765 attesting witness.

766 (b) Upon receipt of the enclosed ballot, you will not
767 mark the ballot except in view or sight of the attesting witness.
768 In the sight or view of the attesting witness, mark the ballot
769 according to instructions.

770 (c) After marking the ballot, fill out and sign the
771 "ELECTOR'S CERTIFICATE" on the back of the envelope so that the

772 signature is * * * in a box on the envelope to ensure the
773 integrity of the ballot. All absent electors shall have the
774 attesting witness sign the "ATTESTING WITNESS CERTIFICATE" * * *
775 in the box on the back of the envelope. Place the necessary
776 postage on the envelope and deposit it in the post office or some
777 government receptacle provided for deposit of mail so that the
778 absent elector's ballot will be postmarked on or before the date
779 of the election and received by the registrar no more than five
780 (5) business days after the election.

781 Any notary public, United States postmaster, assistant United
782 States postmaster, United States postal supervisor, clerk in
783 charge of a contract postal station, or other officer having
784 authority to administer an oath or take an acknowledgment may be
785 an attesting witness; provided, however, that in the case of an
786 absent elector who is temporarily or permanently physically
787 disabled, the attesting witness may be any person eighteen (18)
788 years of age or older and such person is not required to have the
789 authority to administer an oath. If a postmaster, assistant
790 postmaster, postal supervisor, or clerk in charge of a contract
791 postal station acts as an attesting witness, his or her signature
792 in a box on the elector's certificate must be authenticated by the
793 cancellation stamp of their respective post offices. If an
794 officer having authority to administer an oath or take an
795 acknowledgement acts as attesting witness, his or her signature in
796 a box on the elector's certificate, together with his or her title

797 and address, but no seal, shall be required. Any affidavits made
798 by an absent elector who is in the Armed Forces may be executed
799 before a commissioned officer, warrant officer, or noncommissioned
800 officer not lower in grade than sergeant rating or any person
801 authorized to administer oaths.

802 (d) When the application accompanies the ballot it
803 shall not be returned in the same envelope as the ballot but shall
804 be returned in a separate preaddressed envelope provided by the
805 registrar.

806 (e) A candidate for public office, or the spouse,
807 parent or child of a candidate for public office, may not be an
808 attesting witness for any absentee ballot upon which the
809 candidate's name appears, unless the voter is related within the
810 first degree to the candidate or the spouse, parent or child of
811 the candidate.

812 (f) Any voter casting an absentee ballot who declares
813 that he or she requires assistance to vote by reason of blindness,
814 temporary or permanent physical disability or inability to read or
815 write, shall be entitled to receive assistance in the marking of
816 his or her absentee ballot and in completing the affidavit on the
817 absentee ballot envelope. The voter may be given assistance by
818 anyone of the voter's choice other than a candidate whose name
819 appears on the absentee ballot being marked, the spouse, parent or
820 child of a candidate whose name appears on the absentee ballot
821 being marked or the voter's employer, an agent of that employer or

822 a union representative; however, a candidate whose name is on the
823 ballot or the spouse, parent or child of such candidate may
824 provide assistance upon request to any voter who is related within
825 the first degree. In order to ensure the integrity of the ballot,
826 any person who provides assistance to an absentee voter shall be
827 required to sign and complete the "Certificate of Person Providing
828 Voter Assistance" on the absentee ballot envelope.

829 (2) The foregoing instructions required to be provided by
830 the registrar to the elector shall also constitute the substantive
831 law pertaining to the handling of absentee ballots by the elector
832 and registrar.

833 (3) The Secretary of State shall prepare instructions on how
834 absent voters may comply with the identification requirements of
835 Section 23-15-563.

836 **SECTION 19.** Section 23-15-647, Mississippi Code of 1972, is
837 brought forward as follows:

838 23-15-647. The registrar shall keep safely and unopened all
839 official absentee ballots which are received by mail after the
840 applicable cutoff period establishing its validity. Upon receipt
841 of such ballot, the registrar shall write the day and hour of the
842 receipt of the ballot on its envelope. All such absentee ballots
843 returned to the registrar after the cutoff time shall be safely
844 kept unopened by the registrar for the period of time required for
845 the preservation of ballots used in the election, and shall then,

846 without being opened, be destroyed in like manner as the used
847 ballots of the election.

848 **SECTION 20.** Section 23-15-649, Mississippi Code of 1972, is
849 brought forward as follows:

850 23-15-649. For all elections, the election officials shall
851 prepare and print, as soon as the deadline for the qualification
852 of candidates has passed or forty-five (45) days before the
853 election, whichever is later, official ballots for each voting
854 precinct to be known as absentee voter ballots, which ballots
855 shall be prepared and printed in the same form and shall be of the
856 same size and texture as the regular official ballot except that
857 they shall be printed on tinted paper of a tint different from
858 that of the regular official ballot or with a header of different
859 tint.

860 **SECTION 21.** Section 23-15-651, Mississippi Code of 1972, is
861 brought forward as follows:

862 23-15-651. The results of the vote by absentee balloting
863 shall be announced simultaneously with the vote cast on election
864 day; provided that absentee ballots received after 7:00 p.m. the
865 day before the election shall be kept in a secured and sealed
866 ballot box, and shall be announced after the five-business-day
867 period for receiving absentee ballots.

868 **SECTION 22.** Section 23-15-653, Mississippi Code of 1972, is
869 brought forward as follows:

870 23-15-653. All registrars' offices shall remain open until
871 noon on the two (2) Saturdays prior to each election.

872 **SECTION 23.** Section 23-15-657, Mississippi Code of 1972, is
873 brought forward as follows:

874 23-15-657. The registrar is authorized to accept requests
875 for absentee ballots by telephone. When a telephone request that
876 an absentee ballot application be mailed by the registrar to an
877 elector is made, the registrar shall ascertain the name and
878 complete address of the person making the telephone request and
879 shall print upon the absentee ballot application the name and
880 complete address of the requestor and the relation of such person
881 to the voter if requested by a person other than the voter and the
882 date such request was made. Such requests shall be processed
883 through the Statewide Election Management System.

1319 brought forward as follows:

1320 23-15-755. All of the provisions of Sections 23-15-621
1321 through 23-15-735 shall be applicable, insofar as possible, to
1322 municipal, primary, preferential, general and special elections,
1323 and wherever herein any duty is imposed or any power or authority
1324 is conferred upon the county registrar, county election
1325 commissioners, or county executive committee with reference to a
1326 state and county election, such duty shall likewise be imposed and
1327 such power and authority shall likewise be conferred upon the
1328 municipal registrar, municipal election commission or municipal
1329 executive committee with reference to any municipal election. Any
1330 duty, obligation or responsibility imposed upon the registrar or
1331 upon the election commissioners, when applicable, shall likewise
1332 be conferred upon and devolved upon the appropriate party,
1333 executive committee or officials in any party primary.

1334 **SECTION 48.** Section 23-15-517, Mississippi Code of 1972, is
1335 brought forward as follows:

1336 23-15-517. At least one (1) hour before the opening of the
1337 polls, the officials in charge of the election shall arrive at the
1338 polling place and set up the voting booths so that they will be in
1339 clear view of the poll managers; the poll managers shall examine
1340 the ballots to verify that they have the correct ballots for their
1341 precinct and check the supplies, records and forms, and post the
1342 sample ballots and instructions to the voters. They shall also
1343 inspect the ballot boxes to ensure they contain only voted
1344 absentee ballots in their envelopes with the required
1345 applications, and then seal the box for voting.

1346 Each voter shall receive written and/or verbal instructions
1347 by the poll managers instructing the voter how to properly vote
1348 the paper ballot before the voter enters the voting booth. If any
1349 voter needs additional instructions after entering the voting
1350 booth, two (2) poll managers may, if necessary, enter the booth
1351 and give him or her such additional instructions. If any voter
1352 spoils a ballot the voter may obtain others, one (1) at a time,
1353 not exceeding three (3) in all, upon returning each spoiled
1354 ballot. The word "SPOILED" shall be written across the face of
1355 the ballot and it shall be deposited into the sealed ballot box.
1356 When the polls close once the last ballot has been cast or at 7:00
1357 p.m., whichever is later, the poll managers shall break the seal
1358 on the ballot box to process the absentee ballots. Ballots marked
1359 as spoiled shall be bundled together and placed in an envelope
1360 designated for spoiled ballots. Once the polls have officially

1361 closed, the envelope that contains the spoiled ballots and the
1362 unused ballots shall be placed in the ballot box or other
1363 container provided for that purpose which shall be sealed and
1364 returned to the officials in charge of the election.

1365 **SECTION 49.** Section 23-15-519, Mississippi Code of 1972, is
1366 brought forward as follows:

1367 23-15-519. The poll managers shall prepare a ballot
1368 accounting report that documents the number of voters who have
1369 voted, as indicated by the receipt book and the number of ballots
1370 used in the election. The poll managers shall place the report in
1371 the ballot box, with the seal logs, receipt books, absentee
1372 ballots, affidavit ballots, challenged ballots, curbside ballots,
1373 emergency ballots, spoiled ballots and unused ballots, which
1374 thereupon shall be sealed with a tamper-evident seal, which is a
1375 seal that has been designed in such a way to allow someone to
1376 easily detect any tampering, so that no additional ballots may be
1377 deposited or removed from the ballot box. The poll managers,
1378 while they have possession of the election materials, and the
1379 officials in charge of the election, once the poll managers have
1380 delivered the ballot box to the counting center or other
1381 designated place, shall be required to keep a seal log to document
1382 each time a tamper-evident seal for a ballot box is opened or
1383 changed. The seal log shall require the name of the person who
1384 opened the seal, the old seal number, the new seal number, the
1385 date the seal was opened and the purpose for opening the seal.

1386 The receiving and returning poll manager shall deliver the ballot
1387 box to the counting center or other designated place and receive a
1388 signed, numbered receipt therefor. The poll books and other
1389 records and supplies shall be returned as directed by the
1390 officials in charge of the election. Failure to strictly comply
1391 with the provisions of this section shall not result in a
1392 presumption of fraud.

1393 **SECTION 50.** This act shall take effect and be in force from
1394 and after July 1, 2024.
