11 (2) There is hereby established within the Mississippi  
12 Department of Environmental Quality the Mississippi Municipality  
13 and County Water Infrastructure (MCWI) Grant Program under which  
14 municipalities, counties and certain public utilities not  
15 regulated by the Public Service Commission may apply until  
16 February 1, 2023, for reimbursable grants to make necessary  
17 investments in water, wastewater, and stormwater infrastructure to

24 Recovery Funds that a county transfers to a municipality or that a  
25 county or municipality transfers to a public utility not regulated

32 Mississippi Department of Environmental Quality shall only accept  
33 two (2) rounds of submissions under the Mississippi Municipality  
34 and County Water Infrastructure (MCWI) Grant Program. The second  
35 round of submissions shall be the final round. The dollar amount  
36 for professional fees that can be allocated as a part of a  
37 county's, municipality's or public utility's matching share is not  
38 to exceed four percent (4%) of the total project cost.

151 ranking system, the department shall apply a greater weight to  
152 projects that have approved engineering/design, plans and permits  
153 if the department has deemed the project is ready to begin  
154 construction within six (6) months. Projects that are included on

182 unsewered areas and providing regional development of  
183 infrastructure to serve multiple communities.

195 the recipient and the Mississippi Department of Environmental  
196 Quality. All final awards shall be determined at the discretion  
197 of the executive director of the department. Any funds awarded to  
198 the City of Jackson under this section shall be deposited in the  
199 Capital City Water/Sewer Projects Fund of the State Treasury.  
200 Funds shall be obligated to a grantee upon the execution of a  
201 grant agreement between the department and the approved applicant.  
202 Funds shall be made available to a grantee when the department  
203 obtains the necessary support for reimbursement. The department  
204 is authorized to conduct additional rounds of grants as needed;  
205 however, in the first round no more than forty percent (40%) of  
206 the total funds appropriated for each grant program may be awarded  
207 by the department, and the remaining funds may be awarded in the  
208 final round which shall occur no later than six (6) months from  
209 the previous round. To ensure equitable treatment between the  
210 categories of projects, no less than twenty percent (20%) awarded  
211 under this section shall be allocated to each of the three (3)  
212 categories of drinking water projects, wastewater projects and  
213 stormwater projects. In the final round, any funds not requested  
214 may be allocated to any category.

215 (11) Grant funds shall be used prospectively; however, grant  
216 funds may be used to reimburse expenses incurred before the  
217 enactment of this program if the costs are adequately documented

218 and comply with applicable ARPA guidelines. An applicant must  
219 agree to obtain all necessary state and federal permits and follow  
220 all state bidding and contracting laws and fiscally sound  
221 practices in the administration of the funds.

222 (12) (a) Monies must be disbursed under this section in  
223 compliance with the guidelines, guidance, rules, regulations or  
224 other criteria, as may be amended from time to time, of the United  
225 States Department of the Treasury regarding the use of monies from  
226 the Coronavirus State Fiscal Recovery Fund, established by the  
227 American Rescue Plan of 2021.

228 (b) The use of funds allocated under this program shall  
229 be subject to audit by the United States Department of the  
230 Treasury's Office of Inspector General and the Mississippi Office  
231 of the State Auditor. Each person receiving funds under these  
232 programs found to be fully or partially noncompliant with the  
233 requirements in this section shall return to the state all or a  
234 portion of the funds received.

235 (13) The department shall submit to the Lieutenant Governor,  
236 Speaker of the House, House and Senate Appropriations Chairmen,  
237 and the Legislative Budget Office quarterly reports and annual  
238 reports that are due by the dates established in the Compliance  
239 and Reporting Guidance by the United States Department of  
240 Treasury. The reports shall contain the applications received,  
241 the score of the applications, the amount of grant funds awarded  
242 to each applicant, the amount of grant funds expended by each

243 applicant, and status of each applicant's project. The score of  
244 the applications is not required if the award was provided in the  
245 final round of grants and the Legislature provided the total  
246 amount of funds for all eligible grant requests.

247 (14) Grant funds shall be available under this section  
248 through December 31, 2026, or on the date of the fund expenditure  
249 deadline provided by the federal government, whichever occurs  
250 later. Each grant recipient shall certify for any project for  
251 which a grant is awarded that if the project is not completed by  
252 December 31, 2026, and the United States Congress does not enact  
253 an extension of the deadline on the availability of ARPA funds,  
254 then the grant recipient will complete the project through other  
255 funds.

256 (15) The Mississippi Department of Environmental Quality may  
257 retain an amount not to exceed five percent (5%) of the total  
258 funds allocated to the program to defray administrative costs.

259 (16) The department shall be exempt from provisions of the  
260 Public Procurement Review Board for any requirements of personal  
261 or professional service contracts or the pre-approval of the  
262 solicitation for such contracts used in the execution of its  
263 responsibilities under this section. This subsection shall stand  
264 repealed on January 1, 2026.

265 (17) The provisions of this section shall stand repealed on  
266 January 1, 2027.

267           **SECTION 2.** This act shall take effect and be in force from  
268 and after July 1, 2024.
