147 law to the contrary, the Secretary of State shall promulgate rules
148 and regulations necessary to ensure that absentee ballots shall
149 remain in the registrar's office for counting and not be taken to
150 the precincts on election day.

151 **SECTION 4.** Section 23-15-639, Mississippi Code of 1972, is

166 mailed absentee ballot removed from the envelope, without its
167 being unfolded, or permitted to be unfolded or examined.

168 (c) Having observed and found the ballot to be regular
169 as far as can be observed from its official endorsement, the
170 resolution board shall deposit it in the ballot box with the other
171 ballots before counting any ballots and enter the voter's name in
172 the receipt book provided for that purpose. All absentee ballots
173 received prior to 7:00 p.m. the day before the election shall be
174 counted in the registrar's office by the resolution board when the
175 polls close and then added to the votes cast in each precinct as
176 well as the in-person absentee votes cast on the OMR equipment in
177 the registrar's office. All absentee ballots received after 7:00
178 p.m. the day before the election but not later than the fifth

179 business day after the election shall be processed by the

192 do not correspond, or that the applicant is not a duly qualified
193 elector in the precinct, or otherwise qualified to vote, or that
194 the ballot envelope is open or has been opened and resealed, or
195 the voter is not eligible to vote absentee, the previously cast
196 vote shall not be allowed. Without opening the voter's envelope
197 the resolution board shall mark across its face "REJECTED", with
198 the reason therefor.

199 (2) For all absentee votes received by mail, if the ballot
200 envelope contains more than one (1) ballot of any kind, the ballot
201 shall not be counted but shall be marked "REJECTED", with the
202 reason therefor, and the registrar shall promptly notify the voter
203 of such rejection. The voter's envelopes and affidavits, and the

218 amended as follows:

219 23-15-643. If an affidavit is required, the appropriate
220 election officials shall examine the affidavit of each mailed
221 absentee ballot envelope. If the officials are satisfied that the
222 affidavit is sufficient and that the absentee voter is otherwise
223 qualified to vote, an official shall announce the name of the
224 voter and shall give any person present an opportunity to
225 challenge in like manner and for the same cause as the voter could
226 have been challenged had he presented himself personally in such
227 precinct to vote. The ineligibility of the voter to vote by
228 absentee ballot shall be a ground for a challenge. Also, the

229 officials shall consider any absentee voter challenged when a
230 person has previously filed a written challenge of such voter's
231 right to vote. The election officials shall handle any such
232 challenge in the same manner as other challenged ballots are
233 handled.

242 (2) After the votes have been counted, the officials shall
243 preserve all applications, envelopes of mailed absentee ballots

431 ABSENTEE BALLOT," in a ballot box reserved for absentee ballots.
432 The commissioners shall endorse on their pollbooks a proper
433 notation to indicate that the absentee voter has voted in such
434 election by absentee ballot.

435 **SECTION 11.** Section 23-15-391, Mississippi Code of 1972, is
436 amended as follows:

437 23-15-391. The board of supervisors of each county and the
438 governing authorities of each municipality shall use optical mark
439 reading equipment * * * that complies with the specifications
440 provided by law. The election commissioners may conduct special
441 and municipal elections, as well as any necessary runoff
442 elections, by paper ballot when the election commissioners
443 determine that administration of an election by paper ballot will
444 be less expensive than administration of the same election by
445 optical mark reading equipment * * *.

446 **SECTION 12.** Section 23-15-511, Mississippi Code of 1972, is
447 amended as follows:

448 23-15-511. The ballots shall, as far as practicable, be in
449 the same order of arrangement as provided for paper ballots that
450 are to be counted manually, except that the information may be
451 printed in vertical or horizontal rows. Nothing in this chapter
452 shall be construed as prohibiting the information being presented

453 to the voters from being printed on both sides of a single ballot.
454 In those years when a special election shall occur on the same day
455 as the general election, the names of candidates in any special
456 election and the general election shall be placed on the same
457 ballot by the election commissioners or officials in charge of the
458 election, but the general election candidates shall be clearly
459 distinguished from the special election candidates. At any time a
460 special election is held on the same day as a party primary
461 election, the names of the candidates in the special election may
462 be placed on the same ballot by the officials in charge of the
463 election, but shall be clearly distinguished as special election
464 candidates or primary election candidates.

465 Ballots shall be printed in plain clear type in black ink and
466 upon clear white materials of such size and arrangement as to be
467 compatible with the OMR equipment. Absentee ballots shall be
468 prepared and printed in the same form and shall be on the same
469 size and texture as the regular official ballots, except that they
470 shall be printed on tinted paper; or the ink used to print the
471 ballots shall be of a color different from that of the ink used to
472 print the regular official ballots. Arrows may be printed on the
473 ballot to indicate the place to mark the ballot, which may be to
474 the right or left of the names of candidates and propositions.
475 The titles of offices may be arranged in vertical columns on the
476 ballot and shall be printed above or at the side of the names of
477 candidates so as to indicate clearly the candidates for each

478 office and the number to be elected. In case there are more
479 candidates for an office than can be printed in one (1) column,
480 the ballot shall be clearly marked that the list of candidates is
481 continued on the following column. The names of candidates for
482 each office shall be printed in vertical columns, grouped by the
483 offices that they seek. In partisan elections, the party
484 designation of each candidate, which may be abbreviated, shall be
485 printed following his or her name.

486 One (1) sample ballot, which shall be a facsimile of the
487 official ballot and instructions to the voters, shall be provided
488 for each precinct and shall be posted in each polling place on
489 election day.

491 **SECTION 13.** Section 23-15-621, Mississippi Code of 1972, is
492 brought forward as follows:

493 23-15-621. The title of Sections 23-15-621 through 23-15-653
494 of this chapter shall be the Absentee Balloting Procedures Law.

495 **SECTION 14.** Section 23-15-623, Mississippi Code of 1972, is
496 brought forward as follows:

497 23-15-623. All absentee ballots as authorized in Sections
498 23-15-671 through 23-15-697, in Sections 23-15-711 through
499 23-15-721, and Sections 23-15-731 and 23-15-733, shall be handled
500 as provided in Sections 23-15-621 through 23-15-653.

501 **SECTION 15.** Section 23-15-625, Mississippi Code of 1972, is
502 brought forward as follows:

503 23-15-625. (1) The registrar shall be responsible for
504 providing applications for absentee voting as provided in this
505 section. At least sixty (60) days before any election in which
506 absentee voting is provided for by law, the registrar shall
507 provide a sufficient number of applications. In the event a
508 special election is called and set at a date which makes it
509 impractical or impossible to prepare applications for absent
510 elector's ballot sixty (60) days before the election, the
511 registrar shall provide applications as soon as practicable after
512 the election is called. The registrar shall fill in the date of
513 the particular election on the application for which the
514 application will be used.

515 (2) The registrar shall be authorized to disburse
516 applications for absentee ballots to any qualified elector within
517 the county where he or she serves. Any person who presents to the
518 registrar an oral or written request for an absentee ballot
519 application for a voter entitled to vote absentee by mail, other
520 than the elector who seeks to vote by absentee ballot, shall, in
521 the presence of the registrar, sign the application and print on
522 the application his or her name and address and the name of the
523 elector for whom the application is being requested in the place
524 provided for on the application for that purpose. However, if for
525 any reason such person is unable to write the information
526 required, then the registrar shall write the information on a
527 printed form which has been prescribed by the Secretary of State.

528 The form shall provide a place for such person to place his or her
529 mark after the form has been filled out by the registrar.

530 (3) It shall be unlawful for any person to solicit absentee
531 ballot applications or absentee ballots for persons staying in any
532 skilled nursing facility as defined in Section 41-7-173 unless the
533 person soliciting the absentee ballot applications or absentee
534 ballots is:

535 (a) A family member of the person staying in the
536 skilled nursing facility; or

537 (b) A person designated by the person for whom the
538 absentee ballot application or absentee ballot is sought, the
539 registrar or the deputy registrar.

540 As used in this subsection, "family member" means a spouse,
541 parent, grandparent, sibling, adult child, grandchild or legal
542 guardian.

543 (4) The registrar in the county wherein a voter is qualified
544 to vote upon receiving by mail the envelope containing the
545 absentee ballots shall keep an accurate list of all persons
546 preparing such ballots. The list shall be kept in a conspicuous
547 place accessible to the public near the entrance to the
548 registrar's office. The registrar shall also furnish to each
549 precinct manager a list of the names of all persons in each
550 respective precinct voting absentee by mail and in person to be
551 posted in a conspicuous place at the polling place for public
552 notice. The application on file with the registrar and the

553 envelopes containing the ballots that voters mailed to the
554 registrar shall be kept by the registrar in his or her office in a
555 secure location. At the time such boxes are delivered to the
556 election commissioners or managers, the registrar shall also turn
557 over a list of all such persons who have voted and whose mailed
558 ballots are in the registrar's office.

559 (5) The registrar shall also be authorized to mail one (1)
560 application to any qualified elector of the county, who is
561 eligible to vote by absentee ballot, for use in a particular
562 election.

563 (6) The registrar shall process all applications for
564 absentee ballots by using the Statewide Election Management
565 System. The registrar shall account for all absentee ballots
566 delivered to and received by mail as well as those who voted
567 absentee in person from qualified voters by processing such
568 ballots using the Statewide Election Management System.

569 **SECTION 16.** Section 23-15-627, Mississippi Code of 1972, is
570 brought forward as follows:

571 23-15-627. Any elector described in Section 23-15-713 may
572 request an absentee ballot application and vote in person at the
573 office of the registrar in the county in which he or she resides.
574 The registrar shall be responsible for furnishing an absentee
575 ballot application form to any elector authorized to receive an
576 absentee ballot. Except as otherwise provided in Section
577 23-15-625, absentee ballot applications shall be furnished to a

578 person only upon the oral or written request of the elector who
579 seeks to vote by absentee ballot; however, the parent, child,
580 spouse, sibling, legal guardian, those empowered with a power of
581 attorney for that elector's affairs or agent of the elector, who
582 is designated in writing and witnessed by a resident of this state
583 who shall write his or her physical address on such designation,
584 may orally request an absentee ballot application on behalf of the
585 elector. The written designation shall be valid for one (1) year
586 after the date of the designation. An absentee ballot application
587 must have the seal of the circuit or municipal clerk affixed to it
588 and be initialed by the registrar or his or her deputy in order to
589 be used to obtain an absentee ballot. A reproduction of an
590 absentee ballot application shall not be valid unless it is a
591 reproduction provided by the office of the registrar of the
592 jurisdiction in which the election is being held and which
593 contains the seal and initials required by this section. Such
594 application shall be substantially in the following form:

690 **SECTION 17.** Section 23-15-629, Mississippi Code of 1972, is
691 brought forward as follows:

692 23-15-629. (1) The application for an absentee ballot of a
693 person who is permanently physically disabled shall be accompanied
694 by a statement signed by such person's physician, or nurse
695 practitioner, which statement must show that the person signing
696 the statement is a licensed, practicing medical doctor or nurse
697 practitioner and must indicate that the person applying for the
698 absentee ballot is permanently physically disabled to such a
699 degree that it is difficult for him or her to vote in person.

700 (2) An application accompanied by the statement provided for
701 in subsection (1) of this section shall entitle such permanently
702 physically disabled person to automatically receive an absentee
703 ballot for all elections on a continuing basis without the
704 necessity for reapplication.

705 (3) The registrar of each county shall keep an accurate list
706 of the names and addresses of all persons whose applications for
707 absentee ballot are accompanied by the statement set forth in
708 subsection (1) of this section. Sixty (60) days before each
709 election, the registrar shall deliver such list to the election
710 commissioners who shall examine the list and delete from it the
711 names of all persons listed who are no longer qualified electors
712 of the county. Upon completion of such examination, the election
713 commissioners shall return the list to the registrar by no later
714 than forty-five (45) days before the election.

715 (4) The registrar shall mail a ballot to all persons who are
716 determined by the election commissioners to be qualified electors
717 pursuant to subsection (3) of this section by no later than forty
718 (40) days before the election.

719 **SECTION 18.** Section 23-15-631, Mississippi Code of 1972, is
720 brought forward as follows:

721 23-15-631. (1) The registrar shall enclose with each ballot
722 mailed to an absent elector separate printed instructions
723 furnished by the registrar containing the following:

724 (a) All absentee voters, excepting those with temporary
725 or permanent physical disabilities or those who are sixty-five
726 (65) years of age or older, who mark their ballots in the county
727 of the residence shall use the registrar of that county as the
728 witness. The absentee voter shall come to the office of the
729 registrar and neither the registrar nor his or her deputy shall be
730 required to go out of the registrar's office to serve as an
731 attesting witness.

732 (b) Upon receipt of the enclosed ballot, you will not
733 mark the ballot except in view or sight of the attesting witness.
734 In the sight or view of the attesting witness, mark the ballot
735 according to instructions.

736 (c) After marking the ballot, fill out and sign the
737 "ELECTOR'S CERTIFICATE" on the back of the envelope so that the
738 signature is across the flap of the envelope to ensure the
739 integrity of the ballot. All absent electors shall have the
740 attesting witness sign the "ATTESTING WITNESS CERTIFICATE" across
741 the flap on the back of the envelope. Place the necessary postage
742 on the envelope and deposit it in the post office or some
743 government receptacle provided for deposit of mail so that the

748 States postmaster, United States postal supervisor, clerk in

749 charge of a contract postal station, or other officer having
750 authority to administer an oath or take an acknowledgment may be
751 an attesting witness; provided, however, that in the case of an
752 absent elector who is temporarily or permanently physically
753 disabled, the attesting witness may be any person eighteen (18)
754 years of age or older and such person is not required to have the
755 authority to administer an oath. If a postmaster, assistant
756 postmaster, postal supervisor, or clerk in charge of a contract
757 postal station acts as an attesting witness, his or her signature
758 on the elector's certificate must be authenticated by the
759 cancellation stamp of their respective post offices. If an
760 officer having authority to administer an oath or take an
761 acknowledgement acts as attesting witness, his or her signature on
762 the elector's certificate, together with his or her title and
763 address, but no seal, shall be required. Any affidavits made by

770 be returned in a separate preaddressed envelope provided by the
771 registrar.

772 (e) A candidate for public office, or the spouse,
773 parent or child of a candidate for public office, may not be an

774 attesting witness for any absentee ballot upon which the
775 candidate's name appears, unless the voter is related within the
776 first degree to the candidate or the spouse, parent or child of
777 the candidate.

778 (f) Any voter casting an absentee ballot who declares
779 that he or she requires assistance to vote by reason of blindness,
780 temporary or permanent physical disability or inability to read or
781 write, shall be entitled to receive assistance in the marking of
782 his or her absentee ballot and in completing the affidavit on the
783 absentee ballot envelope. The voter may be given assistance by
784 anyone of the voter's choice other than a candidate whose name
785 appears on the absentee ballot being marked, the spouse, parent or
786 child of a candidate whose name appears on the absentee ballot
787 being marked or the voter's employer, an agent of that employer or
788 a union representative; however, a candidate whose name is on the
789 ballot or the spouse, parent or child of such candidate may
790 provide assistance upon request to any voter who is related within
791 the first degree. In order to ensure the integrity of the ballot,
792 any person who provides assistance to an absentee voter shall be
793 required to sign and complete the "Certificate of Person Providing
794 Voter Assistance" on the absentee ballot envelope.

795 (2) The foregoing instructions required to be provided by
796 the registrar to the elector shall also constitute the substantive
797 law pertaining to the handling of absentee ballots by the elector
798 and registrar.

799 (3) The Secretary of State shall prepare instructions on how
800 absent voters may comply with the identification requirements of
801 Section 23-15-563.

802 **SECTION 19.** Section 23-15-647, Mississippi Code of 1972, is
803 brought forward as follows:

805 official absentee ballots which are received by mail after the
806 applicable cutoff period establishing its validity. Upon receipt
807 of such ballot, the registrar shall write the day and hour of the
808 receipt of the ballot on its envelope. All such absentee ballots
809 returned to the registrar after the cutoff time shall be safely
810 kept unopened by the registrar for the period of time required for
811 the preservation of ballots used in the election, and shall then,
812 without being opened, be destroyed in like manner as the used
813 ballots of the election.

814 **SECTION 20.** Section 23-15-649, Mississippi Code of 1972, is
815 brought forward as follows:

816 23-15-649. For all elections, the election officials shall
817 prepare and print, as soon as the deadline for the qualification
818 of candidates has passed or forty-five (45) days before the
819 election, whichever is later, official ballots for each voting
820 precinct to be known as absentee voter ballots, which ballots
821 shall be prepared and printed in the same form and shall be of the
822 same size and texture as the regular official ballot except that
823 they shall be printed on tinted paper of a tint different from

840 23-15-657. The registrar is authorized to accept requests
841 for absentee ballots by telephone. When a telephone request that
842 an absentee ballot application be mailed by the registrar to an
843 elector is made, the registrar shall ascertain the name and
844 complete address of the person making the telephone request and
845 shall print upon the absentee ballot application the name and
846 complete address of the requestor and the relation of such person
847 to the voter if requested by a person other than the voter and the

1301 brought forward as follows:

1302 23-15-517. At least one (1) hour before the opening of the
1303 polls, the officials in charge of the election shall arrive at the
1304 polling place and set up the voting booths so that they will be in
1305 clear view of the poll managers; the poll managers shall examine
1306 the ballots to verify that they have the correct ballots for their
1307 precinct and check the supplies, records and forms, and post the
1308 sample ballots and instructions to the voters. They shall also
1309 inspect the ballot boxes to ensure they contain only voted
1310 absentee ballots in their envelopes with the required
1311 applications, and then seal the box for voting.

1312 Each voter shall receive written and/or verbal instructions
1313 by the poll managers instructing the voter how to properly vote
1314 the paper ballot before the voter enters the voting booth. If any
1315 voter needs additional instructions after entering the voting
1316 booth, two (2) poll managers may, if necessary, enter the booth
1317 and give him or her such additional instructions. If any voter
1318 spoils a ballot the voter may obtain others, one (1) at a time,
1319 not exceeding three (3) in all, upon returning each spoiled

1320 ballot. The word "SPOILED" shall be written across the face of
1321 the ballot and it shall be deposited into the sealed ballot box.
1322 When the polls close once the last ballot has been cast or at 7:00
1323 p.m., whichever is later, the poll managers shall break the seal
1324 on the ballot box to process the absentee ballots. Ballots marked
1325 as spoiled shall be bundled together and placed in an envelope
1326 designated for spoiled ballots. Once the polls have officially
1327 closed, the envelope that contains the spoiled ballots and the
1328 unused ballots shall be placed in the ballot box or other
1329 container provided for that purpose which shall be sealed and
1330 returned to the officials in charge of the election.

1331 **SECTION 49.** Section 23-15-519, Mississippi Code of 1972, is
1332 brought forward as follows:

1333 23-15-519. The poll managers shall prepare a ballot
1334 accounting report that documents the number of voters who have
1335 voted, as indicated by the receipt book and the number of ballots
1336 used in the election. The poll managers shall place the report in
1337 the ballot box, with the seal logs, receipt books, absentee
1338 ballots, affidavit ballots, challenged ballots, curbside ballots,
1339 emergency ballots, spoiled ballots and unused ballots, which
1340 thereupon shall be sealed with a tamper-evident seal, which is a
1341 seal that has been designed in such a way to allow someone to
1342 easily detect any tampering, so that no additional ballots may be
1343 deposited or removed from the ballot box. The poll managers,
1344 while they have possession of the election materials, and the

1345 officials in charge of the election, once the poll managers have
1346 delivered the ballot box to the counting center or other
1347 designated place, shall be required to keep a seal log to document
1348 each time a tamper-evident seal for a ballot box is opened or
1349 changed. The seal log shall require the name of the person who
1350 opened the seal, the old seal number, the new seal number, the
1351 date the seal was opened and the purpose for opening the seal.
1352 The receiving and returning poll manager shall deliver the ballot
1353 box to the counting center or other designated place and receive a
1354 signed, numbered receipt therefor. The poll books and other
1355 records and supplies shall be returned as directed by the
1356 officials in charge of the election. Failure to strictly comply
1357 with the provisions of this section shall not result in a
1358 presumption of fraud.

1359 **SECTION 50.** This act shall take effect and be in force from
1360 and after July 1, 2024.
