1 AN ACT MAKING AN APPROPRIATION FOR THE SUPPORT AND
2 MAINTENANCE OF THE DEPARTMENT OF MARINE RESOURCES FOR THE FISCAL
3 YEAR 2025.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

5 **SECTION 1.** The following sum, or so much thereof as may be
6 necessary, is appropriated out of any money in the State General
7 Fund not otherwise appropriated, for the support and maintenance
8 of the Department of Marine Resources for the fiscal year
9 beginning July 1, 2024, and ending June 30, 2025.....
10\$ 3,388,239.00.

11 **SECTION 2.** The following sum, or so much thereof as may be
12 necessary, is appropriated out of any money in any special fund in
13 the State Treasury to the credit of the Department of Marine
14 Resources for the fiscal year beginning July 1, 2024, and ending
15 June 30, 2025.....\$ 170,843,519.00.

16 Of the funds appropriated in this section, Three Million
17 Fifty Thousand Dollars (\$3,050,000.00) is derived from the state
18 excise taxes upon gasoline, oil and other petroleum products.

19 **SECTION 3.** Of the funds appropriated under the provisions of
20 this act, the following positions are authorized:

21 AUTHORIZED HEADCOUNT:

22 Permanent: 106

23 Time-Limited: 65

24 With the funds herein appropriated, it shall be the agency's
25 responsibility to make certain that funds required for Personal
26 Services for Fiscal Year 2026 do not exceed Fiscal Year 2025 funds
27 appropriated for that purpose unless programs or positions are
28 added to the agency's Fiscal Year 2025 budget by the Mississippi
29 Legislature. The Legislature shall determine the agency's personal
30 services appropriation, which the State Personnel Board shall
31 publish. In accordance with applicable laws, if an agency
32 determines that its personal services amount is insufficient, the
33 agency must contact the State Personnel Board. Any adjustment to
34 the personal services amount must be approved by the State
35 Personnel Director and the State Fiscal Officer after consultation
36 with the Legislative Budget Office. Any adjustment shall be
37 reported to the Legislative Budget Office and the House and Senate
38 Appropriations Chairmen. The agency's personal services
39 appropriation may consist of restricted funds for approved
40 vacancies for Fiscal Year 2025 that may not be utilized for active
41 Fiscal Year 2024 headcount. It shall be the agency's
42 responsibility to ensure that the funds provided for vacancies are
43 used to increase headcount and not for promotions, title changes,

44 in-range salary adjustments, or any other mechanism for increasing
45 salaries for current employees. If the State Personnel Board
46 determines that an agency has used provided vacancy funds for any
47 of the mechanisms previously listed, the State Personnel Board
48 shall not process any additional salary actions for the agency in
49 the current fiscal year, except for new hires determined by the
50 State Personnel Board to be essential for the agency. It is the
51 Legislature's intention that no employee salary falls below the
52 minimum salary established by the Mississippi State Personnel
53 Board.

54 Additionally, the State Personnel Board shall determine and
55 publish the projected annualized payroll costs based on current
56 employees. It shall be the responsibility of the agency head to
57 ensure that actual personnel expenditures for Fiscal Year 2025 do
58 not exceed the data provided by the Legislative Budget Office. If
59 the agency's projected cost for Fiscal Year 2025 exceeds the
60 annualized costs, no salary actions shall be processed by the
61 State Personnel Board except for new hires determined to be
62 essential for the agency.

63 Any transfers or escalations shall be made in accordance with
64 the terms, conditions, and procedures established by law or
65 allowable under the terms set forth within this act. The State
66 Personnel Board shall not escalate positions without written
67 approval from the Department of Finance and Administration. The
68 Department of Finance and Administration shall not provide written

69 approval to escalate any funds for salaries and/or positions
70 without proof of availability of new or additional funds above the
71 appropriated level.

72 No general funds authorized to be expended herein shall be
73 used to replace federal funds and/or other special funds used for
74 salaries authorized under the provisions of this act and which are
75 withdrawn and no longer available.

76 None of the funds herein appropriated shall be used in
77 violation of the Internal Revenue Service's Publication 15-A
78 relating to the reporting of income paid to contract employees, as
79 interpreted by the Office of the State Auditor.

80 **SECTION 4.** It is the intention of the Legislature that the
81 Department of Marine Resources shall maintain complete accounting
82 and personnel records related to the expenditure of all funds
83 appropriated under this act and that such records shall be in the
84 same format and level of detail as maintained for Fiscal Year
85 2024. It is further the intention of the Legislature that the
86 agency's budget request for Fiscal Year 2026 shall be submitted to
87 the Joint Legislative Budget Committee in a format and level of
88 detail comparable to the format and level of detail provided
89 during the Fiscal Year 2025 budget request process.

91 shall be furnished an allowance for uniforms not to exceed Six
92 Hundred Dollars (\$600.00) per annum.

109 beginning June 30, and every six (6) months thereafter for the
110 duration of the project to the Department of Marine Resources on
111 how funds authorized in this section were expended.

113 subdivision seeking to qualify for tidelands funds for the
114 subsequent fiscal year shall submit a proposal to the Department
115 of Marine Resources no later than July 1, 2024. All proposals
116 submitted will be reviewed and evaluated by the Department of

123 amount of tidelands funds available, the available funds shall be
124 allocated on a pro rata basis between projects listed in this
125 section.

126 **SECTION 7.** It is the intention of the Legislature that the

129 principal shall be credited to the special trust fund. Monies in
130 the fund at the end of the fiscal year shall be retained in the
