26 FOR RELATED PURPOSES.

27 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

28 **SECTION 1.** (1) The provisions of this section shall apply
29 to every section of this act that relates to the issuance of bonds
30 unless otherwise provided in this act.

31 (2) As used in this act, the following words shall have the
32 meanings ascribed herein unless the context clearly requires
33 otherwise:

34 (a) "State" means the State of Mississippi.

35 (b) "Commission" means the State Bond Commission.

36 (3) The principal of and interest on the bonds authorized
37 under this act shall be payable in the manner provided in this
38 subsection. Such bonds shall bear such date or dates, be in such
39 denomination or denominations, bear interest at such rate or rates
40 (not to exceed the limits set forth in Section 75-17-101,
41 Mississippi Code of 1972), be payable at such place or places
42 within or without the State of Mississippi, shall mature
43 absolutely at such time or times not to exceed twenty-five (25)
44 years from date of issue, be redeemable before maturity at such
45 time or times and upon such terms, with or without premium, shall
46 bear such registration privileges, and shall be substantially in
47 such form, all as shall be determined by resolution of the
48 commission.

49 (4) The bonds authorized by this act shall be signed by the
50 chairman of the commission, or by his facsimile signature, and the
51 official seal of the commission shall be affixed thereto, attested
52 by the secretary of the commission. The interest coupons, if any,
53 to be attached to such bonds may be executed by the facsimile
54 signatures of such officers. Whenever any such bonds shall have
55 been signed by the officials designated to sign the bonds who were

56 in office at the time of such signing but who may have ceased to
57 be such officers before the sale and delivery of such bonds, or
58 who may not have been in office on the date such bonds may bear,
59 the signatures of such officers upon such bonds and coupons shall
60 nevertheless be valid and sufficient for all purposes and have the
61 same effect as if the person so officially signing such bonds had
62 remained in office until their delivery to the purchaser, or had
63 been in office on the date such bonds may bear. However,
64 notwithstanding anything herein to the contrary, such bonds may be
65 issued as provided in the Registered Bond Act of the State of
66 Mississippi.

67 (5) All bonds and interest coupons issued under the
68 provisions of this act have all the qualities and incidents of
69 negotiable instruments under the provisions of the Uniform
70 Commercial Code, and in exercising the powers granted by this act,
71 the commission shall not be required to and need not comply with
72 the provisions of the Uniform Commercial Code.

73 (6) The commission shall act as issuing agent for the bonds
74 authorized under this act, prescribe the form of the bonds,
75 determine the appropriate method for sale of the bonds, advertise
76 for and accept bids or negotiate the sale of the bonds, issue and
77 sell the bonds so authorized to be sold, pay all fees and costs
78 incurred in such issuance and sale, and do any and all other
79 things necessary and advisable in connection with the issuance and
80 sale of such bonds. The commission is authorized and empowered to

81 pay the costs that are incident to the sale, issuance and delivery
82 of the bonds authorized under this act from the proceeds derived
83 from the sale of such bonds. The commission may sell such bonds
84 on sealed bids at public sale or may negotiate the sale of the
85 bonds for such price as it may determine to be for the best
86 interest of the State of Mississippi. All interest accruing on
87 such bonds so issued shall be payable semiannually or annually.

88 If such bonds are sold by sealed bids at public sale, notice
89 of the sale shall be published at least one time, not less than
90 ten (10) days before the date of sale, and shall be so published
91 in one or more newspapers published or having a general
92 circulation in the City of Jackson, Mississippi, selected by the
93 commission.

94 The commission, when issuing any bonds under the authority of
95 this act, may provide that bonds, at the option of the State of
96 Mississippi, may be called in for payment and redemption at the
97 call price named therein and accrued interest on such date or
98 dates named therein.

99 (7) The bonds issued under the provisions of this act are
100 general obligations of the State of Mississippi, and for the
101 payment thereof the full faith and credit of the State of
102 Mississippi is irrevocably pledged. If the funds appropriated by
103 the Legislature are insufficient to pay the principal of and the
104 interest on such bonds as they become due, then the deficiency
105 shall be paid by the State Treasurer from any funds in the State

106 Treasury not otherwise appropriated. All such bonds shall contain
107 recitals on their faces substantially covering the provisions of
108 this subsection.

109 (8) Upon the issuance and sale of bonds under the provisions
110 of this act, the commission shall transfer the proceeds of any
111 such sale or sales to the special fund created in subsection (1)
112 of the applicable section of this act. The proceeds of such bonds
113 shall be disbursed from the special fund under such restrictions,
114 if any, as may be contained in the resolution providing for the
115 issuance of the bonds.

116 (9) The bonds authorized under this act may be issued
117 without any other proceedings or the happening of any other
118 conditions or things other than those proceedings, conditions and
119 things which are specified or required by this act. Any
120 resolution providing for the issuance of bonds under the
121 provisions of this act shall become effective immediately upon its
122 adoption by the commission, and any such resolution may be adopted
123 at any regular or special meeting of the commission by a majority
124 of its members.

125 (10) The bonds authorized under the authority of this act
126 may be validated in the Chancery Court of the First Judicial
127 District of Hinds County, Mississippi, in the manner and with the
128 force and effect provided by Title 31, Chapter 13, Mississippi
129 Code of 1972, for the validation of county, municipal, school
130 district and other bonds. The notice to taxpayers required by

131 such statutes shall be published in a newspaper published or
132 having a general circulation in the City of Jackson, Mississippi.

133 (11) Any holder of bonds issued under the provisions of this
134 act or of any of the interest coupons pertaining thereto may,
135 either at law or in equity, by suit, action, mandamus or other
136 proceeding, protect and enforce any and all rights granted under
137 this act, or under such resolution, and may enforce and compel
138 performance of all duties required by this act to be performed, in
139 order to provide for the payment of bonds and interest thereon.

140 (12) All bonds issued under the provisions of this act shall
141 be legal investments for trustees and other fiduciaries, and for
142 savings banks, trust companies and insurance companies organized
143 under the laws of the State of Mississippi, and such bonds shall
144 be legal securities which may be deposited with and shall be
145 received by all public officers and bodies of this state and all
146 municipalities and political subdivisions for the purpose of
147 securing the deposit of public funds.

148 (13) Bonds issued under the provisions of this act and
149 income therefrom shall be exempt from all taxation in the State of
150 Mississippi.

151 (14) The proceeds of the bonds issued under this act shall
152 be used solely for the purposes herein provided, including the
153 costs incident to the issuance and sale of such bonds.

154 (15) The State Treasurer is authorized, without further
155 process of law, to certify to the Department of Finance and

156 Administration the necessity for warrants, and the Department of
157 Finance and Administration is authorized and directed to issue
158 such warrants, in such amounts as may be necessary to pay when due
159 the principal of, premium, if any, and interest on, or the
160 accreted value of, all bonds issued under this act; and the State
161 Treasurer shall forward the necessary amount to the designated
162 place or places of payment of such bonds in ample time to
163 discharge such bonds, or the interest thereon, on the due dates
164 thereof. As used in this section, the "accreted value" of any
165 bond means, as of any date of computation, an amount equal to the
166 sum of (a) the stated initial value of such bond, plus (b) the
167 interest accrued thereon from the issue date to the date of
168 computation at the rate, compounded semiannually, that is
169 necessary to produce the approximate yield to maturity shown for
170 bonds of the same maturity.

171 (16) This act shall be deemed to be full and complete
172 authority for the exercise of the powers granted in this act that
173 relate to the issuance of bonds, but this act shall not be deemed
174 to repeal or to be in derogation of any existing law of this state
175 that relates to the issuance of bonds.

176 **SECTION 2.** (1) (a) (i) A special fund, to be designated
177 as the "2024 IHL Capital Improvements Fund," is created within the
178 State Treasury. The fund shall be maintained by the State
179 Treasurer as a separate and special fund, separate and apart from
180 the General Fund of the state. Unexpended amounts remaining in

181 the fund at the end of a fiscal year shall not lapse into the
182 State General Fund, and any interest earned or investment earnings
183 on amounts in the fund shall be deposited into such fund.

184 (ii) Monies deposited into the fund shall be
185 disbursed, in the discretion of the Department of Finance and
186 Administration, with the approval of the Board of Trustees of

313 (b) (i) Amounts deposited into such special fund shall

 315 (a) of this subsection. If any monies in such special fund are
 316 not used within four (4) years after the date the proceeds of the
 317 bonds authorized under this section are deposited into the special
 318 fund, then the institution of higher learning for which any unused
 319 monies are allocated under paragraph (a) of this subsection shall
 320 provide an accounting of such unused monies to the commission.
 321 Promptly after the commission has certified, by resolution duly
 322 adopted, that the projects described in paragraph (a) of this
 323 subsection shall have been completed, abandoned, or cannot be
 324 completed in a timely fashion, any amounts remaining in such
 325 special fund shall be applied to pay debt service on the bonds
 326 issued under this section, in accordance with the proceedings
 327 authorizing the issuance of such bonds and as directed by the
 328 commission.

329 (ii) Monies in the special fund may be used to
 330 reimburse reasonable actual and necessary costs incurred by the

331 Department of Finance and Administration, acting through the
332 Bureau of Building, Grounds and Real Property Management, in
333 administering or providing assistance directly related to a
334 project described in paragraph (a) of this subsection. An
335 accounting of actual costs incurred for which reimbursement is
336 sought shall be maintained for each project by the Department of
337 Finance and Administration, Bureau of Building, Grounds and Real
338 Property Management. Reimbursement of reasonable actual and
339 necessary costs for a project shall not exceed two percent (2%) of
340 the proceeds of bonds issued for such project. Monies authorized

344 acting through the Bureau of Building, Grounds and Real Property
345 Management, is expressly authorized and empowered to receive and
346 expend any local or other source funds in connection with the
347 expenditure of funds provided for in this subsection. The
348 expenditure of monies deposited into the special fund shall be
349 under the direction of the Department of Finance and
350 Administration, and such funds shall be paid by the State
351 Treasurer upon warrants issued by such department, which warrants
352 shall be issued upon requisitions signed by the Executive Director
353 of the Department of Finance and Administration, or his designee.

354 (d) Any amounts allocated to an institution of higher
355 learning that are in excess of that needed to complete the

356 projects at such institution of higher learning that are described
357 in paragraph (a) of this subsection may be used for general
358 repairs and renovations at the institution of higher learning. In
359 addition, any amounts allocated to an institution of higher
360 learning for the projects at such institution of higher learning
361 that are described in paragraph (a) of this subsection shall be
362 reduced by the amount of any other funds authorized by the
363 Legislature during the 2024 Regular Session specifically for such
364 purposes.

365 (2) (a) The commission, at one time, or from time to time,
366 may declare by resolution the necessity for issuance of general
367 obligation bonds of the State of Mississippi to provide funds for
368 all costs incurred or to be incurred for the purposes described in
369 subsection (1) of this section. Upon the adoption of a resolution
370 by the Department of Finance and Administration, declaring the
371 necessity for the issuance of any part or all of the general
372 obligation bonds authorized by this section, the department shall
373 deliver a certified copy of its resolution or resolutions to the
374 commission. Upon receipt of such resolution, the commission is

376 act. The total amount of bonds issued under this section shall
377 not exceed One Hundred Twenty-five Million One Hundred
378 Seventy-five Thousand Five Hundred Dollars (\$125,175,500.00);

382 specifically for the purposes described in subsection (1) of this
383 section. No bonds shall be issued under this section after July
384 1, 2028.

385 (b) Any investment earnings on amounts deposited into
386 the special fund created in subsection (1) of this section shall
387 be used to pay debt service on bonds issued under this section, in
388 accordance with the proceedings authorizing issuance of such
389 bonds.

390 (3) The provisions of Section 1 of this act shall apply to
391 the issuance of bonds authorized under this section.

392 **SECTION 3.** (1) (a) (i) A special fund, to be designated
393 as the "2024 Community and Junior Colleges Capital Improvements
394 Fund," is created within the State Treasury. The fund shall be

396 separate and apart from the General Fund of the state. Unexpended
397 amounts remaining in the fund at the end of a fiscal year shall
398 not lapse into the State General Fund, and any interest earned or
399 investment earnings on amounts in the fund shall be deposited into
400 such fund. Monies in the fund may not be used or expended for any
401 purpose except as authorized under this section.

729 (b) (i) Amounts deposited into such special fund shall
730 be disbursed to pay the costs of projects described in paragraph
731 (a) of this subsection. If any monies in such special fund are
732 not used within four (4) years after the date the proceeds of the
733 bonds authorized under this section are deposited into the special
734 fund, then the agency for which any unused monies are allocated
735 under paragraph (a) of this subsection shall provide an accounting
736 of such unused monies to the commission. Promptly after the
737 commission has certified, by resolution duly adopted, that the
738 projects described in paragraph (a) of this subsection shall have
739 been completed, abandoned, or cannot be completed in a timely
740 fashion, any amounts remaining in such special fund shall be
741 applied to pay debt service on the bonds issued under this
742 section, in accordance with the proceedings authorizing the
743 issuance of such bonds and as directed by the commission.

744 (ii) Monies in the special fund may be used to
745 reimburse reasonable actual and necessary costs incurred by the
746 Department of Finance and Administration, acting through the
747 Bureau of Building, Grounds and Real Property Management, in
748 administering or providing assistance directly related to a
749 project described in paragraph (a) of this subsection. An
750 accounting of actual costs incurred for which reimbursement is
751 sought shall be maintained for each project by the Department of
752 Finance and Administration, Bureau of Building, Grounds and Real
753 Property Management. Reimbursement of reasonable actual and

754 necessary costs for a project shall not exceed two percent (2%) of
755 the proceeds of bonds issued for such project. Monies authorized
756 for a particular project may not be used to reimburse
757 administrative costs for unrelated projects.

758 (c) The Department of Finance and Administration,
759 acting through the Bureau of Building, Grounds and Real Property
760 Management, is expressly authorized and empowered to receive and
761 expend any local or other source funds in connection with the
762 expenditure of funds provided for in this subsection. The
763 expenditure of monies deposited into the special fund shall be
764 under the direction of the Department of Finance and
765 Administration, and such funds shall be paid by the State
766 Treasurer upon warrants issued by such department, which warrants
767 shall be issued upon requisitions signed by the Executive Director
768 of the Department of Finance and Administration, or his designee.

769 (d) Any amounts allocated to an agency that are in
770 excess of that needed to complete the projects at such agency that
771 are described in paragraph (a) of this subsection may be used for
772 general repairs and renovations at the agency. In addition, any
773 amounts allocated to an agency for the projects at such agency
774 that are described in paragraph (a) of this subsection shall be
775 reduced by the amount of any other funds authorized by the
776 Legislature during the 2024 Regular Session specifically for such
777 purposes.

778 (2) (a) The commission, at one time, or from time to time,
779 may declare by resolution the necessity for issuance of general
780 obligation bonds of the State of Mississippi to provide funds for
781 all costs incurred or to be incurred for the purposes described in
782 subsection (1) of this section. Upon the adoption of a resolution
783 by the Department of Finance and Administration, declaring the
784 necessity for the issuance of any part or all of the general
785 obligation bonds authorized by this section, the department shall
786 deliver a certified copy of its resolution or resolutions to the
787 commission. Upon receipt of such resolution, the commission is
788 authorized to proceed under the provisions of Section 1(6) of this
789 act. The total amount of bonds issued under this section shall
790 not exceed One Hundred Forty Million Dollars (\$140,000,000.00);
791 however, the total amount of bonds that may be issued under this
792 section shall be reduced by the amount of any other funds
793 authorized by the Legislature during the 2024 Regular Session
794 specifically for the purposes described in subsection (1) of this
795 section. No bonds shall be issued under this section after July
796 1, 2028.

797 (b) Any investment earnings on amounts deposited into
798 the special fund created in subsection (1) of this section shall
799 be used to pay debt service on bonds issued under this section, in
800 accordance with the proceedings authorizing issuance of such
801 bonds.

802 (3) The provisions of Section 1 of this act shall apply to
803 the issuance of bonds authorized under this section.

804 **SECTION 5.** (1) As used in this section, the following words
805 shall have the meanings ascribed herein unless the context clearly
806 requires otherwise:

807 (a) "Accreted value" of any bonds means, as of any date
808 of computation, an amount equal to the sum of (i) the stated
809 initial value of such bond, plus (ii) the interest accrued thereon
810 from the issue date to the date of computation at the rate,
811 compounded semiannually, that is necessary to produce the
812 approximate yield to maturity shown for bonds of the same
813 maturity.

814 (b) "State" means the State of Mississippi.

815 (c) "Commission" means the State Bond Commission.

816 (2) (a) The Commission on Environmental Quality, at one
817 time, or from time to time, may declare by resolution the
818 necessity for issuance of general obligation bonds of the State of
819 Mississippi to provide funds for the Water Pollution Control
820 Revolving Fund established in Section 49-17-85, Mississippi Code
821 of 1972. Upon the adoption of a resolution by the Commission on
822 Environmental Quality declaring the necessity for the issuance of
823 any part or all of the general obligation bonds authorized by this
824 subsection, the Commission on Environmental Quality shall deliver
825 a certified copy of its resolution or resolutions to the
826 commission; however, the Commission on Environmental Quality shall

827 declare the necessity for the issuance of bonds only in the amount
828 necessary to match projected federal funds available through the
829 following federal fiscal year from the annual Clean Water State
830 Revolving Fund (CWSRF) appropriations and from the supplemental
831 Infrastructure Investment and Jobs Act (IIJA) appropriations.
832 Upon receipt of such resolution, the commission, in its
833 discretion, may act as the issuing agent, prescribe the form of
834 the bonds, determine the appropriate method for sale of the bonds,
835 advertise for and accept bids or negotiate the sale of the bonds,
836 issue and sell the bonds so authorized to be sold, and do any and
837 all other things necessary and advisable in connection with the
838 issuance and sale of such bonds. The total amount of bonds issued
839 under this section shall not exceed Five Million Five Hundred
840 Forty-one Thousand Dollars (\$5,541,000.00); however, not more than
841 One Million Two Hundred Eighty-four Thousand Dollars
842 (\$1,284,000.00) of such bonds may be issued to match the annual
843 CWSRF appropriations and not more than Four Million Two Hundred
844 Fifty-seven Thousand Dollars (\$4,257,000.00) of such bonds may be
845 issued to match the supplemental IIJA appropriations.

846 (b) The proceeds of bonds issued pursuant to this
847 subsection shall be deposited into the Water Pollution Control
848 Revolving Fund created pursuant to Section 49-17-85, Mississippi
849 Code of 1972.

850 (3) The principal of and interest on the bonds authorized
851 under this section shall be payable in the manner provided in this

852 section. Such bonds shall bear such date or dates, be in such
853 denomination or denominations, bear interest at such rate or rates
854 (not to exceed the limits set forth in Section 75-17-101,
855 Mississippi Code of 1972), be payable at such place or places
856 within or without the State of Mississippi, shall mature
857 absolutely at such time or times not to exceed twenty-five (25)
858 years from date of issue, be redeemable before maturity at such
859 time or times and upon such terms, with or without premium, shall
860 bear such registration privileges, and shall be substantially in
861 such form, all as shall be determined by resolution of the
862 commission.

863 (4) The bonds authorized by this section shall be signed by
864 the chairman of the commission, or by his facsimile signature, and
865 the official seal of the commission shall be affixed thereto,
866 attested by the secretary of the commission. The interest
867 coupons, if any, to be attached to such bonds may be executed by
868 the facsimile signatures of such officers. Whenever any such
869 bonds shall have been signed by the officials designated to sign
870 the bonds who were in office at the time of such signing but who
871 may have ceased to be such officers before the sale and delivery
872 of such bonds, or who may not have been in office on the date such
873 bonds may bear, the signatures of such officers upon such bonds
874 and coupons shall nevertheless be valid and sufficient for all
875 purposes and have the same effect as if the person so officially
876 signing such bonds had remained in office until their delivery to

877 the purchaser, or had been in office on the date such bonds may
878 bear. However, notwithstanding anything herein to the contrary,
879 such bonds may be issued as provided in the Registered Bond Act of
880 the State of Mississippi.

881 (5) All bonds and interest coupons issued under the
882 provisions of this section have all the qualities and incidents of
883 negotiable instruments under the provisions of the Uniform
884 Commercial Code, and in exercising the powers granted by this
885 section, the commission shall not be required to and need not
886 comply with the provisions of the Uniform Commercial Code.

887 (6) The commission shall act as the issuing agent for the
888 bonds authorized under this section, prescribe the form of the
889 bonds, determine the appropriate method for sale of the bonds,
890 advertise for and accept bids or negotiate the sale of the bonds,
891 issue and sell the bonds so authorized to be sold, pay all fees
892 and costs incurred in such issuance and sale, and do any and all
893 other things necessary and advisable in connection with the
894 issuance and sale of such bonds. The commission is authorized and
895 empowered to pay the costs that are incident to the sale, issuance
896 and delivery of the bonds authorized under this section from the
897 proceeds derived from the sale of such bonds. The commission may
898 sell such bonds on sealed bids at public sale or may negotiate the
899 sale of the bonds for such price as it may determine to be for the
900 best interest of the State of Mississippi. All interest accruing
901 on such bonds so issued shall be payable semiannually or annually.

902 If the bonds are to be sold on sealed bids at public sale,
903 notice of the sale of any such bonds shall be published at least
904 one time, not less than ten (10) days before the date of sale, and
905 shall be so published in one or more newspapers published or
906 having a general circulation in the City of Jackson, Mississippi,
907 selected by the commission.

908 The commission, when issuing any bonds under the authority of
909 this section, may provide that bonds, at the option of the State
910 of Mississippi, may be called in for payment and redemption at the
911 call price named therein and accrued interest on such date or
912 dates named therein.

913 (7) The bonds issued under the provisions of this section
914 are general obligations of the State of Mississippi, and for the
915 payment thereof the full faith and credit of the State of
916 Mississippi is irrevocably pledged. Interest and investment
917 earnings on money in the Water Pollution Control Revolving Fund
918 shall be utilized to pay the principal and interest on such bonds
919 as they become due. If the interest and investment earnings of
920 the fund and any funds appropriated by the Legislature are
921 insufficient to pay the principal of and the interest on such
922 bonds as they become due, then the deficiency shall be paid by the
923 State Treasurer from any funds in the State Treasury not otherwise
924 appropriated. All such bonds shall contain recitals on their
925 faces substantially covering the provisions of this section.

926 (8) Upon the issuance and sale of bonds under the provisions
927 of this section, the commission shall transfer the proceeds of any
928 such sale or sales to the Water Pollution Control Revolving Fund
929 created in Section 49-17-85, Mississippi Code of 1972. After the
930 transfer of the proceeds of any such sale or sales to the Water
931 Pollution Control Revolving Fund, any investment earnings or
932 interest earned on the proceeds of such bonds shall be deposited
933 to the credit of the Water Pollution Control Revolving Fund and
934 shall be used only for the purposes provided in Section 49-17-85,
935 Mississippi Code of 1972. The proceeds of such bonds shall be
936 disbursed solely upon the order of the Commission on Environmental
937 Quality under such restrictions, if any, as may be contained in
938 the resolution providing for the issuance of the bonds.

939 (9) The bonds authorized under this section may be issued
940 without any other proceedings or the happening of any other
941 conditions or things other than those proceedings, conditions and
942 things which are specified or required by this section. Any
943 resolution providing for the issuance of bonds under the
944 provisions of this section shall become effective immediately upon
945 its adoption by the commission, and any such resolution may be
946 adopted at any regular or special meeting of the commission by a
947 majority of its members.

948 (10) The bonds authorized under the authority of this
949 section may be validated in the Chancery Court of the First
950 Judicial District of Hinds County, Mississippi, in the manner and

951 with the force and effect provided by Chapter 13, Title 31,
952 Mississippi Code of 1972, for the validation of county, municipal,
953 school district and other bonds. The notice to taxpayers required
954 by such statutes shall be published in a newspaper published or
955 having a general circulation in the City of Jackson, Mississippi.

956 (11) Any holder of bonds issued under the provisions of this
957 section or of any of the interest coupons pertaining thereto may,
958 either at law or in equity, by suit, action, mandamus or other
959 proceeding, protect and enforce any and all rights granted under
960 this section, or under such resolution, and may enforce and compel
961 performance of all duties required by this section to be
962 performed, in order to provide for the payment of bonds and
963 interest thereon.

964 (12) All bonds issued under the provisions of this section
965 shall be legal investments for trustees and other fiduciaries, and
966 for savings banks, trust companies and insurance companies
967 organized under the laws of the State of Mississippi, and such
968 bonds shall be legal securities which may be deposited with and
969 shall be received by all public officers and bodies of this state
970 and all municipalities and political subdivisions for the purpose
971 of securing the deposit of public funds.

972 (13) Bonds issued under the provisions of this section and
973 income therefrom shall be exempt from all taxation in the State of
974 Mississippi.

975 (14) The proceeds of the bonds issued under this section
976 shall be used solely for the purposes therein provided, including
977 the costs incident to the issuance and sale of such bonds.

978 (15) The State Treasurer is authorized, without further
979 process of law, to certify to the Department of Finance and
980 Administration the necessity for warrants, and the Department of
981 Finance and Administration is authorized and directed to issue
982 such warrants, in such amounts as may be necessary to pay when due
983 the principal of, premium, if any, and interest on, or the
984 accreted value of, all bonds issued under this section; and the
985 State Treasurer shall forward the necessary amount to the
986 designated place or places of payment of such bonds in ample time
987 to discharge such bonds, or the interest thereon, on the due dates
988 thereof.

989 (16) This section shall be deemed to be full and complete
990 authority for the exercise of the powers therein granted, but this
991 section shall not be deemed to repeal or to be in derogation of
992 any existing law of this state.

994 amended as follows:

997 which shall be administered by the commission acting through the
998 department. The revolving fund may receive bond proceeds and
999 funds appropriated or otherwise made available by the Legislature

1000 in any manner and funds from any other source, public or private.

1014 issued under that act. The commission may enter into
1015 capitalization grant agreements with the United States

1038 grants program and may take all actions necessary to implement the
1039 program in accordance with the federal hardship grants program.
1040 The hardship grants program shall operate in conjunction with the
1041 revolving loan program administered under this section.

1042 (6) The commission shall act for the state in all matters
1043 and with respect to all determinations under Title VI of the
1044 federal Water Quality Act of 1987, as amended, and the federal
1045 Omnibus Appropriations and Recision Act of 1996.

1046 (7) Except as otherwise provided in this section, the
1047 revolving fund may be used only:

1048 (a) To make loans on the condition that:

1053 commission;

1054 (ii) Periodic principal and interest payments will
1055 commence when required by the commission but not later than one

1064 projects were constructed in compliance with applicable federal
1065 and state regulations;

1066 (c) To guarantee, or purchase insurance for,
1067 obligations of political subdivisions where the action would

1071 (e) To earn interest on fund accounts;

1072 (f) To establish nonpoint source pollution control

1074 (g) To establish estuary conservation and management
1075 programs;

1076 (h) For the reasonable costs of administering the
1077 revolving fund and conducting activities under this act, subject
1078 to the limitations established in Section 603(d)(7) of Title VI of
1079 the federal Clean Water Act, as amended, and subject to annual
1080 appropriation by the Legislature;

1081 (i) In connection with the issuance, sale and purchase
1082 of bonds under Section 31-25-1 et seq., related to the funding of
1083 projects, to provide security or a pledge of revenues for the

1085 (j) To pay the principal and interest on bonds issued
1086 pursuant to Section 11 of Chapter 580, Laws of 2007, Section 1 of
1087 Chapter 492, Laws of 2008, Section 47 of Chapter 557, Laws of
1088 2009, Section 45 of Chapter 533, Laws of 2010, Section 3 of
1089 Chapter 480, Laws of 2011, Section 36 of Chapter 569, Laws of
1090 2013, Section 9 of Chapter 452, Laws of 2018, Section 1 of Chapter
1091 415, Laws of 2019, Section 16 of Chapter 492, Laws of 2020, * * *
1092 Section 137 of Chapter 480, Laws of 2021, and Section 5 of this
1093 act, as they become due; however, only interest and investment
1094 earnings on money in the fund may be utilized for this purpose.

1095 (8) The hardship grants program shall be used only to
1096 provide hardship grants consistent with the federal hardship
1097 grants program for rural communities, regulations and guidance
1098 issued by the United States Environmental Protection Agency,

1099 subsections (3) and (5) of this section and regulations
1100 promulgated and guidance issued by the commission under this
1101 section.

1102 (9) The commission shall establish by regulation a system of
1103 priorities and a priority list of projects eligible for funding
1104 with loans from the revolving fund.

1105 (10) The commission may provide a loan from the revolving

1108 (11) The revolving fund shall be credited with all payments
1109 of principal and interest derived from the fund uses described in
1110 subsection (7) of this section. However, notwithstanding any
1111 other provision of law to the contrary, all or any portion of
1112 payments of principal and interest derived from the fund uses
1113 described in subsection (7) of this section may be designated or
1114 pledged for repayment of a loan as provided in Section 31-25-28 in
1115 connection with a loan from the Mississippi Development Bank.

1116 (12) The commission may establish and collect fees to defray

1118 determines that the administrative costs will exceed the
1119 limitations established in Section 603(d)(7) of Title VI of the
1120 federal Clean Water Act, as amended. The administration fees may
1121 be included in loan amounts to political subdivisions for the
1122 purpose of facilitating payment to the commission. The fees may
1123 not exceed five percent (5%) of the loan amount.

1124 (13) Except as otherwise provided in this section, the
1125 commission may, on a case-by-case basis and to the extent allowed
1126 by federal law, renegotiate the payment of principal and interest
1127 on loans made under this section to the six (6) most southern
1128 counties of the state covered by the Presidential Declaration of
1129 Major Disaster for the State of Mississippi (FEMA-1604-DR) dated
1130 August 29, 2005, and to political subdivisions located in such
1131 counties; however, the interest on the loans shall not be forgiven

1138 County as a result of coverage under the Presidential Declaration
1139 of Major Disaster for the State of Mississippi (FEMA-1604-DR)
1140 dated August 29, 2005, and to political subdivisions located in
1141 Hancock County.

1142 **SECTION 7.** Section 18, Chapter 492, Laws of 2020, is amended
1143 as follows:

1144 Section 18. (1) As used in this section, the following
1145 words shall have the meanings ascribed herein unless the context
1146 clearly requires otherwise:

1147 (a) "Accreted value" of any bonds means, as of any date
1148 of computation, an amount equal to the sum of (i) the stated

1149 initial value of such bond, plus (ii) the interest accrued thereon
1150 from the issue date to the date of computation at the rate,
1151 compounded semiannually, that is necessary to produce the
1152 approximate yield to maturity shown for bonds of the same
1153 maturity.

1154 (b) "State" means the State of Mississippi.

1155 (c) "Commission" means the State Bond Commission.

1156 (2) (a) The Commission on Environmental Quality, at one
1157 time, or from time to time, may declare by resolution the
1158 necessity for issuance of general obligation bonds of the State of
1159 Mississippi to provide funds for the grant program authorized in
1160 Section 19 of this act. Upon the adoption of a resolution by the
1161 Commission on Environmental Quality, declaring the necessity for
1162 the issuance of any part or all of the general obligation bonds
1163 authorized by this subsection, the Commission on Environmental
1164 Quality shall deliver a certified copy of its resolution or
1165 resolutions to the commission. Upon receipt of such resolution,
1166 the commission, in its discretion, may act as the issuing agent,
1167 prescribe the form of the bonds, determine the appropriate method
1168 for sale of the bonds, advertise for and accept bids or negotiate
1169 the sale of the bonds, issue and sell the bonds so authorized to
1170 be sold, and do any and all other things necessary and advisable
1171 in connection with the issuance and sale of such bonds. The total
1172 amount of bonds issued under this section shall not exceed * * *

1173 Three Million Dollars (\$3,000,000.00). No bonds authorized under
1174 this section shall be issued after July 1, * * * 2028.

1175 (b) The proceeds of bonds issued pursuant to this
1176 section shall be deposited into the Mississippi Dam Safety Fund
1177 created pursuant to Section * * * 19 of this act. Any investment
1178 earnings on bonds issued pursuant to this section shall be used to
1179 pay debt service on bonds issued under this section, in accordance
1180 with the proceedings authorizing issuance of such bonds.

1181 (3) The principal of and interest on the bonds authorized
1182 under this section shall be payable in the manner provided in this
1183 subsection. Such bonds shall bear such date or dates, be in such
1184 denomination or denominations, bear interest at such rate or rates
1185 (not to exceed the limits set forth in Section 75-17-101,
1186 Mississippi Code of 1972), be payable at such place or places
1187 within or without the State of Mississippi, shall mature
1188 absolutely at such time or times not to exceed twenty-five (25)
1189 years from date of issue, be redeemable before maturity at such
1190 time or times and upon such terms, with or without premium, shall
1191 bear such registration privileges, and shall be substantially in
1192 such form, all as shall be determined by resolution of the
1193 commission.

1194 (4) The bonds authorized by this section shall be signed by
1195 the chairman of the commission, or by his facsimile signature, and
1196 the official seal of the commission shall be affixed thereto,
1197 attested by the secretary of the commission. The interest

1198 coupons, if any, to be attached to such bonds may be executed by
1199 the facsimile signatures of such officers. Whenever any such
1200 bonds shall have been signed by the officials designated to sign
1201 the bonds who were in office at the time of such signing but who
1202 may have ceased to be such officers before the sale and delivery
1203 of such bonds, or who may not have been in office on the date such
1204 bonds may bear, the signatures of such officers upon such bonds
1205 and coupons shall nevertheless be valid and sufficient for all
1206 purposes and have the same effect as if the person so officially
1207 signing such bonds had remained in office until their delivery to
1208 the purchaser, or had been in office on the date such bonds may
1209 bear. However, notwithstanding anything herein to the contrary,
1210 such bonds may be issued as provided in the Registered Bond Act of
1211 the State of Mississippi.

1212 (5) All bonds and interest coupons issued under the
1213 provisions of this section have all the qualities and incidents of
1214 negotiable instruments under the provisions of the Uniform
1215 Commercial Code, and in exercising the powers granted by this
1216 section, the commission shall not be required to and need not
1217 comply with the provisions of the Uniform Commercial Code.

1218 (6) The commission shall act as issuing agent for the bonds
1219 authorized under this section, prescribe the form of the bonds,
1220 determine the appropriate method for sale of the bonds, advertise
1221 for and accept bids or negotiate the sale of the bonds, issue and
1222 sell the bonds so authorized to be sold, pay all fees and costs

1223 incurred in such issuance and sale, and do any and all other
1224 things necessary and advisable in connection with the issuance and
1225 sale of such bonds. The commission is authorized and empowered to
1226 pay the costs that are incident to the sale, issuance and delivery
1227 of the bonds authorized under this section from the proceeds
1228 derived from the sale of such bonds. The commission may sell such
1229 bonds on sealed bids at public sale or may negotiate the sale of
1230 the bonds for such price as it may determine to be for the best
1231 interest of the State of Mississippi. All interest accruing on
1232 such bonds so issued shall be payable semiannually or annually.

1233 If such bonds are sold by sealed bids at public sale, notice
1234 of the sale shall be published at least one time, not less than
1235 ten (10) days before the date of sale, and shall be so published
1236 in one or more newspapers published or having a general
1237 circulation in the City of Jackson, Mississippi, selected by the
1238 commission.

1239 The commission, when issuing any bonds under the authority of
1240 this section, may provide that bonds, at the option of the State
1241 of Mississippi, may be called in for payment and redemption at the
1242 call price named therein and accrued interest on such date or
1243 dates named therein.

1244 (7) The bonds issued under the provisions of this section
1245 are general obligations of the State of Mississippi, and for the
1246 payment thereof the full faith and credit of the State of
1247 Mississippi is irrevocably pledged. If the funds appropriated by

1248 the Legislature are insufficient to pay the principal of and the
1249 interest on such bonds as they become due, then the deficiency
1250 shall be paid by the State Treasurer from any funds in the State
1251 Treasury not otherwise appropriated. All such bonds shall contain
1252 recitals on their faces substantially covering the provisions of
1253 this subsection.

1254 (8) Upon the issuance and sale of bonds under the provisions
1255 of this section, the commission shall transfer the proceeds of any
1256 such sale or sales to the Mississippi Dam Safety Fund created in
1257 Section * * * 19 of this act. The proceeds of such bonds shall be
1258 disbursed solely upon the order of the Department of Environmental
1259 Quality under such restrictions, if any, as may be contained in
1260 the resolution providing for the issuance of the bonds.

1261 (9) The bonds authorized under this section may be issued
1262 without any other proceedings or the happening of any other
1263 conditions or things other than those proceedings, conditions and
1264 things which are specified or required by this section. Any
1265 resolution providing for the issuance of bonds under the
1266 provisions of this section shall become effective immediately upon
1267 its adoption by the commission, and any such resolution may be
1268 adopted at any regular or special meeting of the commission by a
1269 majority of its members.

1270 (10) The bonds authorized under the authority of this
1271 section may be validated in the Chancery Court of the First
1272 Judicial District of Hinds County, Mississippi, in the manner and

1273 with the force and effect provided by Chapter 13, Title 31,
1274 Mississippi Code of 1972, for the validation of county, municipal,
1275 school district and other bonds. The notice to taxpayers required
1276 by such statutes shall be published in a newspaper published or
1277 having a general circulation in the City of Jackson, Mississippi.

1278 (11) Any holder of bonds issued under the provisions of this
1279 section or of any of the interest coupons pertaining thereto may,
1280 either at law or in equity, by suit, action, mandamus or other
1281 proceeding, protect and enforce any and all rights granted under
1282 this section, or under such resolution, and may enforce and compel
1283 performance of all duties required by this section to be
1284 performed, in order to provide for the payment of bonds and
1285 interest thereon.

1286 (12) All bonds issued under the provisions of this section
1287 shall be legal investments for trustees and other fiduciaries, and
1288 for savings banks, trust companies and insurance companies
1289 organized under the laws of the State of Mississippi, and such
1290 bonds shall be legal securities which may be deposited with and
1291 shall be received by all public officers and bodies of this state
1292 and all municipalities and political subdivisions for the purpose
1293 of securing the deposit of public funds.

1294 (13) Bonds issued under the provisions of this section and
1295 income therefrom shall be exempt from all taxation in the State of
1296 Mississippi.

1297 (14) The proceeds of the bonds issued under this section
1298 shall be used solely for the purposes therein provided, including
1299 the costs incident to the issuance and sale of such bonds.

1300 (15) The State Treasurer is authorized, without further
1301 process of law, to certify to the Department of Finance and
1302 Administration the necessity for warrants, and the Department of
1303 Finance and Administration is authorized and directed to issue
1304 such warrants, in such amounts as may be necessary to pay when due
1305 the principal of, premium, if any, and interest on, or the
1306 accreted value of, all bonds issued under this section; and the
1307 State Treasurer shall forward the necessary amount to the
1308 designated place or places of payment of such bonds in ample time
1309 to discharge such bonds, or the interest thereon, on the due dates
1310 thereof.

1311 (16) This section shall be deemed to be full and complete
1312 authority for the exercise of the powers therein granted, but this
1313 section shall not be deemed to repeal or to be in derogation of
1314 any existing law of this state.

1322 Chapter 452, Laws of 2018, as amended by Section 12, Chapter 454,
1323 Laws of 2019, as amended by Section 25, Chapter 492, Laws of 2020,
1324 are amended as follows:

1325 Section 6. The board created in Section 41-3-16, at one
1326 time, or from time to time, may declare by resolution the
1327 necessity for issuance of general obligation bonds of the State of
1328 Mississippi to provide funds for all costs incurred or to be
1329 incurred by the board in constructing new water systems or
1330 repairing existing water systems described in Section 41-3-16.
1331 Upon the adoption of a resolution by the board declaring the
1332 necessity for the issuance of any part or all of the general
1333 obligation bonds authorized by this section, the board shall
1334 deliver a certified copy of its resolution or resolutions to the
1335 State Bond Commission. Upon receipt of such resolution, the State
1336 Bond Commission, in its discretion, may act as the issuing agent,
1337 prescribe the form of the bonds, determine the appropriate method
1338 for the sale of the bonds, advertise for and accept bids or
1339 negotiate the sale of the bonds, issue and sell the tax exempt or
1340 taxable bonds so authorized to be sold, and do any and all other
1341 things necessary and advisable in connection with the issuance and
1342 sale of such bonds. The amount of bonds issued under Sections 6
1343 through 20 of this act shall not exceed * * * Forty-four Million
1344 Five Hundred Thirteen Thousand Six Hundred Dollars
1345 (\$44,513,600.00), the proceeds of which shall be deposited in the

1346 revolving fund and Five Million Dollars (\$5,000,000.00), the
1347 proceeds of which shall be deposited in the emergency fund.

1348 Section 7. The principal of and interest on the bonds
1349 authorized under Section 6 of this act shall be payable in the
1350 manner provided in this section. Such bonds shall bear such date
1351 or dates, be in such denomination or denominations, bear interest
1352 at such rate or rates (not to exceed the limits set forth in
1353 Section 75-17-101), be payable at such place or places within or
1354 without the State of Mississippi, shall mature absolutely at such
1355 time or times not to exceed twenty-five (25) years from date of
1356 issue, be redeemable before maturity at such time or times and
1357 upon such terms, with or without premium, shall bear such
1358 registration privileges, and shall be substantially in such form,
1359 all as shall be determined by resolution of the State Bond
1360 Commission.

1361 Section 8. The bonds authorized by Section 6 of this act
1362 shall be signed by the Chairman of the State Bond Commission, or

1367 signatures of such officers. Whenever any such bonds shall have
1368 been signed by the officials designated to sign the bonds who were
1369 in office at the time of such signing but who may have ceased to
1370 be such officers before the sale and delivery of such bonds, or

1371 who may not have been in office on the date such bonds may bear,
1372 the signatures of such officers upon such bonds and coupons shall
1373 nevertheless be valid and sufficient for all purposes and have the
1374 same effect as if the person so officially signing such bonds had
1375 remained in office until their delivery to the purchaser, or had
1376 been in office on the date such bonds may bear. However,
1377 notwithstanding anything herein to the contrary, such bonds may be
1378 issued as provided in the Registered Bond Act of the State of
1379 Mississippi.

1380 Section 9. All bonds and interest coupons issued under the
1381 provisions of Sections 6 through 20 of this act have all the
1382 qualities and incidents of negotiable instruments under the
1383 provisions of the Uniform Commercial Code, and in exercising the

1386 the provisions of the Uniform Commercial Code.

1387 Section 10. The State Bond Commission shall act as the
1388 issuing agent for the bonds authorized under Sections 6 through 20

1397 through 20 of this act from the proceeds derived from the sale of
1398 the bonds. The State Bond Commission shall sell such bonds on
1399 sealed bids at public sale or may negotiate the sale of the bonds
1400 for such price as it may determine to be for the best interest of
1401 the State of Mississippi. All interest accruing on such bonds so
1402 issued shall be payable semiannually or annually.

1403 If the bonds are sold on sealed bids at public sale, notice
1404 of the sale of any such bonds shall be published at least one
1405 time, not less than ten (10) days before the date of sale, and
1406 shall be so published in one or more newspapers published or
1407 having a general circulation in the City of Jackson, Mississippi,
1408 to be selected by the State Bond Commission.

1409 The State Bond Commission, when issuing any bonds under the
1410 authority of Sections 6 through 20 of this act, may provide that
1411 bonds, at the option of the State of Mississippi, may be called in
1412 for payment and redemption at the call price named therein and
1413 accrued interest on such date or dates named therein.

1414 Section 11. The bonds issued under the provisions of
1415 Sections 6 through 20 of this act are general obligations of the
1416 State of Mississippi, and for the payment thereof the full faith
1417 and credit of the State of Mississippi is irrevocably pledged. If
1418 the funds appropriated by the Legislature are insufficient to pay
1419 the principal of and interest on such bonds as they become due,
1420 then the deficiency shall be paid by the State Treasurer from any

1421 funds in the State Treasury not otherwise appropriated. All such
1422 bonds shall contain recitals on their faces substantially covering
1423 the provisions of this section.

1424 Section 12. The State Treasurer is authorized, without
1425 further process of law, to certify to the Department of Finance
1426 and Administration the necessity for warrants, and the Department
1427 of Finance and Administration is authorized and directed to issue
1428 such warrants, in such amounts as may be necessary to pay when due
1429 the principal of, premium, if any, and interest on, or the

1478 companies and insurance companies organized under the laws of the
1479 State of Mississippi, and such bonds shall be legal securities
1480 which may be deposited with and shall be received by all public
1481 officers and bodies of this state and all municipalities and

1486 all taxation in the State of Mississippi.

1487 Section 19. The proceeds of the bonds issued under the
1488 provisions of Sections 6 through 20 of this act shall be used
1489 solely for the purposes herein provided, including the costs

1642 (b) (i) Amounts deposited into such special fund shall
1643 be disbursed to pay the costs of projects described in paragraph
1644 (a) of this subsection. If any monies in such special fund are
1645 not used within four (4) years after the date the proceeds of the
1646 bonds authorized under this section are deposited into the special
1647 fund, then the institution of higher learning for which any unused
1648 monies are allocated under paragraph (a) of this subsection shall
1649 provide an accounting of such unused monies to the commission.
1650 Promptly after the commission has certified, by resolution duly
1651 adopted, that the projects described in paragraph (a) of this
1652 subsection shall have been completed, abandoned, or cannot be
1653 completed in a timely fashion, any amounts remaining in such
1654 special fund shall be applied to pay debt service on the bonds
1655 issued under this section, in accordance with the proceedings
1656 authorizing the issuance of such bonds and as directed by the
1657 commission.

1658 (ii) Monies in the special fund may be used to
1659 reimburse reasonable actual and necessary costs incurred by the
1660 Department of Finance and Administration, acting through the
1661 Bureau of Building, Grounds and Real Property Management, in
1662 administering or providing assistance directly related to a
1663 project described in paragraph (a) of this subsection. An
1664 accounting of actual costs incurred for which reimbursement is
1665 sought shall be maintained for each project by the Department of
1666 Finance and Administration, Bureau of Building, Grounds and Real

1667 Property Management. Reimbursement of reasonable actual and
1668 necessary costs for a project shall not exceed two percent (2%) of
1669 the proceeds of bonds issued for such project. Monies authorized
1670 for a particular project may not be used to reimburse
1671 administrative costs for unrelated projects.

1672 (c) The Department of Finance and Administration,
1673 acting through the Bureau of Building, Grounds and Real Property
1674 Management, is expressly authorized and empowered to receive and
1675 expend any local or other source funds in connection with the
1676 expenditure of funds provided for in this subsection. The
1677 expenditure of monies deposited into the special fund shall be
1678 under the direction of the Department of Finance and
1679 Administration, and such funds shall be paid by the State
1680 Treasurer upon warrants issued by such department, which warrants
1681 shall be issued upon requisitions signed by the Executive Director
1682 of the Department of Finance and Administration, or his designee.

1683 (d) Any amounts allocated to an institution of higher
1684 learning that are in excess of that needed to complete the
1685 projects at such institution of higher learning that are described
1686 in paragraph (a) of this subsection may be used for general
1687 repairs and renovations at the institution of higher learning.

1688 (3) (a) The commission, at one time, or from time to time,
1689 may declare by resolution the necessity for issuance of general
1690 obligation bonds of the State of Mississippi to provide funds for
1691 all costs incurred or to be incurred for the purposes described in

1692 subsection (2) of this section. Upon the adoption of a resolution
1693 by the Department of Finance and Administration declaring the
1694 necessity for the issuance of any part or all of the general
1695 obligation bonds authorized by this section, the Department of
1696 Finance and Administration shall deliver a certified copy of its
1697 resolution or resolutions to the commission. Upon receipt of such
1698 resolution, the commission, in its discretion, may act as issuing
1699 agent, prescribe the form of the bonds, determine the appropriate
1700 method for sale of the bonds, advertise for and accept bids or
1701 negotiate the sale of the bonds, issue and sell the bonds so
1702 authorized to be sold, and do any and all other things necessary
1703 and advisable in connection with the issuance and sale of such
1704 bonds. The total amount of bonds issued under this section shall
1705 not exceed Eighty-six Million Seven Hundred Twenty-five Thousand
1706 Dollars (\$86,725,000.00). No bonds shall be issued under this
1707 section after July 1, 2024.

1708 (b) Any investment earnings on amounts deposited into
1709 the special fund created in subsection (2) of this section shall
1710 be used to pay debt service on bonds issued under this section, in
1711 accordance with the proceedings authorizing issuance of such
1712 bonds.

1713 (4) The principal of and interest on the bonds authorized
1714 under this section shall be payable in the manner provided in this
1715 subsection. Such bonds shall bear such date or dates, be in such
1716 denomination or denominations, bear interest at such rate or rates

1717 (not to exceed the limits set forth in Section 75-17-101,
1718 Mississippi Code of 1972), be payable at such place or places
1719 within or without the State of Mississippi, shall mature
1720 absolutely at such time or times not to exceed twenty-five (25)
1721 years from date of issue, be redeemable before maturity at such
1722 time or times and upon such terms, with or without premium, shall
1723 bear such registration privileges, and shall be substantially in
1724 such form, all as shall be determined by resolution of the
1725 commission.

1726 (5) The bonds authorized by this section shall be signed by
1727 the chairman of the commission, or by his facsimile signature, and
1728 the official seal of the commission shall be affixed thereto,
1729 attested by the secretary of the commission. The interest
1730 coupons, if any, to be attached to such bonds may be executed by
1731 the facsimile signatures of such officers. Whenever any such
1732 bonds shall have been signed by the officials designated to sign
1733 the bonds who were in office at the time of such signing but who
1734 may have ceased to be such officers before the sale and delivery
1735 of such bonds, or who may not have been in office on the date such
1736 bonds may bear, the signatures of such officers upon such bonds
1737 and coupons shall nevertheless be valid and sufficient for all
1738 purposes and have the same effect as if the person so officially
1739 signing such bonds had remained in office until their delivery to
1740 the purchaser, or had been in office on the date such bonds may
1741 bear. However, notwithstanding anything herein to the contrary,

1742 such bonds may be issued as provided in the Registered Bond Act of
1743 the State of Mississippi.

1744 (6) All bonds and interest coupons issued under the
1745 provisions of this section have all the qualities and incidents of
1746 negotiable instruments under the provisions of the Uniform
1747 Commercial Code, and in exercising the powers granted by this
1748 section, the commission shall not be required to and need not
1749 comply with the provisions of the Uniform Commercial Code.

1750 (7) The commission shall act as issuing agent for the bonds
1751 authorized under this section, prescribe the form of the bonds,
1752 determine the appropriate method for sale of the bonds, advertise
1753 for and accept bids or negotiate the sale of the bonds, issue and
1754 sell the bonds, pay all fees and costs incurred in such issuance
1755 and sale, and do any and all other things necessary and advisable
1756 in connection with the issuance and sale of such bonds. The
1757 commission is authorized and empowered to pay the costs that are
1758 incident to the sale, issuance and delivery of the bonds
1759 authorized under this section from the proceeds derived from the
1760 sale of such bonds. The commission may sell such bonds on sealed
1761 bids at public sale or may negotiate the sale of the bonds for
1762 such price as it may determine to be for the best interest of the
1763 State of Mississippi. All interest accruing on such bonds so
1764 issued shall be payable semiannually or annually.

1765 If such bonds are sold by sealed bids at public sale, notice
1766 of the sale shall be published at least one time, not less than

1767 ten (10) days before the date of sale, and shall be so published
1768 in one or more newspapers published or having a general
1769 circulation in the City of Jackson, Mississippi, selected by the
1770 commission.

1771 The commission, when issuing any bonds under the authority of
1772 this section, may provide that bonds, at the option of the State
1773 of Mississippi, may be called in for payment and redemption at the
1774 call price named therein and accrued interest on such date or
1775 dates named therein.

1776 (8) The bonds issued under the provisions of this section
1777 are general obligations of the State of Mississippi, and for the
1778 payment thereof the full faith and credit of the State of
1779 Mississippi is irrevocably pledged. If the funds appropriated by
1780 the Legislature are insufficient to pay the principal of and the
1781 interest on such bonds as they become due, then the deficiency
1782 shall be paid by the State Treasurer from any funds in the State
1783 Treasury not otherwise appropriated. All such bonds shall contain
1784 recitals on their faces substantially covering the provisions of
1785 this subsection.

1786 (9) Upon the issuance and sale of bonds under the provisions
1787 of this section, the commission shall transfer the proceeds of any
1788 such sale or sales to the special funds created in subsection (2)
1789 of this section. The proceeds of such bonds shall be disbursed
1790 solely upon the order of the Department of Finance and
1791 Administration under such restrictions, if any, as may be

1792 contained in the resolution providing for the issuance of the
1793 bonds.

1794 (10) The bonds authorized under this section may be issued
1795 without any other proceedings or the happening of any other
1796 conditions or things other than those proceedings, conditions and
1797 things which are specified or required by this section. Any
1798 resolution providing for the issuance of bonds under the
1799 provisions of this section shall become effective immediately upon
1800 its adoption by the commission, and any such resolution may be
1801 adopted at any regular or special meeting of the commission by a
1802 majority of its members.

1803 (11) The bonds authorized under the authority of this
1804 section may be validated in the Chancery Court of the First
1805 Judicial District of Hinds County, Mississippi, in the manner and
1806 with the force and effect provided by Title 31, Chapter 13,
1807 Mississippi Code of 1972, for the validation of county, municipal,
1808 school district and other bonds. The notice to taxpayers required
1809 by such statutes shall be published in a newspaper published or
1810 having a general circulation in the City of Jackson, Mississippi.

1811 (12) Any holder of bonds issued under the provisions of this
1812 section or of any of the interest coupons pertaining thereto may,
1813 either at law or in equity, by suit, action, mandamus or other
1814 proceeding, protect and enforce any and all rights granted under
1815 this section, or under such resolution, and may enforce and compel
1816 performance of all duties required by this section to be

1817 performed, in order to provide for the payment of bonds and
1818 interest thereon.

1819 (13) All bonds issued under the provisions of this section
1820 shall be legal investments for trustees and other fiduciaries, and
1821 for savings banks, trust companies and insurance companies
1822 organized under the laws of the State of Mississippi, and such
1823 bonds shall be legal securities which may be deposited with and
1824 shall be received by all public officers and bodies of this state
1825 and all municipalities and political subdivisions for the purpose
1826 of securing the deposit of public funds.

1827 (14) Bonds issued under the provisions of this section and
1828 income therefrom shall be exempt from all taxation in the State of
1829 Mississippi.

1830 (15) The proceeds of the bonds issued under this section
1831 shall be used solely for the purposes herein provided, including
1832 the costs incident to the issuance and sale of such bonds.

1833 (16) The State Treasurer is authorized, without further
1834 process of law, to certify to the Department of Finance and
1835 Administration the necessity for warrants, and the Department of
1836 Finance and Administration is authorized and directed to issue
1837 such warrants, in such amounts as may be necessary to pay when due
1838 the principal of, premium, if any, and interest on, or the
1839 accreted value of, all bonds issued under this section; and the
1840 State Treasurer shall forward the necessary amount to the
1841 designated place or places of payment of such bonds in ample time

1842 to discharge such bonds, or the interest thereon, on the due dates
1843 thereof.

1844 (17) This section shall be deemed to be full and complete
1845 authority for the exercise of the powers herein granted, but this
1846 section shall not be deemed to repeal or to be in derogation of
1847 any existing law of this state.

1848 **SECTION 10.** Section 1, Chapter 480, Laws of 2021, as amended

1855 of computation, an amount equal to the sum of (i) the stated
1856 initial value of such bond, plus (ii) the interest accrued thereon
1857 from the issue date to the date of computation at the rate,

1865 Treasury. The fund shall be maintained by the State Treasurer as
1866 a separate and special fund, separate and apart from the General

1867 Fund of the state. Unexpended amounts remaining in the fund at
 1868 the end of a fiscal year shall not lapse into the State General

1987 (b) (i) Amounts deposited into such special fund shall
1988 be disbursed to pay the costs of projects described in paragraph
1989 (a) of this subsection. If any monies in such special fund are
1990 not used within four (4) years after the date the proceeds of the
1991 bonds authorized under this section are deposited into the special

1992 fund, then the institution of higher learning for which any unused
1993 monies are allocated under paragraph (a) of this subsection shall
1994 provide an accounting of such unused monies to the commission.
1995 Promptly after the commission has certified, by resolution duly
1996 adopted, that the projects described in paragraph (a) of this
1997 subsection shall have been completed, abandoned, or cannot be
1998 completed in a timely fashion, any amounts remaining in such
1999 special fund shall be applied to pay debt service on the bonds
2000 issued under this section, in accordance with the proceedings
2001 authorizing the issuance of such bonds and as directed by the
2002 commission.

2003 (ii) Monies in the special fund may be used to
2004 reimburse reasonable actual and necessary costs incurred by the
2005 Department of Finance and Administration, acting through the
2006 Bureau of Building, Grounds and Real Property Management, in
2007 administering or providing assistance directly related to a
2008 project described in paragraph (a) of this subsection. An
2009 accounting of actual costs incurred for which reimbursement is
2010 sought shall be maintained for each project by the Department of
2011 Finance and Administration, Bureau of Building, Grounds and Real
2012 Property Management. Reimbursement of reasonable actual and
2013 necessary costs for a project shall not exceed two percent (2%) of
2014 the proceeds of bonds issued for such project. Monies authorized
2015 for a particular project may not be used to reimburse
2016 administrative costs for unrelated projects.

2017 (c) The Department of Finance and Administration,
2018 acting through the Bureau of Building, Grounds and Real Property
2019 Management, is expressly authorized and empowered to receive and
2020 expend any local or other source funds in connection with the
2021 expenditure of funds provided for in this subsection. The
2022 expenditure of monies deposited into the special fund shall be
2023 under the direction of the Department of Finance and
2024 Administration, and such funds shall be paid by the State
2025 Treasurer upon warrants issued by such department, which warrants
2026 shall be issued upon requisitions signed by the Executive Director
2027 of the Department of Finance and Administration, or his designee.

2028 (d) Any amounts allocated to an institution of higher
2029 learning that are in excess of that needed to complete the
2030 projects at such institution of higher learning that are described
2031 in paragraph (a) of this subsection may be used for general
2032 repairs and renovations at the institution of higher learning.

2033 (3) (a) The commission, at one time, or from time to time,
2034 may declare by resolution the necessity for issuance of general
2035 obligation bonds of the State of Mississippi to provide funds for
2036 all costs incurred or to be incurred for the purposes described in
2037 subsection (2) of this section. Upon the adoption of a resolution
2038 by the Department of Finance and Administration declaring the
2039 necessity for the issuance of any part or all of the general
2040 obligation bonds authorized by this section, the Department of
2041 Finance and Administration shall deliver a certified copy of its

2042 resolution or resolutions to the commission. Upon receipt of such
2043 resolution, the commission, in its discretion, may act as issuing
2044 agent, prescribe the form of the bonds, determine the appropriate
2045 method for sale of the bonds, advertise for and accept bids or
2046 negotiate the sale of the bonds, issue and sell the bonds so
2047 authorized to be sold, and do any and all other things necessary
2048 and advisable in connection with the issuance and sale of such
2049 bonds. The total amount of bonds issued under this section shall
2050 not exceed Eighty-six Million Three Hundred Seventy-five Thousand
2051 Dollars (\$86,375,000.00). No bonds shall be issued under this
2052 section after July 1, 2025.

2053 (b) Any investment earnings on amounts deposited into
2054 the special fund created in subsection (2) of this section shall
2055 be used to pay debt service on bonds issued under this section, in
2056 accordance with the proceedings authorizing issuance of such
2057 bonds.

2058 (4) The principal of and interest on the bonds authorized
2059 under this section shall be payable in the manner provided in this
2060 subsection. Such bonds shall bear such date or dates, be in such
2061 denomination or denominations, bear interest at such rate or rates
2062 (not to exceed the limits set forth in Section 75-17-101,
2063 Mississippi Code of 1972), be payable at such place or places
2064 within or without the State of Mississippi, shall mature
2065 absolutely at such time or times not to exceed twenty-five (25)
2066 years from date of issue, be redeemable before maturity at such

2067 time or times and upon such terms, with or without premium, shall
2068 bear such registration privileges, and shall be substantially in
2069 such form, all as shall be determined by resolution of the
2070 commission.

2071 (5) The bonds authorized by this section shall be signed by
2072 the chairman of the commission, or by his facsimile signature, and
2073 the official seal of the commission shall be affixed thereto,
2074 attested by the secretary of the commission. The interest
2075 coupons, if any, to be attached to such bonds may be executed by
2076 the facsimile signatures of such officers. Whenever any such
2077 bonds shall have been signed by the officials designated to sign
2078 the bonds who were in office at the time of such signing but who
2079 may have ceased to be such officers before the sale and delivery
2080 of such bonds, or who may not have been in office on the date such
2081 bonds may bear, the signatures of such officers upon such bonds
2082 and coupons shall nevertheless be valid and sufficient for all
2083 purposes and have the same effect as if the person so officially
2084 signing such bonds had remained in office until their delivery to
2085 the purchaser, or had been in office on the date such bonds may
2086 bear. However, notwithstanding anything herein to the contrary,
2087 such bonds may be issued as provided in the Registered Bond Act of
2088 the State of Mississippi.

2089 (6) All bonds and interest coupons issued under the
2090 provisions of this section have all the qualities and incidents of
2091 negotiable instruments under the provisions of the Uniform

2092 Commercial Code, and in exercising the powers granted by this
2093 section, the commission shall not be required to and need not
2094 comply with the provisions of the Uniform Commercial Code.

2095 (7) The commission shall act as issuing agent for the bonds
2096 authorized under this section, prescribe the form of the bonds,
2097 determine the appropriate method for sale of the bonds, advertise

2099 sell the bonds, pay all fees and costs incurred in such issuance
2100 and sale, and do any and all other things necessary and advisable
2101 in connection with the issuance and sale of such bonds. The
2102 commission is authorized and empowered to pay the costs that are
2103 incident to the sale, issuance and delivery of the bonds
2104 authorized under this section from the proceeds derived from the
2105 sale of such bonds. The commission may sell such bonds on sealed
2106 bids at public sale or may negotiate the sale of the bonds for
2107 such price as it may determine to be for the best interest of the
2108 State of Mississippi. All interest accruing on such bonds so
2109 issued shall be payable semiannually or annually.

2110 If such bonds are sold by sealed bids at public sale, notice
2111 of the sale shall be published at least one time, not less than
2112 ten (10) days before the date of sale, and shall be so published
2113 in one or more newspapers published or having a general
2114 circulation in the City of Jackson, Mississippi, selected by the
2115 commission.

2116 The commission, when issuing any bonds under the authority of
2117 this section, may provide that bonds, at the option of the State
2118 of Mississippi, may be called in for payment and redemption at the
2119 call price named therein and accrued interest on such date or
2120 dates named therein.

2121 (8) The bonds issued under the provisions of this section
2122 are general obligations of the State of Mississippi, and for the
2123 payment thereof the full faith and credit of the State of
2124 Mississippi is irrevocably pledged. If the funds appropriated by
2125 the Legislature are insufficient to pay the principal of and the
2126 interest on such bonds as they become due, then the deficiency
2127 shall be paid by the State Treasurer from any funds in the State
2128 Treasury not otherwise appropriated. All such bonds shall contain
2129 recitals on their faces substantially covering the provisions of
2130 this subsection.

2131 (9) Upon the issuance and sale of bonds under the provisions
2132 of this section, the commission shall transfer the proceeds of any
2133 such sale or sales to the special funds created in subsection (2)
2134 of this section. The proceeds of such bonds shall be disbursed
2135 solely upon the order of the Department of Finance and
2136 Administration under such restrictions, if any, as may be
2137 contained in the resolution providing for the issuance of the
2138 bonds.

2139 (10) The bonds authorized under this section may be issued
2140 without any other proceedings or the happening of any other

2141 conditions or things other than those proceedings, conditions and
2142 things which are specified or required by this section. Any
2143 resolution providing for the issuance of bonds under the
2144 provisions of this section shall become effective immediately upon
2145 its adoption by the commission, and any such resolution may be
2146 adopted at any regular or special meeting of the commission by a
2147 majority of its members.

2148 (11) The bonds authorized under the authority of this
2149 section may be validated in the Chancery Court of the First
2150 Judicial District of Hinds County, Mississippi, in the manner and
2151 with the force and effect provided by Title 31, Chapter 13,
2152 Mississippi Code of 1972, for the validation of county, municipal,
2153 school district and other bonds. The notice to taxpayers required
2154 by such statutes shall be published in a newspaper published or
2155 having a general circulation in the City of Jackson, Mississippi.

2156 (12) Any holder of bonds issued under the provisions of this
2157 section or of any of the interest coupons pertaining thereto may,
2158 either at law or in equity, by suit, action, mandamus or other
2159 proceeding, protect and enforce any and all rights granted under
2160 this section, or under such resolution, and may enforce and compel
2161 performance of all duties required by this section to be
2162 performed, in order to provide for the payment of bonds and
2163 interest thereon.

2164 (13) All bonds issued under the provisions of this section
2165 shall be legal investments for trustees and other fiduciaries, and

2176 shall be used solely for the purposes herein provided, including
2177 the costs incident to the issuance and sale of such bonds.

2178 (16) The State Treasurer is authorized, without further
2179 process of law, to certify to the Department of Finance and
2180 Administration the necessity for warrants, and the Department of
2181 Finance and Administration is authorized and directed to issue
2182 such warrants, in such amounts as may be necessary to pay when due

2194 force from and after its passage. The remainder of this act shall
