211 (b) (i) Amounts deposited into such special fund shall  
212 be disbursed to pay the costs of projects described in paragraph  
213 (a) of this subsection. If any monies in such special fund are  
214 not used within four (4) years after the date the proceeds of the  
215 bonds authorized under this section are deposited into the special  
216 fund, then the institution of higher learning for which any unused  
217 monies are allocated under paragraph (a) of this subsection shall  
218 provide an accounting of such unused monies to the commission.  
219 Promptly after the commission has certified, by resolution duly  
220 adopted, that the projects described in paragraph (a) of this  
221 subsection shall have been completed, abandoned, or cannot be  
222 completed in a timely fashion, any amounts remaining in such  
223 special fund shall be applied to pay debt service on the bonds  
224 issued under this section, in accordance with the proceedings  
225 authorizing the issuance of such bonds and as directed by the  
226 commission.

227 (ii) Monies in the special fund may be used to  
228 reimburse reasonable actual and necessary costs incurred by the  
229 Department of Finance and Administration, acting through the  
230 Bureau of Building, Grounds and Real Property Management, in  
231 administering or providing assistance directly related to a  
232 project described in paragraph (a) of this subsection. An  
233 accounting of actual costs incurred for which reimbursement is  
234 sought shall be maintained for each project by the Department of  
235 Finance and Administration, Bureau of Building, Grounds and Real

236 Property Management. Reimbursement of reasonable actual and  
237 necessary costs for a project shall not exceed two percent (2%) of  
238 the proceeds of bonds issued for such project. Monies authorized  
239 for a particular project may not be used to reimburse  
240 administrative costs for unrelated projects.

241 (c) The Department of Finance and Administration,  
242 acting through the Bureau of Building, Grounds and Real Property  
243 Management, is expressly authorized and empowered to receive and  
244 expend any local or other source funds in connection with the  
245 expenditure of funds provided for in this subsection. The  
246 expenditure of monies deposited into the special fund shall be  
247 under the direction of the Department of Finance and  
248 Administration, and such funds shall be paid by the State  
249 Treasurer upon warrants issued by such department, which warrants  
250 shall be issued upon requisitions signed by the Executive Director  
251 of the Department of Finance and Administration, or his designee.

252 (d) Any amounts allocated to an institution of higher  
253 learning that are in excess of that needed to complete the  
254 projects at such institution of higher learning that are described  
255 in paragraph (a) of this subsection may be used for general  
256 repairs and renovations at the institution of higher learning.

257 (3) (a) The commission, at one time, or from time to time,  
258 may declare by resolution the necessity for issuance of general  
259 obligation bonds of the State of Mississippi to provide funds for  
260 all costs incurred or to be incurred for the purposes described in

261 subsection (2) of this section. Upon the adoption of a resolution  
262 by the Department of Finance and Administration declaring the  
263 necessity for the issuance of any part or all of the general  
264 obligation bonds authorized by this section, the Department of  
265 Finance and Administration shall deliver a certified copy of its  
266 resolution or resolutions to the commission. Upon receipt of such  
267 resolution, the commission, in its discretion, may act as issuing  
268 agent, prescribe the form of the bonds, determine the appropriate  
269 method for sale of the bonds, advertise for and accept bids or  
270 negotiate the sale of the bonds, issue and sell the bonds so  
271 authorized to be sold, and do any and all other things necessary  
272 and advisable in connection with the issuance and sale of such  
273 bonds. The total amount of bonds issued under this section shall  
274 not exceed \* \* \* Seventy-five Million Six Hundred Seventy-five  
275 Thousand Dollars (\$75,675,000.00). No bonds shall be issued under  
276 this section after July 1, 2025.

277 (b) Any investment earnings on amounts deposited into  
278 the special fund created in subsection (2) of this section shall  
279 be used to pay debt service on bonds issued under this section, in  
280 accordance with the proceedings authorizing issuance of such  
281 bonds.

282 (4) The principal of and interest on the bonds authorized  
283 under this section shall be payable in the manner provided in this  
284 subsection. Such bonds shall bear such date or dates, be in such  
285 denomination or denominations, bear interest at such rate or rates

286 (not to exceed the limits set forth in Section 75-17-101,  
287 Mississippi Code of 1972), be payable at such place or places  
288 within or without the State of Mississippi, shall mature  
289 absolutely at such time or times not to exceed twenty-five (25)  
290 years from date of issue, be redeemable before maturity at such  
291 time or times and upon such terms, with or without premium, shall  
292 bear such registration privileges, and shall be substantially in  
293 such form, all as shall be determined by resolution of the  
294 commission.

295 (5) The bonds authorized by this section shall be signed by  
296 the chairman of the commission, or by his facsimile signature, and  
297 the official seal of the commission shall be affixed thereto,  
298 attested by the secretary of the commission. The interest  
299 coupons, if any, to be attached to such bonds may be executed by  
300 the facsimile signatures of such officers. Whenever any such  
301 bonds shall have been signed by the officials designated to sign  
302 the bonds who were in office at the time of such signing but who  
303 may have ceased to be such officers before the sale and delivery  
304 of such bonds, or who may not have been in office on the date such  
305 bonds may bear, the signatures of such officers upon such bonds  
306 and coupons shall nevertheless be valid and sufficient for all  
307 purposes and have the same effect as if the person so officially  
308 signing such bonds had remained in office until their delivery to  
309 the purchaser, or had been in office on the date such bonds may  
310 bear. However, notwithstanding anything herein to the contrary,

311 such bonds may be issued as provided in the Registered Bond Act of  
312 the State of Mississippi.

313 (6) All bonds and interest coupons issued under the  
314 provisions of this section have all the qualities and incidents of  
315 negotiable instruments under the provisions of the Uniform  
316 Commercial Code, and in exercising the powers granted by this  
317 section, the commission shall not be required to and need not  
318 comply with the provisions of the Uniform Commercial Code.

319 (7) The commission shall act as issuing agent for the bonds  
320 authorized under this section, prescribe the form of the bonds,  
321 determine the appropriate method for sale of the bonds, advertise  
322 for and accept bids or negotiate the sale of the bonds, issue and  
323 sell the bonds, pay all fees and costs incurred in such issuance  
324 and sale, and do any and all other things necessary and advisable  
325 in connection with the issuance and sale of such bonds. The  
326 commission is authorized and empowered to pay the costs that are  
327 incident to the sale, issuance and delivery of the bonds  
328 authorized under this section from the proceeds derived from the  
329 sale of such bonds. The commission may sell such bonds on sealed  
330 bids at public sale or may negotiate the sale of the bonds for  
331 such price as it may determine to be for the best interest of the  
332 State of Mississippi. All interest accruing on such bonds so  
333 issued shall be payable semiannually or annually.

334 If such bonds are sold by sealed bids at public sale, notice  
335 of the sale shall be published at least one time, not less than

336 ten (10) days before the date of sale, and shall be so published  
337 in one or more newspapers published or having a general  
338 circulation in the City of Jackson, Mississippi, selected by the  
339 commission.

340 The commission, when issuing any bonds under the authority of  
341 this section, may provide that bonds, at the option of the State  
342 of Mississippi, may be called in for payment and redemption at the  
343 call price named therein and accrued interest on such date or  
344 dates named therein.

345 (8) The bonds issued under the provisions of this section  
346 are general obligations of the State of Mississippi, and for the  
347 payment thereof the full faith and credit of the State of  
348 Mississippi is irrevocably pledged. If the funds appropriated by  
349 the Legislature are insufficient to pay the principal of and the  
350 interest on such bonds as they become due, then the deficiency  
351 shall be paid by the State Treasurer from any funds in the State  
352 Treasury not otherwise appropriated. All such bonds shall contain  
353 recitals on their faces substantially covering the provisions of  
354 this subsection.

355 (9) Upon the issuance and sale of bonds under the provisions  
356 of this section, the commission shall transfer the proceeds of any  
357 such sale or sales to the special funds created in subsection (2)  
358 of this section. The proceeds of such bonds shall be disbursed  
359 solely upon the order of the Department of Finance and  
360 Administration under such restrictions, if any, as may be

361 contained in the resolution providing for the issuance of the  
362 bonds.

363 (10) The bonds authorized under this section may be issued  
364 without any other proceedings or the happening of any other  
365 conditions or things other than those proceedings, conditions and  
366 things which are specified or required by this section. Any  
367 resolution providing for the issuance of bonds under the  
368 provisions of this section shall become effective immediately upon  
369 its adoption by the commission, and any such resolution may be  
370 adopted at any regular or special meeting of the commission by a  
371 majority of its members.

372 (11) The bonds authorized under the authority of this  
373 section may be validated in the Chancery Court of the First  
374 Judicial District of Hinds County, Mississippi, in the manner and  
375 with the force and effect provided by Title 31, Chapter 13,  
376 Mississippi Code of 1972, for the validation of county, municipal,  
377 school district and other bonds. The notice to taxpayers required  
378 by such statutes shall be published in a newspaper published or  
379 having a general circulation in the City of Jackson, Mississippi.

380 (12) Any holder of bonds issued under the provisions of this  
381 section or of any of the interest coupons pertaining thereto may,  
382 either at law or in equity, by suit, action, mandamus or other  
383 proceeding, protect and enforce any and all rights granted under  
384 this section, or under such resolution, and may enforce and compel  
385 performance of all duties required by this section to be

386 performed, in order to provide for the payment of bonds and  
387 interest thereon.

388 (13) All bonds issued under the provisions of this section  
389 shall be legal investments for trustees and other fiduciaries, and  
390 for savings banks, trust companies and insurance companies  
391 organized under the laws of the State of Mississippi, and such  
392 bonds shall be legal securities which may be deposited with and  
393 shall be received by all public officers and bodies of this state  
394 and all municipalities and political subdivisions for the purpose  
395 of securing the deposit of public funds.

396 (14) Bonds issued under the provisions of this section and  
397 income therefrom shall be exempt from all taxation in the State of  
398 Mississippi.

399 (15) The proceeds of the bonds issued under this section  
400 shall be used solely for the purposes herein provided, including  
401 the costs incident to the issuance and sale of such bonds.

402 (16) The State Treasurer is authorized, without further  
403 process of law, to certify to the Department of Finance and  
404 Administration the necessity for warrants, and the Department of  
405 Finance and Administration is authorized and directed to issue  
406 such warrants, in such amounts as may be necessary to pay when due  
407 the principal of, premium, if any, and interest on, or the  
408 accreted value of, all bonds issued under this section; and the  
409 State Treasurer shall forward the necessary amount to the  
410 designated place or places of payment of such bonds in ample time

411 to discharge such bonds, or the interest thereon, on the due dates  
412 thereof.

413 (17) This section shall be deemed to be full and complete  
414 authority for the exercise of the powers herein granted, but this  
415 section shall not be deemed to repeal or to be in derogation of  
416 any existing law of this state.

534 obligation bonds of the State of Mississippi to provide funds for

535 all costs incurred or to be incurred for the purposes described in  
536 subsection (2) of this section. Upon the adoption of a resolution  
537 by the Department of Finance and Administration declaring the  
538 necessity for the issuance of any part or all of the general  
539 obligation bonds authorized by this section, the Department of  
540 Finance and Administration shall deliver a certified copy of its  
541 resolution or resolutions to the commission. Upon receipt of such

544 method for sale of the bonds, advertise for and accept bids or  
545 negotiate the sale of the bonds, issue and sell the bonds so  
546 authorized to be sold, and do any and all other things necessary  
547 and advisable in connection with the issuance and sale of such  
548 bonds. The total amount of bonds issued under this section shall  
549 not exceed \* \* \* Twenty-five Million Nine Hundred Seventy Thousand  
550 Dollars (\$25,970,000.00). No bonds shall be issued under this  
551 section after July 1, 2025.

552 (b) Any investment earnings on amounts deposited into  
553 the special funds created in subsection (2) of this section shall  
554 be used to pay debt service on bonds issued under this section, in  
555 accordance with the proceedings authorizing issuance of such  
556 bonds.

557 (4) The principal of and interest on the bonds authorized  
558 under this section shall be payable in the manner provided in this  
559 subsection. Such bonds shall bear such date or dates, be in such

573 attested by the secretary of the commission. The interest  
574 coupons, if any, to be attached to such bonds may be executed by  
575 the facsimile signatures of such officers. Whenever any such  
576 bonds shall have been signed by the officials designated to sign  
577 the bonds who were in office at the time of such signing but who  
578 may have ceased to be such officers before the sale and delivery  
579 of such bonds, or who may not have been in office on the date such  
580 bonds may bear, the signatures of such officers upon such bonds  
581 and coupons shall nevertheless be valid and sufficient for all  
582 purposes and have the same effect as if the person so officially  
583 signing such bonds had remained in office until their delivery to  
584 the purchaser, or had been in office on the date such bonds may

585 bear. However, notwithstanding anything herein to the contrary,  
586 such bonds may be issued as provided in the Registered Bond Act of  
587 the State of Mississippi.

588 (6) All bonds and interest coupons issued under the  
589 provisions of this section have all the qualities and incidents of

592 section, the commission shall not be required to and need not  
593 comply with the provisions of the Uniform Commercial Code.

594 (7) The commission shall act as issuing agent for the bonds  
595 authorized under this section, prescribe the form of the bonds,  
596 determine the appropriate method for sale of the bonds, advertise  
597 for and accept bids or negotiate the sale of the bonds, issue and  
598 sell the bonds, pay all fees and costs incurred in such issuance  
599 and sale, and do any and all other things necessary and advisable  
600 in connection with the issuance and sale of such bonds. The  
601 commission is authorized and empowered to pay the costs that are  
602 incident to the sale, issuance and delivery of the bonds  
603 authorized under this section from the proceeds derived from the  
604 sale of such bonds. The commission may sell such bonds on sealed  
605 bids at public sale or may negotiate the sale of the bonds for  
606 such price as it may determine to be for the best interest of the  
607 State of Mississippi. All interest accruing on such bonds so  
608 issued shall be payable semiannually or annually.

609           If such bonds are sold by sealed bids at public sale, notice  
610 of the sale shall be published at least one time, not less than

612 in one or more newspapers published or having a general  
613 circulation in the City of Jackson, Mississippi, selected by the  
614 commission.

618 call price named therein and accrued interest on such date or  
619 dates named therein.

620           (8) The bonds issued under the provisions of this section  
621 are general obligations of the State of Mississippi, and for the  
622 payment thereof the full faith and credit of the State of  
623 Mississippi is irrevocably pledged. If the funds appropriated by  
624 the Legislature are insufficient to pay the principal of and the  
625 interest on such bonds as they become due, then the deficiency  
626 shall be paid by the State Treasurer from any funds in the State  
627 Treasury not otherwise appropriated. All such bonds shall contain  
628 recitals on their faces substantially covering the provisions of  
629 this subsection.

630           (9) Upon the issuance and sale of bonds under the provisions  
631 of this section, the commission shall transfer the proceeds of any  
632 such sale or sales to the special fund created in subsection (2)  
633 of this section. The proceeds of such bonds shall be disbursed

634 solely upon the order of the Department of Finance and  
635 Administration under such restrictions, if any, as may be  
636 contained in the resolution providing for the issuance of the  
637 bonds.

638 (10) The bonds authorized under this section may be issued  
639 without any other proceedings or the happening of any other  
640 conditions or things other than those proceedings, conditions and  
641 things which are specified or required by this section. Any  
642 resolution providing for the issuance of bonds under the  
643 provisions of this section shall become effective immediately upon  
644 its adoption by the commission, and any such resolution may be  
645 adopted at any regular or special meeting of the commission by a  
646 majority of its members.

647 (11) The bonds authorized under the authority of this  
648 section may be validated in the Chancery Court of the First  
649 Judicial District of Hinds County, Mississippi, in the manner and  
650 with the force and effect provided by Title 31, Chapter 13,  
651 Mississippi Code of 1972, for the validation of county, municipal,  
652 school district and other bonds. The notice to taxpayers required  
653 by such statutes shall be published in a newspaper published or  
654 having a general circulation in the City of Jackson, Mississippi.

655 (12) Any holder of bonds issued under the provisions of this  
656 section or of any of the interest coupons pertaining thereto may,  
657 either at law or in equity, by suit, action, mandamus or other  
658 proceeding, protect and enforce any and all rights granted under

659 this section, or under such resolution, and may enforce and compel  
660 performance of all duties required by this section to be  
661 performed, in order to provide for the payment of bonds and  
662 interest thereon.

663 (13) All bonds issued under the provisions of this section  
664 shall be legal investments for trustees and other fiduciaries, and  
665 for savings banks, trust companies and insurance companies  
666 organized under the laws of the State of Mississippi, and such  
667 bonds shall be legal securities which may be deposited with and  
668 shall be received by all public officers and bodies of this state  
669 and all municipalities and political subdivisions for the purpose  
670 of securing the deposit of public funds.

671 (14) Bonds issued under the provisions of this section and  
672 income therefrom shall be exempt from all taxation in the State of  
673 Mississippi.

674 (15) The proceeds of the bonds issued under this section  
675 shall be used solely for the purposes herein provided, including  
676 the costs incident to the issuance and sale of such bonds.

677 (16) The State Treasurer is authorized, without further  
678 process of law, to certify to the Department of Finance and  
679 Administration the necessity for warrants, and the Department of  
680 Finance and Administration is authorized and directed to issue  
681 such warrants, in such amounts as may be necessary to pay when due  
682 the principal of, premium, if any, and interest on, or the  
683 accreted value of, all bonds issued under this section; and the

684 State Treasurer shall forward the necessary amount to the  
685 designated place or places of payment of such bonds in ample time  
686 to discharge such bonds, or the interest thereon, on the due dates

728 declaration from the authority as hereinafter provided, to borrow  
729 money and issue general obligation bonds of the state in one or

1653 The Department of Audit may escalate its budget and expend such

1678 the bonds, who were in office at the time of such signing but who  
1679 may have ceased to be such officers before the sale and delivery

1695 accept bids, issue and sell the bonds on sealed bids at public  
1696 sale, pay all fees and costs incurred in such issuance and sale,

1697 and do any and all other things necessary and advisable in  
1698 connection with the issuance and sale of the bonds. The State  
1699 Bond Commission may sell such bonds on sealed bids at public sale  
1700 for such price as it may determine to be for the best interest of  
1701 the State of Mississippi, but no such sale shall be made at a

1713 Jackson, Mississippi, selected by the State Bond Commission.

1714 The State Bond Commission, when issuing any bonds under the  
1715 authority of this section, may provide that the bonds, at the  
1716 option of the state, may be called in for payment and redemption  
1717 at the call price named therein and accrued interest on such date  
1718 or dates named therein.

1719 (8) State bonds issued under the provisions of this section  
1720 shall be the general obligations of the state and backed by the  
1721 full faith and credit of the state. The Legislature shall

1722 appropriate annually an amount sufficient to pay the principal of  
1723 and the interest on such bonds as they become due. All bonds  
1724 shall contain recitals on their faces substantially covering the  
1725 foregoing provisions of this section.

1726 (9) The State Treasurer is authorized to certify to the  
1727 Department of Finance and Administration the necessity for

1729 authorized and directed to issue such warrants payable out of any  
1730 funds appropriated by the Legislature under this section for such  
1731 purpose, in such amounts as may be necessary to pay when due the  
1732 principal of and interest on all bonds issued under the provisions  
1733 of this section. The State Treasurer shall forward the necessary  
1734 amount to the designated place or places of payment of such bonds  
1735 in ample time to discharge such bonds, or the interest thereon, on  
1736 the due dates thereof.

1738 or the happening of any other conditions or things other than  
1739 those proceedings, conditions and things which are specified or  
1740 required by this chapter. Any resolution providing for the  
1741 issuance of general obligation bonds under the provisions of this  
1742 section shall become effective immediately upon its adoption by  
1743 the State Bond Commission, and any such resolution may be adopted  
1744 at any regular or special meeting of the State Bond Commission by  
1745 a majority of its members.

1746           (11) In anticipation of the issuance of bonds hereunder, the  
1747 State Bond Commission is authorized to negotiate and enter into  
1748 any purchase, loan, credit or other agreement with any bank, trust  
1749 company or other lending institution or to issue and sell interim  
1750 notes for the purpose of making any payments authorized under this  
1751 section. All borrowings made under this provision shall be  
1752 evidenced by notes of the state which shall be issued from time to  
1753 time, for such amounts not exceeding the amount of bonds  
1754 authorized herein, in such form and in such denomination and

1759 agree to in such agreement. Such notes shall constitute general  
1760 obligations of the state and shall be backed by the full faith and  
1761 credit of the state. Such notes may also be issued for the  
1762 purpose of refunding previously issued notes. No note shall  
1763 mature more than three (3) years following the date of its  
1764 issuance. The State Bond Commission is authorized to provide for  
1765 the compensation of any purchaser of the notes by payment of a  
1766 fixed fee or commission and for all other costs and expenses of  
1767 issuance and service, including paying agent costs. Such costs  
1768 and expenses may be paid from the proceeds of the notes.

1769           (12) The bonds and interim notes authorized under the  
1770 authority of this section may be validated in the Chancery Court

1771 of the First Judicial District of Hinds County, Mississippi, in  
1772 the manner and with the force and effect provided now or hereafter  
1773 by Chapter 13, Title 31, Mississippi Code of 1972, for the

1775 The necessary papers for such validation proceedings shall be  
1776 transmitted to the State Bond Attorney, and the required notice

1784 of the state, excepting inheritance and gift taxes.

1785 (14) All bonds issued under this chapter shall be legal  
1786 investments for trustees, other fiduciaries, savings banks, trust  
1787 companies and insurance companies organized under the laws of the  
1788 State of Mississippi; and such bonds shall be legal securities  
1789 which may be deposited with and shall be received by all public  
1790 officers and bodies of the state and all municipalities and other  
1791 political subdivisions thereof for the purpose of securing the  
1792 deposit of public funds.

1793 (15) The Attorney General of the State of Mississippi shall  
1794 represent the State Bond Commission in issuing, selling and  
1795 validating bonds herein provided for, and the Bond Commission is

1796 hereby authorized and empowered to expend from the proceeds  
1797 derived from the sale of the bonds authorized hereunder all

1799 related to the issuance of bonds authorized under this chapter.

1800 (16) There is hereby created a special fund in the State  
1801 Treasury to be known as the Mississippi Major Economic Impact  
1802 Authority Fund wherein shall be deposited the proceeds of the

1813 and interest shall be invested by the State Treasurer in such  
1814 securities as are provided by law for the investment of the  
1815 sinking funds of the state.

1816 (b) In the event that all or any part of the bonds and  
1817 notes are purchased, they shall be cancelled and returned to the  
1818 loan and transfer agent as cancelled and paid bonds and notes and  
1819 thereafter all payments of interest thereon shall cease and the  
1820 cancelled bonds, notes and coupons, together with any other

1823 after cancellation. A certificate evidencing the destruction of  
1824 the cancelled bonds, notes and coupons shall be provided by the  
1825 loan and transfer agent to the seller.

1826 (c) The State Treasurer shall determine and report to  
1827 the Department of Finance and Administration and Legislative

1829 necessary for the payment of the principal of and interest on  
1830 outstanding obligations for the following fiscal year and the  
1831 times and amounts of the payments. It shall be the duty of the  
1832 Governor to include in every executive budget submitted to the  
1833 Legislature full information relating to the issuance of bonds and  
1834 notes under the provisions of this chapter and the status of the

1837 (d) Any monies repaid to the state from loans  
1838 authorized in Section 57-75-11(hh) shall be deposited into the  
1839 Mississippi Major Economic Impact Authority Sinking Fund unless  
1840 the State Bond Commission, at the request of the authority, shall  
1841 determine that such loan repayments are needed to provide  
1842 additional loans as authorized under Section 57-75-11(hh). For  
1843 purposes of providing additional loans, there is hereby created  
1844 the Mississippi Major Economic Impact Authority Revolving Loan  
1845 Fund and loan repayments shall be deposited into the fund. The

1846 fund shall be maintained for such period as determined by the

1884 may escalate its budget and expend the proceeds of the money  
1885 borrowed under this subsection in accordance with rules and  
1886 regulations of the Department of Finance and Administration in a  
1887 manner consistent with the escalation of federal funds.

1888           (c) The authority shall request an appropriation or  
1889 additional authority to issue general obligation bonds to repay  
1890 the borrowed funds and establish a date for the repayment of the  
1891 funds so borrowed.

1892           (d) Borrowings made under the provisions of this  
1893 subsection shall not exceed Five Hundred Thousand Dollars

2037           (2) Any investment earnings on amounts deposited into the  
2038 special fund created in Section 2 of this act shall be used to pay

2086 empowered to pay the costs that are incident to the sale, issuance  
2087 and delivery of the bonds authorized under this act from the  
2088 proceeds derived from the sale of the bonds. The commission shall  
2089 sell the bonds on sealed bids at public sale or may negotiate the  
2090 sale of the bonds for such price as it may determine to be for the  
2091 best interest of the State of Mississippi. All interest accruing

2107 Mississippi is irrevocably pledged. If the funds available in the  
2108 Department of Marine Resources Equipment and Facilities Sinking  
2109 Fund and any funds appropriated by the Legislature are  
2110 insufficient to pay the principal of and the interest on the bonds  
2111 as they become due, then the deficiency shall be paid by the State

2113 appropriated. All the bonds shall contain recitals on their faces  
2114 substantially covering the provisions of this section.

2126 resolution providing for the issuance of bonds under the  
2127 provisions of this act shall become effective immediately upon its  
2128 adoption by the commission, and any such resolution may be adopted  
2129 at any regular or special meeting of the commission by a majority  
2130 of its members.

2132 act may be validated in the Chancery Court of the First Judicial  
2133 District of Hinds County, Mississippi, in the manner and with the

2156 and income therefrom shall be exempt from all taxation in the  
2157 State of Mississippi.

2383         (8) The bonds issued under the provisions of this section  
2384 are general obligations of the State of Mississippi, and for the

2753 the Legislature are insufficient to pay the principal of and the  
2754 interest on such bonds as they become due, then the deficiency  
2755 shall be paid by the State Treasurer from any funds in the State  
2756 Treasury not otherwise appropriated. All such bonds shall contain

2871 (d) If the county receives a loan under this section,  
2872 the county shall pledge for repayment of the loan any part of the  
2873 homestead exemption annual tax loss reimbursement to which it may  
2874 be entitled under Section 27-33-77, and any revenue generated for  
2875 the county by a project funded by a loan made pursuant to this  
2876 act. The loan agreement shall provide for (i) monthly payments,  
2877 (ii) semiannual payments, or (iii) other periodic payments, as set  
2878 forth in the loan agreement. The loan agreement shall provide for

2881 (e) Loan payments of the county shall be deposited into  
2882 the bond sinking fund created in subsection (4) of this section.

2883           (f) If the loan payments of the county appear to be in

2892 Mississippi Development Authority.

2893           (g) Evidences of indebtedness which are issued pursuant  
2894 to this act shall not be deemed indebtedness of the county within  
2895 the meaning specified in Section 19-9-5.

2896           (3) In administering the provisions of this act, the  
2897 Mississippi Development Authority shall have the following powers  
2898 and duties:

2902 available under this act are utilized as authorized under this  
2903 act;

2904           (c) To requisition money in the Hinds County  
2905 Development Project Loan Fund and distribute it in accordance with  
2906 the provisions of this act;

2907           (d) To maintain an accurate record of all funds made  
2908 available to the county under this act; and

2909           (e) To adopt and promulgate such rules and regulations  
2910 as may be necessary or desirable for the purpose of implementing  
2911 the provisions of this act.

2912           (4) (a) For the purposes of providing for the payment of  
2913 the principal of and interest on bonds issued under this section,  
2914 there is created in the State Treasury a special fund to be known  
2915 as the "Hinds County Development Project Loan Fund Bond Sinking  
2916 Fund." The bond sinking fund shall consist of monies deposited  
2917 into the fund by the county for repayment of loans issued under  
2918 this act, and such other amounts as may be paid into the bond

2920 Legislature. Unexpended amounts remaining in the bond sinking  
2921 fund at the end of a fiscal year shall not lapse into the State  
2922 General Fund, and any interest earned or investment earnings on  
2923 amounts in the bond sinking fund shall be deposited into the bond  
2924 sinking fund.

2925           (b) At any time when the funds required to pay the  
2926 principal of and interest on the bonds issued under this act are  
2927 more than the amounts available in the bond sinking fund, the  
2928 Legislature shall appropriate the balance of the amount necessary  
2929 to pay the principal of and interest on the bonds issued under  
2930 this act from the State General Fund.

2931           (c) The total amount of all payments deposited into the  
2932 bond sinking fund until the maturity date of the bonds authorized  
2933 under this act shall be in an amount sufficient to retire the  
2934 bonds.

2935           (5) (a) The Mississippi Development Authority, at one time,  
2936 or from time to time, may declare by resolution the necessity for  
2937 issuance of general obligation bonds of the State of Mississippi  
2938 to provide funds for all costs incurred or to be incurred for the  
2939 purposes described in subsection (2) of this section. Upon the  
2940 adoption of a resolution by the Mississippi Development Authority  
2941 declaring the necessity for the issuance of any part or all of the  
2942 bonds authorized by this section, the Mississippi Development  
2943 Authority shall deliver a certified copy of its resolution or  
2944 resolutions to the commission. Upon receipt of the resolution,  
2945 the commission, in its discretion, may act as the issuing agent,  
2946 prescribe the form of the bonds, determine the appropriate method  
2947 for sale of the bonds, advertise for and accept bids or negotiate  
2948 the sale of the bonds, issue and sell the bonds so authorized to  
2949 be sold, and do any and all other things necessary and advisable  
2950 in connection with the issuance and sale of the bonds. The total  
2951 amount of bonds issued under this act shall not exceed \* \* \*  
2952 Forty-two Million One Hundred Thousand Dollars (\$42,100,000.00) of  
2953 such bonds may be issued during any fiscal year.

2954           (b) Any investment earnings on amounts deposited into  
2955 the special fund created in subsection (2) of this section shall

2956 be used to pay debt service on bonds issued under this section, in  
2957 accordance with the proceedings authorizing issuance of the bonds.

2958 (6) The principal of and interest on the bonds authorized  
2959 under this section shall be payable in the manner provided in this  
2960 subsection. The bonds shall bear such date or dates, be in such  
2961 denomination or denominations, bear interest at such rate or rates  
2962 (not to exceed the limits set forth in Section 75-17-101,  
2963 Mississippi Code of 1972), be payable at such place or places  
2964 within or without the State of Mississippi, shall mature  
2965 absolutely at such time or times not to exceed twenty-five (25)  
2966 years from date of issue, be redeemable before maturity at such  
2967 time or times and upon such terms, with or without premium, shall  
2968 bear such registration privileges, and shall be substantially in  
2969 such form, all as determined by resolution of the commission.

2970 (7) The bonds authorized by this section shall be signed by  
2971 the chairman of the commission, or by his facsimile signature, and  
2972 the official seal of the commission shall be affixed thereto,  
2973 attested by the secretary of the commission. The interest  
2974 coupons, if any, to be attached to the bonds may be executed by  
2975 the facsimile signatures of those officers. Whenever any such  
2976 bonds have been signed by the officials designated to sign the  
2977 bonds who were in office at the time of the signing but who may  
2978 have ceased to be those officers before the sale and delivery of  
2979 the bonds, or who may not have been in office on the date that the  
2980 bonds may bear, the signatures of those officers upon the bonds

2981 and coupons shall nevertheless be valid and sufficient for all  
2982 purposes and have the same effect as if the person so officially  
2983 signing the bonds had remained in office until their delivery to  
2984 the purchaser, or had been in office on the date the bonds may  
2985 bear. However, notwithstanding anything in this act to the  
2986 contrary, the bonds may be issued as provided in the Registered  
2987 Bond Act of the State of Mississippi.

2988 (8) All bonds and interest coupons issued under the  
2989 provisions of this section have all the qualities and incidents of  
2990 negotiable instruments under the provisions of the Uniform  
2991 Commercial Code, and in exercising the powers granted by this  
2992 section, the commission shall not be required to and need not  
2993 comply with the provisions of the Uniform Commercial Code.

2994 (9) The commission shall act as the issuing agent for the  
2995 bonds authorized under this section, prescribe the form of the  
2996 bonds, determine the appropriate method for sale of the bonds,  
2997 advertise for and accept bids or negotiate the sale of the bonds,  
2998 issue and sell the bonds so authorized to be sold, pay all fees  
2999 and costs incurred in the issuance and sale, and do any and all  
3000 other things necessary and advisable in connection with the  
3001 issuance and sale of the bonds. The commission is authorized and  
3002 empowered to pay the costs that are incident to the sale, issuance  
3003 and delivery of the bonds authorized under this section from the  
3004 proceeds derived from the sale of the bonds. The commission may  
3005 sell the bonds on sealed bids at public sale or may negotiate the

3006 sale of the bonds for such price as it may determine to be for the  
3007 best interest of the State of Mississippi. All interest accruing  
3008 on the bonds so issued shall be payable semiannually or annually.

3009 If the bonds are to be sold on sealed bids at public sale,  
3010 notice of the sale of any such bonds shall be published at least  
3011 one time, not less than ten (10) days before the date of sale, and  
3012 shall be so published in one or more newspapers published or  
3013 having a general circulation in the City of Jackson, Mississippi,  
3014 selected by the commission.

3015 The commission, when issuing any bonds under the authority of  
3016 this section, may provide that bonds, at the option of the State  
3017 of Mississippi, may be called in for payment and redemption at the  
3018 call price named therein and accrued interest on such date or  
3019 dates named therein.

3020 (10) The bonds issued under the provisions of this section  
3021 are general obligations of the State of Mississippi, and for the  
3022 payment thereof, the full faith and credit of the State of  
3023 Mississippi is irrevocably pledged. The principal of and the  
3024 interest on the bonds shall be payable primarily from the bond  
3025 sinking fund created in subsection (4) of this section in the  
3026 manner provided in that subsection. If the funds available in the  
3027 bond sinking fund and any funds appropriated by the Legislature  
3028 for those purposes are insufficient to pay the principal of and  
3029 the interest on the bonds as they become due, then the amount of  
3030 the deficiency shall be paid by the State Treasurer from any funds

3031 in the State Treasury not otherwise appropriated. All those bonds  
3032 shall contain recitals on their faces substantially covering the  
3033 provisions of this section.

3034 (11) Upon the issuance and sale of bonds under the  
3035 provisions of this section, the commission shall transfer the  
3036 proceeds of any such sale or sales to the special fund created in  
3037 subsection (2) of this section. The proceeds of the bonds shall  
3038 be disbursed solely upon the order of the Mississippi Development  
3039 Authority under such restrictions, if any, as may be contained in  
3040 the resolution providing for the issuance of the bonds.

3041 (12) The bonds authorized under this section may be issued  
3042 without any other proceedings or the happening of any other  
3043 conditions or things other than those proceedings, conditions and  
3044 things that are specified or required by this section. Any  
3045 resolution providing for the issuance of bonds under the  
3046 provisions of this section shall become effective immediately upon  
3047 its adoption by the commission, and any such resolution may be  
3048 adopted at any regular or special meeting of the commission by a  
3049 majority of its members.

3050 (13) The bonds authorized under this section may be  
3051 validated in the Chancery Court of the First Judicial District of  
3052 Hinds County, Mississippi, in the manner and with the force and  
3053 effect provided by Chapter 13, Title 31, Mississippi Code of 1972,  
3054 for the validation of county, municipal, school district and other  
3055 bonds. The notice to taxpayers required by those statutes shall

3056 be published in a newspaper published or having a general  
3057 circulation in the City of Jackson, Mississippi.

3058 (14) Any holder of bonds issued under the provisions of this  
3059 section or of any of the interest coupons pertaining to those  
3060 bonds may, either at law or in equity, by suit, action, mandamus  
3061 or other proceeding, protect and enforce any and all rights  
3062 granted under this section, or under the resolution, and may  
3063 enforce and compel performance of all duties required by this  
3064 section to be performed, in order to provide for the payment of  
3065 bonds and interest on the bonds.

3066 (15) All bonds issued under the provisions of this section  
3067 shall be legal investments for trustees and other fiduciaries, and  
3068 for savings banks, trust companies and insurance companies  
3069 organized under the laws of the State of Mississippi, and the  
3070 bonds shall be legal securities that may be deposited with and  
3071 shall be received by all public officers and bodies of this state  
3072 and all municipalities and political subdivisions for the purpose  
3073 of securing the deposit of public funds.

3074 (16) Bonds issued under the provisions of this section and  
3075 income from the bonds shall be exempt from all taxation in the  
3076 State of Mississippi.

3077 (17) The proceeds of the bonds issued under this section  
3078 shall be used solely for the purposes herein provided, including  
3079 the costs incident to the issuance and sale of such bonds.

3080           (18) The State Treasurer is authorized, without further  
3081 process of law, to certify to the Department of Finance and  
3082 Administration the necessity for warrants, and the department is  
3083 authorized and directed to issue those warrants, in such amounts  
3084 as may be necessary to pay when due the principal of, premium, if  
3085 any, and interest on, or the accreted value of, all bonds issued  
3086 under this section; and the State Treasurer shall forward the  
3087 necessary amount to the designated place or places of payment of  
3088 those bonds in ample time to discharge the bonds, or the interest  
3089 on the bonds, on the due dates thereof.

3090           (19) This section shall be deemed to be full and complete  
3091 authority for the exercise of the powers granted in this section,  
3092 but this section shall not be deemed to repeal or to be in  
3093 derogation of any existing law of this state.

3238 the chairman of the commission, or by his facsimile signature, and  
3239 the official seal of the commission shall be affixed thereto,  
3240 attested by the secretary of the commission. The interest  
3241 coupons, if any, to be attached to the bonds may be executed by  
3242 the facsimile signatures of those officers. Whenever any such  
3243 bonds have been signed by the officials designated to sign the  
3244 bonds who were in office at the time of the signing but who may  
3245 have ceased to be those officers before the sale and delivery of  
3246 the bonds, or who may not have been in office on the date that the  
3247 bonds may bear, the signatures of those officers upon the bonds  
3248 and coupons shall nevertheless be valid and sufficient for all  
3249 purposes and have the same effect as if the person so officially  
3250 signing the bonds had remained in office until their delivery to  
3251 the purchaser, or had been in office on the date the bonds may  
3252 bear. However, notwithstanding anything in this section to the  
3253 contrary, the bonds may be issued as provided in the Registered  
3254 Bond Act of the State of Mississippi.

3255           (7) All bonds and interest coupons issued under the  
3256 provisions of this section have all the qualities and incidents of  
3257 negotiable instruments under the provisions of the Uniform  
3258 Commercial Code, and in exercising the powers granted by this  
3259 section, the commission shall not be required to and need not  
3260 comply with the provisions of the Uniform Commercial Code.

3261           (8) The commission shall act as the issuing agent for the  
3262 bonds authorized under this section, prescribe the form of the  
3263 bonds, determine the appropriate method for sale of the bonds,  
3264 advertise for and accept bids or negotiate the sale of the bonds,  
3265 issue and sell the bonds so authorized to be sold, pay all fees  
3266 and costs incurred in the issuance and sale, and do any and all  
3267 other things necessary and advisable in connection with the  
3268 issuance and sale of the bonds. The commission is authorized and  
3269 empowered to pay the costs that are incident to the sale, issuance  
3270 and delivery of the bonds authorized under this section from the  
3271 proceeds derived from the sale of the bonds. The commission may  
3272 sell the bonds on sealed bids at public sale or may negotiate the  
3273 sale of the bonds for such price as it may determine to be for the  
3274 best interest of the State of Mississippi. All interest accruing  
3275 on the bonds so issued shall be payable semiannually or annually.

3276           If the bonds are to be sold on sealed bids at public sale,  
3277 notice of the sale of any such bonds shall be published at least  
3278 one time, not less than ten (10) days before the date of sale, and  
3279 shall be so published in one or more newspapers published or

3280 having a general circulation in the City of Jackson, Mississippi,  
3281 selected by the commission.

3282         The commission, when issuing any bonds under the authority of  
3283 this section, may provide that bonds, at the option of the State  
3284 of Mississippi, may be called in for payment and redemption at the  
3285 call price named therein and accrued interest on such date or  
3286 dates named therein.

3287         (9) The bonds issued under the provisions of this section  
3288 are general obligations of the State of Mississippi, and for the  
3289 payment thereof, the full faith and credit of the State of  
3290 Mississippi is irrevocably pledged. The principal of and the  
3291 interest on the bonds shall be payable primarily from the bond  
3292 sinking fund created in subsection (3) of this section in the  
3293 manner provided in that subsection. If the funds available in the  
3294 bond sinking fund and any funds appropriated by the Legislature  
3295 for those purposes are insufficient to pay the principal of and  
3296 the interest on the bonds as they become due, then the amount of  
3297 the deficiency shall be paid by the State Treasurer from any funds  
3298 in the State Treasury not otherwise appropriated. All such bonds  
3299 shall contain recitals on their faces substantially covering the  
3300 provisions of this section.

3301         (10) Upon the issuance and sale of bonds under the  
3302 provisions of this section, the commission shall transfer the  
3303 proceeds of any such sale or sales to the special fund created in  
3304 subsection (2) of this section. The proceeds of the bonds shall

3305 be disbursed solely upon the order of the Department of Finance  
3306 and Administration under such restrictions, if any, as may be  
3307 contained in the resolution providing for the issuance of the  
3308 bonds.

3309 (11) The bonds authorized under this section may be issued  
3310 without any other proceedings or the happening of any other  
3311 conditions or things other than those proceedings, conditions and  
3312 things that are specified or required by this section. Any  
3313 resolution providing for the issuance of bonds under the  
3314 provisions of this section shall become effective immediately upon  
3315 its adoption by the commission, and any such resolution may be  
3316 adopted at any regular or special meeting of the commission by a  
3317 majority of its members.

3318 (12) The bonds authorized under this section may be  
3319 validated in the Chancery Court of the First Judicial District of  
3320 Hinds County, Mississippi, in the manner and with the force and  
3321 effect provided by Chapter 13, Title 31, Mississippi Code of 1972,  
3322 for the validation of county, municipal, school district and other  
3323 bonds. The notice to taxpayers required by such statutes shall be  
3324 published in a newspaper published or having a general circulation  
3325 in the City of Jackson, Mississippi.

3326 (13) Any holder of bonds issued under the provisions of this  
3327 section or of any of the interest coupons pertaining thereto may,  
3328 either at law or in equity, by suit, action, mandamus or other  
3329 proceeding, protect and enforce any and all rights granted under

3330 this section, or under the resolution, and may enforce and compel  
3331 performance of all duties required by this section to be  
3332 performed, in order to provide for the payment of bonds and  
3333 interest on the bonds.

3334 (14) All bonds issued under the provisions of this section  
3335 shall be legal investments for trustees and other fiduciaries, and  
3336 for savings banks, trust companies and insurance companies  
3337 organized under the laws of the State of Mississippi, and such  
3338 bonds shall be legal securities that may be deposited with and  
3339 shall be received by all public officers and bodies of this state  
3340 and all municipalities and political subdivisions for the purpose  
3341 of securing the deposit of public funds.

3342 (15) Bonds issued under the provisions of this section and  
3343 income from the bonds shall be exempt from all taxation in the  
3344 State of Mississippi.

3345 (16) The proceeds of the bonds issued under this section  
3346 shall be used solely for the purposes herein provided, including  
3347 the costs incident to the issuance and sale of such bonds.

3348 (17) The State Treasurer is authorized, without further  
3349 process of law, to certify to the Department of Finance and  
3350 Administration the necessity for warrants, and the department is  
3351 authorized and directed to issue those warrants, in such amounts  
3352 as may be necessary to pay when due the principal of, premium, if  
3353 any, and interest on, or the accreted value of, all bonds issued  
3354 under this section; and the State Treasurer shall forward the

3355 necessary amount to the designated place or places of payment of  
3356 those bonds in ample time to discharge such bonds, or the interest  
3357 thereon, on the due dates thereof.

3358 (18) This section shall be deemed to be full and complete  
3359 authority for the exercise of the powers granted in this section,  
3360 but this section shall not be deemed to repeal or to be in  
3361 derogation of any existing law of this state.

3362 **SECTION 15.** This act shall take effect and be in force from  
3363 and after July 1, 2024.
