 241 (a) of this subsection. If any monies in such special fund are
 242 not used within four (4) years after the date the proceeds of the
 243 bonds authorized under this section are deposited into the special

244 fund, then the institution of higher learning for which any unused
245 monies are allocated under paragraph (a) of this subsection shall
246 provide an accounting of such unused monies to the commission.
247 Promptly after the commission has certified, by resolution duly
248 adopted, that the projects described in paragraph (a) of this
249 subsection shall have been completed, abandoned, or cannot be
250 completed in a timely fashion, any amounts remaining in such
251 special fund shall be applied to pay debt service on the bonds
252 issued under this section, in accordance with the proceedings
253 authorizing the issuance of such bonds and as directed by the
254 commission.

255 (ii) Monies in the special fund may be used to

257 Department of Finance and Administration, acting through the
258 Bureau of Building, Grounds and Real Property Management, in

270 acting through the Bureau of Building, Grounds and Real Property
271 Management, is expressly authorized and empowered to receive and
272 expend any local or other source funds in connection with the

275 under the direction of the Department of Finance and
276 Administration, and such funds shall be paid by the State
277 Treasurer upon warrants issued by such department, which warrants

285 (3) (a) The commission, at one time, or from time to time,
286 may declare by resolution the necessity for issuance of general
287 obligation bonds of the State of Mississippi to provide funds for
288 all costs incurred or to be incurred for the purposes described in
289 subsection (2) of this section. Upon the adoption of a resolution
290 by the Department of Finance and Administration declaring the
291 necessity for the issuance of any part or all of the general
292 obligation bonds authorized by this section, the Department of
293 Finance and Administration shall deliver a certified copy of its
294 resolution or resolutions to the commission. Upon receipt of such

295 resolution, the commission, in its discretion, may act as issuing
296 agent, prescribe the form of the bonds, determine the appropriate
297 method for sale of the bonds, advertise for and accept bids or
298 negotiate the sale of the bonds, issue and sell the bonds so
299 authorized to be sold, and do any and all other things necessary
300 and advisable in connection with the issuance and sale of such
301 bonds. The total amount of bonds issued under this section shall
302 not exceed * * * Seventy-five Million Six Hundred Seventy-five
303 Thousand Dollars (\$75,675,000.00). No bonds shall be issued under
304 this section after July 1, 2025.

305 (b) Any investment earnings on amounts deposited into
306 the special fund created in subsection (2) of this section shall
307 be used to pay debt service on bonds issued under this section, in
308 accordance with the proceedings authorizing issuance of such
309 bonds.

310 (4) The principal of and interest on the bonds authorized
311 under this section shall be payable in the manner provided in this
312 subsection. Such bonds shall bear such date or dates, be in such
313 denomination or denominations, bear interest at such rate or rates
314 (not to exceed the limits set forth in Section 75-17-101,
315 Mississippi Code of 1972), be payable at such place or places
316 within or without the State of Mississippi, shall mature
317 absolutely at such time or times not to exceed twenty-five (25)
318 years from date of issue, be redeemable before maturity at such
319 time or times and upon such terms, with or without premium, shall
320 bear such registration privileges, and shall be substantially in

321 such form, all as shall be determined by resolution of the
322 commission.

323 (5) The bonds authorized by this section shall be signed by
324 the chairman of the commission, or by his facsimile signature, and
325 the official seal of the commission shall be affixed thereto,
326 attested by the secretary of the commission. The interest
327 coupons, if any, to be attached to such bonds may be executed by
328 the facsimile signatures of such officers. Whenever any such
329 bonds shall have been signed by the officials designated to sign
330 the bonds who were in office at the time of such signing but who
331 may have ceased to be such officers before the sale and delivery
332 of such bonds, or who may not have been in office on the date such
333 bonds may bear, the signatures of such officers upon such bonds
334 and coupons shall nevertheless be valid and sufficient for all
335 purposes and have the same effect as if the person so officially
336 signing such bonds had remained in office until their delivery to
337 the purchaser, or had been in office on the date such bonds may
338 bear. However, notwithstanding anything herein to the contrary,
339 such bonds may be issued as provided in the Registered Bond Act of
340 the State of Mississippi.

341 (6) All bonds and interest coupons issued under the
342 provisions of this section have all the qualities and incidents of
343 negotiable instruments under the provisions of the Uniform
344 Commercial Code, and in exercising the powers granted by this
345 section, the commission shall not be required to and need not
346 comply with the provisions of the Uniform Commercial Code.

347 (7) The commission shall act as issuing agent for the bonds
348 authorized under this section, prescribe the form of the bonds,
349 determine the appropriate method for sale of the bonds, advertise
350 for and accept bids or negotiate the sale of the bonds, issue and
351 sell the bonds, pay all fees and costs incurred in such issuance
352 and sale, and do any and all other things necessary and advisable
353 in connection with the issuance and sale of such bonds. The
354 commission is authorized and empowered to pay the costs that are
355 incident to the sale, issuance and delivery of the bonds
356 authorized under this section from the proceeds derived from the
357 sale of such bonds. The commission may sell such bonds on sealed
358 bids at public sale or may negotiate the sale of the bonds for
359 such price as it may determine to be for the best interest of the
360 State of Mississippi. All interest accruing on such bonds so
361 issued shall be payable semiannually or annually.

362 If such bonds are sold by sealed bids at public sale, notice
363 of the sale shall be published at least one time, not less than
364 ten (10) days before the date of sale, and shall be so published
365 in one or more newspapers published or having a general
366 circulation in the City of Jackson, Mississippi, selected by the
367 commission.

368 The commission, when issuing any bonds under the authority of
369 this section, may provide that bonds, at the option of the State
370 of Mississippi, may be called in for payment and redemption at the
371 call price named therein and accrued interest on such date or
372 dates named therein.

373 (8) The bonds issued under the provisions of this section
374 are general obligations of the State of Mississippi, and for the
375 payment thereof the full faith and credit of the State of
376 Mississippi is irrevocably pledged. If the funds appropriated by
377 the Legislature are insufficient to pay the principal of and the
378 interest on such bonds as they become due, then the deficiency
379 shall be paid by the State Treasurer from any funds in the State
380 Treasury not otherwise appropriated. All such bonds shall contain
381 recitals on their faces substantially covering the provisions of
382 this subsection.

383 (9) Upon the issuance and sale of bonds under the provisions
384 of this section, the commission shall transfer the proceeds of any
385 such sale or sales to the special funds created in subsection (2)
386 of this section. The proceeds of such bonds shall be disbursed
387 solely upon the order of the Department of Finance and
388 Administration under such restrictions, if any, as may be
389 contained in the resolution providing for the issuance of the
390 bonds.

391 (10) The bonds authorized under this section may be issued
392 without any other proceedings or the happening of any other
393 conditions or things other than those proceedings, conditions and
394 things which are specified or required by this section. Any
395 resolution providing for the issuance of bonds under the
396 provisions of this section shall become effective immediately upon
397 its adoption by the commission, and any such resolution may be

398 adopted at any regular or special meeting of the commission by a
399 majority of its members.

400 (11) The bonds authorized under the authority of this
401 section may be validated in the Chancery Court of the First
402 Judicial District of Hinds County, Mississippi, in the manner and
403 with the force and effect provided by Title 31, Chapter 13,
404 Mississippi Code of 1972, for the validation of county, municipal,
405 school district and other bonds. The notice to taxpayers required
406 by such statutes shall be published in a newspaper published or
407 having a general circulation in the City of Jackson, Mississippi.

408 (12) Any holder of bonds issued under the provisions of this
409 section or of any of the interest coupons pertaining thereto may,
410 either at law or in equity, by suit, action, mandamus or other
411 proceeding, protect and enforce any and all rights granted under
412 this section, or under such resolution, and may enforce and compel
413 performance of all duties required by this section to be
414 performed, in order to provide for the payment of bonds and
415 interest thereon.

416 (13) All bonds issued under the provisions of this section
417 shall be legal investments for trustees and other fiduciaries, and
418 for savings banks, trust companies and insurance companies
419 organized under the laws of the State of Mississippi, and such
420 bonds shall be legal securities which may be deposited with and
421 shall be received by all public officers and bodies of this state
422 and all municipalities and political subdivisions for the purpose
423 of securing the deposit of public funds.

425 income therefrom shall be exempt from all taxation in the State of
426 Mississippi.

427 (15) The proceeds of the bonds issued under this section
428 shall be used solely for the purposes herein provided, including
429 the costs incident to the issuance and sale of such bonds.

430 (16) The State Treasurer is authorized, without further
431 process of law, to certify to the Department of Finance and
432 Administration the necessity for warrants, and the Department of
433 Finance and Administration is authorized and directed to issue
434 such warrants, in such amounts as may be necessary to pay when due
435 the principal of, premium, if any, and interest on, or the
436 accreted value of, all bonds issued under this section; and the
437 State Treasurer shall forward the necessary amount to the
438 designated place or places of payment of such bonds in ample time
439 to discharge such bonds, or the interest thereon, on the due dates
440 thereof.

555 bonds issued under this section, in accordance with the
556 proceedings authorizing the issuance of such bonds and as directed
557 by the commission.

558 (c) The Department of Finance and Administration,
559 acting through the Bureau of Building, Grounds and Real Property
560 Management, is expressly authorized and empowered to receive and
561 expend any local or other source funds in connection with the
562 expenditure of funds provided for in this section. The
563 expenditure of monies deposited into the special fund shall be
564 under the direction of the Department of Finance and
565 Administration, and such funds shall be paid by the State
566 Treasurer upon warrants issued by such department, which warrants
567 shall be issued upon requisitions signed by the Executive Director
568 of the Department of Finance and Administration, or his designee.

569 (3) (a) The commission, at one time, or from time to time,
570 may declare by resolution the necessity for issuance of general
571 obligation bonds of the State of Mississippi to provide funds for
572 all costs incurred or to be incurred for the purposes described in
573 subsection (2) of this section. Upon the adoption of a resolution
574 by the Department of Finance and Administration declaring the
575 necessity for the issuance of any part or all of the general
576 obligation bonds authorized by this section, the Department of
577 Finance and Administration shall deliver a certified copy of its
578 resolution or resolutions to the commission. Upon receipt of such
579 resolution, the commission, in its discretion, may act as issuing

580 agent, prescribe the form of the bonds, determine the appropriate
581 method for sale of the bonds, advertise for and accept bids or
582 negotiate the sale of the bonds, issue and sell the bonds so
583 authorized to be sold, and do any and all other things necessary
584 and advisable in connection with the issuance and sale of such
585 bonds. The total amount of bonds issued under this section shall
586 not exceed * * * Twenty-five Million Nine Hundred Seventy Thousand
587 Dollars (\$25,970,000.00). No bonds shall be issued under this
588 section after July 1, 2025.

589 (b) Any investment earnings on amounts deposited into
590 the special funds created in subsection (2) of this section shall
591 be used to pay debt service on bonds issued under this section, in
592 accordance with the proceedings authorizing issuance of such
593 bonds.

594 (4) The principal of and interest on the bonds authorized
595 under this section shall be payable in the manner provided in this
596 subsection. Such bonds shall bear such date or dates, be in such

602 years from date of issue, be redeemable before maturity at such
603 time or times and upon such terms, with or without premium, shall
604 bear such registration privileges, and shall be substantially in

605 such form, all as shall be determined by resolution of the
606 commission.

607 (5) The bonds authorized by this section shall be signed by
608 the chairman of the commission, or by his facsimile signature, and
609 the official seal of the commission shall be affixed thereto,
610 attested by the secretary of the commission. The interest
611 coupons, if any, to be attached to such bonds may be executed by
612 the facsimile signatures of such officers. Whenever any such
613 bonds shall have been signed by the officials designated to sign
614 the bonds who were in office at the time of such signing but who
615 may have ceased to be such officers before the sale and delivery
616 of such bonds, or who may not have been in office on the date such
617 bonds may bear, the signatures of such officers upon such bonds
618 and coupons shall nevertheless be valid and sufficient for all
619 purposes and have the same effect as if the person so officially
620 signing such bonds had remained in office until their delivery to
621 the purchaser, or had been in office on the date such bonds may
622 bear. However, notwithstanding anything herein to the contrary,
623 such bonds may be issued as provided in the Registered Bond Act of
624 the State of Mississippi.

625 (6) All bonds and interest coupons issued under the
626 provisions of this section have all the qualities and incidents of
627 negotiable instruments under the provisions of the Uniform
628 Commercial Code, and in exercising the powers granted by this
629 section, the commission shall not be required to and need not
630 comply with the provisions of the Uniform Commercial Code.

632 authorized under this section, prescribe the form of the bonds,
633 determine the appropriate method for sale of the bonds, advertise

635 sell the bonds, pay all fees and costs incurred in such issuance
636 and sale, and do any and all other things necessary and advisable
637 in connection with the issuance and sale of such bonds. The
638 commission is authorized and empowered to pay the costs that are
639 incident to the sale, issuance and delivery of the bonds
640 authorized under this section from the proceeds derived from the
641 sale of such bonds. The commission may sell such bonds on sealed
642 bids at public sale or may negotiate the sale of the bonds for
643 such price as it may determine to be for the best interest of the
644 State of Mississippi. All interest accruing on such bonds so
645 issued shall be payable semiannually or annually.

646 If such bonds are sold by sealed bids at public sale, notice
647 of the sale shall be published at least one time, not less than
648 ten (10) days before the date of sale, and shall be so published
649 in one or more newspapers published or having a general
650 circulation in the City of Jackson, Mississippi, selected by the
651 commission.

652 The commission, when issuing any bonds under the authority of
653 this section, may provide that bonds, at the option of the State
654 of Mississippi, may be called in for payment and redemption at the
655 call price named therein and accrued interest on such date or
656 dates named therein.

657 (8) The bonds issued under the provisions of this section
658 are general obligations of the State of Mississippi, and for the
659 payment thereof the full faith and credit of the State of
660 Mississippi is irrevocably pledged. If the funds appropriated by
661 the Legislature are insufficient to pay the principal of and the
662 interest on such bonds as they become due, then the deficiency
663 shall be paid by the State Treasurer from any funds in the State
664 Treasury not otherwise appropriated. All such bonds shall contain
665 recitals on their faces substantially covering the provisions of
666 this subsection.

667 (9) Upon the issuance and sale of bonds under the provisions
668 of this section, the commission shall transfer the proceeds of any
669 such sale or sales to the special fund created in subsection (2)
670 of this section. The proceeds of such bonds shall be disbursed
671 solely upon the order of the Department of Finance and
672 Administration under such restrictions, if any, as may be
673 contained in the resolution providing for the issuance of the
674 bonds.

675 (10) The bonds authorized under this section may be issued
676 without any other proceedings or the happening of any other
677 conditions or things other than those proceedings, conditions and
678 things which are specified or required by this section. Any
679 resolution providing for the issuance of bonds under the
680 provisions of this section shall become effective immediately upon
681 its adoption by the commission, and any such resolution may be

682 adopted at any regular or special meeting of the commission by a
683 majority of its members.

684 (11) The bonds authorized under the authority of this
685 section may be validated in the Chancery Court of the First
686 Judicial District of Hinds County, Mississippi, in the manner and
687 with the force and effect provided by Title 31, Chapter 13,
688 Mississippi Code of 1972, for the validation of county, municipal,
689 school district and other bonds. The notice to taxpayers required
690 by such statutes shall be published in a newspaper published or
691 having a general circulation in the City of Jackson, Mississippi.

692 (12) Any holder of bonds issued under the provisions of this
693 section or of any of the interest coupons pertaining thereto may,
694 either at law or in equity, by suit, action, mandamus or other
695 proceeding, protect and enforce any and all rights granted under
696 this section, or under such resolution, and may enforce and compel
697 performance of all duties required by this section to be
698 performed, in order to provide for the payment of bonds and
699 interest thereon.

700 (13) All bonds issued under the provisions of this section
701 shall be legal investments for trustees and other fiduciaries, and
702 for savings banks, trust companies and insurance companies
703 organized under the laws of the State of Mississippi, and such
704 bonds shall be legal securities which may be deposited with and

711 (15) The proceeds of the bonds issued under this section
712 shall be used solely for the purposes herein provided, including
713 the costs incident to the issuance and sale of such bonds.

714 (16) The State Treasurer is authorized, without further
715 process of law, to certify to the Department of Finance and
716 Administration the necessity for warrants, and the Department of
717 Finance and Administration is authorized and directed to issue
718 such warrants, in such amounts as may be necessary to pay when due
719 the principal of, premium, if any, and interest on, or the
720 accreted value of, all bonds issued under this section; and the
721 State Treasurer shall forward the necessary amount to the
722 designated place or places of payment of such bonds in ample time
723 to discharge such bonds, or the interest thereon, on the due dates
724 thereof.

725 (17) This section shall be deemed to be full and complete

727 section shall not be deemed to repeal or to be in derogation of
728 any existing law of this state.

729 **SECTION 8.** There is created in the State Treasury a special

2143 Treasury not otherwise appropriated. All such bonds shall contain
2144 recitals on their faces substantially covering the provisions of
2145 this subsection.

2146 (9) Upon the issuance and sale of bonds under the provisions
2147 of this section, the commission shall transfer the proceeds of any

2148 such sale or sales to the special fund created in subsection (2)
2149 of this section. The proceeds of such bonds shall be disbursed
2150 solely upon the order of the Department of Finance and
2151 Administration under such restrictions, if any, as may be
2152 contained in the resolution providing for the issuance of the

2170 having a general circulation in the City of Jackson, Mississippi.

2171 (12) Any holder of bonds issued under the provisions of this
2172 section or of any of the interest coupons pertaining thereto may,
2173 either at law or in equity, by suit, action, mandamus or other

2174 proceeding, protect and enforce any and all rights granted under
2175 this section, or under such resolution, and may enforce and compel
2176 performance of all duties required by this section to be
2177 performed, in order to provide for the payment of bonds and
2178 interest thereon.

2193 (16) The State Treasurer is authorized, without further
2194 process of law, to certify to the Department of Finance and
2195 Administration the necessity for warrants, and the Department of
2196 Finance and Administration is authorized and directed to issue
2197 such warrants, in such amounts as may be necessary to pay when due
