COMMITTEE AMENDMENT NO 1 PROPOSED TO**

House Bill No. 1589

BY: Committee

**Amend by striking all after the enacting clause and inserting
in lieu thereof the following:**

34 **SECTION 1.** Section 63-21-16, Mississippi Code of 1972, is
35 amended as follows:
36 63-21-16. (1) All designated agents appointed by the
37 department * * * under Section 63-21-13 * * * may electronically
38 transmit to the department * * * information entered by them on
39 applications for a certificate of title given in connection with
40 the sale or transfer of a motor vehicle, manufactured home or
41 mobile home or a loan for which the owner's motor vehicle,
42 manufactured home or mobile home is pledged to that institution as
43 collateral for the loan. The format and the data required to be

44 transmitted shall be established by the department * * *.
45 Transmission of data shall meet minimum criteria and edits
46 established by the department * * * equal to any edit presently
47 existing in the statewide title registration system, or as may be
48 established, to which the county tax collectors shall also
49 conform. All data transmitted must successfully pass edits
50 established by the department * * *, including lienholder name,
51 mailing address and lienholder account number assigned to a
52 lienholder by the department * * * to identify the lienholder, for
53 the purpose of causing the data to appear in the certificate of
54 title for which the application is made.

55 (2) It shall be the responsibility of the designated agent
56 to verify all data before it is electronically transmitted. It
57 shall also be the responsibility of the designated agent to ensure
58 that the required certification of designated agent and the
59 certification of statement of facts that are contained on the
60 application for certificate of title appear above the signatures
61 of both the owner and the authorized representative of the
62 designated agent. Data which cannot be transmitted because of
63 error shall be corrected by the designated agent when the
64 statewide title registration system indicates that the data is
65 erroneous or is not valid for the purposes of titling the motor
66 vehicle, manufactured home or mobile home or for transfer of the
67 data.

68 (3) When an institution has agreed to loan money for the
69 purchase of a motor vehicle, manufactured home or mobile home, the
70 institution shall complete an application for certificate of title
71 or require the borrower to provide to the institution the copy of
72 the application for certificate of title contained in the
73 application packet which is designated "Lienholder's Copy"
74 according to provisions of the Motor Vehicle and Manufactured
75 Housing Title Law, which the owner will receive from the county
76 tax collector or any designated agent upon completion of the
77 application for title and registration process.

78 (4) An application for certificate of title originating from
79 a designated agent shall be entered on the statewide title
80 registration system by the originating lending institution when
81 the transaction is for the purpose of perfecting the institution's
82 interest in a vehicle, manufactured home or mobile home currently
83 owned or purchased by the applicant, in connection with
84 application for certificate of title or the purchase of a license
85 tag or both.

86 (5) When an institution in this state adds a second lien on
87 a certificate of title in possession of a first lienholder
88 institution in this state, the second lienholder institution
89 seeking to be shown on the certificate of title shall:

90 (a) Prepare the application for certificate of title in
91 accordance with the requirements of Sections 63-21-15 and
92 63-21-45(1) (c) ;

93 (b) Obtain all required signatures; and

94 (c) Forward the completed application for certificate

95 of title to the first lienholder together with any necessary

96 remittance advice, a check for the title fee payable to the

97 department * * * and a cover letter to the first lienholder

98 requesting that the first lienholder attach the certificate of

99 title to the required documents sent by the second lienholder and

100 then forward the application, certificate of title and required

101 documents to the department * * *.

102 (6) Upon receipt of the application for certificate of title

103 from the second lienholder institution to record the second lien,

104 the first lienholder institution shall compare the data contained

105 in the application for certificate of title to the information

106 contained in the original certificate of title. If the first

107 lienholder institution is satisfied as to the ownership, accuracy

108 and order of priority of liens as shown in the application, it

109 shall enter the data contained on the application for certificate

110 of title prepared by the second lienholder on the statewide title

111 registration system, including the designated agent number of the

112 second lienholder. After entering the data from the application

113 for certificate of title, the first lienholder institution shall

114 immediately forward the application for certificate of title with

115 the certificate of title attached to the application, the

116 remittance advice and the second lienholder's check for the title

117 fee to the department * * * within three (3) working days.

118 (7) In an assignment of lien pursuant to Section 63-21-47,
119 the assignee shall receive the notice of assignment along with the
120 current title attached and with the assignors interest open. The
121 assignee lienholder shall prepare an application for certificate
122 of title according to the notice of assignment, showing the
123 assignee institution as the lienholder, and then shall
124 electronically transmit the data to the department * * *. The
125 completed application shall be forwarded to the department * * *
126 within three (3) working days.

127 (8) The department * * *, upon receipt of applications for
128 certificate of title, shall verify the data by accessing it on the
129 statewide title registration system by the title application
130 control number appearing on the application for title. After
131 receiving verification that is satisfactory to the
132 department * * * that the data necessary for the issuance of a new
133 certificate of title exists, the department * * * shall issue a
134 new certificate of title that records the interests of all the
135 parties named in the application for certificate of title.

136 (9) Designated agents shall be connected to the statewide
137 title registration system for the purpose of electronic transfer
138 of applications for certificate of title data in the order of
139 priority established by the department * * *.

140 (10) If a participating designated agent fails to comply
141 with the provisions of this section or the rules adopted by the
142 department * * * to implement this section, the department * * *

143 may impose a penalty of Twenty-five Dollars (\$25.00) for each
144 instance of noncompliance. Any penalty imposed under this section
145 not paid within thirty (30) days after a notice is given shall be
146 subject to collection from the bond of the designated agent that
147 is required to be provided under the provisions of Section
148 63-21-13(3). The penalty provided shall also be assessable, due
149 and collectible from any licensed motor vehicle dealer or
150 manufactured home or mobile home dealer for failure to accept an
151 application for certificate of title for each and every vehicle,
152 manufactured home or mobile home he sells to a consumer. These
153 penalties shall be cumulative, supplemental and in addition to the
154 penalties provided by any other law.

155 (11) This section shall apply to all designated agents
156 appointed by the department * * * under Section 63-21-13, that
157 choose to electronically transmit information on applications for
158 certificates of title to the department * * *. This section shall
159 not apply to other designated agents.

160 (12) Notwithstanding the foregoing, the department * * *
161 shall not issue a certificate of title to a manufactured home or
162 mobile home with respect to which title has been retired to real
163 property under Section 63-21-30 unless with respect to the same
164 manufactured home or mobile home title has been severed from real
165 property pursuant to Section 63-21-30.

166 (13) Notwithstanding any requirement in this chapter that a
167 lien on a motor vehicle or manufactured home shall be noted on the

168 face of the certificate of title, if there are one or more liens
169 or encumbrances on the motor vehicle or manufactured home, the
170 department * * * may electronically transmit the lien to the first
171 lienholder and notify the first lienholder of any additional
172 liens. Subsequent lien satisfactions may be electronically
173 transmitted to the department * * * and shall include the name and
174 address of the person satisfying the lien. When electronic
175 transmission of liens and lien satisfactions is used, a
176 certificate of title need not be issued until the last lien is
177 satisfied and a clear certificate of title is issued to the owner
178 of the motor vehicle or manufactured home. When a motor vehicle
179 is subject to an electronic lien, the certificate of title for the
180 motor vehicle shall be considered to be physically held by the
181 lienholder for purposes of compliance with state or federal
182 odometer disclosure requirements. A duly certified copy of the
183 department * * *'s electronic record of the lien shall be
184 admissible in any civil, criminal, or administrative proceeding in
185 this state as evidence of the existence of the lien.

186 (14) Any lienholder with a federal Employer Identification
187 Number (EIN) must electronically transmit the satisfaction and
188 release and discharge of a lien on a motor vehicle to the
189 department not later than fourteen (14) days after the date of
190 satisfaction of the lien. The failure of any such lienholder to
191 comply with the requirements of this subsection shall be a
192 violation of this chapter. Any such lienholder who knowingly and

193 willfully fails to transmit the satisfaction and release and
194 discharge of a lien on a motor vehicle within fourteen (14) days
195 after the date of the satisfaction of the lien shall be in
196 violation of this section, and subject to a civil penalty of up to
197 Two Hundred Fifty Dollars (\$250.00) per violation, which shall be
198 in addition to any other penalty provided in this chapter. In
199 addition, the lienholder shall be liable for any attorney's fees,
200 legal fees and/or other fees and costs incurred by a person in any
201 action necessary to discharge and/or release a lien or otherwise
202 affecting a lien for which the lienholder failed to transmit the
203 required information.

204 (15) Notwithstanding any other provision of this chapter to
205 the contrary, if a lien on a motor vehicle is older than eight (8)
206 years from the date the lien was placed on the motor vehicle, the
207 lien shall be recorded by the department in the automated
208 statewide motor vehicle registration system as having been
209 satisfied and released and discharged, unless annually recertified
210 by the lienholder by utilizing the format and transmitting the
211 data required by the department.

212 **SECTION 2.** Section 63-21-18, Mississippi Code of 1972, is
213 amended as follows:

214 63-21-18. The Mississippi Department of Information
215 Technology Services shall provide equipment for the operation and
216 maintenance of the automated statewide motor vehicle, manufactured

217 housing and mobile home registration system by the * * *
218 department.

219 The automated statewide motor vehicle, manufactured housing
220 and mobile home registration system shall provide for computer
221 terminals and printers, as authorized by the * * * Department of
222 Information Technology Services, to be located in the quantity
223 necessary in each county seat tax collector's office and any other
224 office in which more than fifty percent (50%) of the motor vehicle
225 registrations in the county are made.

226 All county tax collectors shall participate in such system as
227 it applies to Chapter 19, Title 27; Chapter 51, Title 27; Chapter
228 21, Title 63; Mississippi Code of 1972, in accordance with rules
229 and regulations promulgated by the * * * department. Such rules
230 and regulations shall provide that counties which have an existing
231 computer system designed to produce registration data may elect to
232 use such existing system to communicate title/registration data to
233 the * * * department through the computer furnished by the state
234 as hereinabove provided in this section. If the * * * department
235 finds and determines that a county has failed to successfully
236 establish or update title/registration data into the statewide
237 vehicle, manufactured housing and mobile home title/registration
238 system, either through use of equipment supplied by the * * *
239 department or through the interfacing between the network system
240 and county computer equipment, the * * * department shall
241 thereafter cause to be withheld the county's homestead exemption

242 reimbursement monies, except for school districts and
243 municipalities, until such time as the county has complied with
244 this provision. Such monies as are withheld from a county for
245 failure to comply with this provision shall be placed into a
246 special escrow account to be established in the State Treasury.
247 Once the county achieves compliance by successfully establishing
248 or updating title/registration data into the statewide vehicle,
249 manufactured housing and mobile home title/registration system,
250 then the * * * department shall cause to be released to the county
251 all funds held in escrow on the county's behalf during the period
252 of noncompliance. All interest earned shall accrue to the benefit
253 of the county on any funds placed in an escrow account. Any cost
254 involved in interfacing between existing county computer systems
255 and the state-provided computer shall be paid by the county.

256 The computer terminals and printers placed in each county tax
257 collector's office may be utilized to provide additional computer
258 functions as authorized by the * * * Department of Information
259 Technology Services.

260 The State Fiscal Officer shall issue his warrants to the
261 State Treasurer for the expenditures for the implementation and
262 maintenance of the system upon requisitions signed by the * * *
263 Commissioner of Revenue, as authorized by the Legislature.

264 It is the intent of the Legislature that the operation of the
265 statewide motor vehicle, manufactured housing and mobile home

266 title registration system shall be the responsibility of the * * *
267 department.

268 The * * * department shall provide for the transfer of motor
269 vehicle, manufactured housing and mobile home title and lien
270 registration information to the * * * department by electronic
271 means from banks and other lending institutions as provided in
272 Section 63-21-18. The * * * Department of Information Technology
273 Services shall cooperate with the * * * department in implementing
274 the provisions of Section 63-21-18, and shall provide the * * *
275 department with whatever assistance the * * * department needs to
276 carry out the provisions of Section 63-21-18.

277 A used motor vehicle parts dealer or scrap metal processor
278 must utilize the department's automated statewide motor vehicle
279 registration system for the purpose of complying with the
280 requirements of Section 63-21-39(1)(a).

281 **SECTION 3.** Section 63-21-39, Mississippi Code of 1972, is
282 amended as follows:

283 63-21-39. (1) (a) An owner who scraps, dismantles or
284 destroys a vehicle and a person who purchases a vehicle as scrap
285 or to be dismantled or destroyed shall indicate same on the back
286 of the certificate of title and shall immediately cause the
287 certificate of title and any other documents required by the
288 department * * * to be mailed or delivered to the department * * *
289 for cancellation. A certificate of title of the vehicle shall not
290 again be issued except upon application containing the information

291 the department * * * requires, accompanied by a certificate of
292 inspection in the form and content specified in Section
293 63-21-15(5) and proof of payment of a fee as provided in
294 subsection (2) of this section. Before a used motor vehicle parts
295 dealer or scrap metal processor may purchase or receive a motor
296 vehicle from the owner or authorized agent of the owner of the
297 motor vehicle for the purpose of scrapping, dismantling or
298 destroying the motor vehicle, the used motor vehicle parts dealer
299 or scrap metal processor must verify under Section 63-21-18 the
300 absence of any lien on the motor vehicle. If a lien exists on the
301 motor vehicle, the used motor vehicle parts dealer or scrap metal
302 processor may not purchase or receive the motor vehicle for the
303 purpose of scrapping, dismantling or destroying the vehicle, and
304 may not purchase or receive the motor vehicle for such purposes
305 during any time for which a lien exists on the motor vehicle.

306 (b) Notwithstanding any other provision of this chapter
307 to the contrary, if the owner or authorized agent of the owner has
308 not obtained a title in his or her name for the vehicle to be
309 transferred, has lost the title for the vehicle to be transferred,
310 or has returned the title to the department * * * in accordance
311 with paragraph (a) of this subsection, he or she may sign a
312 statement swearing that, in addition to the foregoing conditions,
313 the vehicle is at least ten (10) model years old. The statement
314 described in this paragraph may be used only to transfer such a
315 vehicle to a licensed used motor vehicle parts dealer or scrap

316 metal processor. The department shall promulgate a form for the
317 statement which shall include, but not be limited to:

318 (i) A statement that the vehicle shall never be
319 titled again; it must be dismantled or scrapped;

320 (ii) A description of the vehicle including the
321 year, make, model and vehicle identification number;

322 (iii) The name, address, and driver's license
323 number, nondriver identification card number or tribal
324 identification card number of the owner;

325 (iv) A certification that the owner:

326 1. Never obtained a title to the vehicle in
327 his or her name; or

328 2. Was issued a title for the vehicle, but
329 the title was lost or stolen;

330 (v) A certification that the vehicle:

331 1. Is at least ten (10) model years old; and

332 2. Is not subject to any security interest or
333 lien;

334 (vi) An acknowledgment that the owner and buyer of
335 the vehicle realizes this form will be filed with the department
336 and that:

337 1. It is a misdemeanor, punishable by a fine
338 of not more than One Thousand Dollars (\$1,000.00) or imprisonment
339 for not more than six (6) months, or both, for conviction of a

340 first offense of knowingly falsifying any information on this
341 statement; and

342 2. It is a felony, punishable by a fine of
343 not less than One Thousand Dollars (\$1,000.00) nor more than Five
344 Thousand Dollars (\$5,000.00) or imprisonment for not less than one
345 (1) year nor more than five (5) years, or both, for conviction of
346 a second or subsequent offense of knowingly falsifying any
347 information on this statement;

348 (vii) The owner's signature and the date of the
349 transaction;

350 (viii) The name and address of the business
351 acquiring the vehicle;

352 (ix) The National Motor Vehicle Title Information
353 System identification number; and

354 (x) The business agent's signature and date along
355 with a printed name and title if the agent is signing on behalf of
356 a corporation.

357 (c) Until such time as the department makes available
358 an Internet-based system, the used motor vehicle parts dealer or
359 scrap metal processor shall mail or otherwise deliver the
360 statement required under paragraph (b) of this subsection (1) to
361 the department * * * within three (3) business days of the
362 completion of the transaction, requesting that the department
363 cancel the Mississippi certificate of title and registration.

364 Once the department develops an Internet-based system, the used

365 motor vehicle parts dealer or scrap metal processor shall utilize
366 such system and within two (2) business days electronically submit
367 the information contained in the statement using that system.

368 (d) Within two (2) business days of each day's close of
369 business, the used motor vehicle parts dealer or scrap metal
370 processor who purchases or receives motor vehicles for scrap or
371 for parts shall deliver in a format approved by the department, by
372 electronic means once developed and made available by the
373 department, a list of all such vehicles purchased that day for
374 scrap or for parts. That list shall contain the following
375 information:

376 (i) The name, address and contact information for
377 the reporting entity;

378 (ii) The vehicle identification numbers of such
379 vehicles;

380 (iii) The dates such vehicles were obtained;

381 (iv) The names of the individuals or entities from
382 whom the vehicles were obtained, for use by law enforcement
383 personnel and appropriate governmental agencies only;

384 (v) A statement of whether the vehicles were, or
385 will be, crushed or disposed of, or offered for sale or other
386 purposes;

387 (vi) A statement of whether the vehicle is
388 intended for export out of the United States; and

389 (vii) The National Motor Vehicle Title Information
390 System identification number of the business acquiring the
391 vehicle.

392 In addition, the used motor vehicle parts dealer or scrap
393 metal processor must certify compliance with the requirements of
394 Section 63-21-39(1)(a).

395 (e) (i) For purposes of this subsection, the term
396 "motor vehicle" shall not include a vehicle which has been crushed
397 or flattened by mechanical means such that it is no longer the
398 motor vehicle as described by the certificate of title, or such
399 that the vehicle identification number is no longer visible or
400 accessible.

401 (ii) In cases in which crushed or flattened
402 vehicles are purchased or received, the purchasing or receiving
403 used motor vehicle parts dealer or scrap metal processor shall
404 verify that the seller has reported the vehicles in accordance
405 with this subsection. Such verification may be in the form of a
406 certification from the seller or a contract between the seller and
407 the purchasing or receiving used motor vehicle parts dealer or
408 scrap metal processor attesting to the seller's compliance with
409 the reporting requirements of this subsection. Such verification
410 must clearly identify the seller by a government issued photograph
411 identification card or employer identification number, and the
412 verification and copy of the identification card or number shall
413 be maintained by the purchasing or receiving used motor vehicle

414 parts dealer or scrap metal processor for a period of not less
415 than two (2) years.

416 (f) The information obtained by the department in
417 accordance with paragraph (d) of this subsection (1) shall be
418 reported to the National Motor Vehicle Title Information System,
419 in a format that will satisfy the requirement for reporting this
420 information, in accordance with rules adopted by the United States
421 Department of Justice in 28 CFR 25.56.

422 (g) Until such time as the department develops and
423 makes available the internet-based system described in paragraph
424 (d) of this subsection, the used motor vehicle parts dealer or
425 scrap metal processor who purchases or receives motor vehicles for
426 scrap or for parts shall deliver the information required by
427 paragraph (d) to the National Motor Vehicle Title Information
428 System through any data consolidator approved by such system,
429 within forty-eight (48) hours of the day the vehicle was purchased
430 or acquired by such used motor vehicle parts dealer or scrap metal
431 processor which shall satisfy the requirements of paragraph (d).

432 (h) The information obtained by the department in
433 accordance with paragraph (d) of this subsection (1) shall be made
434 available only to law enforcement agencies and for purposes of
435 canceling certificates of title. The information shall otherwise
436 be considered to be confidential business information of the
437 respective reporting entities.

438 (i) All records required under the provisions of this
439 subsection shall be maintained for a period of two (2) years by
440 the reporting entity and shall include a scanned or photocopied
441 copy of the seller's or seller's representative's driver's license
442 or state-issued identification card or other valid form of
443 identification.

444 (j) A person who knowingly and willfully violates this
445 subsection (1), or any person who knowingly and willfully
446 falsifies or assists another person in falsifying the statement or
447 information required under paragraph (b) or (d) of this
448 subsection, or any person who knowingly and willfully sells a
449 vehicle upon which there is an unsatisfied lien or security
450 interest, or who purchases a vehicle without complying with either
451 paragraph (a) or (b) of this subsection and who knowingly and
452 willfully destroys or dismantles a vehicle upon which he knows
453 that there is an unsatisfied lien or security interest shall:

454 (i) Be guilty of a misdemeanor, punishable by a
455 fine not more than One Thousand Dollars (\$1,000.00) or
456 imprisonment for not more than six (6) months, or both, for
457 conviction of a first offense; or

458 (ii) Upon conviction of a second or subsequent
459 offense, a felony, punishable by imprisonment for not less than
460 one (1) year nor more than five (5) years or a fine of not less
461 than One Thousand Dollars (\$1,000.00) nor more than Five Thousand
462 Dollars (\$5,000.00), or both.

463 In addition, the court may order each person convicted to pay
464 restitution to any party suffering monetary loss in the amount of
465 such loss. No part of any sentence imposed by the court shall be
466 suspended unless such restitution has been paid in full.

467 (k) A person who knowingly and willfully fails to
468 deliver the title as required under paragraph (a) of this
469 subsection, or the statement required under paragraph (b) of this
470 subsection to the department * * * within seventy-two (72) hours
471 of the completion of the transaction, or who, until such time as
472 the department develops and makes available the Internet-based
473 system described in paragraph (d), fails to deliver the
474 information required by paragraph (d) to the National Motor
475 Vehicle Title Information System through any data consolidator
476 approved by such system, within two (2) business days of the day
477 the vehicle was purchased or acquired by such used motor vehicle
478 parts dealer or scrap metal processor shall be in violation of
479 this section, and subject to a civil penalty of up to One Thousand
480 Dollars (\$1,000.00) per violation. Actions to impose this penalty
481 may be brought by any local or state law enforcement agency,
482 district attorney, or by the Attorney General, in any court of
483 competent jurisdiction. One-half (1/2) of the monies generated
484 from such civil penalties shall be deposited in a special fund
485 created in the State Treasury for use by the department * * *'s
486 Title Bureau, and one-half (1/2) of the monies generated from such
487 civil penalties shall be deposited in the general fund of the

488 municipality if the suit was brought in a municipal court, or in
489 the general fund of the county if the suit was brought in the
490 court of a county.

491 (2) For the purpose of requesting a branded title on a
492 vehicle with a salvage certificate of title, every owner of a
493 vehicle that has been issued a salvage certificate of title in
494 this state or any other state which has been restored in this
495 state to its operating condition which existed prior to the event
496 which caused the salvage certificate of title to be issued shall
497 make application to the department * * *, accompanied by a
498 certificate of inspection issued by the Department of Public
499 Safety in the form and content specified in Section 63-21-15(5)
500 and the payment of a fee of Seventy-five Dollars (\$75.00) for each
501 motor vehicle for which a certificate of inspection is issued. In
502 addition, the Department of Public Safety may charge such a person
503 a fee in the amount of Twenty-five Dollars (\$25.00) for performing
504 any vehicle identification number verification required by federal
505 law or regulation for the vehicle for which the person is applying
506 for a title. All such monies shall be collected by the Department
507 of Public Safety and paid to the State Treasurer for deposit in a

515 (3) Before a branded title may be issued for a vehicle for
516 which a salvage certificate of title has been issued, the
517 applicant shall submit, by hand delivery or mail, such documents
518 and information to the Department of Public Safety as the
519 department may require for the purpose of determining if the

522 Safety and the department * * *. The Department of Public Safety
523 also may require that an applicant bring a vehicle for which
524 application for a branded title is being made to a Highway Patrol
525 facility for a visual inspection whenever the department deems
526 that a visual inspection is necessary or advisable. Nothing in
527 this section shall be construed to prohibit inspectors of the
528 Mississippi Highway Patrol from conducting on-site inspections and
529 investigations of motor vehicle rebuilders or motor vehicle repair
530 businesses to determine if such businesses are in compliance with
531 all applicable laws relating to the motor vehicle title laws of
532 this state and regulations promulgated by the Commissioner of
533 Public Safety and the department * * *.

540 The fund shall consist of monies appropriated by the Legislature
541 for the enforcement of this chapter and funds from fees and fines
542 authorized under Sections 63-21-18 and 63-21-39. As much of those

546 salaries and fringe benefits and other costs to implement and
547 enforce the provisions of this chapter, including the maintenance
548 of the automated statewide motor vehicle and manufactured housing
549 registration system. Unexpended amounts remaining in the fund at

551 Fund, and any interest earned or investment earnings on amounts in
552 the fund shall be deposited to the credit of the fund.

554 amended as follows:

555 63-21-75. (1) (a) The department * * * is charged with the
556 enforcement of the provisions of this chapter and * * * is * * *
557 authorized and empowered to:

558 (i) Employ the necessary employees and sworn law
559 enforcement officers to administer the enforcement of the laws
560 prescribed under this chapter; and

561 (ii) Call upon any and all law enforcement
562 agencies and officers of this state for * * * any assistance as it
563 may deem necessary in order to assure such enforcement.

564 (b) It shall be the duty of * * * the enforcement
565 officers of the department, law enforcement agencies and officers
566 to render * * * assistance to the department * * * when called
567 upon by the department to so do.

568 (2) The Commissioner of Revenue or his designated appointee

571 purpose of the administration and enforcement of this chapter, the
572 Commissioner of Revenue, or his designated appointee, and
573 enforcement employees have the powers of a peace officer of this
574 state.

575 **SECTION 6.** This act shall take effect and be in force from
