499 project, and in connection with such amendment or amendment and
500 restatement, the authority shall modify the amount of the mFlex
501 tax incentive awarded for the qualified economic development

507 pursuant to subsection (6) or subsection (7) of this section, the
508 authority shall issue an amended certification of the
509 corresponding qualified economic development project, which shall
510 specify the amount of mFlex tax incentive award adjustment. The
511 authority shall forward the amended certification, along with any

516 the qualified business or industry.

517 (9) If at any time the authority reduces the mFlex tax

522 offset state taxes thereof, the Department of Revenue shall charge
523 the qualified business or industry, or such affiliate or
524 affiliates, with an assessment for the amount of state taxes for
525 which no mFlex tax incentive is available, following such
526 reduction by the authority, for application as a tax credit,
527 beginning with those state taxes against which the qualified
528 business or industry most recently applied the credit, and such
529 state tax assessment shall be immediately due and payable.

530 (10) Any portion of an mFlex tax incentive awarded to the
531 qualified business or industry by the authority for its qualified
532 economic development project pursuant to this chapter that has not
533 been applied, on or before the tenth annual anniversary of the
534 project certificate date, as a credit by such qualified business
535 or industry, or by one or more affiliates thereof eligible to
536 utilize such credit, to offset state taxes otherwise payable,
537 shall expire.

538 (11) Within thirty (30) days following the end of each
539 calendar quarter, the authority shall provide to the Governor,

540 Lieutenant Governor and the Speaker of the House of
541 Representatives a copy of each amendment to any certification
542 made, together with a copy of each amendment to any mFlex
543 agreement approved and executed, during the immediately preceding
544 calendar quarter.

564 a qualified business or industry, to a different property

565 classification, or a change in the number of new full-time

567 qualified business or industry, the authority is authorized to
568 adjust the amount of the mFlex tax incentive awarded to the
569 qualified business or industry for a qualified economic
570 development project to comport with any property reclassification
571 or change in the number of new full-time employees or average
572 employer wage in the manner prescribed by Section 57-114-13.

573 (4) The Department of Employment Security is authorized to
574 provide to the authority any information received, obtained or
