27 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

28 **SECTION 1.** (1) The provisions of this section shall apply
29 to every section of this act that relates to the issuance of bonds
30 unless otherwise provided in this act.

31 (2) As used in this act, the following words shall have the
32 meanings ascribed herein unless the context clearly requires
33 otherwise:

34 (a) "State" means the State of Mississippi.

35 (b) "Commission" means the State Bond Commission.

36 (3) The principal of and interest on the bonds authorized
37 under this act shall be payable in the manner provided in this
38 subsection. Such bonds shall bear such date or dates, be in such
39 denomination or denominations, bear interest at such rate or rates
40 (not to exceed the limits set forth in Section 75-17-101,
41 Mississippi Code of 1972), be payable at such place or places
42 within or without the State of Mississippi, shall mature
43 absolutely at such time or times not to exceed twenty-five (25)
44 years from date of issue, be redeemable before maturity at such
45 time or times and upon such terms, with or without premium, shall
46 bear such registration privileges, and shall be substantially in
47 such form, all as shall be determined by resolution of the
48 commission.

49 (4) The bonds authorized by this act shall be signed by the
50 chairman of the commission, or by his facsimile signature, and the
51 official seal of the commission shall be affixed thereto, attested
52 by the secretary of the commission. The interest coupons, if any,
53 to be attached to such bonds may be executed by the facsimile
54 signatures of such officers. Whenever any such bonds shall have
55 been signed by the officials designated to sign the bonds who were

in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this act have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this act, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as issuing agent for the bonds authorized under this act, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to

81 pay the costs that are incident to the sale, issuance and delivery
82 of the bonds authorized under this act from the proceeds derived
83 from the sale of such bonds. The commission may sell such bonds
84 on sealed bids at public sale or may negotiate the sale of the
85 bonds for such price as it may determine to be for the best
86 interest of the State of Mississippi. All interest accruing on
87 such bonds so issued shall be payable semiannually or annually.

88 If such bonds are sold by sealed bids at public sale, notice
89 of the sale shall be published at least one time, not less than
90 ten (10) days before the date of sale, and shall be so published
91 in one or more newspapers published or having a general
92 circulation in the City of Jackson, Mississippi, selected by the
93 commission.

94 The commission, when issuing any bonds under the authority of
95 this act, may provide that bonds, at the option of the State of
96 Mississippi, may be called in for payment and redemption at the
97 call price named therein and accrued interest on such date or
98 dates named therein.

99 (7) The bonds issued under the provisions of this act are
100 general obligations of the State of Mississippi, and for the
101 payment thereof the full faith and credit of the State of
102 Mississippi is irrevocably pledged. If the funds appropriated by
103 the Legislature are insufficient to pay the principal of and the
104 interest on such bonds as they become due, then the deficiency
105 shall be paid by the State Treasurer from any funds in the State

Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this act, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (1) of the applicable section of this act. The proceeds of such bonds shall be disbursed from the special fund under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this act may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this act. Any resolution providing for the issuance of bonds under the provisions of this act shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this act may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by

such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this act or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this act, or under such resolution, and may enforce and compel performance of all duties required by this act to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this act shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this act and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this act shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and

Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this act; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof. As used in this section, the "accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (a) the stated initial value of such bond, plus (b) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(16) This act shall be deemed to be full and complete authority for the exercise of the powers granted in this act that relate to the issuance of bonds, but this act shall not be deemed to repeal or to be in derogation of any existing law of this state that relates to the issuance of bonds.

SECTION 2. (1) (a) (i) A special fund, to be designated as the "2025 Bolivar County Riverfront Development Fund", is created within the State Treasury.
