HOUSE BILL NO. 603

1 AN ACT TO AMEND SECTION 27-7-15, MISSISSIPPI CODE OF 1972, TO
2 REVISE THE DEFINITION OF THE TERM "GROSS INCOME" UNDER THE STATE
3 INCOME TAX LAW TO EXCLUDE COMPENSATION NOT TO EXCEED THE AGGREGATE
4 SUM OF \$20,000.00 FOR ANY TAXABLE YEAR FOR EMPLOYMENT AS A
5 FULL-TIME STATE CERTIFIED LAW ENFORCEMENT OFFICER; AND FOR RELATED
6 PURPOSES.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

8 **SECTION 1.** Section 27-7-15, Mississippi Code of 1972, is
9 amended as follows:

10 27-7-15. (1) For the purposes of this article, except as
11 otherwise provided, the term "gross income" means and includes the
12 income of a taxpayer derived from salaries, wages, fees or
13 compensation for service, of whatever kind and in whatever form
14 paid, including income from governmental agencies and subdivisions
15 thereof; or from professions, vocations, trades, businesses,
16 commerce or sales, or renting or dealing in property, or
17 reacquired property; also from annuities, interest, rents,
18 dividends, securities, insurance premiums, reinsurance premiums,
19 considerations for supplemental insurance contracts, or the
20 transaction of any business carried on for gain or profit, or

gains, or profits, and income derived from any source whatever and in whatever form paid. The amount of all such items of income shall be included in the gross income for the taxable year in which received by the taxpayer. The amount by which an eligible employee's salary is reduced pursuant to a salary reduction agreement authorized under Section 25-17-5 shall be excluded from the term "gross income" within the meaning of this article.

(2) In determining gross income for the purpose of this section, the following, under regulations prescribed by the commissioner, shall be applicable:

(a) **Dealers in property.** Federal rules, regulations and revenue procedures shall be followed with respect to installment sales unless a transaction results in the shifting of income from inside the state to outside the state.

(b) **Casual sales of property.**

(i) Prior to January 1, 2001, federal rules, regulations and revenue procedures shall be followed with respect to installment sales except they shall be applied and administered as if H.R. 3594, the Installment Tax Correction Act of 2000 of the 106th Congress, had not been enacted. This provision will generally affect taxpayers, reporting on the accrual method of accounting, entering into installment note agreements on or after December 17, 1999. Any gain or profit resulting from the casual sale of property will be recognized in the year of sale.

(ii) From and after January 1, 2001, federal rules, regulations and revenue procedures shall be followed with respect to installment sales except as provided in this subparagraph (ii). Gain or profit from the casual sale of property shall be recognized in the year of sale. When a taxpayer recognizes gain on the casual sale of property in which the gain is deferred for federal income tax purposes, a taxpayer may elect to defer the payment of tax resulting from the gain as allowed and to the extent provided under regulations prescribed by the commissioner. If the payment of the tax is made on a deferred basis, the tax shall be computed based on the applicable rate for the income reported in the year the payment is made. Except as otherwise provided in subparagraph (iii) of this paragraph (b), deferring the payment of the tax shall not affect the liability for the tax. If at any time the installment note is sold, contributed, transferred or disposed of in any manner and for any purpose by the original note holder, or the original note holder is merged, liquidated, dissolved or withdrawn from this state, then all deferred tax payments under this section shall immediately become due and payable.

(iii) If the selling price of the property is reduced by any alteration in the terms of an installment note, including default by the purchaser, the gain to be recognized is recomputed based on the adjusted selling price in the same manner as for federal income tax purposes. The tax on this amount, less

70 the previously paid tax on the recognized gain, is payable over
71 the period of the remaining installments. If the tax on the
72 previously recognized gain has been paid in full to this state,
73 the return on which the payment was made may be amended for this
74 purpose only. The statute of limitations in Section 27-7-49 shall
75 not bar an amended return for this purpose.

76 (c) **Reserves of insurance companies.** In the case of
77 insurance companies, any amounts in excess of the legally required
78 reserves shall be included as gross income.

79 (d) **Affiliated companies or persons.** As regards sales,
80 exchanges or payments for services from one to another of
81 affiliated companies or persons or under other circumstances where
82 the relation between the buyer and seller is such that gross
83 proceeds from the sale or the value of the exchange or the payment
84 for services are not indicative of the true value of the subject
85 matter of the sale, exchange or payment for services, the
86 commissioner shall prescribe uniform and equitable rules for
87 determining the true value of the gross income, gross sales,
88 exchanges or payment for services, or require consolidated returns
89 of affiliates.

90 (e) **Alimony and separate maintenance payments.** The
91 federal rules, regulations and revenue procedures in determining
92 the deductibility and taxability of alimony payments shall be
93 followed in this state.

94 (f) **Reimbursement for expenses of moving.** There shall
95 be included in gross income (as compensation for services) any
96 amount received or accrued, directly or indirectly, by an
97 individual as a payment for or reimbursement of expenses of moving
98 from one (1) residence to another residence which is attributable
99 to employment or self-employment.

100 (3) In the case of taxpayers other than residents, gross
101 income includes gross income from sources within this state.

102 (4) The words "gross income" do not include the following
103 items of income which shall be exempt from taxation under this
104 article:

105 (a) The proceeds of life insurance policies and
106 contracts paid upon the death of the insured. However, the income
107 from the proceeds of such policies or contracts shall be included
108 in the gross income.

109 (b) The amount received by the insured as a return of

(g) Income received by a domestic corporation which is "taxable in another state" as this term is defined in this article, derived from business activity conducted outside this state. Domestic corporations taxable both within and without the state shall determine Mississippi income on the same basis as provided for foreign corporations under the provisions of this article.
