A school superintendent or designee may request that the driver's license or learner's permit that has been suspended under the provisions of this subsection be reinstated after the student has successfully completed nine (9) weeks of school attendance without an unlawful absence.

(4) (a) Any original or renewal license issued under this chapter to a person who is not a United States citizen shall expire four (4) years from the date of issuance or on the expiration date of the applicant's authorized stay in the United States, whichever is the lesser period of time, and may be renewed, if the person is otherwise qualified to renew the license, within thirty (30) days of expiration. **SECTION 4.** Section 63-1-5, Mississippi Code of 1972, is amended as follows:

63-1-5. (1) (a) No person shall drive or operate a motor vehicle or an autocycle as defined in Section 63-3-103 upon the highways of the State of Mississippi without first securing an operator's license to drive on the highways of the state, unless specifically exempted by Section 63-1-7.

(b) The types of operator's licenses are:

- (i) Class R;
- (ii) Class D;
- (iii) Class A, B or C commercial license governed by Article 5 of this chapter; \* \* \*
- (iv) Interlock-restricted license as prescribed in Section 63-11-31 \* \* \*; and
- (v) Hardship license as authorized in Section 1 of this act.

(2) (a) Every person who makes application for an original license or a renewal license to operate any single vehicle with a gross weight rating of less than twenty-six thousand one (26,001)

pounds or any vehicle towing a vehicle with a gross vehicle weight rating not in excess of ten thousand (10,000) pounds other than vehicles included in Class C, vehicles which require a special endorsement, or to operate a vehicle as a common carrier by motor vehicle, taxicab, passenger coach, dray, contract carrier or private commercial carrier as defined in Section 27-19-3, other than those vehicles for which a Class A, B or C license is required under Article 5 of this chapter, may, in lieu of the Class R regular driver's license, apply for and obtain a Class D driver's license. The fee for the issuance of a Class D driver's license shall be as set forth in Section 63-1-43 and the Class D license shall be valid for the term prescribed in Section 63-1-47. Except as required under Article 5 of this chapter, no driver of a pickup truck shall be required to have a Class D or a commercial license regardless of the purpose for which the pickup truck is used.

(b) Persons operating vehicles listed in paragraph (a) of this subsection for private purposes or in emergencies need not obtain a Class D license.

(3) An interlock-restricted license allows a person to drive only a motor vehicle equipped with an ignition-interlock device.

(4) A person who violates this section is guilty of a misdemeanor and, upon conviction, may be punished by imprisonment for not less than two (2) days nor more than six (6) months, by a

fine of not less than Two Hundred Dollars (\$200.00) nor more than Five Hundred Dollars (\$500.00), or both.

**SECTION 5.** Section 93-11-157, Mississippi Code of 1972, is amended as follows:

93-11-157. (1) The division shall review the information received under Section 93-11-155 and any other information available to the division, and shall determine if a licensee is out of compliance with an order for support. If a licensee is out of compliance with the order for support, the division shall notify the licensee by first class mail that ninety (90) days after the licensee receives the notice of being out of compliance with the order, the licensing entity will be notified to immediately suspend the licensee's license unless the licensee pays the arrearage owing, according to the accounting records of the Mississippi Department of Human Services or the attorney representing the party to whom support is due, as the case may be, or enters into a stipulated agreement and agreed judgment establishing a schedule for the payment of the arrearage. The licensee shall be presumed to have received the notice five (5) days after it is deposited in the mail.

(2) Upon receiving the notice provided in subsection (1) of this section the licensee may:

(a) Request a review with the division; however, the issues the licensee may raise at the review are limited to whether the licensee is the person required to pay under the order for

support and whether the licensee is out of compliance with the order for support; or

(b) Request to participate in negotiations with the division for the purpose of establishing a payment schedule for the arrearage.

(3) The division director or the designees of the division director may and, upon request of a licensee, shall negotiate with a licensee to establish a payment schedule for the arrearage. Payments made under the payment schedule shall be in addition to the licensee's ongoing obligation under the latest entered periodic order for support.

(4) Should the division and the licensee reach an agreement on a payment schedule for the arrearage, the division director may submit to the court a stipulated agreement and agreed judgment containing the payment schedule which, upon the court's approval, is enforceable as any order of the court. If the court does not approve the stipulated agreement and agreed judgment, the court may require a hearing on a case-by-case basis for the judicial review of the payment schedule agreement.

(5) If the licensee and the division do not reach an agreement on a payment schedule for the arrearage, the licensee may move the court to establish a payment schedule. However, this action does not stay the license suspension.

(6) The notice given to a licensee that the licensee's license will be suspended in ninety (90) days must clearly state

the remedies and procedures that are available to a licensee under this section.

(7) If at the end of the ninety (90) days the licensee has an arrearage according to the accounting records of the Mississippi Department of Human Services or the attorney representing the party to whom support is due, as the case may be, and the licensee has not entered into a stipulated agreement and agreed judgment establishing a payment schedule for the arrearage, the division shall immediately notify all applicable licensing entities in writing to suspend the licensee's license, and the licensing entities shall immediately suspend the license and shall within three (3) business days notify the licensee and the licensee's employer, where known, of the license suspension and the date of such suspension by certified mail return receipt requested. Within forty-eight (48) hours of receipt of a request in writing delivered personally, by mail or by electronic means, the department shall furnish to the licensee, licensee's attorney or other authorized representative a copy of the department's accounting records of the licensee's payment history. A licensing entity shall immediately reinstate the suspended license upon the division's notification of the licensing entities in writing that the licensee no longer has an arrearage or that the licensee has entered into a stipulated agreement and agreed judgment.

(8) Within thirty (30) days after a licensing entity suspends the licensee's license at the direction of the division

318 under subsection (7) of this section, the licensee may appeal the  
319 license suspension to the chancery court of the county in which  
320 the licensee resides or to the Chancery Court of the First  
321 Judicial District of Hinds County, Mississippi, upon giving bond  
322 with sufficient sureties in the amount of Two Hundred Dollars  
323 (\$200.00), approved by the clerk of the chancery court and  
324 conditioned to pay any costs that may be adjudged against the  
325 licensee. Notice of appeal shall be filed in the office of the  
326 clerk of the chancery court. If there is an appeal, the appeal  
327 may, in the discretion of and on motion to the chancery court, act  
328 as a supersedeas of the license suspension. The department shall  
329 be the appellee in the appeal, and the licensing entity shall not  
330 be a party in the appeal. The chancery court shall dispose of the  
331 appeal and enter its decision within thirty (30) days of the  
332 filing of the appeal. The hearing on the appeal may, in the  
333 discretion of the chancellor, be tried in vacation. The decision  
334 of the chancery court may be appealed to the Supreme Court in the  
335 manner provided by the rules of the Supreme Court. In the  
336 discretion of and on motion to the chancery court, no person shall  
337 be allowed to practice any business, occupation or profession or  
338 take any other action under the authority of any license the  
339 suspension of which has been affirmed by the chancery court while  
340 an appeal to the Supreme Court from the decision of the chancery  
341 court is pending.

(9) If a licensee who has entered a stipulated agreement and agreed judgment for the payment of an arrearage under this section subsequently is out of compliance with an order for support, the division shall immediately notify the licensing entity to suspend the licensee's license, and the licensing entity shall immediately suspend the license without a hearing and shall within three (3) business days notify the licensee in writing of the license suspension. In the case of a license suspension under the provisions of this subsection, the procedures provided for under subsections (1) and (2) of this section are not required; however, the appeal provisions of subsection (8) of this section still apply. After suspension of the license, if the licensee subsequently enters into a stipulated agreement and agreed judgment or the licensee otherwise informs the division of compliance with the order for support, the division shall within seven (7) days notify in writing the licensing entity that the licensee is in compliance. Upon receipt of that notice from the division, a licensing entity shall immediately reinstate the license of the licensee and shall within three (3) business days notify the licensee of the reinstatement.

(10) Nothing in this section prohibits a licensee from filing a motion for the modification of an order for support or for any other applicable relief. However, no such action shall stay the license suspension procedure, except as may be allowed under subsection (8) of this section.

367           (11) If a license is suspended under the provisions of this  
368 section, the licensing entity is not required to refund any fees  
369 paid by a licensee in connection with obtaining or renewing a  
370 license.

371           (12) The requirement of a licensing entity to suspend a  
372 license under this section does not affect the power of the  
373 licensing entity to deny, suspend, revoke or terminate a license  
374 for any other reason.

375           (13) The procedure for suspension of a license for being out  
376 of compliance with an order for support, and the procedure for the  
377 reissuance or reinstatement of a license suspended for that  
378 purpose, shall be governed by this section and not by the general  
379 licensing and disciplinary provisions applicable to a licensing  
380 entity, except as otherwise provided in Section 1 of this act.

381 Actions taken by a licensing entity in suspending a license when  
382 required by this section are not actions from which an appeal may  
383 be taken under the general licensing and disciplinary provisions  
384 applicable to the licensing entity. Any appeal of a license  
385 suspension that is required by this section shall be taken in  
386 accordance with the appeal procedure specified in subsection (8)  
387 of this section rather than any procedure specified in the general  
388 licensing and disciplinary provisions applicable to the licensing  
389 entity. If there is any conflict between any provision of this  
390 section and any provision of the general licensing and

disciplinary provisions applicable to a licensing entity, the provisions of this section shall control.

(14) No license shall be suspended under this section until ninety (90) days after July 1, 1996. This ninety-day period shall be a one-time amnesty period in which any person who may be subject to license suspension under this article may comply with an order of support in order to avoid the suspension of any license.

(15) Any individual who fails to comply with a subpoena or warrant relating to paternity or child support proceedings after receiving appropriate notice may be subject to suspension or withholding of issuance of a license under this section.

**SECTION 6.** Section 93-11-163, Mississippi Code of 1972, is amended as follows:

93-11-163. In addition to the procedures in Section 93-11-157, the court may, upon a finding that a defendant is delinquent for being out of compliance with an order for support, order the licensing entity as defined in Section 93-11-153(a) to suspend the license of the defendant. In its discretion, the court may stay such an order for a reasonable time to allow the defendant to purge himself of the delinquency. If a license is suspended under this section, the court may also order the licensing entity to reinstate the license when it is satisfied that the defendant has purged himself of the delinquency, except as otherwise provided in Section 1 of this act. Licensing

416 entities shall treat a suspension under this section the same as a  
417 suspension under Section 93-11-157. Defendants whose license is  
418 suspended under this section shall be subject to any  
419 administrative fees established for reinstatement under Section  
420 93-11-159.

421       **SECTION 7.** This act shall take effect and be in force from  
422 and after July 1, 2025.
