45 Section 3. Of the funds appropriated under the provisions of
46 this act, the following positions are authorized:

47 AUTHORIZED HEADCOUNT:

48 Permanent: 155

49 Time-Limited: 10

50 With the funds herein appropriated, it shall be the agency's
51 responsibility to make certain that funds required for Personal
52 Services for Fiscal Year 2026 do not exceed Fiscal Year 2025 funds
53 appropriated for that purpose unless programs or positions are
54 added to the agency's Fiscal Year 2025 budget by the Mississippi
55 Legislature. The Legislature shall determine the agency's
56 personal services appropriation, which the State Personnel Board
57 shall publish. The agency's personal services appropriation may

65 salary falls below the minimum salary established by the
66 Mississippi State Personnel Board.

67 Additionally, the State Personnel Board shall determine and

69 employees. It shall be the responsibility of the agency head to
70 ensure that actual personnel expenditures for Fiscal Year 2025 do

75 essential for the agency.

76 Any transfers or escalations shall be made in accordance with
77 the terms, conditions, and procedures established by law or
78 allowable under the terms set forth within this act. The State
79 Personnel Board shall not escalate positions without written
80 approval from the Department of Finance and Administration. The
81 Department of Finance and Administration shall not provide written
82 approval to escalate any funds for salaries and/or positions
83 without proof of availability of new or additional funds above the
84 appropriated level.

85 No general funds authorized to be expended herein shall be
86 used to replace federal funds and/or other special funds used for
87 salaries authorized under the provisions of this act and which are
88 withdrawn and no longer available.

89 None of the funds herein appropriated shall be used in
90 violation of the Internal Revenue Service's Publication 15-A

94 Department of Archives and History shall maintain complete
95 accounting and personnel records related to the expenditure of all
96 funds appropriated under this act and that such records shall be
97 in the same format and level of detail as maintained for Fiscal
98 Year 2024. It is further the intention of the Legislature that

99 the agency's budget request for Fiscal Year 2026 shall be
100 submitted to the Joint Legislative Budget Committee in a format
101 and level of detail comparable to the format and level of detail
102 provided during the Fiscal Year 2025 budget request process.

103 Section 5. It is the intent of the Legislature that the
104 Mississippi Department of Archives and History shall charge the
105 maximum amount allowable for services rendered, consistent with
106 the cost of providing such services. The funds derived from these
107 charges shall be deposited into a special fund account in the
108 State Treasury to the credit of the Mississippi Department of
109 Archives and History.

110 Section 6. It is the intent of the Legislature that no part
111 of the funds herein appropriated shall be required to be used for

124 Department of Archives and History. The expenditure of funds
125 available in this section shall be subject to prior approval by
126 the Department of Archives and History.

127 Section 9. It is the intention of the Legislature that
128 whenever two (2) or more bids are received by this agency for the
129 purchase of commodities or equipment, and whenever all things
130 stated in such received bids are equal with respect to price,
131 quality and service, the Mississippi Industries for the Blind
132 shall be given preference. A similar preference shall be given to
133 the Mississippi Industries for the Blind whenever purchases are
134 made without competitive bids.

143 funds herein appropriated shall be expended in compliance with
144 Section 27-104-25, Mississippi Code of 1972, that no state agency
145 shall incur obligations or indebtedness in excess of their
