HOUSE BILL NO. 1002

1 AN ACT TO AMEND SECTION 27-35-309, MISSISSIPPI CODE OF 1972,
2 TO PROVIDE THAT A PORTION OF THE PAYMENTS MADE BY A NUCLEAR
3 GENERATING PLANT IN LIEU OF AD VALOREM TAXES SHALL BE PAID TO THE
4 CLAIBORNE COUNTY SCHOOL DISTRICT; AND FOR RELATED PURPOSES.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

6 **SECTION 1.** Section 27-35-309, Mississippi Code of 1972, is
7 amended as follows:

8 27-35-309. (1) The Department of Revenue shall, if
9 practicable, on or before the first Monday of June of each year,
10 make out for each person, firm, company or corporation listed in
11 Section 27-35-303, Mississippi Code of 1972, an assessment of the
12 company's property, both real and personal, tangible and
13 intangible. The Department of Revenue shall apportion the
14 assessment of value of each company's property according to the
15 provisions of this article, except as provided in subsection (3)
16 of this section, as follows:

17 (a) When the property of such public service company is
18 located in more than one (1) county in this state, the Department
19 of Revenue shall direct the company to apportion the assessed

20 value between the counties and municipalities and all other taxing
21 districts therein, in the proportion which the property located
22 therein bears to the entire value of the property of such company
23 as valued by the department, so that to each county, municipality
24 and taxing district therein, there shall be apportioned such part
25 of the entire valuation as will fairly equalize the relative value
26 of the property therein located to the whole value thereof.

27 (b) When the property of such public utility required
28 to be assessed by the provisions of this article is located in
29 more than one (1) state, the assessed value thereof shall be
30 apportioned by the Department of Revenue in such manner as will
31 fairly and equitably determine the principal sum for the value
32 thereof in this state, and after ascertaining such value it shall
33 be apportioned by them as herein provided.

34 The assessment roll shall contain all the property of any
35 such public service company, railroad, person, firm or corporation
36 and the value thereof, and so made that each county, municipality,
37 and taxing district shall receive its just share of taxes
38 proportionately to the amount of property therein situated.

39 (2) (a) The assessment when made shall remain open for
40 twenty (20) days in the Office of the Department of Revenue, and
41 be for such time subject to the objections thereto which may be
42 filed with the Executive Director of the Board of Tax Appeals; but
43 real estate belonging to railroads and which forms no part of the
44 road, and is wholly disconnected from its railroad business, shall

not be assessed by the Department of Revenue, but shall be assessed as other real estate is assessed by the tax assessor of the county where situated.

(b) The apportionment of the assessed value as required by this section shall be filed with the Department of Revenue by such public service company on or before the last day of the objection period established in paragraph (a) of this subsection (2). If such company shall fail, refuse or neglect to render the apportionment of assessed value as required by this section, such company shall be subject to the penalties provided for in Section 27-35-305. The filing of an objection by such public service company shall not preclude such company from filing the property apportionment as required by this section.

(3) Any nuclear generating plant which is located in the state, which is owned or operated by a public utility rendering electric service within the state and not exempt from ad valorem taxation under any other statute and which is not owned or operated by an instrumentality of the federal government shall be exempt from county, municipal and district ad valorem taxes. In lieu of the payment of county, municipal and district ad valorem taxes, such public utility shall pay to the Department of Revenue a sum based on the assessed value of such nuclear generating plant in an amount to be determined and distributed as follows:

(a) The Department of Revenue shall annually assign an assessed value to any nuclear generating plant described in this

subsection in the same manner as for ad valorem tax purposes by using accepted industry methods for appraising and assessing public utility property. The assessed value assigned shall be used for the purpose of determining the in-lieu tax due under this section and shall not be included on the ad valorem tax rolls of the situs taxing authority nor be subject to ad valorem taxation by the situs taxing authority nor shall the assessed value assigned be used in determining the debt limit of the situs taxing authority. However, the assessed value so assigned may be used by the situs taxing authority for the purpose of determining salaries of its public officials.

(b) On or before February 1, 1987, for the 1986 taxable year and on or before February 1 of each year through the 1989 taxable year, such utility shall pay to the Department of Revenue a sum equal to two percent (2%) of the assessed value as ascertained by the Department of Revenue, but such payment shall not be less than Sixteen Million Dollars (\$16,000,000.00) for any of the four (4) taxable years; all such payments in excess of Sixteen Million Dollars (\$16,000,000.00) for these four (4) taxable years shall be paid into the General Fund of the state. On or before February 1, 1991, for the 1990 taxable year and on or before February 1 of each year thereafter, such utility shall pay to the Department of Revenue a sum equal to two percent (2%) of the assessed value as ascertained by the Department of Revenue, but such payment shall not be less than Twenty Million Dollars

95 (\$20,000,000.00) for any taxable year for as long as such nuclear
96 power plant is licensed to operate and is not being permanently
97 decommissioned; all such payments in excess of Sixteen Million
98 Dollars (\$16,000,000.00) for taxable years 1990 and thereafter
99 shall be paid as follows:

100 (i) An amount of Three Million Forty Thousand
101 Dollars (\$3,040,000.00) annually, beginning with fiscal year 1991,
102 shall be transferred by the Department of Revenue to Claiborne
103 County. Such payments may be expended by the Board of Supervisors
104 of Claiborne County for any purpose for which a county is
105 authorized by law to levy an ad valorem tax and shall not be
106 included or considered as proceeds of ad valorem taxes for the
107 purposes of the growth limitation on ad valorem taxes under
108 Sections 27-39-305 and 27-39-321. However, should the Board of
109 Supervisors of Claiborne County withdraw its support of the Grand
110 Gulf Nuclear Station off-site emergency plan or otherwise fail to
111 satisfy its off-site emergency plan commitments as determined by
112 the Mississippi Emergency Management Agency and the Federal
113 Emergency Management Agency, Five Hundred Thousand Dollars
114 (\$500,000.00) annually of the funds designated for Claiborne
115 County as described by this * * * subparagraph (i) shall be
116 deposited in the Grand Gulf Disaster Assistance Fund as provided
117 in Section 33-15-51.

118 (ii) An amount of One Hundred Sixty Thousand
119 Dollars (\$160,000.00) annually, beginning with fiscal year 1991,

shall be transferred by the Department of Revenue to the City of Port Gibson, Mississippi. Such payments may be expended by the Board of Aldermen of the City of Port Gibson for any purpose for which a municipality is authorized by law to levy an ad valorem tax and shall not be included or considered as proceeds of ad valorem taxes for the purposes of the growth limitation on ad valorem taxes under Sections 27-39-305 and 27-39-321. However, should the Board of Aldermen of the City of Port Gibson withdraw its support of the Grand Gulf Nuclear Station off-site emergency plan or otherwise fail to satisfy its off-site emergency plan commitment, as determined by the Mississippi Emergency Management Agency and the Federal Emergency Management Agency, Fifty Thousand Dollars (\$50,000.00) annually of the funds designated for the City of Port Gibson as described by this * * * subparagraph (ii) shall be deposited in the Grand Gulf Disaster Assistance Fund as provided in Section 33-15-51.

(iii) The remaining balance of the payments in excess of Sixteen Million Dollars (\$16,000,000.00) annually, less amounts transferred under (i) and (ii) of this subsection, beginning with fiscal year 1991, shall be allocated in accordance with subsection (3)(f) of this section.

(d) After distribution of the one-time payment to Claiborne County as set forth in subsection (3)(c) of this section, the Department of Revenue upon certification that the pending lawsuit as described in subsection (3)(c) of this section has been voluntarily dismissed shall promptly deposit an amount of Five Hundred Thousand Dollars (\$500,000.00) into the Grand Gulf Disaster Assistance Trust Fund as provided for in Section 33-15-51, which shall be a one-time payment, to be utilized in accordance with the provisions of such section.

utility in each county, excluding municipalities therein, and in each municipality, for the next preceding fiscal year bears to the total amount of electric energy consumed by all retail customers of such public utility in the State of Mississippi for the next preceding fiscal year.
