(v) An inmate shall agree to the release of his or her medical records that are directly relevant to the condition or conditions rendering the inmate medically frail to any prosecuting attorney of the county from which the inmate was committed before the State Parole Board determines whether or not to grant parole under this subsection;

(vi) If the inmate is granted parole under this subsection (2), the inmate shall agree to the quarterly release of his or her medical records that are directly relevant to the

shall appoint a specialist in the appropriate field of medicine, who is not employed by the department, to evaluate the condition of the inmate considered for parole under this subsection (2) and to report on that condition to the department and the State Parole Board. Appointments made at the beginning of the third year of the four-year cycle shall be made for the remainder of the membership

positions irrespective of the time of their prior appointment. Any question regarding the order of appointments shall be determined by the Secretary of State in accordance with the specific statute. All appointment procedures, vacancy provisions, interim appointment provisions and removal provisions specifically provided for in Section 7-1-35, Mississippi Code of 1972, shall be fully applicable to appointments to the State Parole Board. Any vacancy shall be filled by the Governor, with the advice and consent of the Senate. The Governor shall appoint a chairman of the board.

(2) Any person who is appointed to serve on the board shall possess at least a bachelor's degree or a high school diploma and four (4) years' work experience. Employees of the department which are employed by or assigned to the board shall work under the guidance and supervision of the board. There shall be an executive secretary to the board who shall be responsible for all administrative and general accounting duties related to the board. The executive secretary shall keep and preserve all records and papers pertaining to the board.

(6) The board shall have no authority or responsibility for supervision of offenders granted a release for any reason,

including, but not limited to, probation, parole or executive clemency or other offenders requiring the same through interstate compact agreements. The supervision shall be provided exclusively by the staff of the Division of Community Corrections of the department.

(7) (a) The Parole Board is authorized to select and place offenders in an electronic monitoring program under the conditions and criteria imposed by the Parole Board. The conditions, restrictions and requirements of Section 47-7-17 and Sections 47-5-1001 through 47-5-1015 shall apply to the Parole Board and any offender placed in an electronic monitoring program by the Parole Board.

(b) Any offender placed in an electronic monitoring program under this subsection shall pay the program fee provided in Section 47-5-1013. The program fees shall be deposited in the special fund created in Section 47-5-1007.

(c) The department shall have absolute immunity from liability for any injury resulting from a determination by the Parole Board that an offender be placed in an electronic monitoring program.

(8) (a) The Parole Board shall maintain a central registry of paroled inmates. The Parole Board shall place the following information on the registry: name, address, photograph, crime for which paroled, the date of the end of parole or flat-time date and other information deemed necessary. The Parole Board shall

immediately remove information on a parolee at the end of his parole or flat-time date.

(b) When a person is placed on parole, the Parole Board shall inform the parolee of the duty to report to the parole officer any change in address ten (10) days before changing address.

(c) The Parole Board shall utilize an Internet website or other electronic means to release or publish the information.

(d) Records maintained on the registry shall be open to law enforcement agencies and the public and shall be available no later than July 1, 2003.

(9) An affirmative vote of at least four (4) members of the Parole Board shall be required to grant parole to an inmate convicted of capital murder or a sex crime.

(10) This section shall stand repealed on July 1, 2027.

SECTION 7. Section 47-7-6, Mississippi Code of 1972, is brought forward as follows:

47-7-6. (1) The Parole Board, with the assistance of the Department of Corrections, shall collect the following information:

(b) The number of offenders released on parole;

(c) The number of parole hearings held;

(d) The parole grant rate for parolees released with and without a hearing;

(e) The average length of time offenders spend on parole;

(f) The number and percentage of parolees revoked for a technical violation and returned for a term of imprisonment in a technical violation center;

(g) The number and percentage of parolees revoked for a technical violation and returned for a term of imprisonment in another type of department of corrections' facility;

(h) The number and percentage of parolees who are convicted of a new offense and returned for a term of imprisonment on their current crime as well as the new crime;

(i) The number of parolees held on a violation in county jail awaiting a revocation hearing; and

(j) The average length of stay in a county jail for parolees awaiting a revocation hearing.

(2) The Parole Board shall semiannually report information required in subsection (1) to the Oversight Task Force, and upon request, shall report such information to the PEER Committee.

SECTION 8. Section 47-7-9, Mississippi Code of 1972, is brought forward as follows:

47-7-9. (1) The circuit judges and county judges in the districts to which Division of Community Corrections personnel have been assigned shall have the power to request of the department transfer or removal of the division personnel from their court.

(2) (a) Division personnel shall investigate all cases referred to them for investigation by the board, the division or by any court in which they are authorized to serve. They shall furnish to each person released under their supervision a written statement of the conditions of probation, parole, earned-release supervision, post-release supervision or suspension and shall instruct the person regarding the same. They shall administer a risk and needs assessment on each person under their supervision to measure criminal risk factors and individual needs. They shall use the results of the risk and needs assessment to guide supervision responses consistent with evidence-based practices as to the level of supervision and the practices used to reduce recidivism. They shall develop a supervision plan for each person assessed as moderate to high risk to reoffend. They shall keep informed concerning the conduct and conditions of persons under their supervision and use all suitable methods that are consistent with evidence-based practices to aid and encourage them and to bring about improvements in their conduct and condition and to reduce the risk of recidivism. They shall keep detailed records of their work and shall make such reports in writing as the court or the board may require.

(b) Division personnel shall complete annual training on evidence-based practices and criminal risk factors, as well as instructions on how to target these factors to reduce recidivism.

(c) The division personnel duly assigned to court districts are hereby vested with all the powers of police officers or sheriffs to make arrests or perform any other duties required of policemen or sheriffs which may be incident to the division personnel responsibilities. All probation and parole officers hired on or after July 1, 1994, will be placed in the Law Enforcement Officers Training Program and will be required to meet the standards outlined by that program.

(d) It is the intention of the Legislature that insofar as practicable the case load of each division personnel supervising offenders in the community (hereinafter field supervisor) shall not exceed the number of cases that may be adequately handled.

(3) (a) Division personnel shall be provided to perform investigation for the court as provided in this subsection. Division personnel shall conduct presentence investigations on all persons convicted of a felony in any circuit court of the state, prior to sentencing and at the request of the circuit court judge of the court of conviction. The presentence evaluation report shall consist of a complete record of the offender's criminal history, educational level, employment history, psychological condition and such other information as the department or judge may deem necessary. Division personnel shall also prepare written victim impact statements at the request of the sentencing judge as provided in Section 99-19-157.

(b) In order that offenders in the custody of the department on July 1, 1976, may benefit from the kind of evaluations authorized in this section, an evaluation report to consist of the information required hereinabove, supplemented by an examination of an offender's record while in custody, shall be compiled by the division upon all offenders in the custody of the department on July 1, 1976. After a study of such reports by the State Parole Board those cases which the board believes would merit some type of executive clemency shall be submitted by the board to the Governor with its recommendation for the appropriate executive action.

(c) The department is authorized to accept gifts, grants and subsidies to conduct this activity.

SECTION 9. Section 47-7-11, Mississippi Code of 1972, is brought forward as follows:

47-7-11. All salaries and expenses incurred in the carrying out of this chapter shall be paid out of funds appropriated by the Legislature for the support and maintenance of the Probation and Parole Board. All accounts, including salaries, shall be approved and allowed by the board, and the board shall keep a complete record thereof.

SECTION 10. Section 47-7-13, Mississippi Code of 1972, is brought forward as follows:

47-7-13. A majority of the board shall constitute a quorum for the transaction of all business. A decision to parole an

offender convicted of murder or a sex-related crime shall require the affirmative vote of three (3) members. The board shall maintain, in minute book form, a copy of each of its official actions with the reasons therefor. Suitable and sufficient office space and support resources and staff necessary to conducting Parole Board business shall be provided by the Department of Corrections. However, the principal place for conducting parole hearings shall be the State Penitentiary at Parchman.

SECTION 11. Section 47-7-15, Mississippi Code of 1972, is brought forward as follows:

47-7-15. The board shall adopt an official seal of which the courts shall take judicial notice. Decisions of the board shall be made by majority vote, except as provided in Section 47-7-5(9).

The board shall keep a record of its acts and shall notify each institution of its decisions relating to the persons who are or have been confined therein. At the close of each fiscal year the board shall submit to the Governor and to the Legislature a report with statistical and other data of its work.

SECTION 12. Section 47-7-17, Mississippi Code of 1972, is brought forward as follows:

47-7-17. (1) Within one (1) year after his admission and at such intervals thereafter as it may determine, the board shall secure and consider all pertinent information regarding each offender, except any under sentence of death or otherwise ineligible for parole, including the circumstances of his offense,

his previous social history, his previous criminal record, including any records of law enforcement agencies or of a youth court regarding that offender's juvenile criminal history, his conduct, employment and attitude while in the custody of the department, the case plan created to prepare the offender for parole, and the reports of such physical and mental examinations as have been made. The board shall furnish at least three (3) months' written notice to each such offender of the date on which he is eligible for parole.

(2) Except as provided in Section 47-7-18, the board shall require a parole-eligible offender to have a hearing as required in this chapter before the board and to be interviewed. The hearing shall be held no later than thirty (30) days prior to the month of eligibility. No application for parole of a person convicted of a capital offense shall be considered by the board unless and until notice of the filing of such application shall have been published at least once a week for two (2) weeks in a newspaper published in or having general circulation in the county in which the crime was committed. The board shall, within thirty (30) days prior to the scheduled hearing, also give notice of the filing of the application for parole to the victim of the offense for which the prisoner is incarcerated and being considered for parole or, in case the offense be homicide, a designee of the immediate family of the victim, provided the victim or designated family member has furnished in writing a current address to the

board for such purpose. The victim or designated family member shall be provided an opportunity to be heard by the board before the board makes a decision regarding release on parole. The board shall consider whether any restitution ordered has been paid in full. Parole release shall, at the hearing, be ordered only for the best interest of society, not as an award of clemency; it shall not be considered to be a reduction of sentence or pardon. An offender shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes that he is able and willing to fulfill the obligations of a law-abiding citizen. When the board determines that the offender will need transitional housing upon release in order to improve the likelihood of the offender becoming a law-abiding citizen, the board may parole the offender with the condition that the inmate spends no more than six (6) months in a transitional reentry center. At least fifteen (15) days prior to the release of an offender on parole, the director of records of the department shall give the written notice which is required pursuant to Section 47-5-177. Every offender while on parole shall remain in the legal custody of the department from which he was released and shall be amenable to the orders of the board. Upon determination by the board that an offender is eligible for release by parole, notice shall also be given within at least fifteen (15) days before release, by the board to the victim of the offense or the victim's family member, as indicated

above, regarding the date when the offender's release shall occur, provided a current address of the victim or the victim's family member has been furnished in writing to the board for such purpose.

(3) For any hearing where an offender has been convicted of a crime of violence, as set out under Section 97-3-2 or any offense set out under Section 47-7-3(1)(a) through (g), the board shall, within thirty (30) days prior to the scheduled hearing, solicit the written or oral recommendations of the Attorney General, the attorney who prosecuted the case, the judge who presided over the case, the chief of police of the municipality where the offender was convicted and the sheriff of the county where the offender was convicted.

(4) The board shall, within thirty (30) days prior to the scheduled hearing, also give written or electronic notice of the filing of the application for parole to the attorney who prosecuted the case, the judge who presided over the case, the chief of police of the municipality where the offender was convicted and the sheriff of the county where the offender was convicted.

(5) If the attorney who prosecuted the case or the judge who presided over the case is not living or serving, solicitation for recommendations under subsection (3) and notice under subsection (4) shall be given to the district attorney and one of the judges of the court in which the offender was convicted.

(6) Failure to provide notice to the victim or the victim's family member of the filing of the application for parole or of any decision made by the board regarding parole shall not constitute grounds for vacating an otherwise lawful parole determination nor shall it create any right or liability, civilly or criminally, against the board or any member thereof.

(7) A letter of protest against granting an offender parole shall not be treated as the conclusive and only reason for not granting parole.

(8) The board may adopt such other rules not inconsistent with law as it may deem proper or necessary with respect to the eligibility of offenders for parole, the conduct of parole hearings, or conditions to be imposed upon parolees, including a condition that the parolee submit, as provided in Section 47-5-601 to any type of breath, saliva or urine chemical analysis test, the purpose of which is to detect the possible presence of alcohol or a substance prohibited or controlled by any law of the State of Mississippi or the United States. The board shall have the authority to adopt rules related to the placement of certain offenders on unsupervised parole and for the operation of transitional reentry centers. However, in no case shall an offender be placed on unsupervised parole before he has served a minimum of fifty percent (50%) of the period of supervised parole.

SECTION 13. Section 47-7-18, Mississippi Code of 1972, is brought forward as follows:

47-7-18 (1) No inmate convicted of a sex offense as defined by Section 45-33-23(h), a crime of violence as defined by Section 97-3-2, or both, nor an inmate who is eligible for geriatric parole shall be released on parole without a hearing before the Parole Board as required by Section 47-7-17. All other inmates eligible for parole pursuant to Section 47-7-3 shall be released from incarceration to parole supervision on the inmate's parole eligibility date, without a hearing before the board, if:

(a) The inmate has met the requirements of the parole case plan established pursuant to Section 47-7-3.1;

(b) A victim of the offense has not requested the board conduct a hearing;

(c) The inmate has not received a serious or major violation report within the past six (6) months;

(d) The inmate has agreed to the conditions of supervision; and

(e) The inmate has a discharge plan approved by the board.

(2) At least thirty (30) days prior to an inmate's parole eligibility date, the department shall notify the board in writing of the inmate's compliance or noncompliance with the case plan. If an inmate fails to meet a requirement of the case plan, prior to the parole eligibility date, he or she shall have a hearing before the board to determine if completion of the case plan can occur while in the community.

(3) Any inmate for whom there is insufficient information for the department to determine compliance with the case plan shall have a hearing with the board.

(4) A hearing shall be held with the board if requested by the victim following notification of the inmate's parole release date pursuant to Section 47-7-17.

(5) A hearing shall be held by the board if a law enforcement official from the community to which the inmate will return contacts the board or the department and requests a hearing to consider information relevant to public safety risks posed by the inmate if paroled at the initial parole eligibility date. The law enforcement official shall submit an explanation documenting these concerns for the board to consider.

(6) If a parole hearing is held, the board may determine the inmate has sufficiently complied with the case plan or that the incomplete case plan is not the fault of the inmate and that granting parole is not incompatible with public safety, the board may then parole the inmate with appropriate conditions. If the board determines that the inmate has sufficiently complied with the case plan but the discharge plan indicates that the inmate does not have appropriate housing immediately upon release, the board may parole the inmate to a transitional reentry center with the condition that the inmate spends no more than six (6) months in the center. If the board determines that the inmate has not substantively complied with the requirement(s) of the case plan it

may deny parole. If the board denies parole, the board may schedule a subsequent parole hearing and, if a new date is scheduled, the board shall identify the corrective action the inmate will need to take in order to be granted parole. Any inmate not released at the time of the inmate's initial parole date shall have a parole hearing at least every year.

SECTION 14. Section 47-7-19, Mississippi Code of 1972, is brought forward as follows:

47-7-19. It shall be the duty of all correctional system officials to grant to the members of the board or its properly accredited representatives, access at all reasonable times to any person over whom the board may have jurisdiction under this chapter; to provide for the board or such representatives facilities for communicating with and observing the offender; and to furnish to the board such reports as the board shall require concerning the conduct and character of any offender in the Department of Corrections custody and any other facts deemed by the board pertinent in determining whether such offender shall be paroled.

It shall be the duty of any judge, district attorney, county attorney, police officer, or other public official of the state, having information with reference to any person eligible for parole, to send such information as may be in his possession or under his control to the board, in writing, upon request of any member or employee thereof.

SECTION 15. Section 47-7-21, Mississippi Code of 1972, is brought forward as follows:

47-7-21. All information obtained in the discharge of official duty by a field officer as an employee of the Department of Corrections shall be privileged and shall not be disclosed directly or indirectly to anyone other than to (a) the State Parole Board, (b) a judge, or (c) law enforcement agencies when such information is relevant to criminal activity.

SECTION 16. Section 47-7-23, Mississippi Code of 1972, is brought forward as follows:

47-7-23. Except as otherwise provided by law, the Department of Corrections shall have the power and duty to make rules for the conduct of persons heretofore or hereafter placed on parole under the supervision of the Department of Corrections and for the investigation and supervision of such persons, which supervision may include a condition that such persons submit, as provided in Section 47-5-601, to any type of breath, saliva or urine chemical analysis test, the purpose of which is to detect the possible presence of alcohol or a substance prohibited or controlled by any law of the State of Mississippi or the United States. The department shall not make any rules which shall be inconsistent with the rules imposed by the State Parole Board pursuant to Section 47-7-17 on offenders who are placed on unsupervised parole.

SECTION 17. Section 47-7-25, Mississippi Code of 1972, is brought forward as follows:

47-7-25. When an offender is placed on parole he shall receive, if needed, from the state, civilian clothing and transportation to the place in which he is to reside. At the discretion of the board the offender may be advanced such sum for his temporary maintenance as the board may allow. The aforesaid gratuities are to be furnished by the Commissioner of Corrections who is authorized to charge the actual cost of same in his account as Commissioner of Corrections.

SECTION 18. Section 47-7-27, Mississippi Code of 1972, is brought forward as follows:

47-7-27. (1) The board may, at any time and upon a showing of probable violation of parole, issue a warrant for the return of any paroled offender to the custody of the department. The warrant shall authorize all persons named therein to return the paroled offender to actual custody of the department from which he was paroled.

(2) Any field supervisor may arrest an offender without a warrant or may deputize any other person with power of arrest by giving him a written statement setting forth that the offender has, in the judgment of that field supervisor, violated the conditions of his parole or earned-release supervision. The written statement delivered with the offender by the arresting officer to the official in charge of the department facility from

which the offender was released or other place of detention designated by the department shall be sufficient warrant for the detention of the offender.

(3) The field supervisor, after making an arrest, shall present to the detaining authorities a similar statement of the circumstances of violation. The field supervisor shall at once notify the board or department of the arrest and detention of the offender and shall submit a written report showing in what manner the offender has violated the conditions of parole or earned-release supervision. An offender for whose return a warrant has been issued by the board shall, after the issuance of the warrant, be deemed a fugitive from justice.

(4) Whenever an offender is arrested on a warrant for an alleged violation of parole as herein provided, the board shall hold an informal preliminary hearing within seventy-two (72) hours to determine whether there is reasonable cause to believe the person has violated a condition of parole. A preliminary hearing shall not be required when the offender is not under arrest on a warrant or the offender signed a waiver of a preliminary hearing. The preliminary hearing may be conducted electronically.

(5) The right of the State of Mississippi to extradite persons and return fugitives from justice, from other states to this state, shall not be impaired by this chapter and shall remain in full force and effect. An offender convicted of a felony committed while on parole, whether in the State of Mississippi or

another state, shall immediately have his parole revoked upon presentment of a certified copy of the commitment order to the board. If an offender is on parole and the offender is convicted of a felony for a crime committed prior to the offender being placed on parole, whether in the State of Mississippi or another state, the offender may have his parole revoked upon presentment of a certified copy of the commitment order to the board.

(6) (a) The board shall hold a hearing for any parolee who is detained as a result of a warrant or a violation report within twenty-one (21) days of the parolee's admission to detention. The board may, in its discretion, terminate the parole or modify the terms and conditions thereof. If the board revokes parole for one or more technical violations the board shall impose a period of imprisonment to be served in a technical violation center operated by the department not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the board may impose a period of imprisonment to be served in a technical violation center for up to one hundred and eighty (180) days or the board may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the board may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(b) If the board does not hold a hearing or does not take action on the violation within the twenty-one-day time frame in paragraph (a) of this subsection, the parolee shall be released from detention and shall return to parole status. The board may subsequently hold a hearing and may revoke parole or may continue parole and modify the terms and conditions of parole. If the board revokes parole for one or more technical violations the board shall impose a period of imprisonment to be served in a technical violation center operated by the department not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the board may impose a period of imprisonment to be served in a technical violation center for up to one hundred eighty (180) days or the board may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the board may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(c) For a parolee charged with one or more technical violations who has not been detained awaiting the revocation hearing, the board may hold a hearing within a reasonable time. The board may revoke parole or may continue parole and modify the terms and conditions of parole. If the board revokes parole for one or more technical violations the board shall impose a period

of imprisonment to be served in a technical violation center operated by the department not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the board may impose a period of imprisonment to be served in a technical violation center for up to one hundred eighty (180) days or the board may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the board may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(7) Unless good cause for the delay is established in the record of the proceeding, the parole revocation charge shall be dismissed if the revocation hearing is not held within the thirty (30) days of the issuance of the warrant.

(8) The chairman and each member of the board and the designated parole revocation hearing officer may, in the discharge of their duties, administer oaths, summon and examine witnesses, and take other steps as may be necessary to ascertain the truth of any matter about which they have the right to inquire.

(9) The board shall provide semiannually to the Oversight Task Force the number of warrants issued for an alleged violation of parole, the average time between detention on a warrant and preliminary hearing, the average time between detention on a

warrant and revocation hearing, the number of ninety-day sentences in a technical violation center issued by the board, the number of one-hundred-twenty-day sentences in a technical violation center issued by the board, the number of one-hundred-eighty-day sentences issued by the board, and the number and average length of the suspended sentences imposed by the board in response to a violation.

SECTION 19. Section 47-7-29, Mississippi Code of 1972, is brought forward as follows:

47-7-29. Any prisoner who commits a felony while at large upon parole or earned-release supervision and who is convicted and sentenced therefor shall be required to serve such sentence after the original sentence has been completed.

SECTION 20. Section 47-7-31, Mississippi Code of 1972, is brought forward as follows:

47-7-31. Upon request of the Governor the Department of Corrections shall investigate and report to him with respect to any case of pardon, commutation of sentence, reprieve, furlough or remission of fine or forfeiture.

Any attorney of record in the State of Mississippi representing any person whose record is before the department shall have the right to inspect such records on file with the department.

SECTION 21. Section 47-7-33, Mississippi Code of 1972, is brought forward as follows:

47-7-33. (1) When it appears to the satisfaction of any circuit court or county court in the State of Mississippi having original jurisdiction over criminal actions, or to the judge thereof, that the ends of justice and the best interest of the public, as well as the defendant, will be served thereby, such court, in termtime or in vacation, shall have the power, after conviction or a plea of guilty, except in a case where a death sentence or life imprisonment is the maximum penalty which may be imposed, to suspend the imposition or execution of sentence, and place the defendant on probation as herein provided, except that the court shall not suspend the execution of a sentence of imprisonment after the defendant shall have begun to serve such sentence. In placing any defendant on probation, the court, or judge, shall direct that such defendant be under the supervision of the Department of Corrections.

(2) When any circuit or county court places an offender on probation, the court shall give notice to the Mississippi Department of Corrections within fifteen (15) days of the court's decision to place the offender on probation. Notice shall be delivered to the central office of the Mississippi Department of Corrections and to the regional office of the department which will be providing supervision to the offender on probation.

(3) When any circuit court or county court places a person on probation in accordance with the provisions of this section and that person is ordered to make any payments to his family, if any

member of his family whom he is ordered to support is receiving public assistance through the State Department of Human Services, the court shall order him to make such payments to the county welfare officer of the county rendering public assistance to his family, for the sole use and benefit of said family.

SECTION 22. Section 47-7-33.1, Mississippi Code of 1972, is brought forward as follows:

47-7-33.1. (1) The department shall create a discharge plan for any offender returning to the community, regardless of whether the person will discharge from the custody of the department, or is released on parole, pardon, or otherwise. At least ninety (90) days prior to an offender's earliest release date, the commissioner shall conduct a pre-release assessment and complete a written discharge plan based on the assessment results. The discharge plan for parole eligible offenders shall be sent to the parole board at least thirty (30) days prior to the offender's parole eligibility date for approval. The board may suggest changes to the plan that it deems necessary to ensure a successful transition.

(2) The pre-release assessment shall identify whether an inmate requires assistance obtaining the following basic needs upon release: transportation, clothing and food, financial resources, identification documents, housing, employment, education, health care and support systems. The discharge plan shall include information necessary to address these needs and the

steps being taken by the department to assist in this process, including an up-to-date version of the information described in Section 63-1-309(4). Based on the findings of the assessment, the commissioner shall:

(a) Arrange transportation for inmates from the correctional facility to their release destination;

(b) Ensure inmates have clean, seasonally appropriate clothing, and provide inmates with a list of food providers and other basic resources immediately accessible upon release;

(c) Ensure inmates have a provisional driver's license issued pursuant to Title 63, Chapter 1, Article 7, Mississippi Code of 1972, a regular driver's license if eligible, or a state-issued identification card that is not a Department of Corrections identification card;

(d) Assist inmates in identifying safe, affordable housing upon release. If accommodations are not available, determine whether temporary housing is available for at least ten (10) days after release. If temporary housing is not available, the discharge plan shall reflect that satisfactory housing has not been established and the person may be a candidate for transitional reentry center placement;

The board shall approve discharge plans before an offender is released on parole pursuant to this chapter.

SECTION 23. Section 47-7-34, Mississippi Code of 1972, is brought forward as follows:

47-7-34. (1) When a court imposes a sentence upon a conviction for any felony committed after June 30, 1995, the court, in addition to any other punishment imposed if the other punishment includes a term of incarceration in a state or local correctional facility, may impose a term of post-release supervision. However, the total number of years of incarceration

plus the total number of years of post-release supervision shall not exceed the maximum sentence authorized to be imposed by law for the felony committed. The defendant shall be placed under post-release supervision upon release from the term of incarceration. The period of supervision shall be established by the court.

(2) The period of post-release supervision shall be conducted in the same manner as a like period of supervised probation, including a requirement that the defendant shall abide by any terms and conditions as the court may establish. Failure to successfully abide by the terms and conditions shall be grounds to terminate the period of post-release supervision and to recommit the defendant to the correctional facility from which he was previously released. Procedures for termination and recommitment shall be conducted in the same manner as procedures for the revocation of probation and imposition of a suspended sentence as required pursuant to Section 47-7-37.

(3) Post-release supervision programs shall be operated through the probation and parole unit of the Division of Community Corrections of the department. The maximum amount of time that the Mississippi Department of Corrections may supervise an offender on the post-release supervision program is five (5) years.

SECTION 24. Section 47-7-35, Mississippi Code of 1972, is brought forward as follows:

47-7-35. (1) The courts referred to in Section 47-7-33 or 47-7-34 shall determine the terms and conditions of probation or post-release supervision and may alter or modify, at any time during the period of probation or post-release supervision, the conditions and may include among them the following or any other:

That the offender shall:

(a) Commit no offense against the laws of this or any other state of the United States, or of any federal, territorial or tribal jurisdiction of the United States;

(b) Avoid injurious or vicious habits;

(c) Avoid persons or places of disreputable or harmful character;

(d) Report to the probation and parole officer as directed;

(e) Permit the probation and parole officer to visit him at home or elsewhere;

(f) Work faithfully at suitable employment so far as possible;

(g) Remain within a specified area;

(h) Pay his fine in one (1) or several sums;

(i) Support his dependents;

(j) Submit, as provided in Section 47-5-601, to any type of breath, saliva or urine chemical analysis test, the purpose of which is to detect the possible presence of alcohol or

a substance prohibited or controlled by any law of the State of Mississippi or the United States;

(k) Register as a sex offender if so required under Title 45, Chapter 33.

(2) When any court places a defendant on misdemeanor probation, the court must cause to be conducted a search of the probationer's name or other identifying information against the registration information regarding sex offenders maintained under Title 45, Chapter 33. The search may be conducted using the Internet site maintained by the Department of Public Safety Sex Offender Registry.

SECTION 25. Section 47-7-36, Mississippi Code of 1972, is brought forward as follows:

47-7-36. (1) Any person who supervises an individual placed on parole by the Parole Board or placed on probation by the court shall set the times and locations for meetings that are required for parole or probation at such times and locations that are reasonably designed to accommodate the work schedule of an individual on parole or probation who is employed by another person or entity.

(2) To effectuate the provisions of this section, the parole officer or probation officer may utilize technology portals such as Skype, FaceTime or Google video chat, or any other technology portal that allows communication between the individual on parole or probation and the parole or probation officer, as applicable,

to occur simultaneously in real time by voice and video in lieu of requiring a face-to-face in person meeting of such individual and the parole or probation officer, as applicable. For individuals who are self-employed, the provisions of this subsection shall only apply with the agreement of their supervising parole or probation officer.

(3) The Department of Corrections shall promulgate rules and regulations to implement the provisions of this section. The rules and regulations promulgated by the department shall include, but are not limited to, minimum standards and guidelines for the authorized technology and how it may be used as well as standards for determining the eligibility and suitability of an individual on parole or probation to meet his or her reporting requirements through the use of such technology. The eligibility and suitability standards shall include consideration of the severity of the individual's underlying criminal conviction and such individual's criminal history, supervision level, and past supervision history.

(4) This section shall not apply to offenders whose employers comply with the requirements of Section 47-7-36.1(1).

SECTION 26. Section 47-7-37, Mississippi Code of 1972, is brought forward as follows:

47-7-37. (1) The period of probation shall be fixed by the court, and may at any time be extended or terminated by the court, or judge in vacation. Such period with any extension thereof

shall not exceed five (5) years, except that in cases of desertion and/or failure to support minor children, the period of probation may be fixed and/or extended by the court for so long as the duty to support such minor children exists. The time served on probation or post-release supervision may be reduced pursuant to Section 47-7-40.

(2) At any time during the period of probation, the court, or judge in vacation, may issue a warrant for violating any of the conditions of probation or suspension of sentence and cause the probationer to be arrested. Any probation and parole officer may arrest a probationer without a warrant, or may deputize any other officer with power of arrest to do so by giving him a written statement setting forth that the probationer has, in the judgment of the probation and parole officer, violated the conditions of probation. Such written statement delivered with the probationer by the arresting officer to the official in charge of a county jail or other place of detention shall be sufficient warrant for the detention of the probationer.

(3) Whenever an offender is arrested on a warrant for an alleged violation of probation as herein provided, the department shall hold an informal preliminary hearing within seventy-two (72) hours of the arrest to determine whether there is reasonable cause to believe the person has violated a condition of probation. A preliminary hearing shall not be required when the offender is not under arrest on a warrant or the offender signed a waiver of a

preliminary hearing. The preliminary hearing may be conducted electronically. If reasonable cause is found, the offender may be confined no more than twenty-one (21) days from the admission to detention until a revocation hearing is held. If the revocation hearing is not held within twenty-one (21) days, the probationer shall be released from custody and returned to probation status.

(4) If a probationer or offender is subject to registration as a sex offender, the court must make a finding that the probationer or offender is not a danger to the public prior to release with or without bail. In determining the danger posed by the release of the offender or probationer, the court may consider the nature and circumstances of the violation and any new offenses charged; the offender or probationer's past and present conduct, including convictions of crimes and any record of arrests without conviction for crimes involving violence or sex crimes; any other evidence of allegations of unlawful sexual conduct or the use of violence by the offender or probationer; the offender or probationer's family ties, length of residence in the community, employment history and mental condition; the offender or probationer's history and conduct during the probation or other supervised release and any other previous supervisions, including disciplinary records of previous incarcerations; the likelihood that the offender or probationer will engage again in a criminal course of conduct; the weight of the evidence against the offender or probationer; and any other facts the court considers relevant.

(5) (a) The probation and parole officer after making an arrest shall present to the detaining authorities a similar statement of the circumstances of violation. The probation and parole officer shall at once notify the court of the arrest and detention of the probationer and shall submit a report in writing showing in what manner the probationer has violated the conditions of probation. Within twenty-one (21) days of arrest and detention by warrant as herein provided, the court shall cause the probationer to be brought before it and may continue or revoke all or any part of the probation or the suspension of sentence. If the court revokes probation for one or more technical violations, the court shall impose a period of imprisonment to be served in either a technical violation center or a restitution center not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the court may impose a period of imprisonment to be served in either a technical violation center or a restitution center for up to one hundred eighty (180) days or the court may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the court may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(b) If the offender is not detained as a result of the warrant, the court shall cause the probationer to be brought

before it within a reasonable time and may continue or revoke all or any part of the probation or the suspension of sentence, and may cause the sentence imposed to be executed or may impose any part of the sentence which might have been imposed at the time of conviction. If the court revokes probation for one or more technical violations, the court shall impose a period of imprisonment to be served in either a technical violation center or a restitution center not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the court may impose a period of imprisonment to be served in either a technical violation center or a restitution center for up to one hundred eighty (180) days or the court may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the court may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(c) If the court does not hold a hearing or does not take action on the violation within the twenty-one-day period, the offender shall be released from detention and shall return to probation status. The court may subsequently hold a hearing and may revoke probation or may continue probation and modify the terms and conditions of probation. If the court revokes probation for one or more technical violations, the court shall impose a

period of imprisonment to be served in either a technical violation center operated by the department or a restitution center not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the court may impose a period of imprisonment to be served in either a technical violation center or a restitution center for up to one hundred eighty (180) days or the court may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the court may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(d) For an offender charged with a technical violation who has not been detained awaiting the revocation hearing, the court may hold a hearing within a reasonable time. The court may revoke probation or may continue probation and modify the terms and conditions of probation. If the court revokes probation for one or more technical violations the court shall impose a period of imprisonment to be served in either a technical violation center operated by the department or a restitution center not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the court may impose a period of imprisonment to be served in either a technical violation center or a restitution

center for up to one hundred eighty (180) days or the court may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the court may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(6) If the probationer is arrested in a circuit court district in the State of Mississippi other than that in which he was convicted, the probation and parole officer, upon the written request of the sentencing judge, shall furnish to the circuit court or the county court of the county in which the arrest is made, or to the judge of such court, a report concerning the probationer, and such court or the judge in vacation shall have authority, after a hearing, to continue or revoke all or any part of probation or all or any part of the suspension of sentence, and may in case of revocation proceed to deal with the case as if there had been no probation. In such case, the clerk of the court in which the order of revocation is issued shall forward a transcript of such order to the clerk of the court of original jurisdiction, and the clerk of that court shall proceed as if the order of revocation had been issued by the court of original jurisdiction. Upon the revocation of probation or suspension of sentence of any offender, such offender shall be placed in the legal custody of the State Department of Corrections and shall be subject to the requirements thereof.

(7) Any probationer who removes himself from the State of Mississippi without permission of the court placing him on probation, or the court to which jurisdiction has been transferred, shall be deemed and considered a fugitive from justice and shall be subject to extradition as now provided by law. No part of the time that one is on probation shall be considered as any part of the time that he shall be sentenced to serve.

(8) The arresting officer, except when a probation and parole officer, shall be allowed the same fees as now provided by law for arrest on warrant, and such fees shall be taxed against the probationer and paid as now provided by law.

(9) The arrest, revocation and recommitment procedures of this section also apply to persons who are serving a period of post-release supervision imposed by the court.

(10) Unless good cause for the delay is established in the record of the proceeding, the probation revocation charge shall be dismissed if the revocation hearing is not held within thirty (30) days of the warrant being issued.

(11) The Department of Corrections shall provide semiannually to the Oversight Task Force the number of warrants issued for an alleged violation of probation or post-release supervision, the average time between detention on a warrant and preliminary hearing, the average time between detention on a warrant and revocation hearing, the number of ninety-day sentences

in a technical violation center issued by the court, the number of one-hundred-twenty-day sentences in a technical violation center issued by the court, the number of one-hundred-eighty-day sentences issued by the court, and the number and average length of the suspended sentences imposed by the court in response to a violation.

SECTION 27. Section 47-7-37.1, Mississippi Code of 1972, is brought forward as follows:

47-7-37.1. Notwithstanding any other provision of law to the contrary, if a court finds by a preponderance of the evidence, that a probationer or a person under post-release supervision has committed a felony or absconded, the court may revoke his probation and impose any or all of the sentence. For purposes of this section, "absconding from supervision" means the failure of a probationer to report to his supervising officer for six (6) or more consecutive months.

SECTION 28. Section 47-7-38, Mississippi Code of 1972, is brought forward as follows:

47-7-38. (1) The department shall have the authority to impose graduated sanctions as an alternative to judicial modification or revocation, as provided in Sections 47-7-27 and 47-7-37, for offenders on probation, parole, or post-release supervision who commit technical violations of the conditions of supervision as defined by Section 47-7-2.

(2) The commissioner shall develop a standardized graduated sanctions system, which shall include a grid to guide field officers in determining the suitable response to a technical violation. The commissioner shall promulgate rules and regulations for the development and application of the system of sanctions. Field officers shall be required to conform to the sanction grid developed.

(3) The system of sanctions shall include a list of sanctions for the most common types of violations. When determining the sanction to impose, the field officer shall take into account the offender's assessed risk level, previous violations and sanctions, and severity of the current and prior violations.

(4) Field officers shall notify the sentencing court when a probationer has committed a technical violation or the parole board when a parolee has committed a technical violation of the type of violation and the sanction imposed. When the technical violation is an arrest for a new criminal offense, the field officer shall notify the court within forty-eight (48) hours of becoming aware of the arrest.

(5) The graduated sanctions that the department may impose include, but shall not be limited to:

(a) Verbal warnings;

(b) Increased reporting;

(c) Increased drug and alcohol testing;

(d) Mandatory substance abuse treatment;

(e) Loss of earned-discharge credits; and

(f) Incarceration in a county jail for no more than two (2) days. Incarceration as a sanction shall not be used more than two (2) times per month for a total period incarcerated of no more than four (4) days.

(6) The system shall also define positive reinforcements that offenders will receive for compliance with conditions of supervision. These positive reinforcements shall include, but not limited to:

(a) Verbal recognition;

(b) Reduced reporting; and

(c) Credits for earned discharge which shall be awarded pursuant to Section 47-7-40.

(7) The Department of Corrections shall provide semiannually to the Oversight Task Force the number and percentage of offenders who have one or more violations during the year, the average number of violations per offender during the year and the total and average number of incarceration sanctions as defined in subsection (5) of this section imposed during the year.

SECTION 29. Section 47-7-38.1, Mississippi Code of 1972, is brought forward as follows:

47-7-38.1. (1) The Department of Corrections shall establish technical violation centers to detain probation and parole violators revoked by the court or parole board.

(2) The department shall place an offender in a violation center for a technical violation as ordered by the board pursuant to Section 47-7-27 and the sentencing court pursuant to Section 47-7-37.

(3) The violation centers shall be equipped to address the underlying factors that led to the offender's violation as identified based on the results of a risk and needs assessment. At a minimum each violation center shall include substance abuse services shown to reduce recidivism and a reduction in the use of illicit substances or alcohol, education programs, employment preparation and training programs and behavioral programs.

(4) As required by Section 47-5-20(b), the department shall notify, by certified mail, each member of the board of supervisors of the county in which the violation center shall be located of the department's intent to convert an existing department facility to a technical violation center.

(5) The department shall establish rules and regulations for the implementation and operation of the technical violation centers.

(6) The Department of Corrections shall provide to the Oversight Task Force semiannually the average daily population of the technical violation centers, the number of admissions to the technical violation centers, and the average time served in the technical violation centers.

SECTION 30. Section 47-7-39, Mississippi Code of 1972, is brought forward as follows:

47-7-39. If, for good and sufficient reasons, a probationer desires to change his residence within or without the state, such transfer may be effected by application to his field supervisor which transfer shall be subject to the court's consent and subject to such regulations as the court, or judge, may require.

SECTION 31. Section 47-7-40, Mississippi Code of 1972, is brought forward as follows:

47-7-40. (1) The commissioner shall establish rules and regulations for implementing the earned-discharge program that allows offenders on probation and parole to reduce the period of supervision for complying with conditions of probation. The department shall have the authority to award earned-discharge credits to all offenders placed on probation, parole, or post-release supervision who are in compliance with the terms and conditions of supervision. An offender serving a Mississippi sentence for an eligible offense in any jurisdiction under the Interstate Compact for Adult Offender Supervision shall be eligible for earned-discharge credits under this section. Offenders shall not be denied earned-discharge credits solely based on nonpayment of fees or fines if a hardship waiver has been granted as provided in Section 47-7-49.

(2) For each full calendar month of compliance with the conditions of supervision, earned-discharge credits equal to the

number of days in that month shall be deducted from the offender's sentence discharge date. Credits begin to accrue for eligible offenders after the first full calendar month of compliance supervision conditions. For the purposes of this section, an offender is deemed to be in compliance with the conditions of supervision if there was no violation of the conditions of supervision.

(3) No earned-discharge credits may accrue for a calendar month in which a violation report has been submitted, the offender has absconded from supervision, the offender is serving a term of imprisonment in a technical violation center, or for the months between the submission of the violation report and the final action on the violation report by the court or the board.

(4) Earned-discharge credits shall be applied to the sentence within thirty (30) days of the end of the month in which the credits were earned. At least every six (6) months, an offender who is serving a sentence eligible for earned-discharge credits shall be notified of the current sentence discharge date.

(5) Once the combination of time served on probation, parole or post-release supervision, and earned-discharge credits satisfy the term of probation, parole, or post-release supervision, the board or sentencing court shall order final discharge of the offender. No less than sixty (60) days prior to the date of final discharge, the department shall notify the sentencing court and the board of the impending discharge.

(6) The department shall provide semiannually to the Oversight Task Force the number and percentage of offenders who qualify for earned discharge in one or more months of the year and the average amount of credits earned within the year.

SECTION 32. Section 47-7-41, Mississippi Code of 1972, is brought forward as follows:

47-7-41. When a probationer shall be discharged from probation by the court of original jurisdiction, the field supervisor, upon receiving a written request from the probationer, shall forward a written report of the record of the probationer to the Division of Community Corrections of the department, which shall present a copy of this report to the Governor. The Governor may, in his discretion, at any time thereafter by appropriate executive order restore any civil rights lost by the probationer by virtue of his conviction or plea of guilty in the court of original jurisdiction.

SECTION 33. Section 47-7-43, Mississippi Code of 1972, is brought forward as follows:

47-7-43. The provisions of this chapter are hereby extended to all persons who, at the effective date thereof, may be on parole, or eligible to be placed on parole under existing laws, with the same force and effect as if this chapter had been in operation at the time such persons were placed on parole or become eligible to be placed thereon, as the case may be.

SECTION 34. Section 47-7-45, Mississippi Code of 1972, is brought forward as follows:

47-7-45. The provisions of this chapter shall not apply to probation under the Youth Court Law nor to parole from the Oakley Youth Development Center.

47-7-47. (1) The judge of any circuit court may place an offender on a program of earned probation, in an intensive supervision program or any intervention court authorized by law after a period of confinement as set out herein and the judge may seek the advice of the commissioner and shall direct that the defendant be under the supervision of the department.

(2) (a) Any circuit court or county court may, upon its own motion, acting upon the advice and consent of the commissioner not earlier than thirty (30) days nor later than three (3) years after the defendant has been delivered to the custody of the department, incarcerated by order of the court or otherwise sentenced, modify, alter or suspend the further execution of the sentence and place the defendant on earned probation, in an intensive supervision program or any intervention court authorized by law except when a death sentence or life imprisonment is the maximum penalty which may be imposed or if the defendant has been confined two (2) or more times for the conviction of a felony on a previous occasion in any court or courts of the United States and of any state or

territories thereof or has been convicted of a felony involving the use of a deadly weapon.

(b) The authority granted in this subsection shall be exercised by the judge who imposed sentence on the defendant, or his successor.

(c) The time limit imposed by paragraph (a) of this subsection is not applicable to those defendants sentenced to the custody of the department prior to April 14, 1977. Persons who are convicted of crimes that carry mandatory sentences shall not be eligible for earned probation.

(3) When any circuit or county court places an offender on earned probation, the court shall give notice to the Mississippi Department of Corrections within fifteen (15) days of the court's decision to place the offender on earned probation. Notice shall be delivered to the central office of the Mississippi Department of Corrections and to the regional office of the department which will be providing supervision to the offender on earned probation.

(4) If the court places any person on probation or earned probation, the court may order the person, as a condition of probation, to a period of confinement and treatment at a private or public agency or institution, either within or without the state, which treats emotional, mental or drug-related problems. Any person who, as a condition of probation, is confined for treatment at an out-of-state facility shall be supervised pursuant to Section 47-7-71, and any person confined at a private agency

shall not be confined at public expense. Time served in any such agency or institution may be counted as time required to meet the criteria of subsection (2)(a).

(5) If the court places any person on probation or earned probation, the court may order the person to make appropriate restitution to any victim of his crime or to society through the performance of reasonable work for the benefit of the community.

(6) If the court places any person on probation or earned probation, the court may order the person, as a condition of probation, to submit, as provided in Section 47-5-601, to any type of breath, saliva or urine chemical analysis test, the purpose of which is to detect the possible presence of alcohol or a substance prohibited or controlled by any law of the State of Mississippi or the United States.

SECTION 36. Section 47-7-49, Mississippi Code of 1972, is brought forward as follows:

47-7-49. (1) Any offender on probation, parole, earned-release supervision, post-release supervision, earned probation or any other offender under the field supervision of the Community Services Division of the department shall pay to the department the sum of Fifty-five Dollars ($55.00) per month by certified check or money order unless a hardship waiver is granted. An offender shall make the initial payment within sixty (60) days after being released from imprisonment unless a hardship waiver is granted. A hardship waiver may be granted by the

sentencing court or the Department of Corrections. A hardship waiver may not be granted for a period of time exceeding ninety (90) days. The commissioner or his designee shall deposit Fifty Dollars ($50.00) of each payment received into a special fund in the State Treasury, which is hereby created, to be known as the Community Service Revolving Fund. Expenditures from this fund shall be made for: (a) the establishment of restitution and satellite centers; and (b) the establishment, administration and operation of the department's Drug Identification Program and the intensive and field supervision program. The Fifty Dollars ($50.00) may be used for salaries and to purchase equipment, supplies and vehicles to be used by the Community Services Division in the performance of its duties. Expenditures for the purposes established in this section may be made from the fund upon requisition by the commissioner, or his designee.

Of the remaining amount, Three Dollars ($3.00) of each payment shall be deposited into the Crime Victims' Compensation Fund created in Section 99-41-29, and Two Dollars ($2.00) shall be deposited into the Training Revolving Fund created pursuant to Section 47-7-51. When a person is convicted of a felony in this state, in addition to any other sentence it may impose, the court may, in its discretion, order the offender to pay a state assessment not to exceed the greater of One Thousand Dollars ($1,000.00) or the maximum fine that may be imposed for the

offense, into the Crime Victims' Compensation Fund created pursuant to Section 99-41-29.

Any federal funds made available to the department for training or for training facilities, equipment or services shall be deposited into the Correctional Training Revolving Fund created in Section 47-7-51. The funds deposited in this account shall be used to support an expansion of the department's training program to include the renovation of facilities for training purposes, purchase of equipment and contracting of training services with community colleges in the state.

No offender shall be required to make this payment for a period of time longer than ten (10) years.

(2) The offender may be imprisoned until the payments are made if the offender is financially able to make the payments and the court in the county where the offender resides so finds, subject to the limitations hereinafter set out. The offender shall not be imprisoned if the offender is financially unable to make the payments and so states to the court in writing, under oath, and the court so finds.

(3) An offender's responsibilities under this section may be satisfied by an offender's employer under Section 47-7-36.1(2).

The Commissioner of Corrections may assign to the appropriate officers and divisions any powers and duties deemed appropriate to carry out the duties and powers of the Parole Board. Wherever the terms "State Parole Board" or "Parole Board" appear in any state law, they shall mean the Department of Corrections.

SECTION 39. Section 47-7-55, Mississippi Code of 1972, is brought forward as follows:

47-7-55. (1) There is hereby created a joint committee of the Senate and House of Representatives to be known as the Parole Commission, hereinafter referred to as the "commission." The

(5) For attending meetings of the commission, members of the commission shall receive per diem as provided by Section 25-3-69, and reimbursement of expenses as provided by Section 5-1-47. The members of the commission shall obtain the approval of the Management Committee of the House of Representatives and the Contingent Expense Committee of the Senate for per diem and travel expense expenditures of the commission. The members of the commission shall not receive per diem or expenses while the Legislature is in session. All expenses incurred by and on behalf

(f) To designate deputy commissioners while performing their officially assigned duties relating to the custody, control, transportation, recapture or arrest of any offender within the jurisdiction of the department or any offender of any jail, penitentiary, public workhouse or overnight lockup of the state or any political subdivision thereof not within the jurisdiction of

SECTION 41. Section 47-5-931, Mississippi Code of 1972, is brought forward as follows:

47-5-931. (1) The Department of Corrections, in its discretion, may contract with the board of supervisors of one or more counties or with a regional facility operated by one or more counties, to provide for housing, care and control of offenders who are in the custody of the State of Mississippi. Any facility owned or leased by a county or counties for this purpose shall be designed, constructed, operated and maintained in accordance with American Correctional Association standards, and shall comply with all constitutional standards of the United States and the State of Mississippi, and with all court orders that may now or hereinafter be applicable to the facility. If the Department of Corrections

contracts with more than one (1) county to house state offenders in county correctional facilities, excluding a regional facility, then the first of such facilities shall be constructed in Sharkey County and the second of such facilities shall be constructed in Jefferson County.

(2) The Department of Corrections shall contract with the board of supervisors of the following counties to house state inmates in regional facilities: (a) Marion and Walthall Counties; (b) Carroll and Montgomery Counties; (c) Stone and Pearl River Counties; (d) Winston and Choctaw Counties; (e) Kemper and Neshoba Counties; (f) Alcorn County and any contiguous county in which there is located an unapproved jail; (g) Yazoo County and any contiguous county in which there is located an unapproved jail; (h) Chickasaw County and any contiguous county in which there is located an unapproved jail; (i) George and Greene Counties and any contiguous county in which there is located an unapproved jail; (j) Washington County and any contiguous county in which there is located an unapproved jail; (k) Hinds County and any contiguous county in which there is located an unapproved jail; (l) Leake County and any contiguous county in which there is located an unapproved jail; (m) Issaquena County and any contiguous county in which there is located an unapproved jail; (n) Jefferson County and any contiguous county in which there is located an unapproved jail; (o) Franklin County and any contiguous county in which there is located an unapproved jail; (p) Holmes County and any

contiguous county in which there is located an unapproved jail; and (q) Bolivar County and any contiguous county in which there is located an unapproved jail. The Department of Corrections shall decide the order of priority of the counties listed in this subsection with which it will contract for the housing of state inmates. For the purposes of this subsection, the term "unapproved jail" means any jail that the local grand jury determines should be condemned or has found to be of substandard condition or in need of substantial repair or reconstruction.

(3) In addition to the offenders authorized to be housed under subsection (1) of this section, the Department of Corrections may contract with any regional facility to provide for housing, care and control of not more than seventy-five (75) additional offenders who are in the custody of the State of Mississippi.

(4) The Governor and the Commissioner of Corrections are authorized to increase administratively the number of offenders who are in the custody of the State of Mississippi that can be placed in regional correctional facilities.

SECTION 42. Section 47-5-933, Mississippi Code of 1972, is brought forward as follows:

47-5-933. The Department of Corrections may contract for the purposes set out in Section 47-5-931 for a period of not more than twenty (20) years. The contract may provide that the Department of Corrections pay a fee of no more than Thirty-two Dollars and

Seventy-one Cents ($32.71) per day for each offender that is housed in the facility. The Department of Corrections may include in the contract, as an inflation factor, a three percent (3%) annual increase in the contract price. The state shall retain responsibility for medical care for state offenders to the extent that is required by law; provided, however, the department may reimburse each facility for contract medical services as provided by law in an amount not to exceed Six Dollars and Twenty-five Cents ($6.25) per day per offender.

SECTION 43. Section 47-5-938, Mississippi Code of 1972, is brought forward as follows:

47-5-938. (1) Offenders are encouraged to participate in work programs. The chief corrections officer as created in Section 47-5-935, with ratification of the board of supervisors of the county in which a correctional facility established pursuant to Sections 47-5-931 through 47-5-941, is located, may enter into agreements to provide work for any state offender housed in the facility, with the approval of the Commissioner of Corrections, to perform any work:

(a) Authorized in the Mississippi Prison Industries Act of 1990 as provided in Sections 47-5-531 through 47-5-575;

(b) Authorized in the Prison Agricultural Enterprises Act as provided in Sections 47-5-351 through 47-5-357;

(c) Authorized in the Penitentiary-Made Goods Law of 1978 as provided in Sections 47-5-301 through 47-5-331;

(d) Authorized in the Public Service Work Programs Act as provided in Sections 47-5-401 through 47-5-421;

(e) Authorized in Section 47-5-431, which authorizes the sheriff to use county or state offenders to pick up trash along public roads and state highways.

(2) The chief corrections officer shall promulgate rules and regulations as may be necessary to govern the work performance of the offenders for the parties to the agreements. Political subdivisions of the State of Mississippi including but not limited to counties, municipalities, school districts, drainage districts, water management districts and joint county-municipal endeavors are to have free use of the offender's labor but are responsible for reimbursing the facility for costs of transportation, guards, meals and other necessary costs when the inmates are providing work for that political body. Offenders may be compensated for work performed if the agreement so provides.

(3) There is created a special fund in the county treasury to be known as the "offender's compensation fund." All compensation paid to offenders shall be placed in the special fund for use by the offenders to purchase certain goods and other items of value as authorized in Section 47-5-109, for offenders housed in state correctional facilities. As provided in Section 47-5-194, no cash is to be paid to offenders. The agreement shall provide that a certain portion of the compensation shall be used for the welfare of the offenders. All money collected from the

regional jail canteen operations shall be placed in a county special fund. Expenditures from that fund can be made by the chief corrections officer for any lawful purpose that is in the best interest and welfare of the offenders. The chief corrections officer, his employees and the county or counties owning the facility are given the authority necessary to carry out the provisions of this section.

(4) The provisions of this section shall be supplemental to any other provisions of law regarding offender labor and work programs.

SECTION 44. Section 45-1-3, Mississippi Code of 1972, is brought forward as follows:

45-1-3. (1) When not otherwise specifically provided, the commissioner is authorized to make and promulgate reasonable rules and regulations to be coordinated, and carry out the general provisions of the Highway Safety Patrol and Driver's License Law of 1938.

(2) The commissioner shall have the authority to administer oaths.

(3) Notwithstanding any other provision of law, with written approval from the Executive Director of the Department of Finance and Administration, the commissioner may enter into a lease or sublease agreement for space in the Department of Public Safety headquarters building with a third party for the purpose of providing services and assistance to the department and its

employees. The proceeds received from the lease under this subsection shall be paid to the State Treasurer for deposit into the General Fund.

SECTION 45. Section 9-23-11, Mississippi Code of 1972, is brought forward as follows:

9-23-11. (1) The Administrative Office of Courts shall establish, implement and operate a uniform certification process for all intervention courts and other problem-solving courts including juvenile courts, veterans courts or any other court designed to adjudicate criminal actions involving an identified classification of criminal defendant to ensure funding for intervention courts supports effective and proven practices that reduce recidivism and substance dependency among their participants.

SECTION 46. Section 99-39-5, Mississippi Code of 1972, is brought forward as follows:

99-39-5. (1) Any person sentenced by a court of record of the State of Mississippi, including a person currently incarcerated, civilly committed, on parole or probation or subject to sex offender registration for the period of the registration or for the first five (5) years of the registration, whichever is the shorter period, may file a motion to vacate, set aside or correct the judgment or sentence, a motion to request forensic DNA testing of biological evidence, or a motion for an out-of-time appeal if the person claims:

(a) That the conviction or the sentence was imposed in violation of the Constitution of the United States or the Constitution or laws of Mississippi;

(b) That the trial court was without jurisdiction to impose sentence;

(c) That the statute under which the conviction and/or sentence was obtained is unconstitutional;

(d) That the sentence exceeds the maximum authorized by law;

(e) That there exists evidence of material facts, not previously presented and heard, that requires vacation of the conviction or sentence in the interest of justice;

(f) That there exists biological evidence secured in relation to the investigation or prosecution attendant to the petitioner's conviction not tested, or, if previously tested, that can be subjected to additional DNA testing, that would provide a reasonable likelihood of more probative results, and that testing would demonstrate by reasonable probability that the petitioner would not have been convicted or would have received a lesser sentence if favorable results had been obtained through such forensic DNA testing at the time of the original prosecution.

(g) That his plea was made involuntarily;

(h) That his sentence has expired; his probation, parole or conditional release unlawfully revoked; or he is otherwise unlawfully held in custody;

(i) That he is entitled to an out-of-time appeal; or

(j) That the conviction or sentence is otherwise subject to collateral attack upon any grounds of alleged error heretofore available under any common law, statutory or other writ, motion, petition, proceeding or remedy.

(2) A motion for relief under this article shall be made within three (3) years after the time in which the petitioner's direct appeal is ruled upon by the Supreme Court of Mississippi or, in case no appeal is taken, within three (3) years after the

time for taking an appeal from the judgment of conviction or sentence has expired, or in case of a guilty plea, within three (3) years after entry of the judgment of conviction. Excepted from this three-year statute of limitations are those cases in which the petitioner can demonstrate either:

(a) (i) That there has been an intervening decision of the Supreme Court of either the State of Mississippi or the United States which would have actually adversely affected the outcome of his conviction or sentence or that he has evidence, not reasonably discoverable at the time of trial, which is of such nature that it would be practically conclusive that had such been introduced at trial it would have caused a different result in the conviction or sentence; or

(ii) That, even if the petitioner pled guilty or nolo contendere, or confessed or admitted to a crime, there exists biological evidence not tested, or, if previously tested, that can be subjected to additional DNA testing that would provide a reasonable likelihood of more probative results, and that testing would demonstrate by reasonable probability that the petitioner would not have been convicted or would have received a lesser sentence if favorable results had been obtained through such forensic DNA testing at the time of the original prosecution.

(b) Likewise excepted are those cases in which the petitioner claims that his sentence has expired or his probation, parole or conditional release has been unlawfully revoked.

Likewise excepted are filings for post-conviction relief in capital cases which shall be made within one (1) year after conviction.

(3) This motion is not a substitute for, nor does it affect, any remedy incident to the proceeding in the trial court, or direct review of the conviction or sentence.

(4) Proceedings under this article shall be subject to the provisions of Section 99-19-42.

(5) For the purposes of this article:

(a) "Biological evidence" means the contents of a sexual assault examination kit and any item that contains blood, semen, hair, saliva, skin tissue, fingernail scrapings, bone, bodily fluids or other identifiable biological material that was collected as part of the criminal investigation or may reasonably be used to incriminate or exculpate any person for the offense. This definition applies whether that material is catalogued separately, such as on a slide, swab or in a test tube, or is present on other evidence, including, but not limited to, clothing, ligatures, bedding or other household material, drinking cups, cigarettes or other items;

(b) "DNA" means deoxyribonucleic acid.

SECTION 47. Section 99-39-27, Mississippi Code of 1972, is brought forward as follows:

99-39-27. (1) The application for leave to proceed in the trial court filed with the Supreme Court under Section 99-39-7 shall name the State of Mississippi as the respondent.

(2) The application shall contain the original and two (2) executed copies of the motion proposed to be filed in the trial court together with such other supporting pleadings and documentation as the Supreme Court by rule may require.

(3) The prisoner shall serve an executed copy of the application upon the Attorney General simultaneously with the filing of the application with the court.

(4) The original motion, together with all files, records, transcripts and correspondence relating to the judgment under attack, shall promptly be examined by the court.

(5) Unless it appears from the face of the application, motion, exhibits and the prior record that the claims presented by those documents are not procedurally barred under Section 99-39-21 and that they further present a substantial showing of the denial of a state or federal right, the court shall by appropriate order deny the application. The court may, in its discretion, require the Attorney General upon sufficient notice to respond to the application.

(6) The court, upon satisfaction of the standards set forth in this article, is empowered to grant the application.

(7) In granting the application the court, in its discretion, may:

(a) Where sufficient facts exist from the face of the application, motion, exhibits, the prior record and the state's response, together with any exhibits submitted with those documents, or upon stipulation of the parties, grant or deny any or all relief requested in the attached motion.

(b) Allow the filing of the motion in the trial court for further proceedings under Sections 99-39-13 through 99-39-23.

(8) No application or relief shall be granted without the Attorney General being given at least five (5) days to respond.

(9) The dismissal or denial of an application under this section is a final judgment and shall be a bar to a second or successive application under this article. Excepted from this prohibition is an application filed under Section 99-19-57(2), raising the issue of the offender's supervening mental illness before the execution of a sentence of death. A dismissal or denial of an application relating to mental illness under Section 99-19-57(2) shall be res judicata on the issue and shall likewise bar any second or successive applications on the issue. Likewise excepted from this prohibition are those cases in which the prisoner can demonstrate either that there has been an intervening decision of the Supreme Court of either the State of Mississippi or the United States that would have actually adversely affected the outcome of his conviction or sentence or that he has evidence, not reasonably discoverable at the time of trial, that is of such nature that it would be practically conclusive that, if it had

been introduced at trial, it would have caused a different result in the conviction or sentence. Likewise exempted are those cases in which the prisoner claims that his sentence has expired or his probation, parole or conditional release has been unlawfully revoked.

(10) Proceedings under this section shall be subject to the provisions of Section 99-19-42.

(11) Post-conviction proceedings in which the defendant is under sentence of death shall be governed by rules established by the Supreme Court as well as the provisions of this section.

All monies, coin and currency found in close proximity to forfeitable controlled substances, to forfeitable drug manufacturing or distributing paraphernalia, or to forfeitable records of the importation, manufacture or distribution of controlled substances are presumed to be forfeitable under this paragraph; the burden of proof is upon claimants of the property to rebut this presumption.

A. No property shall be forfeited under the provisions of subsection (a)(7) of this section, to the extent of the interest of an owner, by reason of any act or omission established by him to have been committed or omitted without his knowledge or consent.

B. Neither personal property encumbered by a bona fide security interest nor real estate encumbered by a bona fide mortgage, deed of trust, lien or encumbrance shall be forfeited under the provisions of subsection (a)(7) of this section, to the extent of the interest of the secured party or the interest of the mortgagee, holder of a deed of trust, lien or encumbrance by reason of any act or omission established by him to have been committed or omitted without his knowledge or consent.

(b) Property subject to forfeiture may be seized by the bureau, local law enforcement officers, enforcement officers of the Mississippi Department of Transportation, highway patrolmen, the board, the State Board of Pharmacy, or law enforcement officers of the Mississippi Department of Revenue or Mississippi Department of Health acting with their duties in accordance with the Mississippi Medical Cannabis Act, upon process issued by any appropriate court having jurisdiction over the property. (2) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this article;

(3) The bureau, the board, local law enforcement officers, enforcement officers of the Mississippi Department of

(4) The bureau, local law enforcement officers, enforcement officers of the Mississippi Department of Transportation, highway patrolmen, the board, the State Board of Pharmacy, or law enforcement officers of the Mississippi Department of Revenue or Mississippi Department of Health acting with their duties in accordance with the Mississippi Medical Cannabis Act, have probable cause to believe that the property was used or is intended to be used in violation of this article; or

(5) The seizing law enforcement agency obtained a seizure warrant as described in subsection (f) of this section.

(c) Controlled substances listed in Schedule I of Section 41-29-113 that are possessed, transferred, sold, or offered for sale in violation of this article are contraband and shall be seized and summarily forfeited to the state. Controlled substances listed in the said Schedule I, which are seized or come into the possession of the state, the owners of which are unknown, are contraband and shall be summarily forfeited to the state.

(f) (1) When any property is seized under the Uniform Controlled Substances Law, except as otherwise provided in paragraph (3) of this subsection, by a law enforcement agency with the intent to be forfeited, the law enforcement agency that seized the property shall obtain a seizure warrant from the county or circuit court having jurisdiction of such property within seventy-two (72) hours of any seizure, excluding weekends and holidays. Any law enforcement agency that fails to obtain a seizure warrant within seventy-two (72) hours as required by this section shall notify the person from whom the property was seized

that it will not be forfeited and shall provide written instructions advising the person how to retrieve the seized property.

The law enforcement agency that is seeking a seizure warrant shall provide the following information to the judge:

B. The name of the person from whom the property was seized; and

C. A detailed description of the property which is seized, including the value of the property.

(1) A judge of any state court of record, or any justice court judge within his jurisdiction, and upon proper oath or affirmation showing probable cause, may issue warrants for the purpose of conducting administrative inspections authorized by this article or rules thereunder, and seizures of property appropriate to the inspections. For purposes of the issuance of administrative inspection warrants, probable cause exists upon showing a valid public interest in the effective enforcement of this article or rules thereunder, sufficient to justify administrative inspection of the area, premises, building or conveyance in the circumstances specified in the application for the warrant. All such warrants shall be served during normal business hours;

(2) A search warrant shall issue only upon an affidavit of a person having knowledge or information of the facts alleged, sworn to before the judge or justice court judge and establishing the grounds for issuing the warrant. If the judge or justice court judge is satisfied that grounds for the application exist or that there is probable cause to believe they exist, he shall issue a warrant identifying the area, premises, building or conveyance

If property is seized pursuant to a warrant, a copy shall be given to the person from whom or from whose premises the property is taken, together with a receipt for the property taken. The return of the warrant shall be made promptly, accompanied by a written inventory of any property taken. The inventory shall be made in the presence of the person executing the warrant and of the person from whose possession or premises the property was

taken, if present, or in the presence of at least one (1) credible person other than the person executing the warrant. A copy of the inventory shall be delivered to the person from whom or from whose premises the property was taken and to the applicant for the warrant;

(4) The judge or justice court judge who has issued a warrant shall attach thereto a copy of the return and all papers returnable in connection therewith and file them with the clerk of the appropriate state court for the judicial district in which the inspection was made.

(C) Inventory any stock of any controlled substance therein and obtain samples thereof.

(4) This section does not prevent the inspection without a warrant of books and records pursuant to an administrative subpoena, nor does it prevent entries and administrative inspections, including seizures of property, without a warrant:

(A) If the owner, operator or agent in charge of the controlled premises consents;

(B) In situations presenting imminent danger to health or safety;

(C) In situations involving inspection of conveyances if there is reasonable cause to believe that the mobility of the conveyance makes it impracticable to obtain a warrant;

(D) In any other exceptional or emergency circumstance where time or opportunity to apply for a warrant is lacking; or

(E) In all other situations in which a warrant is not constitutionally required.

(5) An inspection authorized by this section shall not extend to financial data, sales data, other than shipment data, or pricing data unless the owner, operator or agent in charge of the controlled premises consents in writing.

Any officer acting under such warrant shall, as soon as practical, after entering the premises, identify himself and give the reasons and authority for his entrance upon the premises.

Search warrants which include the instruction that the executing officer shall not be required to give notice of authority and purpose as authorized by this subsection shall be issued only by the county court or county judge in vacation, chancery court or by the chancellor in vacation, by the circuit court or circuit judge in vacation, or by a justice of the Mississippi Supreme Court.

Except as otherwise provided by law, criminal proceedings shall be brought by sworn complaint filed in the municipal court. The municipal judge is a conservator of the peace within his municipality. He may conduct preliminary hearings in all violations of the criminal laws of this state occurring within the municipality, and any person arrested for a violation of law within the municipality may be brought before him for initial appearance. Such programs shall provide for reasonable supervision of the offender and the work shall be commensurate with the fine and/or incarceration that would have ordinarily been imposed. policies and procedures filed with the clerk of the court for public record. This order of expunction does not apply to the confidential records of law enforcement agencies and has no effect on the driving record of a person maintained under Title 63, Mississippi Code of 1972, or any other provision of said Title 63.

(7) Notwithstanding the provisions of subsection (6) of this section, a person who was convicted in municipal court of a misdemeanor before reaching his twenty-third birthday, excluding
