HOUSE BILL NO. 1501

AN ACT TO AMEND SECTION 17-25-27, MISSISSIPPI CODE OF 1972,

TO REVISE THE DEFINITION OF AN ECONOMIC DEVELOPMENT PROJECT TO ALSO INCLUDE QUALIFIED PROJECTS, AS DEFINED IN THE MISSISSIPPI FLEXIBLE TAX INCENTIVE ACT; AND TO AUTHORIZE A BOARD OF 5 SUPERVISORS OF A COUNTY AND/OR THE GOVERNING AUTHORITY OF A 6 MUNICIPALITY TO ENTER INTO AN AGREEMENT WITH A QUALIFIED BUSINESS 7 ENTERPRISE TO, EITHER INDIVIDUALLY OR COOPERATIVELY, FUND OR 8 REIMBURSE THE QUALIFIED BUSINESS ENTERPRISE FOR CERTAIN QUALIFIED 9 PROJECT COSTS INCURRED IN CONNECTION WITH A OUALIFIED DEVELOPMENT 10 OR REDEVELOPMENT PROJECT SOLELY USING REVENUES DERIVED FROM THE 11 PROJECT; AND FOR RELATED PURPOSES. 12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI: 13 SECTION 1. Section 17-25-27, Mississippi Code of 1972, is amended as follows: 14 15 17-25-27. (1) (a) As used in this subsection (1), "economic development project" means (i) any project in which the 16 State of Mississippi has committed state or federal program funds 17

to incentivize a company to locate or expand a business in the

state and create or maintain jobs within the state, or (ii) a

qualified project as defined in Section 57-114-3 of the

Mississippi Flexible Tax Incentive Act.

22	(* * * $\underline{\mathbf{b}}$) The board of supervisors of a county or the
23	governing authorities of a municipality may enter into agreements
24	with an economic development project that are binding on future
25	boards of supervisors of the county or governing authorities of
26	the municipality:
27	(* * \star <u>i</u>) To provide water, sewer and other county
28	or municipal services; and/or
29	(* * \star <u>ii</u>) Providing that the board of supervisors
30	or governing authorities will agree in advance to approve any
31	request for exemption from ad valorem taxes in the manner provided
32	by law and that any such exemption shall be for a period of ten
33	(10) years.
34	$(***\underline{2})$ (a) * * * For the purposes of this subsection
35	(2), the following words shall have the meanings ascribed herein,
36	unless the context otherwise requires:
37	(i) "County" means any county of this state.
38	(ii) "Costs of a project" means all costs and
39	expenses of a project and/or facilities related to a project, such
40	as site preparation and improvements (including clearing, grubbing
41	and grading activities) and other start-up costs; acquisition,
42	construction, restoration, repair, renovation, improvement,
43	relocation, demolition or removal costs; and costs of fixtures,
44	equipment and other personal property; which, in all such cases,
45	are required for the purposes of a project or facilities related
46	to a project, whether publicly or privately owned, including

22

47	without limitation any costs associated with land and any rights
48	or undivided interest therein, options, easements, franchises,
49	fees, permits, approvals, licenses, and certificates; costs
50	associated with the closure, post-closure maintenance or
51	corrective action on environmental matters; professional services
52	costs such as costs of engineering, surveying, environmental,
53	geotechnical, architectural and legal services; and costs of plans
54	and specifications and all expenses necessary or incident to
55	determining the feasibility or practicability of a project or any
56	facilities related to a project. Any obligation or expense
57	incurred for any of the foregoing purposes shall be regarded as a
58	part of the costs of a project and may be paid or reimbursed as
59	such out of the proceeds of any revenues derived by any local
60	governmental unit from a project or any facilities related to a
61	project.
62	(iii) "Qualified business enterprise" means any
63	corporation, limited liability company, partnership, person or
64	sole proprietorship, business trust or other legal entity and
65	subunit or affiliate thereof, that enters into an agreement
66	pursuant to this subsection (2) with one or more local
67	governmental units pursuant to which the qualified business
68	enterprise agrees to undertake a project or any portion thereof
69	<pre>pursuant to this subsection (2).</pre>
70	(iv) "Facilities related to a project" means and
71	includes the acquisition, construction, restoration, repair,

72	renovation, improvement, relocation, demolition or removal of (1)
73	potable and nonpotable water supply systems that will serve the
74	project or any portion thereof; (2) sewage and waste disposal
75	systems that will serve the project or any portion thereof; (3)
76	storm water drainage and other drainage systems that will serve
77	the project or any portion thereof; (4) highways, streets and
78	other roadways that will provide any access to and from the
79	project or any portion thereof; (5) fire suppression and
80	prevention systems that will serve the project or any portion
81	thereof; and (6) utility distribution systems, including, but not
82	limited to, electricity, natural gas, telephone and other
83	information and telecommunications facilities, whether by wire,
84	fiber or wireless means, that will serve the project or any
85	portion thereof.
86	(v) "Local authority" means the board of
87	supervisors of a county or the governing authority of a
88	municipality.
89	(vi) "Local governmental unit" means any county or
90	municipality.
91	(vii) "Municipality" means any incorporated
92	municipality in the state.
93	(viii) "Project" means the development,
94	redevelopment, construction, reconstruction, rehabilitation,
95	restoration, and/or conservation of one or more buildings or other
96	real property improvements within a local governmental unit for

72

97	any commercial, industrial, entertainment or recreational
98	purposes, or otherwise for any public use, and which project is
99	determined by one or more local authorities, as applicable, to
100	promote economic development, assist in the creation of jobs
101	and/or promote the reconstruction, rehabilitation, restoration,
102	and/or conservation of one or more buildings or other real
103	property improvements within a local governmental unit.
104	(ix) "Project revenues" mean any and all taxes,
105	fees, rates, rentals, profits and receipts collected by, payable
106	to, or otherwise derived by, a local government unit, and all
107	other monies and income of whatsoever kind or character collected
108	by, payable to, or otherwise derived by, a local government unit
109	from a project or any facilities related to a project as provided
110	through this subsection (2).
111	(b) (i) A local governmental unit, or two (2) or more
112	local governmental units working cooperatively, may enter into an
113	agreement with a qualified business enterprise pursuant to which
114	(1) one or more local governmental units, as applicable, may use
115	project revenues to pay any costs of a project, and/or (2) (A) the
116	qualified business enterprise may agree to undertake or otherwise
117	fund all or any part of a project or any facilities related to a
118	project using private funds and (B) one or more local governmental
119	units, as applicable, may agree to reimburse the qualified
120	business enterprise for its costs of a project or facilities
121	related to a project actually incurred by the qualified business

122	enterprise solely using project revenues. Any payments or
123	reimbursements of costs of a project by any local government unit
124	may be conditioned upon such terms and conditions and containing
125	such safeguards, including without limitation project deadlines
126	and benchmarks, as the local authority of each local governmental
127	unit that is party to the agreement determines will best promote
128	and protect the public interest, convenience and necessity;
129	provided that, in no event shall more than Ten Million Dollars
130	(\$10,000,000) in costs of a project be cumulatively paid or
131	reimbursed by one or more local government units pursuant to the
132	agreement or otherwise pursuant to this subsection (2).
133	(ii) Any cooperative undertaking entered into
134	under this subsection (2) by two (2) or more governmental units
135	shall be evidenced by a written contractual agreement for such
136	cooperative action. The written agreement with a qualified
137	business enterprise authorized in subsection (2)(b)(i) above,
138	shall be sufficient if all participating local government units
139	are a party to such written agreement with qualified business
140	enterprise.
141	(iii) Appropriate action by order or resolution of
142	each participating local government unit shall be necessary before
143	any agreement authorized under this subsection (2) shall be in
144	force without the necessity of compliance with Section 17-13-1 et
145	seq.

146	(3) The agreements authorized under this section may be for
147	a period not to exceed twenty (20) years and shall be binding on
148	future boards of supervisors of a county and governing authorities
149	of a municipality.
150	(4) The powers and authority granted and set forth in this
151	section shall be additional and supplemental to any other powers
152	and authority granted by law and shall not amend, repeal or
153	supersede any other powers and authority granted by law.
154	SECTION 2. This act shall take effect and be in force from
155	and after its passage.
