104 to life and safety.

129 hours of the drill having taken place.

130 **SECTION 6.** (1) No student in Grades K-12 shall be required

144 student's school, which such notice, at a minimum, must clearly
145 state the student has permission to participate in the simulation.

146 **SECTION 7.** (1) Every school district and charter school
147 undertaking an active shooter drill, including practice active

148 shooter drills, shall provide students in Grades 6-12 at least one

167 (a) Post the list publicly on the department's website;
168 and

169 (b) Update the list every two (2) years.

170 (4) School districts and charter schools may use a training
171 that does not appear on the list if the training meets the
172 requirements set forth in this section.

173 **SECTION 8.** School districts and charter schools shall ensure
174 students have the opportunity to contribute to their school's
175 safety and violence-prevention planning. These opportunities
