## HOUSE BILL NO. 1808

1 AN ACT TO AUTHORIZE THE ISSUANCE OF STATE GENERAL OBLIGATION  
2 BONDS TO PROVIDE FUNDS TO ASSIST THE CITY OF OXFORD, MISSISSIPPI,  
3 IN PAYING COSTS ASSOCIATED WITH CONSTRUCTION AND DEVELOPMENT OF A  
4 ROUND ABOUT AT AND NEAR THE INTERSECTION OF COLLEGE HILL ROAD AND  
5 MCELROY DRIVE AND A ROUND ABOUT AT AND NEAR THE INTERSECTION OF  
6 COLLEGE HILL ROAD AND OLD SARDIS ROAD, AND CONSTRUCTION AND  
7 EXTENSION OF A TURN LANE AND BICYCLE LANES AT AND NEAR THE  
8 INTERSECTION OF COLLEGE HILL ROAD AND JACKSON AVENUE; AND FOR  
9 RELATED PURPOSES.

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

11 **SECTION 1.** (1) As used in this act, the following words  
12 shall have the meanings ascribed herein unless the context clearly  
13 requires otherwise:

14 (a) "State" means the State of Mississippi.

15 (b) "Commission" means the State Bond Commission.

16 (2) The principal of and interest on the bonds authorized  
17 under this act shall be payable in the manner provided in this  
18 subsection. Such bonds shall bear such date or dates, be in such  
19 denomination or denominations, bear interest at such rate or rates  
20 (not to exceed the limits set forth in Section 75-17-101,  
21 Mississippi Code of 1972), be payable at such place or places

22 within or without the State of Mississippi, shall mature  
23 absolutely at such time or times not to exceed twenty-five (25)  
24 years from date of issue, be redeemable before maturity at such  
25 time or times and upon such terms, with or without premium, shall  
26 bear such registration privileges, and shall be substantially in  
27 such form, all as shall be determined by resolution of the  
28 commission.

29 (3) The bonds authorized by this act shall be signed by the  
30 chairman of the commission, or by his facsimile signature, and the  
31 official seal of the commission shall be affixed thereto, attested  
32 by the secretary of the commission. The interest coupons, if any,  
33 to be attached to such bonds may be executed by the facsimile  
34 signatures of such officers. Whenever any such bonds shall have  
35 been signed by the officials designated to sign the bonds who were  
36 in office at the time of such signing but who may have ceased to  
37 be such officers before the sale and delivery of such bonds, or  
38 who may not have been in office on the date such bonds may bear,  
39 the signatures of such officers upon such bonds and coupons shall  
40 nevertheless be valid and sufficient for all purposes and have the  
41 same effect as if the person so officially signing such bonds had  
42 remained in office until their delivery to the purchaser, or had  
43 been in office on the date such bonds may bear. However,  
44 notwithstanding anything herein to the contrary, such bonds may be  
45 issued as provided in the Registered Bond Act of the State of  
46 Mississippi.

47           (4) All bonds and interest coupons issued under the  
48 provisions of this act have all the qualities and incidents of  
49 negotiable instruments under the provisions of the Uniform  
50 Commercial Code, and in exercising the powers granted by this act,  
51 the commission shall not be required to and need not comply with  
52 the provisions of the Uniform Commercial Code.

53           (5) The commission shall act as issuing agent for the bonds  
54 authorized under this act, prescribe the form of the bonds,  
55 determine the appropriate method for sale of the bonds, advertise  
56 for and accept bids or negotiate the sale of the bonds, issue and  
57 sell the bonds so authorized to be sold, pay all fees and costs  
58 incurred in such issuance and sale, and do any and all other  
59 things necessary and advisable in connection with the issuance and  
60 sale of such bonds. The commission is authorized and empowered to  
61 pay the costs that are incident to the sale, issuance and delivery  
62 of the bonds authorized under this act from the proceeds derived  
63 from the sale of such bonds. The commission may sell such bonds  
64 on sealed bids at public sale or may negotiate the sale of the  
65 bonds for such price as it may determine to be for the best  
66 interest of the State of Mississippi. All interest accruing on  
67 such bonds so issued shall be payable semiannually or annually.

68           If such bonds are sold by sealed bids at public sale, notice  
69 of the sale shall be published at least one time, not less than  
70 ten (10) days before the date of sale, and shall be so published  
71 in one or more newspapers published or having a general

72 circulation in the City of Jackson, Mississippi, selected by the  
73 commission.

74 The commission, when issuing any bonds under the authority of  
75 this act, may provide that bonds, at the option of the State of  
76 Mississippi, may be called in for payment and redemption at the  
77 call price named therein and accrued interest on such date or  
78 dates named therein.

79 (6) The bonds issued under the provisions of this act are  
80 general obligations of the State of Mississippi, and for the  
81 payment thereof the full faith and credit of the State of  
82 Mississippi is irrevocably pledged. If the funds appropriated by  
83 the Legislature are insufficient to pay the principal of and the  
84 interest on such bonds as they become due, then the deficiency  
85 shall be paid by the State Treasurer from any funds in the State  
86 Treasury not otherwise appropriated. All such bonds shall contain  
87 recitals on their faces substantially covering the provisions of  
88 this subsection.

89 (7) Upon the issuance and sale of bonds under the provisions  
90 of this act, the commission shall transfer the proceeds of any  
91 such sale or sales to the special fund created in Section 2(1) of  
92 this act. The proceeds of such bonds shall be disbursed from the  
93 special fund under such restrictions, if any, as may be contained  
94 in the resolution providing for the issuance of the bonds.

95 (8) The bonds authorized under this act may be issued  
96 without any other proceedings or the happening of any other

97 conditions or things other than those proceedings, conditions and  
98 things which are specified or required by this act. Any  
99 resolution providing for the issuance of bonds under the  
100 provisions of this act shall become effective immediately upon its  
101 adoption by the commission, and any such resolution may be adopted  
102 at any regular or special meeting of the commission by a majority  
103 of its members.

104 (9) The bonds authorized under the authority of this act may  
105 be validated in the Chancery Court of the First Judicial District  
106 of Hinds County, Mississippi, in the manner and with the force and  
107 effect provided by Chapter 13, Title 31, Mississippi Code of 1972,  
108 for the validation of county, municipal, school district and other  
109 bonds. The notice to taxpayers required by such statutes shall be  
110 published in a newspaper published or having a general circulation  
111 in the City of Jackson, Mississippi.

112 (10) Any holder of bonds issued under the provisions of this  
113 act or of any of the interest coupons pertaining thereto may,  
114 either at law or in equity, by suit, action, mandamus or other  
115 proceeding, protect and enforce any and all rights granted under  
116 this act, or under such resolution, and may enforce and compel  
117 performance of all duties required by this act to be performed, in  
118 order to provide for the payment of bonds and interest thereon.

119 (11) All bonds issued under the provisions of this act shall  
120 be legal investments for trustees and other fiduciaries, and for  
121 savings banks, trust companies and insurance companies organized

under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(12) Bonds issued under the provisions of this act and income therefrom shall be exempt from all taxation in the State of Mississippi.

(13) The proceeds of the bonds issued under this act shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(14) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this act; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof. As used in this section, the "accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of

computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(15) This act shall be deemed to be full and complete authority for the exercise of the powers granted in this act that relate to the issuance of bonds, but this act shall not be deemed to repeal or to be in derogation of any existing law of this state that relates to the issuance of bonds.

**SECTION 2.** (1) (a) (i) A special fund, to be designated as the "2025 City of Oxford College Hill Road Transportation Improvement Project Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of Oxford, Mississippi, in paying costs associated with the following:

1. Construction and development of a round about at and near the intersection of College Hill Road and McElroy Drive in the City of Oxford;

2. Construction and development of a round  
about at and near the intersection of College Hill Road and Old  
Sardis Road in the City of Oxford; and

3. Construction and extension of a turn lane  
and bicycle lanes at and near the intersection of College Hill  
Road and Jackson Avenue in the City of Oxford.

(b) Amounts deposited into such special fund shall be  
disbursed to pay the costs of the projects described in paragraph  
(a) of this subsection. Promptly after the commission has  
certified, by resolution duly adopted, that the projects described  
in paragraph (a) of this subsection shall have been completed,  
abandoned, or cannot be completed in a timely fashion, any amounts  
remaining in such special fund shall be applied to pay debt  
service on the bonds issued under this section, in accordance with  
the proceedings authorizing the issuance of such bonds and as  
directed by the commission.

(2) (a) The commission, at one time, or from time to time,  
may declare by resolution the necessity for issuance of general  
obligation bonds of the State of Mississippi to provide funds for  
all costs incurred or to be incurred for the purposes described in  
subsection (1) of this section. Upon the adoption of a resolution  
by the Department of Finance and Administration, declaring the  
necessity for the issuance of any part or all of the general  
obligation bonds authorized by this section, the department shall  
deliver a certified copy of its resolution or resolutions to the

commission. Upon receipt of such resolution, the commission is authorized to proceed under the provisions of Section 1(5) of this act. The total amount of bonds issued under this section shall not exceed Four Million Dollars (\$4,000,000.00). No bonds shall be issued under this section after July 1, 2029.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (1) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(3) The provisions of Section 1 of this act shall apply to the issuance of bonds authorized under this section.

**SECTION 3.** This act shall take effect and be in force from and after July 1, 2025.
