(d) (i) In consideration for financing agreement payment, the approved company may be permitted a tax credit on the amount provided for in Section 27-7-22.3(2), Mississippi Code of

The approved company shall not be required to pay estimated tax payments under Section 27-7-319, Mississippi Code of 1972.

(e) The financing agreement shall provide that:

(i) It may be assigned by the approved company only upon the prior written consent of the corporation following the adoption of a resolution by the corporation to such effect; and

693 books and records available to the corporation at such reasonable
694 times as the corporation shall request and shall file with the
695 corporation documentation respecting the assessment as the
696 corporation may require.

697 (5) Any assessment of the wages of employees of an approved
698 company in connection with their employment at an economic
699 development project under subsection (1) of this section shall
700 lapse on the date the bonds are retired.

701 (6) If an eligible company closes a facility in this state
702 and becomes an approved company under the provisions of Sections
703 57-10-401 through 57-10-449, only those jobs created in excess of
704 those that existed at the closed facility at the time of the
705 closure shall be eligible for the imposition of the job

SECTION 9. Section 57-10-415, Mississippi Code of 1972, is brought forward as follows:

57-10-415. Every issue of bonds under Sections 57-10-401 through 57-10-445 shall be payable solely out of any revenues of the corporation as provided in Sections 57-10-401 through 57-10-445. The bonds additionally may be secured by a pledge of any grant, contribution or guarantee from the federal government or any person or a pledge by the corporation of any revenues from any source.

SECTION 10. Section 57-10-417, Mississippi Code of 1972, is brought forward as follows:

57-10-417. The bonds issued by the corporation under Sections 57-10-401 through 57-10-445 shall be limited obligations of the corporation and shall not constitute a debt, liability or general obligation of the state or any political subdivision thereof (other than the corporation), or a pledge of the faith and credit of the state or any political subdivision thereof (other than the corporation), but shall be payable solely as provided by the corporation under Sections 57-10-401 through 57-10-445. No member or officer of the board of directors of the corporation nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. Each bond issued under Sections 57-10-401 through 57-10-445 shall contain on the face

thereof a statement that neither the state, nor any other political subdivision thereof, shall be obligated to pay the same or the interest thereon or other costs incident thereto except from the revenue or money pledged by the corporation and that neither the faith and credit nor the taxing power of the state or any political subdivision thereof is pledged to the payment of the principal of, or the interest on, such bond.

SECTION 11. Section 57-10-419, Mississippi Code of 1972, is brought forward as follows:

57-10-419. (1) The corporation may issue in its own name, from time to time, for the purpose of financing the approved costs of an economic development project, its bonds and may pledge for the payment thereof funds derived in respect of any financing agreement or other arrangement entered into by the corporation and an approved company under Sections 57-10-401 through 57-10-445.

(2) In anticipation of the issuance of bonds, the corporation may provide for the issuance, at one time or from time to time, of bond anticipation notes. The principal of and the interest on the notes shall be payable solely from the funds herein provided for the payment. Any notes may be made payable from the proceeds of bonds or renewal notes; or, if bond or renewal note proceeds are not available, the notes may be paid from any available revenues or assets of the corporation.

(3) The bonds issued under Sections 57-10-401 through 57-10-445 shall be authorized by a resolution of the corporation,

shall bear such date or dates, and shall mature at such time or times as such resolution may provide, except that no bond shall mature more than twenty-five (25) years from the date of issue. Bonds which are not subject to taxation shall bear interest at such rate or rates, be in such denominations, be in such form, carry such registration privileges, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption, including redemption before maturity, as such resolution may provide. Except as expressly provided otherwise in Sections 57-10-401 through 57-10-445, the provisions of other laws of the state relating to the issuance of revenue bonds shall not apply to bonds issued by the corporation. As to bonds issued hereunder and designated as taxable bonds by the corporation, any immunity to taxation by the United States government of interest on such bonds or notes is hereby waived. Bonds of the corporation may be sold by the corporation at public or private sale, from time to time, and at such price or prices as the corporation shall determine.

(4) The proceeds of any bonds shall be used solely for the purposes for which issued and shall be disbursed in the manner and under the restrictions, if any, that the corporation may provide in the resolution authorizing the issuance of the bonds or in a trust indenture securing the same.

(5) The principal and interest on the bonds issued by the corporation shall be payable solely and only from proceeds derived

under a financing agreement and shall be secured solely by the economic development project, the proceeds of the financing agreement, and such other assets as may be available, but not including revenues of the state.

(6) Before the preparation of definitive certificates evidencing the bonds, the corporation may issue, under like restrictions, interim receipts or temporary certificates, with or without coupons, exchangeable for definitive certificates when the certificates have been executed and are available for delivery. The corporation may also provide for the replacement of any certificates which become mutilated or are destroyed or lost.

SECTION 12. Section 57-10-421, Mississippi Code of 1972, is brought forward as follows:

57-10-421. In addition to the requirements provided for in Section 57-10-419, any resolution authorizing the issuance of bonds under Sections 57-10-401 through 57-10-445 may contain provisions as to:

(a) The setting aside of reserves or sinking funds and the regulations and disposition thereof;

(b) Limitations on the issuance of additional bonds, the terms upon which additional bonds may be issued and secured, and the refunding of outstanding or other bonds;

(c) The procedure, if any, by which the terms of any of the proceedings under which the bonds are being issued may be amended or abrogated, the number or percentage of bondholders who

or which must consent thereto, and the manner in which the consent may be given;

(d) The vesting in a trustee or trustees of such property, rights, powers and duties in trust as the company may determine, and limiting or abrogating the right of bondholders to appoint a trustee or limiting the rights, powers and duties of the trustee;

(f) Any other matter, of like or different character, which in any way affects the security or protection of the holders of the bonds.

SECTION 13. Section 57-10-423, Mississippi Code of 1972, is brought forward as follows:

57-10-423. Any pledge made by the corporation shall be valid and binding from the time when the pledge was made. The revenues or properties so pledged and thereafter received by the corporation shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against

all parties having claims of any kind in tort, contract or otherwise against the corporation, irrespective of whether the parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be recorded.

SECTION 14. Section 57-10-425, Mississippi Code of 1972, is brought forward as follows:

57-10-425. The corporation, subject to the provisions in proceedings relating to outstanding bonds as may then exist, may purchase bonds out of any funds available therefor, which shall thereupon be canceled, at any reasonable price which, if the bonds are then redeemable, shall not exceed the redemption price (and premium, if any) then applicable plus accrued interest to the redemption date thereof.

57-10-427. The bonds may be secured by an indenture by and between the corporation and a corporate trustee which may be any bank or other corporation having the power of a trust company or any trust company within or without this state. Such indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the corporation in relation to the exercise of its powers and the custody, safekeeping and application of all money. The corporation may provide by the indenture for the

858 payment of the proceeds of the bonds and revenues to the trustee
859 under the indenture or other depository, and for the method of
860 disbursement thereof, with such safeguards and restrictions as the
861 corporation may determine. If the bonds shall be secured by an
862 indenture, the bondholders shall have no authority to appoint a
863 separate trustee to represent them.

864 **SECTION 16.** Section 57-10-429, Mississippi Code of 1972, is
865 brought forward as follows:

866 57-10-429. In the event that any of the members or officers
867 of the board of directors of the corporation shall cease to be
868 members or officers of the board prior to the delivery of any
869 bonds signed by them, their signatures or facsimiles thereof shall
870 nevertheless be valid and sufficient for all purposes, the same as
871 if such members or officers had remained in office until such
872 delivery.

873 **SECTION 17.** Section 57-10-431, Mississippi Code of 1972, is
874 brought forward as follows:

875 57-10-431. The corporation may create and establish such
876 funds and accounts as may be necessary or desirable for its
877 purposes under Sections 57-10-401 through 57-10-445.

878 **SECTION 18.** Section 57-10-433, Mississippi Code of 1972, is
879 brought forward as follows:

880 57-10-433. The corporation shall have the power to contract
881 with the holders of any of its bonds issued under Sections
882 57-10-401 through 57-10-445 as to the custody, collection,

883 securing, investment and payment of any money of the corporation,
884 and of any money held in trust or otherwise for the payment of
885 bonds, and to carry out such contract. Money held in trust or
886 otherwise for the payment of bonds or in any way to secure bonds
887 and deposits of money may be secured in the same manner as money
888 of the corporation, and all banks and trust companies are
889 authorized to give security for the deposits.

890 **SECTION 19.** Section 57-10-435, Mississippi Code of 1972, is
891 brought forward as follows:

892 57-10-435. Amendments to Sections 57-10-401 through
893 57-10-445, enacted after July 1, 1993, shall not limit the rights
894 vested in the corporation with respect to any agreements made
895 with, or remedies available to, the holders of bonds issued under
896 this article or Section 27-7-22.3 prior to the enactment of the
897 amendments until the bonds, together with all interest thereon,
898 and all costs and expenses in connection with any proceeding by or
899 on behalf of the holders, are fully met and discharged.

900 **SECTION 20.** Section 57-10-437, Mississippi Code of 1972, is
901 brought forward as follows:

902 57-10-437. All expenses incurred by the corporation in
903 carrying out the provisions of Sections 57-10-401 through
904 57-10-445 shall be payable solely from funds provided under
905 Sections 57-10-401 through 57-10-445, or other funds of the
906 corporation. Nothing in Sections 57-10-401 through 57-10-445
907 shall be construed to authorize the corporation to incur

indebtedness or liability on behalf of or payable by the state or any other political subdivision thereof.

SECTION 21. Section 57-10-439, Mississippi Code of 1972, is brought forward as follows:

57-10-439. (1) The corporation is hereby declared to be performing a public function and to be a public body corporate and a political subdivision of the state. Accordingly, the income, including any profit made on the sale thereof from all bonds issued by the corporation, shall at all times be exempt from all taxation by the state or any political subdivision thereof. If, after all indebtedness and other obligations of the corporation are discharged, the corporation is dissolved, its remaining assets shall inure to the benefit of the state.

(2) With the approval of the appropriate local taxing authority, all mortgages or deeds of trust executed as security therefor, all lease or purchase agreements made pursuant to the provisions hereof, and all purchases required to establish the industrial enterprise and financed by proceeds from bonds issued under Sections 57-10-401 through 57-10-445, shall likewise be exempt from all taxation in the State of Mississippi except the contractors' tax imposed by Section 27-65-21 and the tax levied by Section 27-65-24(1)(b), and except ad valorem taxes levied for school district purposes. All projects and the revenue derived therefrom from any lease thereof shall be exempt from all taxation in the State of Mississippi, except the tax levied by Sections

27-65-21 and 27-65-24(1)(b), except the tax levied under Chapter 7, Title 27, Mississippi Code of 1972, and except ad valorem taxes levied for school district purposes.

SECTION 22. Section 57-10-441, Mississippi Code of 1972, is brought forward as follows:

57-10-441. The bonds issued by and under the authority of Sections 57-10-401 through 57-10-445 by the corporation are declared to be legal investments in which all public officers or public bodies of the state, its political subdivisions, all municipalities and municipal subdivisions, all insurance companies and associations, and other persons carrying on insurance business, all banks, bankers, banking associations, trust companies, savings associations, including savings and loan associations, building and loan associations, investment companies, and other persons carrying on a banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons who are now or may later be authorized to invest in bonds or in other obligations of the state, may invest funds, including capital, in their control or belonging to them. Such bonds are also hereby made securities which may be deposited with and received by all public officers and bodies of the state or any agency or political subdivision of the state and all municipalities and public corporations for any purpose for which the deposit of bonds or other obligations of the state is now or may be later authorized by law.

958 **SECTION 23.** Section 57-10-443, Mississippi Code of 1972, is
959 brought forward as follows:

960 57-10-443. The corporation, within one hundred twenty (120)

962 report of its activities in regard to Sections 57-10-401 through
963 57-10-445 for the preceding year to the Governor. The Clerk of
964 the House of Representatives and the Secretary of the Senate each
965 shall receive a copy of the report by making a request for it to
966 the corporation. Each report shall set forth a complete operating
967 and financial statement in regard to Sections 57-10-401 through
968 57-10-445 for the corporation during the fiscal year it covers.

969 **SECTION 24.** Section 57-10-445, Mississippi Code of 1972, is
970 brought forward as follows:

971 57-10-445. Nothing contained in Sections 57-10-401 through
972 57-10-445 is to be construed as a restriction or limitation upon
973 any powers which the corporation might otherwise have under any
974 other law of the state. Insofar as the provisions of Sections
975 57-10-401 through 57-10-445 are inconsistent with the provisions
976 of any other law, the provisions of Sections 57-10-401 through
977 57-10-445 shall be controlling, and the powers conferred by
978 Sections 57-10-401 through 57-10-445 shall be regarded as
979 supplemental and additional to powers conferred by any other laws.
980 No proceedings, notice or approval shall be required for the
981 issuance of any bonds or any instrument or the security therefor,
982 except as provided in Sections 57-10-401 through 57-10-445.

983 The provisions of Sections 57-10-401 through 57-10-445 shall
984 be liberally construed to accomplish the purposes of Sections
985 57-10-401 through 57-10-445.

986 The powers granted and the duties imposed in Sections
987 57-10-401 through 57-10-445 shall be construed to be independent
988 and severable. If any one or more sections, subsections,
989 sentences or parts of any of Sections 57-10-401 through 57-10-445
990 shall be adjudged unconstitutional or invalid, such adjudication
991 shall not affect, impair or invalidate the remaining provisions
992 thereof, but shall be confined in its operation to the specific
993 provisions so held unconstitutional or invalid.

994 **SECTION 25.** Section 57-10-447, Mississippi Code of 1972, is
995 brought forward as follows:

996 57-10-447. No elected or appointed official shall derive any
997 pecuniary benefit, directly or indirectly, as a result of such
998 elected or appointed official's duties under Sections 57-10-401
999 through 57-10-445. Any member of the Legislature, any elected or
1000 appointed official, any member of the immediate family of a member
1001 of the Legislature, or any partner or associate of such a member
1002 of the Legislature or elected or appointed official, shall not
1003 derive any income from the issuance of any bonds under Sections
1004 57-10-401 through 57-10-445, contrary to the provisions of Section
1005 109, Mississippi Constitution of 1890, or Article 3, Chapter 4,
1006 Title 25, Mississippi Code of 1972. The provisions of this
1007 section shall not apply to any person performing clerical or

administrative functions, which are other than legal services provided by an attorney, that are associated with the issuance of any bonds under Sections 57-10-401 through 57-10-445, such as the printing of bonds or other materials. Any person convicted of a violation of this section shall be punished by imprisonment for not less than one (1) year and not more than five (5) years and a fine of not less than Two Thousand Five Hundred Dollars (\$2,500.00) and not more than Ten Thousand Dollars (\$10,000.00).

SECTION 26. Section 27-7-22.3, Mississippi Code of 1972, is brought forward as follows:

[In cases involving an economic development project for which the Mississippi Business Finance Corporation has issued bonds for the purpose of financing the approved costs of such project prior to July 1, 1994, this section shall read as follows:]

27-7-22.3. (1) For taxpayers who are required to pay a job assessment fee as provided in Section 57-10-413, there shall be allowed as a credit against the taxes imposed by this chapter, an amount equal to the amount of the job assessment fee imposed upon such taxpayer pursuant to Section 57-10-413. If the amount allowable as a credit exceeds the tax imposed by this article and Section 27-7-22.3, the amount of such excess shall not be refundable or carried forward to any other taxable year.

(2) For any approved company as defined in Section 57-10-401, there shall be allowed against the taxes imposed by this chapter on the income of the approved company generated by or

The tax credit allowed in this subsection shall not exceed the amount of taxes due the State of Mississippi.

[In cases involving an economic development project for which the Mississippi Business Finance Corporation has not issued bonds for the purpose of financing the approved costs of such project prior to July 1, 1994, but has issued bonds for such project prior to July 1, 1997, or in cases involving an economic development project which has been induced by a resolution of the Board of Directors of the Mississippi Business Finance Corporation that has been filed with the State Tax Commission prior to July 1, 1997, this section shall read as follows:]

27-7-22.3. (1) For taxpayers who are required to pay a job assessment fee as provided in Section 57-10-413, there shall be allowed as a credit against the taxes imposed by this chapter, an amount equal to the amount of the job assessment fee imposed upon such taxpayer pursuant to Section 57-10-413. If the amount allowable as a credit exceeds the tax imposed by this article and Section 27-7-22.3, the amount of such excess shall not be refundable or carried forward to any other taxable year.

(2) For any approved company as defined in Section 57-10-401, there shall be allowed against the taxes imposed by this chapter on the income of the approved company generated by or
