The Licensee must comply with the requirements of Section 4(A) to maintain the Compact Privilege in the Remote State(s).

C. A Licensee exercising a Compact Privilege shall adhere to the laws and regulations of the Remote State. Licensees shall be responsible for educating themselves on, and complying with, any and all State laws relating to the Practice of Dietetics in such Remote State.

**Section 5: OBTAINING A NEW HOME STATE LICENSE
BASED ON A COMPACT PRIVILEGE**

A. A Licensee may hold a Home State License, which allows for a Compact Privilege in other Member States, in only one Member State at a time.

B. If a Licensee changes Home State by moving between two Member States:

1. The Licensee shall file an application for obtaining a new Home State License based on a Compact Privilege, pay all applicable fees, and notify the current and new Home State in accordance with the Rules of the Compact Commission.

3. The former Home State shall convert the former Home State License into a Compact Privilege once the new Home State has activated the new Home State License in accordance with applicable Rules adopted by the Compact Commission.

4. Notwithstanding any other provision of this Compact, if the Licensee cannot meet the criteria in Section 4, the new Home State may apply its requirements for issuing a new Single State License.

5. The Licensee shall pay all applicable fees to the new Home State in order to be issued a new Home State License.

C. If a Licensee changes their State of residence by moving from a Member State to a non-Member State, or from a non-Member State to a Member State, the State criteria shall apply for issuance of a Single State License in the new State.

D. Nothing in this Compact shall interfere with a Licensee's ability to hold a Single State License in multiple States; however, for the purposes of this Compact, a Licensee shall have only one Home State License.

E. Nothing in this Compact shall affect the requirements established by a Member State for the issuance of a Single State License.

313 **Section 6. ACTIVE MILITARY MEMBERS OR THEIR SPOUSES**

314 An Active Military Member, or their spouse, shall designate a
315 Home State where the individual has a current License in good
316 standing. The individual may retain the Home State designation
317 during the period the service member is on active duty.

318 **Section 7. ADVERSE ACTIONS**

319 A. In addition to the other powers conferred by State law, a
320 Remote State shall have the authority, in accordance with existing
321 State due process law, to:

322 1. Take Adverse Action against a Licensee's Compact
323 Privilege within that Member State; and

324 2. Issue subpoenas for both hearings and investigations
325 that require the attendance and testimony of witnesses as well as
326 the production of evidence. Subpoenas issued by a Licensing
327 Authority in a Member State for the attendance and testimony of
328 witnesses or the production of evidence from another Member State
329 shall be enforced in the latter State by any court of competent
330 jurisdiction, according to the practice and procedure applicable
331 to subpoenas issued in proceedings pending before that court. The
332 issuing authority shall pay any witness fees, travel expenses,
333 mileage, and other fees required by the service statutes of the
334 State in which the witnesses or evidence are located.

335 B. Only the Home State shall have the power to take Adverse
336 Action against a Licensee's Home State License.

337 C. For purposes of taking Adverse Action, the Home State
338 shall give the same priority and effect to reported conduct
339 received from a Member State as it would if the conduct had
340 occurred within the Home State. In so doing, the Home State shall
341 apply its own State laws to determine appropriate action.

342 D. The Home State shall complete any pending investigations
343 of a Licensee who changes Home States during the course of the
344 investigations. The Home State shall also have authority to take
345 appropriate action(s) and shall promptly report the conclusions of
346 the investigations to the administrator of the Data System. The
347 administrator of the Data System shall promptly notify the new
348 Home State of any Adverse Actions.

349 E. A Member State, if otherwise permitted by State law, may
350 recover from the affected Licensee the costs of investigations and
351 dispositions of cases resulting from any Adverse Action taken
352 against that Licensee.

353 F. A Member State may take Adverse Action based on the
354 factual findings of another Remote State, provided that the Member
355 State follows its own procedures for taking the Adverse Action.

356 G. Joint Investigations:

357 1. In addition to the authority granted to a Member
358 State by its respective State law, any Member State may
359 participate with other Member States in joint investigations of
360 Licensees.

2. Member States shall share any investigative, litigation, or compliance materials in furtherance of any joint investigation initiated under the Compact.

H. If Adverse Action is taken by the Home State against a Licensee's Home State License resulting in an Encumbrance on the Home State License, the Licensee's Compact Privilege(s) in all other Member States shall be revoked until all Encumbrances have been removed from the Home State License. All Home State disciplinary orders that impose Adverse Action against a Licensee shall include a statement that the Licensee's Compact Privileges are revoked in all Member States during the pendency of the order.

I. Once an Encumbered License in the Home State is restored to an Unencumbered License (as certified by the Home State's Licensing Authority), the Licensee must meet the requirements of Section 4(A) and follow the administrative requirements to reapply to obtain a Compact Privilege in any Remote State.

J. If a Member State takes Adverse Action, it shall promptly notify the administrator of the Data System. The administrator of the Data System shall promptly notify the other Member States State of any Adverse Actions.

K. Nothing in this Compact shall override a Member State's decision that participation in an Alternative Program may be used in lieu of Adverse Action.

Section 8. ESTABLISHMENT OF THE DIETITIAN LICENSURE COMPACT COMMISSION

597 organization, and ongoing activities.

598 2. The Compact Commission may accept any and all
599 appropriate revenue sources as provided in subsection (C)(13).

600 3. The Compact Commission may levy on and collect an
601 annual assessment from each Member State and impose fees on
602 Licensees of Member States to whom it grants a Compact Privilege
603 to cover the cost of the operations and activities of the Compact
604 Commission and its staff, which must, in a total amount, be
605 sufficient to cover its annual budget as approved each year for

which revenue is not provided by other sources. The aggregate annual assessment amount for Member States shall be allocated based upon a formula that the Compact Commission shall promulgate by Rule.

4. The Compact Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Compact Commission pledge the credit of any of the Member States, except by and with the authority of the Member State.

5. The Compact Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Compact Commission shall be subject to the financial review and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Compact Commission shall be subject to an annual financial review by a certified or licensed public accountant, and the report of the financial review shall be included in and become part of the annual report of the Compact Commission.

H. Qualified Immunity, Defense, and Indemnification

1. The members, officers, executive director, employees and representatives of the Compact Commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or

631 that the person against whom the claim is made had a reasonable
632 basis for believing occurred within the scope of Compact
633 Commission employment, duties, or responsibilities; provided that
634 nothing in this paragraph shall be construed to protect any such
635 person from suit or liability for any damage, loss, injury, or
636 liability caused by the intentional or willful or wanton
637 misconduct of that person. The procurement of insurance of any
638 type by the Compact Commission shall not in any way compromise or
639 limit the immunity granted hereunder.

640 2. The Compact Commission shall defend any member,
641 officer, executive director, employee, and representative of the
642 Compact Commission in any civil action seeking to impose liability
643 arising out of any actual or alleged act, error, or omission that
644 occurred within the scope of Compact Commission employment,
645 duties, or responsibilities, or as determined by the Compact
646 Commission that the person against whom the claim is made had a
647 reasonable basis for believing occurred within the scope of
648 Compact Commission employment, duties, or responsibilities;
649 provided that nothing herein shall be construed to prohibit that
650 person from retaining their own counsel at their own expense; and
651 provided further, that the actual or alleged act, error, or
652 omission did not result from that person's intentional or willful
653 or wanton misconduct.

654 3. The Compact Commission shall indemnify and hold
655 harmless any member, officer, executive director, employee, and

representative of the Compact Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of Compact Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Compact Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

4. Nothing herein shall be construed as a limitation on the liability of any Licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable State laws.

5. Nothing in this Compact shall be interpreted to waive or otherwise abrogate a Member State's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other State or federal antitrust or anticompetitive law or regulation.

6. Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the Member States or by the Compact Commission.

Section 9. DATA SYSTEM

A. The Compact Commission shall provide for the development, maintenance, operation, and utilization of a coordinated Data System.

681 B. The Compact Commission shall assign each applicant for a
682 Compact Privilege a unique identifier, as determined by the Rules.

683 C. Notwithstanding any other provision of State law to the
684 contrary, a Member State shall submit a uniform data set to the
685 Data System on all individuals to whom this Compact is applicable
686 as required by the Rules of the Compact Commission, including:

- 687 1. Identifying information;
- 688 2. Licensure data;
- 689 3. Adverse Actions against a License or Compact
690 Privilege and information related thereto;
- 691 4. Non-confidential information related to Alternative
692 Program participation, the beginning and ending dates of such
693 participation, and other information related to such participation
694 not made confidential under Member State law;
- 695 5. Any denial of application for licensure, and the
696 reason(s) for such denial;
- 697 6. The presence of Current Significant Investigative
698 Information; and
- 699 7. Other information that may facilitate the
700 administration of this Compact or the protection of the public, as
701 determined by the Rules of the Compact Commission.

702 D. The records and information provided to a Member State
703 pursuant to this Compact or through the Data System, when
704 certified by the Compact Commission or an agent thereof, shall
705 constitute the authenticated business records of the Compact

Commission, and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a Member State.

E. Current Significant Investigative Information pertaining to a Licensee in any Member State will only be available to other Member States.

F. It is the responsibility of the Member States to report any Adverse Action against a Licensee and to monitor the Data System to determine whether any Adverse Action has been taken against a Licensee. Adverse Action information pertaining to a Licensee in any Member State will be available to any other Member State.

G. Member States contributing information to the Data System may designate information that may not be shared with the public without the express permission of the contributing State.

H. Any information submitted to the Data System that is subsequently expunged pursuant to federal law or the laws of the Member State contributing the information shall be removed from the Data System.

Section 10. RULEMAKING

A. The Compact Commission shall promulgate reasonable Rules in order to effectively and efficiently implement and administer the purposes and provisions of the Compact. A Rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the Rule is invalid because the Compact

Commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the Compact, or the powers granted hereunder, or based upon another applicable standard of review.

B. The Rules of the Compact Commission shall have the force of law in each Member State, provided however that where the Rules conflict with the laws or regulations of a Member State that relate to the procedures, actions, and processes a Licensed Dietitian is permitted to undertake in that State and the circumstances under which they may do so, as held by a court of competent jurisdiction, the Rules of the Compact Commission shall be ineffective in that State to the extent of the conflict.

C. The Compact Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the Rules adopted thereunder. Rules shall become binding on the day following adoption or as of the date specified in the Rule or amendment, whichever is later.

D. If a majority of the legislatures of the Member States rejects a Rule or portion of a Rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four (4) years of the date of adoption of the Rule, then such Rule shall have no further force and effect in any Member State.

E. Rules shall be adopted at a regular or special meeting of the Compact Commission.

F. Prior to adoption of a proposed Rule, the Compact Commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.

G. Prior to adoption of a proposed Rule by the Compact Commission, and at least thirty (30) days in advance of the meeting at which the Compact Commission will hold a public hearing on the proposed Rule, the Compact Commission shall provide a Notice of Proposed rulemaking:

1. On the website of the Compact Commission or other publicly accessible platform;

2. To persons who have requested notice of the Compact Commission's notices of proposed rulemaking; and

3. In such other way(s) as the Compact Commission may by Rule specify.

H. The Notice of Proposed rulemaking shall include:

1. The time, date, and location of the public hearing at which the Compact Commission will hear public comments on the proposed Rule and, if different, the time, date, and location of the meeting where the Compact Commission will consider and vote on the proposed Rule;

2. If the hearing is held via telecommunication, video conference, or other means of communication, the Compact Commission shall include the mechanism for access to the hearing in the Notice of Proposed rulemaking;

780 3. The text of the proposed Rule and the reason
781 therefore;

782 4. A request for comments on the proposed Rule from any
783 interested person; and

784 5. The manner in which interested persons may submit
785 written comments.

786 I. All hearings will be recorded. A copy of the recording
787 and all written comments and documents received by the Compact
788 Commission in response to the proposed Rule shall be available to
789 the public.

790 J. Nothing in this Section shall be construed as requiring a
791 separate hearing on each Rule. Rules may be grouped for the
792 convenience of the Compact Commission at hearings required by this
793 Section.

794 K. The Compact Commission shall, by majority vote of all
795 members, take final action on the proposed Rule based on the
796 rulemaking record and the full text of the Rule.

797 1. The Compact Commission may adopt changes to the
798 proposed Rule provided the changes do not enlarge the original
799 purpose of the proposed Rule.

800 2. The Compact Commission shall provide an explanation
801 of the reasons for substantive changes made to the proposed Rule
802 as well as reasons for substantive changes not made that were
803 recommended by commenters.

804 3. The Compact Commission shall determine a reasonable
805 effective date for the Rule. Except for an emergency as provided
806 in Section 10(L), the effective date of the Rule shall be no
807 sooner than 30 days after issuing the notice that it adopted or
808 amended the Rule.

809 L. Upon determination that an emergency exists, the Compact
810 Commission may consider and adopt an emergency Rule with 24 hours'
811 notice, with opportunity to comment, provided that the usual
812 rulemaking procedures provided in the Compact and in this Section
813 shall be retroactively applied to the Rule as soon as reasonably
814 possible, in no event later than ninety (90) days after the
815 effective date of the Rule. For the purposes of this provision,
816 an emergency Rule is one that must be adopted immediately in order
817 to:

818 1. Meet an imminent threat to public health, safety, or
819 welfare;

820 2. Prevent a loss of Compact Commission or Member State
821 funds;

822 3. Meet a deadline for the promulgation of a Rule that
823 is established by federal law or rule; or

824 4. Protect public health and safety.

825 M. The Compact Commission or an authorized committee of the
826 Compact Commission may direct revision to a previously adopted
827 Rule for purposes of correcting typographical errors, errors in
828 format, errors in consistency, or grammatical errors. Public

notice of any revision shall be posted on the website of the Compact Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made in writing and delivered to the Compact Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Compact Commission.

N. No Member State's rulemaking requirements shall apply under this Compact.

Section 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive and judicial branches of State government in each Member State shall enforce this Compact and take all actions necessary and appropriate to implement this Compact.

2. Except as otherwise provided in this Compact, venue is proper and judicial proceedings by or against the Compact Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Compact Commission is located. The Compact Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

Nothing herein shall affect or limit the selection or propriety of venue in any action against a Licensee for professional malpractice, misconduct, or any such similar matter.

3. The Compact Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Compact Commission service of process shall render a judgment or order void as to the Compact Commission, this Compact, or promulgated Rules.

B. Default, Technical Assistance, and Termination

1. If the Compact Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Compact Commission shall provide written notice to the defaulting State. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the Compact Commission may take and shall offer training and specific technical assistance regarding the default.

2. The Compact Commission shall provide a copy of the notice of default to the other Member States.

C. If a State in default fails to cure the default, the defaulting State may be terminated from the Compact upon an affirmative vote of a majority of the delegates of the Member States, and all rights, privileges, and benefits conferred on that

879 State by this Compact may be terminated on the effective date of
880 termination. A cure of the default does not relieve the offending
881 State of obligations or liabilities incurred during the period of
882 default.

883 D. Termination of membership in the Compact shall be imposed
884 only after all other means of securing compliance have been
885 exhausted. Notice of intent to suspend or terminate shall be
886 given by the Compact Commission to the governor, the majority and
887 minority leaders of the defaulting State's legislature, the
888 defaulting State's Licensing Authority, and each of the Member
889 States' Licensing Authority.

890 E. A State that has been terminated is responsible for all
891 assessments, obligations, and liabilities incurred through the
892 effective date of termination, including obligations that extend
893 beyond the effective date of termination.

894 F. Upon the termination of a State's membership from this
895 Compact, that State shall immediately provide notice to all
896 Licensees within that State of such termination. The terminated
897 State shall continue to recognize all Compact Privileges granted
898 pursuant to this Compact for a minimum of six months after the
899 date of said notice of termination.

900 G. The Compact Commission shall not bear any costs related
901 to a State that is found to be in default or that has been
902 terminated from the Compact, unless agreed upon in writing between
903 the Compact Commission and the defaulting State.

H. The defaulting State may appeal the action of the Compact Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

I. Dispute Resolution

1. Upon request by a Member State, the Compact Commission shall attempt to resolve disputes related to the Compact that arise among Member States and between Member and non-Member States.

2. The Compact Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

J. Enforcement

1. By supermajority vote, the Compact Commission may initiate legal action against a Member State in default in the United States District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the Compact

Commission. The Compact Commission may pursue any other remedies available under federal or the defaulting Member State's law.

2. A Member State may initiate legal action against the Compact Commission in the U.S. District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. No party other than a Member State shall enforce this Compact against the Compact Commission.

Section 12. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the seventh Member State.

1. On or after the effective date of the Compact, the Compact Commission shall convene and review the enactment of each of the first seven Member States ("Charter Member States") to determine if the statute enacted by each such Charter Member State is materially different than the model Compact statute.

a. A Charter Member State whose enactment is found to be materially different from the model Compact statute shall be entitled to the default process set forth in Section 11.

b. If any Member State is later found to be in default, or is terminated, or withdraws from the Compact, the Compact Commission shall remain in existence and the Compact shall remain in effect even if the number of Member States should be less than seven.

2. Member States enacting the Compact subsequent to the seven initial Charter Member States shall be subject to the process set forth in Section 8(C)(21) to determine if their enactments are materially different from the model Compact statute and whether they qualify for participation in the Compact.

3. All actions taken for the benefit of the Compact Commission or in furtherance of the purposes of the administration of the Compact prior to the effective date of the Compact or the Compact Commission coming into existence shall be considered to be actions of the Compact Commission unless specifically repudiated by the Compact Commission.

4. Any State that joins the Compact subsequent to the Compact Commission's initial adoption of the Rules and bylaws shall be subject to the Rules and bylaws as they exist on the date on which the Compact becomes law in that State. Any Rule that has been previously adopted by the Compact Commission shall have the full force and effect of law on the day the Compact becomes law in that State.

B. Any Member State may withdraw from this Compact by enacting a statute repealing the same.

1. A Member State's withdrawal shall not take effect until 180 days after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing State's Licensing Authority to comply with the investigative and Adverse Action reporting requirements of this Compact prior to the effective date of withdrawal.

3. Upon the enactment of a statute withdrawing from this Compact, a State shall immediately provide notice of such withdrawal to all Licensees within that State. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing State shall continue to recognize all Compact Privileges granted pursuant to this Compact for a minimum of 180 days after the date of such notice of withdrawal.

C. Nothing contained in this Compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a Member State and a non-Member State that does not conflict with the provisions of this Compact.

D. This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.

Section 13. CONSTRUCTION AND SEVERABILITY

A. This Compact and the Compact Commission's rulemaking authority shall be liberally construed so as to effectuate the

1004 purposes and the implementation and administration of the Compact.
1005 Provisions of the Compact expressly authorizing or requiring the
1006 promulgation of Rules shall not be construed to limit the Compact
1007 Commission's rulemaking authority solely for those purposes.

1008 B. The provisions of this Compact shall be severable and if
1009 any phrase, clause, sentence, or provision of this Compact is held
1010 by a court of competent jurisdiction to be contrary to the
1011 constitution of any Member State, a State seeking participation in
1012 the Compact, or of the United States, or the applicability thereof
1013 to any government, agency, person, or circumstance is held to be
1014 unconstitutional by a court of competent jurisdiction, the
1015 validity of the remainder of this Compact and the applicability
1016 thereof to any other government, agency, person, or circumstance
1017 shall not be affected thereby.

1018 C. Notwithstanding Section 13(B), the Compact Commission may
1019 deny a State's participation in the Compact or, in accordance with
1020 the requirements of Section 11(B), terminate a Member State's
1021 participation in the Compact, if it determines that a
1022 constitutional requirement of a Member State is a material
1023 departure from the Compact. Otherwise, if this Compact shall be
1024 held to be contrary to the constitution of any Member State, the
1025 Compact shall remain in full force and effect as to the remaining
1026 Member States and in full force and effect as to the Member State
1027 affected as to all severable matters.

1028 **Section 14. CONSISTENT EFFECT AND CONFLICT WITH OTHER**

1029 **STATE LAWS**

1030 A. Nothing herein shall prevent or inhibit the enforcement
1031 of any other law of a Member State that is not inconsistent with
1032 the Compact.

1034 requirements in a Member State in conflict with the Compact are
1035 superseded to the extent of the conflict.

1036 C. All permissible agreements between the Compact Commission
1037 and the Member States are binding in accordance with their terms.
