SENATE BILL NO. 2688

1 AN ACT TO AMEND SECTION 43-17-5, MISSISSIPPI CODE OF 1972, TO  
2 INCREASE THE MAXIMUM TEMPORARY ASSISTANCE FOR NEEDY FAMILIES  
3 (TANF) MONTHLY BENEFIT AVAILABLE FOR THE FIRST FAMILY MEMBER IN  
4 THE DEPENDENT CHILD'S BUDGET; AND FOR RELATED PURPOSES.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

6 **SECTION 1.** Section 43-17-5, Mississippi Code of 1972, is  
7 amended as follows:

8 43-17-5. (1) The amount of Temporary Assistance for Needy  
9 Families (TANF) benefits which may be granted for any dependent  
10 child and a needy caretaker relative shall be determined by the  
11 county department with due regard to the resources and necessary  
12 expenditures of the family and the conditions existing in each  
13 case, and in accordance with the rules and regulations made by the  
14 Department of Human Services which shall not be less than the  
15 Standard of Need in effect for 1988, and shall be sufficient when  
16 added to all other income (except that any income specified in the  
17 federal Social Security Act, as amended, may be disregarded) and  
18 support available to the child to provide such child with a  
19 reasonable subsistence compatible with decency and health. The

first family member in the dependent child's budget may receive an amount not to exceed \* \* \* Two Hundred Sixty Dollars (\$260.00) per month; the second family member in the dependent child's budget may receive an amount not to exceed Thirty-six Dollars (\$36.00) per month; and each additional family member in the dependent child's budget an amount not to exceed Twenty-four Dollars (\$24.00) per month. The maximum for any individual family member in the dependent child's budget may be exceeded for foster or medical care or in cases of children with an intellectual disability or a physical disability. TANF benefits granted shall be specifically limited only (a) to children existing or conceived at the time the caretaker relative initially applies and qualifies for such assistance, unless this limitation is specifically waived by the department, or (b) to a child born following a twelve-consecutive-month period of discontinued benefits by the caretaker relative.

(2) TANF benefits in Mississippi shall be provided to the recipient family by an online electronic benefits transfer system.

(3) The Department of Human Services shall deny TANF benefits to the following categories of individuals, except for individuals and families specifically exempt or excluded for good cause as allowed by federal statute or regulation:

(a) Families without a minor child residing with the custodial parent or other adult caretaker relative of the child;

44           (b) Families which include an adult who has received  
45 TANF assistance for sixty (60) months after the commencement of  
46 the Mississippi TANF program, whether or not such period of time  
47 is consecutive;

48           (c) Families not assigning to the state any rights a  
49 family member may have, on behalf of the family member or of any  
50 other person for whom the family member has applied for or is  
51 receiving such assistance, to support from any other person, as  
52 required by law;

53           (d) Families who fail to cooperate in establishing  
54 paternity or obtaining child support, as required by law;

55           (e) Any individual who has not attained eighteen (18)  
56 years of age, is not married to the head of household, has a minor  
57 child at least twelve (12) weeks of age in his or her care, and  
58 has not successfully completed a high school education or its  
59 equivalent, if such individual does not participate in educational  
60 activities directed toward the attainment of a high school diploma  
61 or its equivalent, or an alternative educational or training  
62 program approved by the department;

63           (f) Any individual who has not attained eighteen (18)  
64 years of age, is not married, has a minor child in his or her  
65 care, and does not reside in a place or residence maintained by a  
66 parent, legal guardian or other adult relative or the individual  
67 as such parent's, guardian's or adult relative's own home;

68 (g) Any minor child who has been, or is expected by a  
69 parent or other caretaker relative of the child to be, absent from  
70 the home for a period of more than thirty (30) days;

71 (h) Any individual who is a parent or other caretaker  
72 relative of a minor child who fails to notify the department of  
73 the absence of the minor child from the home for the thirty-day  
74 period specified in paragraph (g), by the end of the five-day  
75 period that begins with the date that it becomes clear to the  
76 individual that the minor child will be absent for the thirty-day  
77 period;

78 (i) Any individual who fails to comply with the  
79 provisions of the Employability Development Plan signed by the  
80 individual which prescribe those activities designed to help the  
81 individual become and remain employed, or to participate  
82 satisfactorily in the assigned work activity, as authorized under  
83 subsection (6)(c) and (d), or who does not engage in applicant job  
84 search activities within the thirty-day period for TANF  
85 application approval after receiving the advice and consultation  
86 of eligibility workers and/or caseworkers of the department  
87 providing a detailed description of available job search venues in  
88 the individual's county of residence or the surrounding counties;

89 (j) A parent or caretaker relative who has not engaged  
90 in an allowable work activity once the department determines the

93 under the program for twenty-four (24) months, whether or not  
94 consecutive, whichever is earlier;

95 (k) Any individual who is fleeing to avoid prosecution,  
96 or custody or confinement after conviction, under the laws of the  
97 jurisdiction from which the individual flees, for a crime, or an  
98 attempt to commit a crime, which is a felony under the laws of the  
99 place from which the individual flees, or who is violating a  
100 condition of probation or parole imposed under federal or state  
101 law;

102 (l) Aliens who are not qualified under federal law;

103 (m) For a period of ten (10) years following  
104 conviction, individuals convicted in federal or state court of  
105 having made a fraudulent statement or representation with respect  
106 to the individual's place of residence in order to receive TANF,  
107 food stamps or Supplemental Security Income (SSI) assistance under  
108 Title XVI or Title XIX simultaneously from two (2) or more states;

109 (n) Individuals who are recipients of federal  
110 Supplemental Security Income (SSI) assistance; and

111 (o) Individuals who are eighteen (18) years of age or  
112 older who are not in compliance with the drug testing and  
113 substance use disorder treatment requirements of Section 43-17-6.

114 (4) (a) Any person who is otherwise eligible for TANF  
115 benefits, including custodial and noncustodial parents, shall be  
116 required to attend school and meet the monthly attendance

requirement as provided in this subsection if all of the following apply:

- (i) The person is under age twenty (20);
- (ii) The person has not graduated from a public or private high school or obtained a High School Equivalency Diploma equivalent;
- (iii) The person is physically able to attend school and is not excused from attending school; and
- (iv) If the person is a parent or caretaker relative with whom a dependent child is living, child care is available for the child.

The monthly attendance requirement under this subsection shall be attendance at the school in which the person is enrolled for each day during a month that the school conducts classes in which the person is enrolled, with not more than two (2) absences during the month for reasons other than the reasons listed in paragraph (e)(iv) of this subsection. Persons who fail to meet participation requirements in this subsection shall be subject to sanctions as provided in paragraph (f) of this subsection.

(b) As used in this subsection, "school" means any one (1) of the following:

- (i) A school as defined in Section 37-13-91(2);
- (ii) A vocational, technical and adult education program; or

(iii) A course of study meeting the standards established by the State Department of Education for the granting of a declaration of equivalency of high school graduation.

(c) If any compulsory-school-age child, as defined in Section 37-13-91(2), to which TANF eligibility requirements apply is not in compliance with the compulsory school attendance requirements of Section 37-13-91(6), the superintendent of schools of the school district in which the child is enrolled or eligible to attend shall notify the county department of human services of the child's noncompliance. The Department of Human Services shall review school attendance information as provided under this paragraph at all initial eligibility determinations and upon subsequent report of unsatisfactory attendance.

(d) The signature of a person on an application for TANF benefits constitutes permission for the release of school attendance records for that person or for any child residing with that person. The department shall request information from the child's school district about the child's attendance in the school district's most recently completed semester of attendance. If information about the child's previous school attendance is not available or cannot be verified, the department shall require the child to meet the monthly attendance requirement for one (1) semester or until the information is obtained. The department shall use the attendance information provided by a school district to verify attendance for a child. The department shall review

with the parent or caretaker relative a child's claim that he or she has a good cause for not attending school.

A school district shall provide information to the department about the attendance of a child who is enrolled in a public school in the district within five (5) working days of the receipt of a written request for that information from the department. The school district shall define how many hours of attendance count as a full day and shall provide that information, upon request, to the department. In reporting attendance, the school district may add partial days' absence together to constitute a full day's absence.

If a school district fails to provide to the department the information about the school attendance of any child within fifteen (15) working days after a written request, the department shall notify the Department of Audit within three (3) working days of the school district's failure to comply with that requirement. The Department of Audit shall begin audit proceedings within five (5) working days of notification by the Department of Human Services to determine the school district's compliance with the requirements of this subsection (4). If the Department of Audit finds that the school district is not in compliance with the requirements of this subsection, the school district shall be penalized as follows: The Department of Audit shall notify the State Department of Education of the school district's noncompliance, and the Department of Education shall reduce the

191 calculation of the school district's net enrollment that is used  
192 to determine the allocation of total funding formula funds by the  
193 number of children for which the district has failed to provide to  
194 the Department of Human Services the required information about  
195 the school attendance of those children. The reduction in the  
196 calculation of the school district's net enrollment under this  
197 paragraph shall be effective for a period of one (1) year.

198 (e) A child who is required to attend school to meet  
199 the requirements under this subsection shall comply except when  
200 there is good cause, which shall be demonstrated by any of the  
201 following circumstances:

202 (i) The minor parent is the caretaker of a child  
203 less than twelve (12) weeks old; or

204 (ii) The department determines that child care  
205 services are necessary for the minor parent to attend school and  
206 there is no child care available; or

207 (iii) The child is prohibited by the school  
208 district from attending school and an expulsion is pending. This  
209 exemption no longer applies once the teenager has been expelled;  
210 however, a teenager who has been expelled and is making  
211 satisfactory progress towards obtaining a High School Equivalency  
212 Diploma equivalent shall be eligible for TANF benefits; or

213 (iv) The child failed to attend school for one or  
214 more of the following reasons:

- 215                   1. Illness, injury or incapacity of the child  
216 or the minor parent's child;  
217                   2. Court-required appearances or temporary  
218 incarceration;  
219                   3. Medical or dental appointments for the  
220 child or minor parent's child;  
221                   4. Death of a close relative;  
222                   5. Observance of a religious holiday;  
223                   6. Family emergency;  
224                   7. Breakdown in transportation;  
225                   8. Suspension; or  
226                   9. Any other circumstance beyond the control  
227 of the child, as defined in regulations of the department.

228           (f) Upon determination that a child has failed without  
229 good cause to attend school as required, the department shall  
230 provide written notice to the parent or caretaker relative  
231 (whoever is the primary recipient of the TANF benefits) that  
232 specifies:

233                   (i) That the family will be sanctioned in the next  
234 possible payment month because the child who is required to attend  
235 school has failed to meet the attendance requirement of this  
236 subsection;

237                   (ii) The beginning date of the sanction, and the  
238 child to whom the sanction applies;

(iii) The right of the child's parents or caretaker relative (whoever is the primary recipient of the TANF benefits) to request a fair hearing under this subsection.

The child's parent or caretaker relative (whoever is the primary recipient of the TANF benefits) may request a fair hearing on the department's determination that the child has not been attending school. If the child's parents or caretaker relative does not request a fair hearing under this subsection, or if, after a fair hearing has been held, the hearing officer finds that the child without good cause has failed to meet the monthly attendance requirement, the department shall discontinue or deny TANF benefits to the child thirteen (13) years old, or older, in the next possible payment month. The department shall discontinue or deny twenty-five percent (25%) of the family grant when a child six (6) through twelve (12) years of age without good cause has failed to meet the monthly attendance requirement. Both the child and family sanction may apply when children in both age groups fail to meet the attendance requirement without good cause. A sanction applied under this subsection shall be effective for one (1) month for each month that the child failed to meet the monthly attendance requirement. In the case of a dropout, the sanction shall remain in force until the parent or caretaker relative provides written proof from the school district that the child has reenrolled and met the monthly attendance requirement for one (1) calendar month. Any month in which school is in session for at

least ten (10) days during the month may be used to meet the attendance requirement under this subsection. This includes attendance at summer school. The sanction shall be removed the next possible payment month.

(5) All parents or caretaker relatives shall have their dependent children receive vaccinations and booster vaccinations against those diseases specified by the State Health Officer under Section 41-23-37 in accordance with the vaccination and booster vaccination schedule prescribed by the State Health Officer for children of that age, in order for the parents or caretaker relatives to be eligible or remain eligible to receive TANF benefits. Proof of having received such vaccinations and booster vaccinations shall be given by presenting the certificates of vaccination issued by any health care provider licensed to administer vaccinations, and submitted on forms specified by the State Board of Health. If the parents without good cause do not have their dependent children receive the vaccinations and booster vaccinations as required by this subsection and they fail to comply after thirty (30) days' notice, the department shall sanction the family's TANF benefits by twenty-five percent (25%) for the next payment month and each subsequent payment month until the requirements of this subsection are met.

(6) (a) If the parent or caretaker relative applying for TANF assistance is work eligible, as determined by the Department of Human Services, the person shall be required to engage in an

allowable work activity once the department determines the parent or caretaker relative is determined work eligible, or once the parent or caretaker relative has received TANF assistance under the program for twenty-four (24) months, whether or not consecutive, whichever is earlier. No TANF benefits shall be given to any person to whom this section applies who fails without good cause to comply with the Employability Development Plan prepared by the department for the person, or who has refused to accept a referral or offer of employment, training or education in which he or she is able to engage, subject to the penalties prescribed in paragraph (e) of this subsection. A person shall be deemed to have refused to accept a referral or offer of employment, training or education if he or she:

(i) Willfully fails to report for an interview with respect to employment when requested to do so by the department; or

(ii) Willfully fails to report to the department the result of a referral to employment; or

(iii) Willfully fails to report for allowable work activities as prescribed in paragraphs (c) and (d) of this subsection.

(b) The Department of Human Services shall operate a statewide work program for TANF recipients to provide work activities and supportive services to enable families to become self-sufficient and improve their competitive position in the

workforce in accordance with the requirements of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193), as amended, and the regulations promulgated thereunder, and the Deficit Reduction Act of 2005 (Public Law 109-171), as amended. Within sixty (60) days after the initial application for TANF benefits, the TANF recipient must participate in a job search skills training workshop or a job readiness program, which shall include resume writing, job search skills, employability skills and, if available at no charge, the General Aptitude Test Battery or its equivalent. All adults who are not specifically exempt shall be referred by the department for allowable work activities. An adult may be exempt from the mandatory work activity requirement for the following reasons:

(i) Incapacity;

(ii) Temporary illness or injury, verified by physician's certificate;

(iii) Is in the third trimester of pregnancy, and there are complications verified by the certificate of a physician, nurse practitioner, physician assistant, or any other licensed health care professional practicing under a protocol with a licensed physician;

(iv) Caretaker of a child under twelve (12) months, for not more than twelve (12) months of the sixty-month maximum benefit period;

(v) Caretaker of an ill or incapacitated person,  
as verified by physician's certificate;

(vi) Age, if over sixty (60) or under eighteen  
(18) years of age;

(vii) Receiving treatment for substance abuse, if  
the person is in compliance with the substance abuse treatment  
plan;

(viii) In a two-parent family, the caretaker of a  
severely disabled child, as verified by a physician's certificate;  
or

(ix) History of having been a victim of domestic  
violence, which has been reported as required by state law and is  
substantiated by police reports or court records, and being at  
risk of further domestic violence, shall be exempt for a period as  
deemed necessary by the department but not to exceed a total of  
twelve (12) months, which need not be consecutive, in the  
sixty-month maximum benefit period. For the purposes of this  
subparagraph (ix), "domestic violence" means that an individual  
has been subjected to:

1. Physical acts that resulted in, or  
threatened to result in, physical injury to the individual;
2. Sexual abuse;
3. Sexual activity involving a dependent  
child;

362 4. Being forced as the caretaker relative of  
363 a dependent child to engage in nonconsensual sexual acts or  
364 activities;

365 5. Threats of, or attempts at, physical or  
366 sexual abuse;

367 6. Mental abuse; or

368 7. Neglect or deprivation of medical care.

369 (c) For all families, all adults who are not  
370 specifically exempt shall be required to participate in work  
371 activities for at least the minimum average number of hours per  
372 week specified by federal law or regulation, not fewer than twenty  
373 (20) hours per week (thirty-five (35) hours per week for  
374 two-parent families) of which are attributable to the following  
375 allowable work activities:

376 (i) Unsubsidized employment;

377 (ii) Subsidized private employment;

378 (iii) Subsidized public employment;

379 (iv) Work experience (including work associated  
380 with the refurbishing of publicly assisted housing), if sufficient  
381 private employment is not available;

382 (v) On-the-job training;

383 (vi) Job search and job readiness assistance  
384 consistent with federal TANF regulations;

385 (vii) Community service programs;

(viii) Vocational educational training (not to exceed twelve (12) months with respect to any individual);

(ix) The provision of child care services to an individual who is participating in a community service program;

(x) Satisfactory attendance at high school or in a course of study leading to a high school equivalency certificate, for heads of household under age twenty (20) who have not completed high school or received such certificate;

(xi) Education directly related to employment, for heads of household under age twenty (20) who have not completed high school or received such equivalency certificate.

(d) The following are allowable work activities which may be attributable to hours in excess of the minimum specified in paragraph (c) of this subsection:

(i) Job skills training directly related to employment;

(ii) Education directly related to employment for individuals who have not completed high school or received a high school equivalency certificate;

(iii) Satisfactory attendance at high school or in a course of study leading to a high school equivalency, for individuals who have not completed high school or received such equivalency certificate;

(iv) Job search and job readiness assistance consistent with federal TANF regulations.

411 (e) If any adult or caretaker relative refuses to  
412 participate in allowable work activity as required under this  
413 subsection (6), the following full family TANF benefit penalty  
414 will apply, subject to due process to include notification,  
415 conciliation and a hearing if requested by the recipient:

416 (i) For the first violation, the department shall  
417 terminate the TANF assistance otherwise payable to the family for  
418 a two-month period or until the person has complied with the  
419 required work activity, whichever is longer;

420 (ii) For the second violation, the department  
421 shall terminate the TANF assistance otherwise payable to the  
422 family for a six-month period or until the person has complied  
423 with the required work activity, whichever is longer;

424 (iii) For the third violation, the department  
425 shall terminate the TANF assistance otherwise payable to the  
426 family for a twelve-month period or until the person has complied  
427 with the required work activity, whichever is longer;

428 (iv) For the fourth violation, the person shall be  
429 permanently disqualified.

430 For a two-parent family, unless prohibited by state or  
431 federal law, Medicaid assistance shall be terminated only for the  
432 person whose failure to participate in allowable work activity  
433 caused the family's TANF assistance to be sanctioned under this  
434 paragraph (e), unless an individual is pregnant, but shall not be  
435 terminated for any other person in the family who is meeting that

person's applicable work requirement or who is not required to work. Minor children shall continue to be eligible for Medicaid benefits regardless of the disqualification of their parent or caretaker relative for TANF assistance under this subsection (6), unless prohibited by state or federal law.

(f) Any person enrolled in a two-year or four-year college program who meets the eligibility requirements to receive TANF benefits, and who is meeting the applicable work requirements and all other applicable requirements of the TANF program, shall continue to be eligible for TANF benefits while enrolled in the college program for as long as the person meets the requirements of the TANF program, unless prohibited by federal law.

(g) No adult in a work activity required under this subsection (6) shall be employed or assigned (i) when any other individual is on layoff from the same or any substantially equivalent job within six (6) months before the date of the TANF recipient's employment or assignment; or (ii) if the employer has terminated the employment of any regular employee or otherwise caused an involuntary reduction of its workforce in order to fill the vacancy so created with an adult receiving TANF assistance. The Mississippi Department of Employment Security, established under Section 71-5-101, shall appoint one or more impartial hearing officers to hear and decide claims by employees of violations of this paragraph (g). The hearing officer shall hear all the evidence with respect to any claim made hereunder and such

461 additional evidence as he may require and shall make a  
462 determination and the reason therefor. The claimant shall be  
463 promptly notified of the decision of the hearing officer and the  
464 reason therefor. Within ten (10) days after the decision of the  
465 hearing officer has become final, any party aggrieved thereby may  
466 secure judicial review thereof by commencing an action, in the  
467 circuit court of the county in which the claimant resides, against  
468 the department for the review of such decision, in which action  
469 any other party to the proceeding before the hearing officer shall  
470 be made a defendant. Any such appeal shall be on the record which  
471 shall be certified to the court by the department in the manner  
472 provided in Section 71-5-531, and the jurisdiction of the court  
473 shall be confined to questions of law which shall render its  
474 decision as provided in that section.

475 (7) The Department of Human Services may provide child care  
476 for eligible participants who require such care so that they may  
477 accept employment or remain employed. The department may also  
478 provide child care for those participating in the TANF program  
479 when it is determined that they are satisfactorily involved in  
480 education, training or other allowable work activities. The  
481 department may contract with Head Start agencies to provide child  
482 care services to TANF recipients. The department may also arrange  
483 for child care by use of contract or vouchers, provide vouchers in  
484 advance to a caretaker relative, reimburse a child care provider,  
485 or use any other arrangement deemed appropriate by the department,

486 and may establish different reimbursement rates for child care  
487 services depending on the category of the facility or home. Any  
488 center-based or group home child care facility under this  
489 subsection shall be licensed by the State Department of Health  
490 pursuant to law. When child care is being provided in the child's  
491 own home, in the home of a relative of the child, or in any other  
492 unlicensed setting, the provision of such child care may be  
493 monitored on a random basis by the Department of Human Services or  
494 the State Department of Health. Transitional child care  
495 assistance may be continued if it is necessary for parents to  
496 maintain employment once support has ended, unless prohibited  
497 under state or federal law. Transitional child care assistance  
498 may be provided for up to twenty-four (24) months after the last  
499 month during which the family was eligible for TANF assistance, if  
500 federal funds are available for such child care assistance.

501 (8) The Department of Human Services may provide  
502 transportation or provide reasonable reimbursement for  
503 transportation expenses that are necessary for individuals to be  
504 able to participate in allowable work activity under the TANF  
505 program.

506 (9) Medicaid assistance shall be provided to a family of  
507 TANF program participants for up to twenty-four (24) consecutive  
508 calendar months following the month in which the participating  
509 family would be ineligible for TANF benefits because of increased  
510 income, expiration of earned income disregards, or increased hours

511 of employment of the caretaker relative; however, Medicaid  
512 assistance for more than twelve (12) months may be provided only  
513 if a federal waiver is obtained to provide such assistance for  
514 more than twelve (12) months and federal and state funds are  
515 available to provide such assistance.

516 (10) The department shall require applicants for and  
517 recipients of public assistance from the department to sign a  
518 personal responsibility contract that will require the applicant  
519 or recipient to acknowledge his or her responsibilities to the  
520 state.

521 (11) The department shall enter into an agreement with the  
522 State Personnel Board and other state agencies that will allow  
523 those TANF participants who qualify for vacant jobs within state  
524 agencies to be placed in state jobs. State agencies participating  
525 in the TANF work program shall receive any and all benefits  
526 received by employers in the private sector for hiring TANF  
527 recipients. This subsection (11) shall be effective only if the  
528 state obtains any necessary federal waiver or approval and if  
529 federal funds are available therefor. Not later than September 1,  
530 2021, the department shall prepare a report, which shall be  
531 provided to the Chairmen of the House and Senate Public Health  
532 Committees and to any other member of the Legislature upon  
533 request, on the history, status, outcomes and effectiveness of the  
534 agreements required under this subsection.

535           (12) Any unspent TANF funds remaining from the prior fiscal  
536 year may be expended for any TANF allowable activities.
