27	SECTION 1. Purpose. (1) This compact shall be known as the

32	utilized by dental boards across the United States, while ensuring
33	the safety of the public through the sharing of documents and
34	information. This compact ensures that each state retains the
35	right to impose an adverse action on a licensee as a home state or
36	as a practicing state. Each state has an opportunity to share
37	investigations and information with the home state of licensure.
38	The compact is operated by state dental board members,
39	administrators and other staff, thus allowing for each state to

- 48 in the compact;
- (d) Allows for licensure in every participating state
 by requiring passage of the uniform licensure examination that
 assesses psychomotor and cognitive dental skills and is currently

- 52 accepted in fifty (50) state licensing jurisdictions and United
- 53 States territories;

- 58 relocation or separation of military members and their dependent
