SECTION 13. Section 73-21-97, Mississippi Code of 1972, is reenacted and amended as follows:

73-21-97. (1) The board may refuse to issue or renew, or may suspend, reprimand, revoke or restrict the license, registration or permit of any person, or may impose a monetary penalty, upon one or more of the following grounds:

(2) In lieu of suspension, revocation or restriction of a license, registration or permit as provided for above, the board may warn * * *, reprimand or issue a citation to the offending * * * licensee, registrant or permit holder.

(3) In addition to the grounds specified in subsection (1) of this section, the board shall be authorized to suspend the

license, registration or permit of any person for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license, registration or permit for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license, registration or permit suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license, registration or permit suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

SECTION 14. Section 73-21-99, Mississippi Code of 1972, is reenacted and amended as follows:

73-21-99. (1) Disciplinary action by the board against a licensee, registrant or permit holder, or license, registration or permit shall require the following:

(a) A sworn affidavit filed with the board charging a licensee, registrant or permit holder with an act which is grounds for disciplinary action as provided in Section 73-21-97; and

(b) An order of the Investigations Review Committee of the board which shall cause the executive director of the board to fix a time and place for a hearing by the board. The executive director shall cause a written notice specifying the offense or

offenses for which the licensee, registrant or permit holder is charged and notice of the time and place of the hearing to be served upon the licensee, registrant or permit holder at least thirty (30) days prior to the hearing date. Such notice may be served by mailing a copy thereof by certified mail, postage prepaid, to the last-known residence or business address of the licensee, registrant or permit holder.

(2) The board shall designate two (2) of its members to serve on a rotating, no longer than three-consecutive-month basis, with the executive director and legal counsel serving in an advisory role, for the board as an Investigations Review Committee, and the board's investigators shall provide status reports solely to the Investigations Review Committee during * * * meetings of the * * * committee. Such reports shall be made on all on-going investigations, and shall apply to any routine inspections which may give rise to the filing of a complaint. * * * If any complaint on a licensee, registrant or permit holder comes before the board for possible disciplinary action, the members of the board serving on the Investigations Review Committee which reviewed the investigation of such complaint shall recuse themselves and not participate in the disciplinary proceeding. All meetings of the Investigations Review Committee shall be exempt from the Open Meetings Act, and minutes of the meetings of the Investigations Review Committee shall be exempt from the Public Records Act.

809 (3) The * * * Investigation Review Committee may, if deemed
810 necessary, issue a letter of reprimand to any licensee, registrant
811 or permit holder in lieu of formal action by the board.

812 (4) For the purpose of conducting investigations, the board,
813 through its executive director, may issue subpoenas to any
814 individual, clinic, hospital, pharmacy, any other facility
815 permitted by the board, or other entity having in its possession
816 papers, documents, prescriptions or any other records deemed
817 relevant to an investigation. Investigatory subpoenas, as
818 provided in this section, may be served either by registered mail
819 or by any person designated by the board for such service, and
820 upon service shall command production of the papers and documents
821 to the board at the time and place so specified. The board shall
822 be entitled to the assistance of the chancery court or the
823 chancellor in vacation, which, on petition by the board, shall
824 issue ancillary subpoenas and petitions and may punish as for
825 contempt of court in the event of noncompliance with the subpoenas
826 or petitions.

827 (5) All records of investigation, including complaints filed
828 with the board, shall be kept confidential and shall not be
829 subject to discovery or subpoena. If no disciplinary proceedings
830 are initiated within a period of five (5) years after the
831 determination of insufficient cause, then the board may destroy
832 all records obtained pursuant to this section.

833 (* * *6) The board, acting by and through its executive
834 director, is * * * authorized and empowered to issue subpoenas for
835 the attendance of witnesses and the production of books and papers
836 at such hearing. * * * Subpoenas issued by the board through its
837 executive director as provided in this section shall extend to all
838 parts of the state and shall be served by registered mail or by
839 any person designated by the board for such service.

840 (* * *7) The accused shall have the right to appear either
841 personally or by counsel, or both, to produce witnesses or
842 evidence in his behalf, to cross-examine witnesses, and to have
843 subpoenas issued by the board.

844 (* * *8) At the hearing, the board shall administer oaths
845 as may be necessary for the proper conduct of the hearing. All
846 hearings shall be conducted by the board, which shall not be bound
847 by strict rules of procedure or by the laws of evidence in the
848 conduct of its proceedings, but the determination shall be based
849 upon sufficient evidence to sustain it.

850 (* * *9) Where, in any proceeding before the board, any
851 witness fails or refuses to attend upon a subpoena issued by the
852 board, refuses to testify, or refuses to produce any books and
853 papers the production of which is called for by a subpoena, the
854 attendance of such witness, the giving of his testimony or the
855 production of the books and papers shall be enforced by any court
856 of competent jurisdiction of this state in the manner provided for

the enforcement of attendance and testimony of witnesses in civil cases in the courts of this state.

(* * *10) The board shall, within thirty (30) days after conclusion of the hearing, reduce its decision to writing and forward an attested true copy thereof to the last-known residence or business address of such licensee or permit holder by way of United States first-class, certified mail, postage prepaid.

(11) If the board determines that evidence in its possession indicates that there is an immediate danger to the public, the board, acting by and through its executive director, may order summary suspension of an individual's license or registration or a permit of a facility without a hearing simultaneously with the filing of a formal complaint and notice for a hearing proceeding before the board. However, in the event of such summary suspension, a hearing must be held within twenty (20) days of such action.

SECTION 15. Section 73-21-101, Mississippi Code of 1972, is reenacted and amended as follows:

73-21-101. (1) The right to appeal from the action of the board in denying, revoking, suspending or refusing to renew any license, registration or permit issued by the board, or fining or otherwise disciplining any person is hereby granted. Such appeal shall be to the chancery court of the county of the residence of the licensee or permit holder on the record made, including a verbatim transcript of the testimony at the hearing. The appeal

shall be taken within thirty (30) days after notice of the action of the board in denying, revoking, suspending or refusing to renew the license or permit, or fining or otherwise disciplining the person. The appeal shall be perfected upon filing notice of the appeal and by the prepayment of all costs, including the cost of the preparation of the record of the proceedings by the board, and the filing of a bond in the sum of Two Hundred Dollars (\$200.00), conditioned that if the action of the board in denying, revoking, suspending or refusing to renew the license or permit, or fining or otherwise disciplining the person, be affirmed by the chancery court, the licensee or permit holder will pay the costs of the appeal and the action in the chancery court.

(2) If there is an appeal, such appeal shall act as a supersedeas as to any monetary penalty imposed by the board; however, no such person shall be allowed to practice pharmacy or conduct any activities regulated under this chapter in violation of any disciplinary order or action of the board while any such appeal is pending. The chancery court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. The scope of review of the chancery court shall be limited to a review of the record made before the board to determine if the action of the board is unlawful for the reason that it was (a) not supported by substantial evidence, (b) arbitrary or capricious, (c) beyond the power of the board to make, or (d) in violation of some

statutory or constitutional right of the appellant. The decision of the chancery court may be appealed to the Supreme Court in the manner provided by law.

(3) Actions taken by the board in suspending a license, registration or permit when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a suspension of a license, registration or permit that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section.

SECTION 16. Section 73-21-103, Mississippi Code of 1972, is reenacted and amended as follows:

73-21-103. (1) Upon the finding of the existence of grounds for action against any permitted facility or discipline of any person holding a license, registration or permit, seeking a license, registration or permit, seeking to renew a license or permit under the provisions of this chapter, or practicing or doing business without a license, registration or permit, the board may impose one or more of the following penalties:

(a) Suspension of the offender's license, registration and/or permit for a term to be determined by the board;

(b) Revocation of the offender's license, registration and/or permit;

931 (c) Restriction of the offender's license, registration
932 and/or permit to prohibit the offender from performing certain
933 acts or from engaging in the practice of pharmacy in a particular
934 manner for a term to be determined by the board;

935 (d) Imposition of a monetary penalty as follows:

936 (i) For the first violation, a monetary penalty of
937 not * * * more than One Thousand Dollars (\$1,000.00) for each
938 violation;

939 (ii) For the second violation and subsequent
940 violations, a monetary penalty of not * * * more than Five
941 Thousand Dollars (\$5,000.00) for each violation.

942 Money collected by the board under paragraph (d)(i), (ii) and
943 (iv) of this section shall be deposited to the credit of the State
944 General Fund of the State Treasury;

945 (iii) The board may assess a monetary penalty for
946 those reasonable costs that are expended by the board in the
947 investigation and conduct of a proceeding for licensure
948 revocation, suspension or restriction, including, but not limited
949 to, the cost of process service, court reporters, expert witnesses
950 and investigators.

951 Money collected by the board under paragraph (d)(iii) of this
952 section, shall be deposited to the credit of the Special Fund of
953 the Pharmacy Board;

954 (iv) The board may impose a monetary penalty for
955 those facilities/businesses registered with the * * * board * * *

956 of not * * * more than Fifty Thousand Dollars (\$50,000.00) per
957 violation;

958 (v) The board may impose a monetary penalty for
959 any dispenser, pharmacist or practitioner licensed to dispense
960 controlled substance and specified noncontrolled substance drugs,
961 who knowingly fails to submit drug monitoring information or
962 knowingly submits incorrect dispensing information of not more
963 than Ten Thousand Dollars (\$10,000.00) per violation. Any penalty
964 collected under this subparagraph (v) shall be deposited into the
965 special fund of the State Pharmacy Board to support the operations
966 of the Prescription Monitoring Program (PMP);

967 (vi) The board may impose a monetary penalty for
968 any person who obtains prescription information and who knowingly
969 discloses this information for misuse or purposely alters the
970 reporting information, or uses the PMP in any manner other than
971 for which it was intended, of not more than Fifty Thousand Dollars
972 (\$50,000.00) per violation. Any penalty collected under this
973 subparagraph (vi) shall be deposited into the special fund of the
974 State Board of Pharmacy and used to support the operations of the
975 Prescription Monitoring Program;

976 (vii) The board may impose a monetary penalty of
977 not more than One Thousand Dollars (\$1,000.00) per day upon any
978 person or business that practices or does business without the
979 license, registration or permit required by this chapter. The

980 violation may be assessed beginning with the date that the
981 offender first conducted business in the state.

982 (e) Refusal to renew offender's license, registration
983 and/or permit;

984 (f) Placement of the offender on probation and
985 supervision by the board for a period to be determined by the
986 board;

987 (g) Public or private reprimand.

988 Whenever the board imposes any penalty under this subsection,
989 the board may require rehabilitation and/or additional education
990 as the board may deem proper under the circumstances, in addition
991 to the penalty imposed.

992 (2) Any person whose license, registration and/or permit has
993 been suspended, revoked or restricted pursuant to this chapter,
994 whether voluntarily or by action of the board, shall have the
995 right to petition the board at reasonable intervals for
996 reinstatement of such license, registration and/or permit. Such
997 petition shall be made in writing and in the form prescribed by
998 the board. Upon investigation and hearing, the board may, in its
999 discretion, grant or deny such petition, or it may modify its
1000 original finding to reflect any circumstances which have changed
1001 sufficiently to warrant such modifications. The procedure for the
1002 reinstatement of a license, registration or permit that is
1003 suspended for being out of compliance with an order for support,

1004 as defined in Section 93-11-153, shall be governed by Section
1005 93-11-157 or 93-11-163, as the case may be.

1006 (3) Nothing herein shall be construed as barring criminal
1007 prosecutions for violation of this chapter where such violations
1008 are deemed as criminal offenses in other statutes of this state or
1009 of the United States.

1010 (4) A monetary penalty assessed and levied under this
1011 section shall be paid to the board by the licensee, registrant or
1012 permit holder upon the expiration of the period allowed for appeal
1013 of such penalties under Section 73-21-101, or may be paid sooner
1014 if the licensee, registrant or permit holder elects.

1015 (5) When payment of a monetary penalty assessed and levied
1016 by the board against a licensee, registrant or permit holder in
1017 accordance with this section is not paid by the licensee,
1018 registrant or permit holder when due under this section, the board
1019 shall have the power to institute and maintain proceedings in its
1020 name for enforcement of payment in the chancery court of the
1021 county and judicial district of residence of the licensee,
1022 registrant or permit holder, or if the licensee, registrant or
1023 permit holder is a nonresident of the State of Mississippi, in the
1024 Chancery Court of the First Judicial District of Hinds County,
1025 Mississippi. When such proceedings are instituted, the board
1026 shall certify the record of its proceedings, together with all
1027 documents and evidence, to the chancery court and the matter shall
1028 thereupon be heard in due course by the court, which shall review

the record and make its determination thereon. The hearing on the matter may, in the discretion of the chancellor, be tried in vacation.

(6) The board shall develop and implement a uniform penalty policy which shall set the minimum and maximum penalty for any given violation of board regulations and laws governing the practice of pharmacy. The board shall adhere to its uniform penalty policy except in such cases where the board specifically finds, by majority vote, that a penalty in excess of, or less than, the uniform penalty is appropriate. Such vote shall be reflected in the minutes of the board and shall not be imposed unless such appears as having been adopted by the board.

SECTION 17. Section 73-21-105, Mississippi Code of 1972, is reenacted and amended as follows:

73-21-105. (1) Every * * * manufacturer, manufacturer affiliate, packager, repackager, third-party logistic provider, wholesale distributor, reverse distributor or any other entity identified in the supply chain of prescription drugs * * * and/or devices that are sold or shipped into or out of this state shall register triennially, biennially or annually, to be determined by the board, with the * * * board * * * by applying for a permit on a form supplied by the board and accompanied by a fee as set by subsection (4) of this section. The Pharmacy Board shall by regulation determine the classification of permit(s) that shall be required.

(2) Every business/facility/pharmacy located in this state that engages in or proposes to engage in the * * * practice of pharmacy to consumers shall register with the Mississippi State Board of Pharmacy by applying for a permit on a form supplied by the board and accompanied by a fee as set by subsection (4) of this section. The Pharmacy Board shall by regulation determine the classification of permit(s) that shall be required.

(3) The board shall establish by rule or regulation the criteria which each business shall meet to qualify for a permit in each classification. The board shall issue a permit to any applicant who meets the criteria as established. The board may issue various types of permits with varying restrictions to businesses where the board deems it necessary by reason of the type of activities conducted by the business requesting a permit.

73-21-106. (1) Any pharmacy located outside this state that * * * performs any services included in the definition of the practice of pharmacy for residents of this state shall be considered a nonresident pharmacy and shall be permitted by the board. After a permit has been issued, it may not be amended, transferred or reassigned. A pharmacist-in-charge of a

nonresident pharmacy may not be the pharmacist-in-charge at any other location that has been issued a permit by the board.

(2) Each nonresident pharmacy shall:

(a) Comply with all lawful directions and requests for information from the regulatory or licensing agency of the state in which it is licensed as well as with all requests for information made by the board under this section. The nonresident pharmacy shall maintain at all times a valid unexpired license, permit or registration to conduct the pharmacy in compliance with the laws of the state in which it is a resident. As a prerequisite to being permitted by the board, the nonresident pharmacy shall submit a copy of the most recent inspection report resulting from an inspection conducted by the regulatory or licensing agency of the state in which it is located or by an inspecting entity approved by the board;

(b) Maintain its records of controlled substances and prescription or legend drugs or devices dispensed to patients in this state so that the records are readily retrievable from the records of other drugs dispensed; and

(c) Certify that it understands Mississippi pharmacy laws and regulations and agrees to comply with those laws and regulations and any other state or federal laws that apply to the practice of pharmacy. The pharmacist-in-charge must hold a Mississippi pharmacist license, be licensed to practice pharmacy in the state of residence of the nonresident pharmacy, and be

1154 current and in good standing with the licensing boards of both
1155 states.

1156 (3) Any pharmacy subject to this section shall provide
1157 during its regular hours of operation, but not less than six (6)
1158 days per week and for a minimum of forty (40) hours per week, a
1159 toll-free telephone service to facilitate communication between
1160 patients in this state and a pharmacist at the pharmacy who has
1161 access to the patient's records. This toll-free number shall be
1162 disclosed on a label affixed to each container of drugs dispensed
1163 to patients in this state.

1164 (4) The permit fee for nonresident pharmacies shall be the
1165 same as the fee as set by subsection (4) of Section 73-21-105.

1166 (5) The permit requirements of this section shall apply to
1167 any nonresident pharmacy that dispenses, distributes, ships, mails

1170 (6) The board may deny, revoke or suspend a nonresident
1171 pharmacy permit only for:

1172 (a) Failure to comply with any requirement of this
1173 section or Section 41-29-125;

1174 (b) Conduct that causes serious bodily or serious
1175 psychological injury to a resident of this state if the board has
1176 referred the matter to the regulatory or licensing agency in the

1178 licensing agency fails to initiate an investigation within
1179 forty-five (45) days of the referral; or

1180 (c) Violation of the Uniform Controlled Substances Law.

1181 (7) It is unlawful for any nonresident pharmacy that is not
1182 permitted under this section to advertise its services in this
1183 state, or for any person who is a resident of this state to
1184 advertise the pharmacy services of a nonresident pharmacy that is
1185 not permitted with the board, with the knowledge that the
1186 advertisement will or is likely to induce members of the public in
1187 this state to use the pharmacy to fill prescriptions.

1188 (8) When requested to do so by the board or the Mississippi
1189 Bureau of Narcotics, each nonresident pharmacy shall supply any
1190 inspection reports, controlled substances dispensing records,
1191 warning notices, notice of deficiency reports or any other related
1192 reports from the state in which it is located concerning the
1193 operation of a nonresident pharmacy for review of compliance with
1194 state and federal drug laws.

1550 dispensed or the generic name of the product dispensed and its
1551 manufacturer either written in full or appropriately abbreviated,
1552 unless the prescriber indicates that the name of the drug product
1553 shall not appear on the label. The label for interchangeable
1554 biological products shall include its nonproprietary name
1555 designated by the federal Food and Drug Administration for use and
1556 the name of the manufacturer of the product.

1557 **SECTION 27.** Section 73-21-121, Mississippi Code of 1972, is
1558 reenacted as follows:

1559 73-21-121. (1) Product selection as authorized by Sections
1560 73-21-115 through 73-21-119 shall not constitute evidence of
1561 negligence by the dispensing pharmacist when such product
1562 selection is in accordance with reasonable and prudent pharmacy
1563 practice. No prescriber shall be liable for civil damages or in
1564 any criminal prosecution arising from the incorrect product
1565 selection by a pharmacist.

1566 (2) Any person having knowledge relating to a pharmacist or
1567 to a pharmacy student which might provide grounds for disciplinary
1568 action by the board may report relevant facts to the board, and
1569 shall by reason of reporting such facts in good faith be immune
1570 from civil liability.

1571 (3) Any person furnishing information in the form of data,
1572 reports or records to the board or to a pharmacist organization

1573 approved by the board to receive such information, where such
1574 information is furnished for the purpose of aiding a pharmacist or
1575 a pharmacy student impaired by chemical abuse or by mental or by
1576 physical illness, shall by reason of furnishing such information
1577 in good faith be immune from civil liability.

1578 (4) The records of the board or the records of a pharmacist
1579 organization approved by the board to aid pharmacists or pharmacy
1580 students impaired by chemical abuse, where such records relate to
1581 the impairment, shall be confidential and are not considered open
1582 records; provided, however, the board may disclose this
1583 confidential information only:

1584 (a) In a disciplinary hearing before the board, or in
1585 an appeal of an action or order of the board;

1586 (b) To the pharmacist licensing or disciplinary
1587 authorities of other jurisdictions in the case of a pharmacist who
1588 is licensed in, or seeking transfer to, another state; or

1589 (c) Pursuant to an order of a court of competent
1590 jurisdiction.

1591 **SECTION 28.** Section 73-21-123, Mississippi Code of 1972, is
1592 reenacted as follows:

1593 73-21-123. Nothing in this chapter shall be construed to
1594 prevent, or in any manner interfere with, or to require a permit
1595 for the sale of nonnarcotic nonprescription drugs which may be
1596 lawfully sold under the United States Food, Drug and Cosmetic Act
1597 (21 USCS 301 et seq. as now or hereafter amended) without a

1598 prescription, nor shall any rule or regulation be adopted by the
1599 board under the provisions of this chapter which shall require the
1600 sale of nonprescription drugs by a licensed pharmacist in a
1601 pharmacy or otherwise apply to or interfere with the sale or
1602 distribution of such drugs.

1603 **SECTION 29.** Section 73-21-124, Mississippi Code of 1972, is
1604 reenacted as follows:

1605 73-21-124. (1) (a) It is lawful for a pharmacy registered
1606 under Section 73-21-105 to sell or distribute to a person, without
1607 a prescription, products containing not more than three and six
1608 tenths (3.6) grams per day and not more than seven and two tenths
1609 (7.2) grams per thirty-day period of pseudoephedrine or ephedrine,
1610 and it is lawful for a person to purchase products containing
1611 those ingredients from a registered pharmacy without a
1612 prescription.

1613 (b) All products authorized under this subsection (1)
1614 must be stored by a pharmacy by placing the products behind a
1615 counter in an area within the pharmacy where the public is not
1616 permitted.

1617 (c) Any products authorized under this subsection (1)
1618 sold by a pharmacy must be sold by an individual licensed as a
1619 pharmacist or by an employee of the pharmacy under the direct
1620 supervision and control of a licensed pharmacist.

1621 (d) No pharmacy may sell or distribute, and no person
1622 may purchase, more products than allowed under this section unless

1623 by valid prescription. It is not a defense in a prosecution under
1624 this section that no money was exchanged during a transaction that
1625 would otherwise be unlawful under this section.

1626 (2) A pharmacy selling products in a manner authorized under
1627 subsection (1) of this section must:

1628 (a) Use the National Precursor Log Exchange (NPLEx)
1629 system administered by the National Association of Drug Diversion
1630 Investigators, provided that the system is available to pharmacies
1631 or retailers in the state without a charge for accessing the NPLEx
1632 system, before completing the over-the-counter sale of each
1633 product authorized under subsection (1) of this section. Before
1634 completing a sale of an over-the-counter material, compound,
1635 mixture, or preparation containing any detectable quantity of
1636 pseudoephedrine or ephedrine, its salts or optical isomers, or
1637 salts of optical isomers a pharmacy or retailer shall
1638 electronically submit the information required under subsection
1639 (b) of this subsection (2) to the NPLEx system. The pharmacy or
1640 retailer shall not complete the sale if the NPLEx system generates
1641 a stop-sale alert. The system shall contain an override function
1642 that may be used by an agent of a retail establishment who is
1643 dispensing the drug product, and who has a reasonable fear of
1644 imminent bodily harm if the transaction is not completed. The
1645 system shall create a record of each use of the override
1646 mechanism.

1647 (b) Maintain an electronic log of required information
1648 for each transaction, and require the purchaser of the package to
1649 be at least eighteen (18) years of age and provide a valid,
1650 unsuspended driver's license or nondriver identification card
1651 issued by this state or another state, a United States Uniformed
1652 Services Privilege and Identification Card, or a United States or
1653 foreign passport, and to sign a written or electronic log
1654 attesting to the validity of the information provided for each
1655 transaction. The record of each transaction must include the
1656 information from the identification card as well as the type of
1657 and government entity issuing the identification card used, the
1658 name, date of birth, and current address of the purchaser, the
1659 date and time of the sale, the name of the compound, mixture, or
1660 preparation being sold, and the total amount, in grams or
1661 milligrams, of pseudoephedrine or ephedrine being sold.

1662 (c) Maintain a written log or an alternative electronic
1663 recordkeeping mechanism if a pharmacy or retailer experiences
1664 mechanical or electronic failure of the required electronic
1665 tracking system until such time as the pharmacy or retailer is
1666 able to comply with the electronic sales-tracking requirement. No
1667 person shall purchase, receive or otherwise acquire more than
1668 three and six-tenths (3.6) grams per day or seven and two-tenths
1669 (7.2) grams of pseudoephedrine or ephedrine within any thirty-day
1670 period.

1671 (3) The National Association of Drug Diversion Investigators
1672 shall provide real-time access to the NPLeX information through
1673 the NPLeX online portal to law enforcement in the state.

1674 (4) (a) Pseudoephedrine and ephedrine products dispensed
1675 pursuant to a legitimate prescription are exempt from this
1676 section.

1677 (b) The amounts of pseudoephedrine and ephedrine
1678 products dispensed to a person pursuant to a legitimate
1679 prescription shall not be considered under subsection (1)(a) of
1680 this section.

1681 (5) A violation of this section is a misdemeanor and is
1682 punishable as follows:

1683 (a) For a first offense, by a fine not to exceed One
1684 Thousand Dollars (\$1,000.00).

1685 (b) For a second or subsequent offense, by a fine not
1686 to exceed Ten Thousand Dollars (\$10,000.00).

1687 (6) A pharmacist who is the general owner or operator of an
1688 establishment where pseudoephedrine and ephedrine products are
1689 available for sale shall not be penalized under this section for
1690 the conduct of an employee if the retailer documents that an
1691 employee training program approved by the Mississippi Board of
1692 Pharmacy was conducted by the pharmacist. The Mississippi Board
1693 of Pharmacy shall develop or approve all training programs for
1694 pharmacy employees.

1695 (7) A person who resides in a state that requires a
1696 prescription for the purchase of pseudoephedrine or ephedrine, or
1697 who presents identification from a state that requires a
1698 prescription for the purchase of pseudoephedrine or ephedrine, may
1699 purchase those products only upon presentation of a valid
1700 prescription for the pseudoephedrine or ephedrine.

1701 **SECTION 30.** Section 73-21-125, Mississippi Code of 1972, is
1702 reenacted and amended as follows:

1703 73-21-125. (1) Any * * * charity pharmacy, including a
1704 faith-based * * * charity pharmacy, or any licensed pharmacist who
1705 voluntarily provides charitable services in a * * * charity
1706 pharmacy, or any other person who serves as a volunteer in a * * *
1707 charity pharmacy, shall be immune from liability for any civil
1708 action arising out of supplying pharmaceutical products in the
1709 course of providing such charitable or gratuitous pharmaceutical
1710 products. This section shall not extend immunity to acts of gross
1711 negligence or willful or wanton misconduct or to the manufacturer
1712 or designer of products provided.

1713 (2) Any * * * charity pharmacy seeking immunity under this
1714 section shall post a notice, in a conspicuous place adjacent to
1715 the area where prescriptions are picked up by consumers, reading
1716 substantially as follows: "NOTICE: If you are harmed by
1717 medication that you receive here, you do not have the same legal
1718 recourse as you have against other pharmacies." Failure to post
1719 the notice negates the immunity from liability provided under this

section. The notice shall be no less than eleven (11) by fourteen (14) inches in size, and the type used shall be no smaller than thirty-six (36) point and surrounded by a one-inch solid black border.

(3) For purposes of this section, " * * * charity pharmacy" means a pharmacy operated solely for charitable purposes, whose only function is to supply gratuitous pharmaceutical products, and which is operated by a nonprofit organization qualified or eligible for qualification as a tax-exempt organization under 26 USCS Section 501.

SECTION 31. Section 73-21-126, Mississippi Code of 1972, is reenacted and amended as follows:

73-21-126. (1) The State Board of Pharmacy shall promulgate rules regarding the issuance and renewal of licenses and permits for new or renewal application requirements for both in- and out-of-state * * * persons, businesses and entities owning or shipping into, within or out of Mississippi. Requirements for new and/or renewal applications, if information has not been previously provided to the board, will include, but not be limited to, the following:

(a) Type of ownership (individual, partnership or corporation);

(b) Names of principal owners or officers and social security numbers;

1744 (c) Names of designated representatives and social
1745 security numbers;

1746 (d) Criminal background checks of applicants and
1747 designated representatives as required by rule;

1748 (e) Copy of license in home state;

1749 (f) Bond requirements.

1750 (2) To ensure that all applicants are of good moral
1751 character, the board shall conduct a criminal history records
1752 check on all applicants for a license. In order to determine the
1753 applicant's suitability for licensing, the applicant shall be
1754 fingerprinted. The board shall submit the fingerprints to the
1755 Department of Public Safety for a check of the state criminal
1756 records and forward to the Federal Bureau of Investigation for a
1757 check of the national criminal records. The Department of Public
1758 Safety shall disseminate the results of the state check and the
1759 national check to the board for a suitability determination. The
1760 board shall be authorized to collect from the applicant the amount
1761 of the fee that the Department of Public Safety charges the board
1762 for the fingerprinting, whether manual or electronic, and the
1763 state and national criminal history records checks.

1764 * * *

1765 (* * *3) The board is authorized to use an outside agency
1766 to accredit * * * all persons, businesses and facilities licensed
1767 or permitted with the board, including the National Association of
1768 Boards of Pharmacy's (NABP) * * * Drug Distributor Accreditation.

1769 * * *

1770 **SECTION 32.** Section 73-21-127, Mississippi Code of 1972, is
1771 reenacted and amended as follows:

1772 73-21-127. (1) The Board of Pharmacy shall develop and
1773 implement a computerized program to track prescriptions for
1774 controlled substances and to report suspected abuse and misuse of
1775 controlled substances in compliance with the federal regulations
1776 promulgated under authority of the National All Schedules
1777 Prescription Electronic Reporting Act of 2005 and in compliance
1778 with the federal HIPAA law, under the following conditions:

1779 (a) Submission or reporting of dispensing information
1780 shall be mandatory and required by the State Board of Pharmacy for
1781 any entity dispensing controlled substances in or into the State
1782 of Mississippi, except for the dispensing of controlled substance
1783 drugs by a veterinarian residing in the State of Mississippi.

1784 (b) The prescriptions tracked shall be prescriptions
1785 for controlled substances listed in Schedule II, III, IV or V and
1786 specified noncontrolled substances identified by the State Board
1787 of Pharmacy that are dispensed to residents in the State of
1788 Mississippi by licensed pharmacies, nonresident pharmacies,
1789 institutions and dispensing practitioners, regardless of dispenser
1790 location.

1791 (c) The Board of Pharmacy shall report any activity it
1792 reasonably suspects may be fraudulent or illegal to the
1793 appropriate law enforcement agency or occupational licensing board

1794 and provide them with the relevant information obtained for
1795 further investigation.

1796 (d) * * * The specific purposes of the program shall be
1797 to: be proactive in safeguarding public health and safety;
1798 support the legitimate use of controlled substances; facilitate
1799 and encourage the identification, intervention with and treatment
1800 of individuals addicted to controlled substances and specified
1801 noncontrolled drugs; identify and prevent drug diversion; provide
1802 assistance to those state and federal law enforcement and
1803 regulatory agencies investigating cases of drug diversion or other
1804 misuse; * * * inform the public and health care professionals of
1805 the use and abuse trends related to controlled substance and
1806 specified noncontrolled drugs; and prevent the inappropriate or
1807 illegal use of these controlled substances.

1808 (e) (i) Access to collected data shall be confidential
1809 and not subject to the provisions of the federal Freedom of
1810 Information Act or the Mississippi Public Records Act. Upon
1811 request, the State Board of Pharmacy shall provide collected
1812 information to: pharmacists or practitioners who are properly
1813 registered with the State Board of Pharmacy and are authorized to
1814 prescribe or dispense controlled substances for the purpose of
1815 providing medical and pharmaceutical care for their patients;
1816 local, state and federal law enforcement officials engaged in the
1817 administration, investigation or enforcement of the laws governing
1818 illicit drug use; regulatory and licensing boards in this state;

1824 Pharmacy policies.

1825 (ii) The Director of the Mississippi Bureau of
1826 Narcotics, or his designee, shall have access to the Prescription
1827 Monitoring Program (PMP) database for the purpose of investigating
1828 the potential illegal acquisition, distribution, dispensing,
1829 prescribing or administering of the controlled and noncontrolled
1830 substances monitored by the program, subject to all legal
1831 restrictions on further dissemination of the information obtained.

1832 (iii) The State Board of Pharmacy may also provide
1833 statistical data for research or educational purposes if the board
1834 determines the use of the data to be of significant benefit to
1835 public health and safety. The board maintains the right to refuse
1836 any request for PMP data.

1837 (iv) A pharmacist licensed by the Mississippi
1838 Board of Pharmacy must be a registered user of the PMP. Failure
1839 of a pharmacist licensed by the Mississippi Board of Pharmacy to
1840 register as a user of the PMP is grounds for disciplinary action
1841 by the board.

1842 (v) All licensed practitioners as defined under
1843 Section 73-21-73 * * * holding an active DEA number shall register
1844 as users of the PMP.

1845 (f) The Prescription Monitoring Program through the
1846 Board of Pharmacy may:

1850 with collaboration and input from participating agencies; and

1851 (ii) Assess charges for information and/or
1852 statistical data provided to agencies, institutions and
1853 individuals. The amounts of those fees shall be set by the
1854 Executive Director of the Board of Pharmacy based on the
1855 recommendation of the Director of the PMP.

1856 All such fees collected shall be deposited into the special
1857 fund of the State Board of Pharmacy and used to support the
1858 operations of the PMP.

1859 (g) A dispenser pharmacist or practitioner licensed to
1860 dispense controlled substances and specified noncontrolled
1861 substance drugs who knowingly fails to submit drug-monitoring
1862 information or knowingly submits incorrect dispensing information
1863 shall be subject to actions against the pharmacist's or
1864 practitioner's license, registrations or permit and/or an
1865 administrative penalty as provided in Sections 73-21-97 and

1866 73-21-103. Any misuse of the PMP is subject to penalties as
1867 provided in Sections 73-21-97 and 73-21-103.

1868 (h) The Board of Pharmacy and the Prescription
1869 Monitoring Program shall be immune from civil liability arising
1870 from inaccuracy of any of the information submitted to the
1871 program.

1872 (i) "Practitioner," as used in this section, shall
1873 include any person licensed, registered or otherwise permitted to
1874 distribute, dispense, prescribe or administer a controlled
1875 substance, as defined under Section 41-29-105 * * *, and any
1876 person defined as a "practitioner" under Section 73-21-73 * * *.

1877 (j) In addition to any funds appropriated by the
1878 Legislature, the State Board of Pharmacy may apply for any
1879 available grants and accept any gifts, grants or donations to
1880 assist in future development or in maintaining the program.

1881 (2) In addition to receiving the dispensing information
1882 regarding controlled substances as provided in subsection (1) of
1883 this section, the State Board of Pharmacy shall receive and
1884 maintain in the Prescription Monitoring Program (a) the medical
1885 cannabis dispensing information that medical cannabis dispensaries
1886 under the Mississippi Medical Cannabis Act are required to report
1887 to the PMP under Section 41-137-33, and (b) any other medical
1888 cannabis dispensing information that dispensaries are required to
1889 report to the PMP. The medical cannabis dispensing information
1890 reported by medical cannabis dispensaries under Section 41-137-33

shall not be considered to be a prescription for the purposes of the Mississippi Pharmacy Practice Act or the Uniform Controlled Substances Law.

SECTION 33. Section 73-21-127.1, Mississippi Code of 1972, is amended as follows:

73-21-127.1. The Prescription Monitoring Program shall * * * provide, upon request, a report * * * to the Legislature that indicates the number of opioid prescriptions that were provided to patients during that year.

SECTION 34. Section 73-21-129, Mississippi Code of 1972, is reenacted and amended as follows:

73-21-129. (1) Each manufacturer whose products are distributed within the State of Mississippi shall make adequate provision for the return of outdated drugs from pharmacies, both full and partial containers, excluding biological, infused or intravenously injected drugs and drugs that are inhaled during surgery, within six (6) months after the labeled expiration date, for prompt full credit or refund.

(2) * * * Any entity assisting with the return of outdated drugs to a manufacturer on behalf of a pharmacy shall register with the board and have a permit under Section 73-21-105 and shall implement and shall administer the return policies established by the manufacturer.

(3) If the board receives information that a manufacturer has failed to comply with this section, the board shall

investigate the matter and present any evidence of the
manufacturer's failure to comply to * * * the Investigations
Review Committee and follow the procedures outlined in Section
73-21-99. The board may discipline the manufacturer by providing
that the manufacturer's products shall be ineligible for use in
product selection in any state drug assistance programs, in
addition to any other penalties authorized under this chapter.

(4) A pharmacist may not dispense a prescription drug or
controlled drug unless the pharmacist has satisfactory evidence
that the manufacturer of the drug has a procedure for the return
of expired drugs.

* * *

(* * *5) As used in this section, the term "biological
drug" or "biological product" means a virus, therapeutic serum,
toxin, antitoxin, vaccine, blood, blood component or derivative,
allergenic product or analogous product, or arsphenamine or
derivative of arsphenamine or any other trivalent organic arsenic
compound, applicable to the prevention, treatment or cure of a
disease or condition of human beings.

SECTION 35. Section 73-21-89, Mississippi Code of 1972,
which provided that a license to practice pharmacy would be issued
to persons presenting proof of graduation from the University of
Mississippi School of Pharmacy before a certain date, and Section

1941 **SECTION 36.** This act shall take effect and be in force from
1942 and after July 1, 2025.
