109 addition to all other taxes and assessments imposed by the
110 governing authorities in an amount not to exceed one percent (1%)
111 of the gross proceeds from room rentals of such hotels and motels
112 in the city, excluding charges for telephone, laundry and similar
113 service charges. The tax shall not be levied upon or collected
114 from gross proceeds of nontaxable rooms or room rentals for day
115 meetings that do not serve as overnight sleeping accommodations.

116 (2) The governing authorities also are hereby authorized to
117 impose upon persons doing business within the city other than the

tax imposed on hotel and motel rooms under subsection (1) of this section, a tax at a rate of not to exceed one percent (1%) on the gross receipts of restaurants and bars from retail sales of prepared food, beer and/or alcoholic beverages; however, the tax shall not apply to restaurants not selling alcoholic beverages under an on-premises permit issued by the Alcoholic Beverage Control Commission and whose gross proceeds of sales or gross income is less than One Hundred Thousand Dollars (\$100,000.00) per calendar year based upon sales or income for the preceding calendar year. For the purposes of calculating gross proceeds of sales or gross income, the sales or income of all establishments owned, operated or controlled by the same person, persons or corporations shall be aggregated.

(3) (a) Before the taxes authorized by this act may be imposed, the governing authorities shall adopt a resolution declaring its intention to levy the taxes and establishing the amount of the tax levy and the date on which the taxes initially shall be levied and collected. The date shall be the first day of a month but not less than forty-five (45) days from the date of adoption of the resolution. Notice of the proposed tax levy shall be published once each week for at least three (3) consecutive weeks in a newspaper having a general circulation in such city. The first publication of such notice shall be made not less than twenty-one (21) days prior to the date fixed in the resolution on which the governing authorities propose to levy such taxes, and

the last publication shall be made not more than seven (7) days prior to such date. If, within the time of giving notice, twenty percent (20%) or one thousand five hundred (1,500), whichever is less, of the qualified electors of the city file a written petition against the levy of such taxes, then such taxes shall not be levied unless authorized by a majority of the qualified electors of such city voting at an election to be called and held for that purpose. Prior to the effective date of the tax levy approved as herein provided, the governing authorities shall furnish to the Chairman of the Department of Revenue a certified copy of the resolution evidencing such tax levy.

(b) If the tax levied under this chapter was imposed without a vote of the electorate, the governing authorities shall, within sixty (60) days after the effective date of Senate Bill No. 2954, 2014 Regular Session, by resolution spread upon its minutes, declare the intention of the governing authorities to continue imposing the tax and describe the tax levy including the tax rate, annual revenue collections and the purposes for which the proceeds are used. The resolution shall be published once a week for at least three (3) consecutive weeks in a newspaper published or having a general circulation in the municipality, with the first publication to be made within fourteen (14) days after the governing authorities adopt the resolution declaring their intention to continue the tax. If, on or before the date specified in the resolution for filing a written protest, which

168 date shall be not less than forty-five (45) days and not more than
169 sixty (60) days after the governing authorities adopt the
170 resolution, twenty percent (20%) or one thousand five hundred
171 (1,500), whichever is less, of the qualified electors of the
172 municipality file a written protest against the imposition of the
173 tax, then an election upon the levy and assessment of the tax
174 shall be called and held as in the manner provided for in
175 paragraph (a) of this subsection, with the election to be
176 conducted at the next special election day as such is defined by
177 Section 23-15-833, Mississippi Code of 1972, occurring more than
178 sixty (60) days after the date specified in the resolution for
179 filing a written protest. If the requisite number of qualified
180 electors vote against the imposition of the tax, the tax shall
181 cease to be imposed on the first day of the month following
182 certification of the election results by the election
183 commissioners of the municipality to the governing authorities.
184 The governing authorities shall notify the Department of Revenue
185 of the date of the discontinuance of the tax and shall publish
186 sufficient notice thereof in a newspaper published or having a
187 general circulation in the municipality. If no protest is filed,
188 then the governing authorities shall state that fact in their
189 minutes and may continue the levy and assessment of the tax.

190 This paragraph (b) shall not apply if the revenue from the
191 tax authorized by this chapter has been contractually pledged for
192 the payment of debt incurred prior to the effective date of Senate

193 Bill No. 2954, 2014 Regular Session, until such time as the debt
194 is satisfied. Once the debt has been satisfied, the governing
195 authorities shall, within sixty (60) days, adopt a resolution
196 declaring the intention of the governing authorities to continue
197 the tax which shall initiate the procedure described in paragraph
198 (a) of this subsection.

199 (4) Persons liable for the taxes imposed under this section
200 shall add the amount of tax to the sales price, and in addition
201 thereto shall collect, insofar as practicable, the amount of tax
202 due by them from the person receiving the services or goods at the
203 time of payment therefor.

204 (5) All such taxes shall be collected by and paid to the
205 Department of Revenue on a form prescribed by the Department of
206 Revenue, in the same manner that state sales taxes are computed,
207 collected and paid; and the full enforcement provisions and all
208 other provisions of Chapter 65, Title 27, Mississippi Code of
209 1972, shall apply as necessary to the implementation and
210 administration of this act.

211 (6) The proceeds of such taxes less three percent (3%) to be
212 retained by the Department of Revenue to defray the costs of
213 collection shall be paid to the Greenwood Tourism Commission on or
214 before the fifteenth day of the month following the month in which
215 collected. The proceeds of the taxes shall be dedicated solely
216 for the purpose of carrying out programs and activities which are
217 designated by the Greenwood Tourism Commission and which are

designed to attract conventions and tourists in the city. The proceeds of the taxes shall not be considered by the governing authorities as general fund revenues but shall be paid directly to the Greenwood Tourism Commission.

(7) Before the expenditure of funds herein prescribed, a budget reflecting the anticipated receipts and expenditures shall be approved by the governing authorities. The first budget of receipts and expenditures shall cover the period beginning with the effective date of the taxes and ending with the end of the city's fiscal year, and, thereafter, the budget shall be on the same fiscal basis as the budget of the city.

(8) The books of the commission shall be audited annually by an independent certified public accountant, and the accountant shall make a written report of his audit to the commission which shall thereupon submit a copy of the report to the governing authorities. The audit shall be made and completed as soon as practicable after the close of the city's fiscal year, and copies of the report of the audit shall be filed with the city clerk's office within fifteen (15) days after receipt thereof by the commission.

Section 6. This act shall be repealed from and after September 30, * * * 2029.

SECTION 2. This act shall take effect and be in force from and after its passage.
