205 **SECTION 6.** Section 73-31-9, Mississippi Code of 1972, is  
206 reenacted as follows:

207           73-31-9. (1) All fees from applicants seeking licensing  
208 under this article and all license renewal fees received under  
209 this article shall be nonrefundable. The board may charge a late  
210 fee for nonrenewal by June 30 of each year.

211           (2) The board shall charge an application fee to be  
212 determined by the board, but not to exceed Seven Hundred Dollars  
213 (\$700.00), to applicants for licensing, and shall charge the  
214 applicant for the expenses incurred by the board for examination  
215 of the applicant. The board may increase the application fee as

221 (\$700.00); and the credentialing coordinator shall thereupon issue  
222 a renewal of the license for a term of one (1) year. The board  
223 may increase the license renewal fee as necessary, but may not  
224 increase the fee by more than Fifty Dollars (\$50.00) above the  
225 amount of the previous year's fee. The license of any  
226 psychologist who fails to renew during the month of June in each  
227 and every year shall lapse; the failure to renew the license,  
228 however, shall not deprive the psychologist of the right of  
229 renewal thereafter. The lapsed license may be renewed within a  
230 period of two (2) years after the lapse upon payment of all fees  
231 in arrears. A psychologist wishing to renew a license that has

been lapsed for more than two (2) years shall be required to reapply for licensure.

(4) Every odd-numbered year, no psychologist license shall be renewed unless the psychologist shows evidence of a minimum of twenty (20) clock hours of continuing education activities approved by the board.

(5) All fees and any other monies received by the board shall be deposited in a special fund that is created in the State Treasury and shall be used for the implementation and administration of this article when appropriated by the Legislature for that purpose. The monies in the special fund shall be subject to all provisions of the state budget laws that are applicable to special fund agencies, and disbursements from the special fund shall be made by the State Treasurer only upon warrants issued by the State Fiscal Officer upon requisitions signed by the chairman or executive secretary of the board. Any interest earned on this special fund shall be credited by the State Treasurer to the fund and shall not be paid into the State General Fund. Any unexpended monies remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund. The State Auditor shall audit the financial affairs of the board and the transactions involving the special fund at least once a year in the same manner as for other special fund agencies.

**SECTION 7.** Section 73-31-11, Mississippi Code of 1972, is reenacted as follows:

The records of the board shall be public records and evidence of the proceedings of the board set forth in the records; and a transcript thereof, duly certified by the executive secretary of the board, bearing the seal of the board, shall be admissible in evidence with the same force and effect as if the original were produced.

**SECTION 8.** Section 73-31-13, Mississippi Code of 1972, is reenacted as follows:

73-31-13. The board shall issue a license as a psychologist to each applicant who files an application upon a form and in the manner as the board prescribes, accompanied by the fee as is required by this article; and who furnishes evidence satisfactory to the board that he or she:

283           (a) Is at least twenty-one (21) years of age; and  
284           (b) Is of good moral character. The applicant must  
285 have successfully been cleared for licensure through an  
286 investigation that consists of a determination as to good moral  
287 character and verification that the prospective licensee is not  
288 guilty of or in violation of any statutory ground for denial of  
289 licensure. For the purposes of this article, good moral character  
290 includes an absence of felony convictions or misdemeanor  
291 convictions involving moral turpitude as established by a criminal  
292 background check. Applicants shall undergo a fingerprint-based  
293 criminal history records check of the Mississippi central criminal  
294 database and the Federal Bureau of Investigation criminal history  
295 database. Each applicant shall submit a full set of the  
296 applicant's fingerprints in a form and manner prescribed by the  
297 board, which shall be forwarded to the Mississippi Department of

305 institution of higher education that is: regionally accredited by  
306 an accrediting body recognized by the United States Department of  
307 Education, or authorized by Provincial statute or Royal Charter to  
308 grant doctoral degrees. From a program accredited by the American

Psychological Association, or the Canadian Psychological Association, and from a program that requires at least one (1) year of continuous, full-time residence at the educational institution granting the doctoral degree. For graduates from newly established programs seeking accreditation or in areas where no accreditation exists, applicants for licensure shall have completed a doctoral program in psychology that meets recognized acceptable professional standards as determined by the board. For applicants graduating from doctoral level psychology training programs outside of the United States of America or Canada, applicants for licensure shall have completed a doctoral program in psychology that meets recognized acceptable professional standards as determined by the board; and

(e) Has completed a supervised internship from a program accredited by the American Psychological Association or the Canadian Psychological Association that meet the standards of training as defined by the board. The internship shall be comprised of at least one thousand eight hundred (1,800) hours of actual work, to include direct service, training and supervisory time; and

(f) Demonstrates professional knowledge by passing written (as used in this paragraph, the term "written" means either paper and pencil or computer-administered or computerized testing) and oral examinations in psychology prescribed by the board; except that upon examination of credentials, the board may,

by unanimous consent, consider these credentials adequate evidence of professional knowledge.

Upon investigation of the application and other evidence submitted, the board shall, not less than thirty (30) days before the examination, notify each applicant that the application and evidence submitted is satisfactory and accepted or unsatisfactory and rejected; if rejected, the notice shall state the reasons for the rejection.

The place of examination shall be designated in advance by the board, and the examination shall be given at such time and place and under such supervision as the board may determine. The examination used by the board shall consist of written tests and oral tests, and shall fairly test the applicant's knowledge and application thereof in those areas deemed relevant by the board. All examinations serve the purpose of verifying that a candidate for licensure has acquired a basic core of knowledge in the discipline of psychology and can apply that knowledge to the problems confronted in the practice of psychology within the applicant's area of practice.

The board shall evaluate the results from both the written and oral examinations. The passing scores for the written and oral examinations shall be established by the board in its rules and regulations. If an applicant fails to receive a passing score on the entire examination, he or she may reapply and shall be allowed to take a later examination. An applicant who has failed two (2) successive examinations by the board may not reapply until

after two (2) years from the date of the last examination failed. The board shall keep the written examination scores, and an accurate transcript of the questions and answers relating to the oral examinations, and the grade assigned to each answer thereof, as part of its records for at least two (2) years after the date of examination.

Persons licensed in another state or jurisdiction applying for the authority to practice interjurisdictional telepsychology must meet the requirements set out in the Psychology Interjurisdictional Compact provided for in Section 73-31-51.

Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64.

**SECTION 9.** Section 73-31-14, Mississippi Code of 1972, is reenacted as follows:

73-31-14. (1) Psychologists who are duly licensed in other jurisdictions and not currently under investigation by another licensure board may, upon application for licensure, apply for a temporary license, which shall be valid until the next administration of the oral examination. The temporary license shall be issued upon the applicant's passage of the Examination for Professional Practice of Psychology (EPPP) at the level established by the board in its rules and regulations and equivalent to that required for permanent licensure. Each applicant for a temporary license shall file an application upon a form and in the manner as the board prescribes, accompanied by a

fee equal to the amount required for permanent licensure. A temporary license will lapse for any person who has failed the oral examination or has had his or her license suspended or revoked by the board. Procedures for the issuance of temporary licenses shall be established by the board in its rules and regulations. The issuance of a temporary license to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(2) Psychologists who are duly licensed in other jurisdictions may apply for a temporary practice certificate that allows them to practice psychology on a temporary basis in the State of Mississippi. That practice must be limited in scope and duration, not exceeding thirty (30) days during a consecutive twelve-month period. Applicants for a temporary practice certificate shall provide to the board the nature of the practice before providing that service, and shall make available to the board a current copy of his or her license or verification of a valid license in good standing. Psychologists who receive temporary practice certificates are subject to a jurisprudence examination at the request of the board. This authority for a temporary practice certificate does not apply to a psychologist who has been denied licensure in Mississippi, is a legal resident of Mississippi, or intends to practice full-time or a major portion of their time in Mississippi. Each applicant for a temporary practice certificate shall file an application upon a

form and in the manner as the board prescribes, accompanied by a fee in an amount determined by the board, but not to exceed Three Hundred Dollars (\$300.00).

(3) Applicants awaiting licensure in Mississippi are prohibited from the practice of psychology without a temporary license issued by the board. For the purposes of this subsection, the practice of psychology shall be construed without regard to the means of service provision (e.g., face-to-face, telephone, internet, telehealth).

(4) Persons licensed in another state or jurisdiction applying for the temporary authorization to practice must meet the requirements set out in the Psychology Interjurisdictional Compact provided for in Section 73-31-51.

**SECTION 10.** Section 73-31-15, Mississippi Code of 1972, is reenacted as follows:

73-31-15. (1) Upon application accompanied by the proper fee, the board may issue a license to any psychologist who furnishes, upon a form and in the manner as the board prescribes, evidence satisfactory to the board that he or she is a diplomate in good standing of the American Board of Examiners in Professional Psychology; or possesses a valid Certificate of Professional Qualification (CPQ) granted by the Association of State and Provincial Psychology Boards; or has at least twenty (20) years of licensure to practice in another state, territorial possession of the United States, District of Columbia, or

Commonwealth of Puerto Rico or Canadian Province when that license was based on a doctoral degree; and

(a) Has had no disciplinary sanction during the entire period of licensure; and

(b) Is not currently under investigation by another licensure board; and

(c) Has demonstrated current qualification by successfully passing the oral examination and jurisprudence examination.

(2) The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(3) The board may grant the authority to practice interjurisdictional telepsychology to persons who are licensed in another state or jurisdiction who meet the requirements set out in the Psychology Interjurisdictional Compact provided for in Section 73-31-51.

**SECTION 11.** Section 73-31-17, Mississippi Code of 1972, is reenacted as follows:

73-31-17. The status of psychologist emeritus is created. To qualify for status as psychologist emeritus, a psychologist must apply for psychologist emeritus status with the board upon a form and in the manner as the board prescribes, accompanied by a fee equal to one-half (1/2) of the amount of the permanent licensure renewal fee as determined by the board. The applicant

shall be required to make a satisfactory showing to the board, in a manner to be determined by the board, that the applicant (a) is sixty-five (65) years old or older, (b) has held continuous licensure as a psychologist in the State of Mississippi for at least twenty (20) years, and (c) at the time of application is retired from the full-time practice of psychology and is not practicing more than eighty (80) hours per month in any capacity in the State of Mississippi. For the purposes of this section, the practice of psychology shall be construed without regard to the means of service provision (e.g., face-to-face, telephone, Internet, telehealth). The applicant must renew his or her psychologist emeritus status annually on the same renewal schedule as permanent licensure. Renewal shall include confirmation of the psychologist's eligibility and attestation, at the time of renewal, of his or her continued "retired" status.

**SECTION 12.** Section 73-31-19, Mississippi Code of 1972, is reenacted as follows:

73-31-19. The board shall issue a license signed by the chairman and executive secretary of the board whenever an applicant has been successfully qualified as provided in this article. A copy of the license, so certified by the executive secretary as a true copy, shall be filed by the licensee in the office of the clerk of the circuit court in the county in which the licensee resides.

**SECTION 13.** Section 73-31-21, Mississippi Code of 1972, is reenacted as follows:

73-31-21. (1) The board, by an affirmative vote of at least four (4) of its seven (7) members, shall withhold, deny, revoke or suspend any license issued or applied for in accordance with the provisions of this article, or otherwise discipline a licensed psychologist, upon proof that the applicant or licensed psychologist:

(a) Has violated the current code of ethics of the American Psychological Association or other codes of ethical standards adopted by the board; or

(b) Has been convicted of a felony or any offense involving moral turpitude, the record of conviction being conclusive evidence thereof; or

(c) Is using any substance or any alcoholic beverage to an extent or in a manner dangerous to any other person or the public, or to an extent that the use impairs his or her ability to perform the work of a professional psychologist with safety to the public; or

(d) Has impersonated another person holding a psychologist license or allowed another person to use his or her license; or

(e) Has used fraud or deception in applying for a license or in taking an examination provided for in this article; or

(f) Has accepted commissions or rebates or other forms of remuneration for referring clients to other professional persons; or

(g) Has performed psychological services outside of the area of his or her training, experience or competence; or

(h) Has allowed his or her name or license issued under this article to be used in connection with any person or persons who perform psychological services outside of the area of their training, experience or competence; or

(i) Is legally adjudicated mentally incompetent, the record of that adjudication being conclusive evidence thereof; or

(j) Has willfully or negligently violated any of the provisions of this article. The board may recover from any person disciplined under this article, the costs of investigation, prosecution, and adjudication of the disciplinary action.

(2) Notice shall be effected by registered mail or personal service setting forth the particular reasons for the proposed action and fixing a date not less than thirty (30) days nor more than sixty (60) days from the date of the mailing or that service, at which time the applicant or licensee shall be given an opportunity for a prompt and fair hearing. For the purpose of the hearing, the board, acting by and through its executive secretary, may subpoena persons and papers on its own behalf and on behalf of the applicant or licensee, may administer oaths and may take testimony. That testimony, when properly transcribed, together with the papers and exhibits, shall be admissible in evidence for or against the applicant or licensee. At the hearing, the applicant or licensee may appear by counsel and personally in his or her own behalf. Any person sworn and examined by a witness in

the hearing shall not be held to answer criminally, nor shall any papers or documents produced by the witness be competent evidence in any criminal proceedings against the witness other than for perjury in delivering his or her evidence. On the basis of any such hearing, or upon default of applicant or licensee, the board shall make a determination specifying its findings of fact and conclusions of law. A copy of that determination shall be sent by registered mail or served personally upon the applicant or licensee. The decision of the board denying, revoking or suspending the license shall become final thirty (30) days after so mailed or served, unless within that period the applicant or licensee appeals the decision to the chancery court, under the provisions hereof, and the proceedings in chancery shall be conducted as other matters coming before the court. All proceedings and evidence, together with exhibits, presented at the hearing before the board shall be admissible in evidence in court in the appeal.

(3) The board may subpoena persons and papers on its own behalf and on behalf of the respondent, may administer oaths and may compel the testimony of witnesses. It may issue commissions to take testimony, and testimony so taken and sworn to shall be admissible in evidence for and against the respondent. The board shall be entitled to the assistance of the chancery court or the chancellor in vacation, which, on petition by the board, shall issue ancillary subpoenas and petitions and may punish as for contempt of court in the event of noncompliance therewith.

567           (4) Every order and judgment of the board shall take effect  
568 immediately on its promulgation unless the board in the order or  
569 judgment fixes a probationary period for the applicant or  
570 licensee. The order and judgment shall continue in effect unless  
571 upon appeal the court by proper order or decree terminates it  
572 earlier. The board may make public its order and judgments in  
573 any manner and form as it deems proper. It shall, in event of the  
574 suspension or revocation of a license, direct the clerk of the  
575 circuit court of the county in which that license was recorded to  
576 cancel that record.

577           (5) Nothing in this section shall be construed as limiting  
578 or revoking the authority of any court or of any licensing or  
579 registering officer or board, other than the Mississippi Board of  
580 Psychology, to suspend, revoke and reinstate licenses and to  
581 cancel registrations under the provisions of Section 41-29-311.

582           (6) Suspension by the board of the license of a psychologist  
583 shall be for a period not exceeding one (1) year. At the end of  
584 this period the board shall reevaluate the suspension, and shall  
585 either reinstate or revoke the license. A person whose license  
586 has been revoked under the provisions of this section may reapply  
587 for a license after more than two (2) years have elapsed from the  
588 date that the denial or revocation is legally effective.

589           (7) In addition to the reasons specified in subsection (1)  
590 of this section, the board shall be authorized to suspend the  
591 license of any licensee for being out of compliance with an order  
592 for support, as defined in Section 93-11-153. The procedure for

suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this article, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(8) The board may issue a nondisciplinary, educational letter to licensees as provided in Section 73-31-7(2)(g). The board may also direct a psychologist to obtain a formal assessment of ability to practice safely if there is reason to believe there may be impairment due to substance abuse or mental incapacity. Licensees who may be impaired, but who are able to practice safely, may be required by the board to seek appropriate treatment and/or supervision. That action by the board in itself will not be considered disciplinary.

(9) The board may discipline any person who has been granted the authority to practice interjurisdictional telepsychology or

the temporary authorization to practice under the Psychology Interjurisdictional Compact provided for under Section 73-31-51, for any of the grounds specified in subsection (1) of this section in the same manner as the board disciplines a licensed psychologist under this section.

**SECTION 14.** Section 73-31-23, Mississippi Code of 1972, is reenacted as follows:

73-31-23. (1) It shall be a misdemeanor:

(a) For any person not licensed under this article to represent himself or herself as a psychologist or practice psychology in the manner described in Section 73-31-3, except as otherwise authorized under the Psychology Interjurisdictional Compact provided for under Section 73-31-51; or

(b) For any person to represent himself or herself as a psychologist or practice psychology in the manner described in Section 73-31-3 during the time that his or her license as a psychologist is suspended or revoked or lapsed; or

(c) For any person to otherwise violate the provisions of this article.

That misdemeanor shall be punishable, upon conviction, by imprisonment for not more than sixty (60) days or by a fine of not more than Three Hundred Dollars (\$300.00), or by both that fine and imprisonment. Each violation shall be deemed a separate offense. The misdemeanor shall be prosecuted by the district attorney of the judicial district in which the offense was committed in the name of the people of the State of Mississippi.

(2) Any entity, organization or person, including the board, any member of the board, and its agents or employees, acting in good faith and without malice, who makes any report or information available to the board regarding violation of any of the provisions of this article, or who assists in the organization, investigation or preparation of any such report or information or assists the board in carrying out any of its duties or functions provided by law, shall be immune from civil or criminal liability for those acts.

The immunity granted under the provisions of this subsection shall not apply to and shall not be available to any psychologist who is the subject of any report or information relating to a violation by the psychologist of the provisions of this article.

**SECTION 15.** Section 73-31-25, Mississippi Code of 1972, is reenacted as follows:

73-31-25. The board may, in the name of the people of the State of Mississippi, through the Attorney General, except as otherwise authorized in Section 7-5-39, apply for an injunction in any court of competent jurisdiction to enjoin any person from committing any act declared to be a misdemeanor by this article.

If it is established that the defendant has been or is committing an act declared to be a misdemeanor by this article, the court, or any judge thereof, shall enter a decree perpetually enjoining the defendant from further committing that act. In case of violation of any injunction issued under the provisions of this section, the court, or any judge thereof, may summarily try and

punish the offender for contempt of court. Those injunctive proceedings shall be in addition to, and not in lieu of, all penalties and other remedies provided for in this article.

**SECTION 16.** Section 73-31-27, Mississippi Code of 1972, is reenacted as follows:

73-31-27. (1) Nothing in this article shall be construed to limit:

(a) The activities and services of a student, intern or trainee in psychology pursuing a course of study in psychology at an institution of higher education, if these activities and services constitute a part of his or her supervised course of study; or

(b) The services and activities of members of other professional groups licensed or certified by the State of Mississippi who perform work of a psychological nature consistent with their training, work experience history, and with any code of ethics of their respective professions, provided they do not hold themselves out to be psychologists. Portions of the practice of psychology as defined by this article overlap with the activities of other professional groups and it is not the intent of this article to regulate the activities of those professional groups.

(2) Individuals certified by the Mississippi State Department of Education may use appropriate titles such as "school psychologist," "certified school psychologist," "educational psychologist" or "psychometrist" only when they are employed by or

696 under contract with a school district and practicing in school or  
697 educational settings.

698 (3) A lecturer employed by an institution of higher learning  
699 may use an appropriate academic or research title, provided he or  
700 she does not represent himself or herself as a psychologist or  
701 practice psychology in the manner described in Section 73-31-3.

702 **SECTION 17.** Section 73-31-29, Mississippi Code of 1972, is  
703 reenacted as follows:

704 73-31-29. A psychologist shall not be examined without the  
705 consent of his or her client as to any communication made by the  
706 client to the psychologist or the psychologist's advice given  
707 thereon in the course of professional employment; nor shall a  
708 psychologist's secretary, stenographer or clerk be examined  
709 without the consent of his or her employer concerning any fact,  
710 the knowledge of which he or she has acquired in that capacity.

711 **SECTION 18.** This act shall take effect and be in force from  
712 and after July 1, 2025.

**Further, amend by striking the title in its entirety and  
inserting in lieu thereof the following:**

1 AN ACT TO AMEND SECTION 73-31-31, MISSISSIPPI CODE OF 1972,  
2 TO EXTEND THE DATE OF THE REPEALER ON SECTIONS 73-31-1 THROUGH  
3 73-31-29, WHICH PROVIDE FOR THE LICENSURE OF PSYCHOLOGISTS; TO  
4 REENACT SECTIONS 73-31-1 THROUGH 73-31-29, MISSISSIPPI CODE OF  
5 1972, WHICH CREATE THE MISSISSIPPI BOARD OF PSYCHOLOGY AND PROVIDE  
6 FOR THE LICENSURE OF PSYCHOLOGISTS; TO AMEND REENACTED SECTION 73-  
7 31-5, MISSISSIPPI CODE OF 1972, TO ADD TWO MEMBERS TO THE BOARD;  
8 AND FOR RELATED PURPOSES.
