42 AUTHORIZED HEADCOUNT:

43	Permanent:	4,968
44	Time-Limited:	353

45 With the funds herein appropriated, it shall be the agency's

82 salaries authorized under the provisions of this act and which are  
83 withdrawn and no longer available.

84 None of the funds herein appropriated shall be used in  
85 violation of the Internal Revenue Service's Publication 15-A

Provided, however, that none of the funds appropriated for the support of community mental health services shall be made available to any Regional Mental Health/Intellectual Disability Center which does not receive from each of its participating counties a dollar amount equivalent to what the proceeds of a three-fourths (3/4) mill tax on all taxable property in the county in Fiscal Year 1982 would have been or the amount of funds contributed to the center by the county in Fiscal Year 1984, whichever shall be greater. By means of performance contracts, the Department of Mental Health shall disburse the funds appropriated in this section for services for the mentally ill, intellectually disabled and alcohol/drug abusers. The State Board of Mental Health and the Department of Mental Health shall be responsible for selecting the types of services which shall be provided with the funds appropriated in this section, for developing and monitoring performance contracts and for holding contractors accountable for utilization of funds.

**SECTION 9.** Ellisville State School is authorized to draw up to Four Hundred Fifty Thousand Dollars (\$450,000.00) from interest earned on funds invested in Ellisville State School Client's Trust

**SECTION 11.** It is the intention of the Legislature that the Department of Mental Health shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2025. It is further the intention of the Legislature that the

agency's budget request for Fiscal Year 2027 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2026 budget request process.

**SECTION 12.** It is the intention of the Legislature that none of the funds provided herein shall be used to pay certain utilities for state-furnished housing for any employees. Such utilities shall include electricity, natural gas, butane, propane, cable and phone services. Where actual cost cannot be determined, the agency shall be required to provide meters to be in compliance with legislative intent. Such state-furnished housing shall include single-family and multifamily residences but shall not include any dormitory residences. Allowances for such utilities shall be prohibited.

**SECTION 13.** It is the intention of the Legislature that the Executive Director of the Department of Mental Health shall have authority to transfer cash from one special fund treasury fund to another special fund treasury fund under the control of the Department of Mental Health. The purpose of this authority is to more efficiently use available cash reserves. 288 Department of Mental Health shall have the authority to transfer  
289 such sums from this source as are necessary to implement or  
290 improve those community services that are more appropriately  
291 addressed by the Mississippi Department of Education and/or the  
292 Mississippi Department of Rehabilitation Services to those  
293 agencies for that purpose. Further, it is the intention of the  
294 Legislature that any sums received from this source that are not
